

Australian Capital Territory

Districts Act 1966 No 5 (repealed)

Republication No 5

Republication date: 11 October 2002

Amendments incorporated to 11 October 2002

As repealed by Act 2002 No 39

Authorised by the ACT Parliamentary Counsel

About this republication

The republished law

This is a republication of the *Districts Act 1966* (repealed) (including any amendment made under the *Legislation Act 2001*, part 11.3 (Editorial changes)). It also includes any commencement, amendment, repeal or expiry affecting the republished law to 11 October 2002.

The legislation history and amendment history of the republished law are set out in endnotes 3 and 4.

Kinds of republications

The Parliamentary Counsel's Office prepares 2 kinds of republications of ACT laws (see the ACT legislation register at www.legislation.act.gov.au):

- authorised republications to which the *Legislation Act 2001* applies
- unauthorised republications.

The status of this republication appears on the bottom of each page.

Editorial changes

The *Legislation Act 2001*, part 11.3 authorises the Parliamentary Counsel to make editorial amendments and other changes of a formal nature when preparing a law for republication. Editorial changes do not change the effect of the law, but have effect as if they had been made by an Act commencing on the republication date (see *Legislation Act 2001*, s 115 and s 117). The changes are made if the Parliamentary Counsel considers they are desirable to bring the law into line, or more closely into line, with current legislative drafting practice.

This republication does not include amendments made under part 11.3 (see endnote 1).

Uncommenced provisions and amendments

If a provision of the republished law has not commenced or is affected by an uncommenced amendment, the symbol **U** appears immediately before the provision heading. The text of the uncommenced provision or amendment appears only in the last endnote.

Modifications

If a provision of the republished law is affected by a current modification, the symbol **M** appears immediately before the provision heading. The text of the modifying provision appears in the endnotes. For the legal status of modifications, see *Legislation Act 2001*, section 95.

Penalties

The value of a penalty unit for an offence against this republished law at the republication date is—

- (a) if the person charged is an individual—\$100; or
- (b) if the person charged is a corporation—\$500.

Australian Capital Territory

Districts Act 1966 (repealed)

An Act to provide for the division and description of land in the Territory

1 Short title

This Act may be cited as the *Districts Act 1966*.

4 Interpretation for Act

(1) In this Act:

Note A definition applies except so far as the contrary intention appears (see *Legislation Act 2001*, s 155).

deposited plan means a plan prepared and lodged with the registrar-general in accordance with section 7.

district means a district referred to in section 5.

(2) In the schedule to this Act—

- (a) a reference to a ***deposited plan*** by number is a reference to a lodged plan so called and numbered in the office of the registrar-general; and
- (b) a reference to land formerly in the State of New South Wales is a reference to land in that State immediately before the acceptance of that land as part of the Territory.

5 Districts

- (1) The Territory is divided into districts to be known, respectively, as Canberra Central, Woden Valley, Belconnen, Jerrabomberra, Majura, Tuggeranong, Weston Creek, Gungahlin, Stromlo, Kowen, Hall, Coree, Paddys River, Cotter River, Tennent, Rendezvous Creek, Booth and Mount Clear.
- (2) The boundaries of each district are the boundaries respectively set out in the schedule to this Act in relation to that district.

6 Divisions, sections and blocks of districts

- (1) The Minister may, by deposited plan, divide a district or portion of a district into divisions, or into sections or blocks.
- (2) The Minister may, by deposited plan, divide a division of a district or portion of a division of a district into sections or blocks.
- (3) The Minister may, by deposited plan, divide a section or portion of a section of a division of a district into blocks.
- (4) The boundaries of each division, section or block of a district are as delineated in the deposited plan by which the district, division or section is formed under this Act.
- (5) The Minister shall give each division, section or block that is formed by deposited plan under this Act a distinguishing number or name.
- (6) The Minister may, by deposited plan, alter the boundaries or the distinguishing number or name of a division, section or block that is so formed under this Act.
- (7) The name given by the Minister under this section to a division shall be the name determined by the Minister under the *Public Place Names Act 1989*, section 3 (a) in respect of that division.
- (8) If the Minister alters the name of a division under this section, the name, as so altered, of the division shall be the name determined by the Minister under the *Public Place Names Act 1989*, section 3 (a) in respect of that division.

7 Deposited plans

- (1) For this Act, the Minister shall cause a plan to be prepared setting out the boundaries of, and the distinguishing number or name given by the Minister to, each division, section or block that is formed by deposited plan under this Act.
- (2) A plan so prepared shall be presented for lodging at the office of the registrar-general.

- (3) The registrar-general shall not accept a plan in respect of land the description of which includes a reference to a *district*, division, section or block for lodging as a *deposited plan* unless the commissioner for surveys has certified on the plan to the effect that the plan has been prepared under this Act and that the land is correctly so described.
- (4) The registrar-general shall endorse or cause to be endorsed on each plan accepted for lodging the time and date of lodging, the words 'deposited plan' and a consecutive number in order of lodging.
- (5) The registrar-general shall sign a plan that is accepted for lodging and endorsed as provided by this section, or cause to be attached to the plan a stamp that is a facsimile of his or her signature, and the plan thereupon becomes a deposited plan.
- (6) If the Minister, by an amending deposited plan, alters the boundaries or the number or name of a division, section or block, the registrar-general shall endorse or cause to be endorsed on the deposited plan affected by the alteration a note to the effect that the plan has been amended by the specified amending deposited plan on the date of the lodging of the amending deposited plan under this Act.
- (7) A deposited plan is, unless the contrary is proved, evidence of the measurements and boundaries of the areas of land shown on it.

8 Description of land for purposes of dealings

Subject to the *Land Titles Act 1925*, the description of a parcel of land by the number or name of the block, section or division, as the case requires, in accordance with the deposited plan where the parcel of land is shown, and the name of the district where the land is situated, is a sufficient description of the parcel of land for the purposes of dealings with that land.

9 Alterations of instruments

If a deposited plan is lodged under this Act and the original of an instrument relating to a parcel of land shown in that deposited plan (being an instrument in the register kept under the *Land Titles Act 1925*) is presented to the registrar-general, the registrar-general shall make the entries, cancellations and corrections the registrar-general considers necessary so as to describe that parcel of land by reference to the number or name of the district, division, section or block, as the case may be, by which that parcel of land is described in that deposited plan.

10 Inspection of deposited plans

A person may, on application to the registrar-general, inspect a deposited plan at the office of the registrar-general.

Endnotes

1 About the endnotes

Amending and modifying laws are annotated in the legislation history and the amendment history. Current modifications are not included in the republished law but are set out in the endnotes.

Not all editorial amendments made under the *Legislation Act 2001*, part 11.3 are annotated in the amendment history. Full details of any amendments can be obtained from the Parliamentary Counsel's Office.

Uncommenced amending laws and expiries are listed in the legislation history and the amendment history. These details are underlined. Uncommenced provisions and amendments are not included in the republished law but are set out in the last endnote.

If all the provisions of the law have been renumbered, a table of renumbered provisions gives details of previous and current numbering.

The endnotes also include a table of earlier republications.

If the republished law includes penalties, current information about penalty unit values appears on the republication inside front cover.

3 Legislation history

3 Legislation history

This Act was originally a Commonwealth ordinance—the *Districts Ordinance 1966* No 5 (Cwlth).

The *Australian Capital Territory (Self-Government) Act 1988* (Cwlth), s 34 (4) converted most former Commonwealth ordinances in force in the ACT into ACT enactments. This allowed the ACT Legislative Assembly to amend and repeal the laws. This Act was converted into an ACT enactment on 11 May 1989 (self-government day).

As with most ordinances in force in the ACT, the name was changed from *Ordinance* to *Act* by the *Self-Government (Citation of Laws) Act 1989* No 21, s 5 on 11 May 1989 (self-government day).

Before 11 May 1989, ordinances commenced on their notification day unless otherwise stated (see *Seat of Government (Administration) Act 1910* (Cwlth), s 12).
