## **Appropriation Act 1992-93**

**No. 69 of 1992**

---

---

**An Act to appropriate certain sums out of the Consolidated Revenue Fund for the purposes of the Territory in respect of the year that commenced on 1 July 1992, and for related purposes**

*[Notified in ACT Gazette S 214: 30 November 1992]*

The Legislative Assembly for the Australian Capital Territory enacts as follows:

**Short title**

1. This Act may be cited as the *Appropriation Act 1992-93*.

**Interpretation**

2. In this Act, unless the contrary intention appears—  
“salary” includes a payment in the nature of salary;  
“Supply Act” means the *Supply Act 1992-93*;  
“the financial year” means the year that commenced on 1 July 1992.

**Issue and application of \$1,295,247,300**

3. The Treasurer may issue the sum of \$1,295,247,300 out of the Consolidated Revenue Fund and apply it in respect of services provided in the financial year under the programs specified in the Schedule.

**Appropriation of \$1,295,247,300**

4. The sums authorised to be issued out of the Consolidated Revenue Fund by—

- (a) section 3 of the Supply Act, as that Act is affected by this Act; and
- (b) section 3 of this Act;

and amounting in the aggregate to \$1,295,247,300, as specified in the third column in Part I of the Schedule, are to be taken to have been appropriated on 1 July 1992 for services provided in the financial year under the relevant programs specified in the Schedule.

**Appropriation for salary increases**

5. (1) For the purposes of this section, an increase in salary is due for payment if it is payable, or commences to be paid, in accordance with a law or any award, determination or order made under a law.

(2) The Treasurer may—

- (a) issue out of the Consolidated Revenue Fund such amounts as the Treasurer estimates to be necessary for the payment of such increases in salaries, for which provision is made in the Schedule, as are due for payment in the financial year; and
- (b) apply such amounts in payment of such increases.

(3) The amounts that may be issued out of the Consolidated Revenue Fund under subsection (2) are in addition to amounts appropriated by section 4 in respect of salaries.

(4) The Consolidated Revenue Fund is appropriated to the extent necessary for the purposes of this section.

**Salary increases paid under Supply Act**

6. Amounts that were—

- (a) issued out of the Consolidated Revenue Fund; and
- (b) applied in payment of increases in salary;

in accordance with section 5 of the Supply Act before the commencement of this Act are to be taken to have been issued and applied for such payments under section 5 of this Act.

**Appropriations for programs**

7. Money appropriated by this Act for services under a particular program is to be taken to be appropriated for—

- (a) the purpose of payments (including advances) under Acts administered as part of the program; and

- (b) other purposes of the program, being purposes for which appropriation has been made in an earlier Act.

### **Net annotated appropriations**

**8.** Where the description of the purpose of an appropriation set out in a division, subdivision or item of the Schedule includes the words “(net appropriation—see section 8)”, the Schedule shall be taken, for the purposes of this Act and the *Audit Act 1989*, to provide that all money received from the provision of services to the Territory or a Territory authority may be credited to that division, subdivision or item to such extent as is, and on such conditions as are, agreed between the Treasurer and the Minister responsible for the administrative unit of the Public Service, statutory authority or other body for which the appropriation is made.

### **Supply Act**

**9.** The Supply Act has effect, and is to be taken at all times to have had effect, as if the Schedule to this Act (other than the third column) were substituted for the Schedule to that Act.

### **Housing Rental Trust Account and Home Purchase Assistance Trust Account**

**10.** If trust accounts to be known as the Housing Rental Trust Account and Home Purchase Assistance Trust Account are established by or under a law of the Territory before 1 July 1993, this Act has effect and is to be taken at all times to have had effect, as if for subdivision 1 of division 150 of Part II of the Schedule there were substituted the following subdivision:
