

AUSTRALIAN CAPITAL TERRITORY

Appropriation Act 1995-96

No. 44 of 1995

An Act to appropriate certain sums out of the Consolidated Revenue Fund for the purposes of the Territory in respect of the year that commenced on 1 July 1995, and for related purposes

[Notified in ACT Gazette S297: 28 November 1995]

The Legislative Assembly for the Australian Capital Territory enacts as follows:

Short title

1. This Act may be cited as the *Appropriation Act 1995-96*.

Commencement

2. This Act commences on the day on which it is notified in the *Gazette*.

Interpretation

3. In this Act, unless the contrary intention appears—
“financial year” means the year that commenced on 1 July 1995;
“salary” includes a payment in the nature of salary;
“Supply Act” means the *Supply Act 1995-96*.

Issue and application of \$1,343,690,900

4. The Treasurer may issue the sum of \$1,343,690,900 out of the Consolidated Revenue Fund and apply it in respect of services provided in the financial year by the appropriation units specified in the Schedule.

Application of Supply Act

5. The Supply Act has effect, and is to be taken at all times to have had effect, as if the Schedule to this Act (other than the third column) were substituted for the Schedule to that Act.

Appropriation of \$1,343,690,900

6. The sums authorised to be issued out of the Consolidated Revenue Fund by—

- (a) section 3 of the Supply Act, as that Act is affected by this Act; and
- (b) section 4 of this Act;

and amounting in the aggregate to \$1,343,690,900, as specified in the third column in Part I of the Schedule, are to be taken to have been appropriated on 1 July 1995 for services provided in the financial year by the relevant appropriation unit specified in the Schedule.

Appropriation for salary increases

7. (1) For the purposes of this section, an increase in salary is due for payment if it is payable, or commences to be paid, in accordance with a law or any award, determination or order made under a law.

(2) The Treasurer may—

- (a) issue out of the Consolidated Revenue Fund such amounts as the Treasurer estimates to be necessary for the payment of such increases in salaries, for which provision is made in the Schedule, as are due for payment in the financial year; and
- (b) apply such amounts in payment of such increases.

(3) The amounts that may be issued out of the Consolidated Revenue Fund under subsection (2) are in addition to amounts appropriated by section 6 in respect of salaries.

(4) The Consolidated Revenue Fund is appropriated to the extent necessary for the purposes of this section.

Salary increases paid under Supply Act

8. Amounts that were—

- (a) issued out of the Consolidated Revenue Fund; and
- (b) applied in payment of increases in salary;

in accordance with section 5 of the Supply Act before the commencement of this Act are to be taken to have been issued and applied for such payments under section 7 of this Act.

Appropriations for appropriation units

9. Money appropriated by this Act for services provided by a particular appropriation unit is to be taken to be appropriated for—

- (a) the purpose of payments (including advances) under Acts administered by that unit; and
- (b) other purposes of the appropriation unit, being purposes for which appropriation has been made in an earlier Act.

Net appropriations

10. (1) For the purposes of this Act and subsection 44 (3) of the *Audit Act 1989*, where the description of the purpose of an appropriation in favour of an administrative unit under an item in Part II of the Schedule includes the words “net appropriation—see section 10”, the Schedule is to be taken to provide that all money received by that administrative unit from an administrative unit for the provision of services in pursuance of that purpose may be credited to that item.

(2) Where, by virtue of subsection (1), money is to be taken to be credited to an item in Part II of the Schedule, that money is to be taken to be credited only—

- (a) to the extent agreed between the Treasurer and the Minister responsible for the administration of that item; and
- (b) on the conditions (if any) agreed between the Treasurer and that Minister.

(3) In this section—

“administrative unit” includes a Territory authority.

Auditor-General’s Trust Account

11. If a trust account to be known as the Auditor-General’s Trust Account is established by or under a law of the Territory before 1 July 1996, this Act has effect, and is to be taken at all times to have had effect, as if for subdivision 1 of division 30 in Part II of the Schedule there were substituted the following subdivision:

1.	Recurrent (including payments to the Auditor-General’s Trust Account).....	720 000	841 600
