A2011-35

Republication No 26

Effective: 9 June 2023

Republication date: 9 June 2023

Last amendment made by [A2022-23](#)

About this republication

The republished law

This is a republication of the *Work Health and Safety Act 2011* (including any amendment made under the [Legislation Act 2001](#), part 11.3 (Editorial changes)) as in force on 9 June 2023. It also includes any commencement, amendment, repeal or expiry affecting this republished law to 9 June 2023.

The legislation history and amendment history of the republished law are set out in endnotes 3 and 4.

Kinds of republications

The Parliamentary Counsel's Office prepares 2 kinds of republications of ACT laws (see the ACT legislation register at www.legislation.act.gov.au):

- authorised republications to which the [Legislation Act 2001](#) applies
- unauthorised republications.

The status of this republication appears on the bottom of each page.

Editorial changes

The [Legislation Act 2001](#), part 11.3 authorises the Parliamentary Counsel to make editorial amendments and other changes of a formal nature when preparing a law for republication. Editorial changes do not change the effect of the law, but have effect as if they had been made by an Act commencing on the republication date (see [Legislation Act 2001](#), s 115 and s 117). The changes are made if the Parliamentary Counsel considers they are desirable to bring the law into line, or more closely into line, with current legislative drafting practice.

This republication includes amendments made under part 11.3 (see endnote 1).

Uncommenced provisions and amendments

If a provision of the republished law has not commenced, the symbol **U** appears immediately before the provision heading. Any uncommenced amendments that affect this republished law are accessible on the ACT legislation register (www.legislation.act.gov.au). For more information, see the home page for this law on the register.

Modifications

If a provision of the republished law is affected by a current modification, the symbol **M** appears immediately before the provision heading. The text of the modifying provision appears in the endnotes. For the legal status of modifications, see the [Legislation Act 2001](#), section 95.

Penalties

At the republication date, the value of a penalty unit for an offence against this law is \$160 for an individual and \$810 for a corporation (see [Legislation Act 2001](#), s 133).

85 Health and safety representative may direct that unsafe work cease

- (1) A health and safety representative may direct a worker who is in a work group represented by the representative to cease work if the representative has a reasonable concern that to carry out the work would expose the worker to a serious risk to the worker's health or safety, emanating from an immediate or imminent exposure to a hazard.

- (b) that was safe and appropriate for the worker to carry out.

89 Request to regulator to appoint inspector to assist

- (3) To remove any doubt, this section does not apply to answering a question or providing information or a document in response to a requirement made under a corresponding WHS law.

Example

- (2) However, a WHS undertaking cannot be accepted for a contravention or alleged contravention of—
