An Act to amend the *Planning and Development Act 2007* and the *Planning and Development Regulation 2008*

The Legislative Assembly for the Australian Capital Territory enacts as follows:

1 **Part 1 Preliminary**

2 **1 Name of Act**

3 This Act is the *Planning and Development (Greenhouse Gas*
4 *Reduction Targets) Amendment Act 2012.*

5 **2 Commencement**

6 This Act commences on the day after its notification day.

7 *Note* The naming and commencement provisions automatically commence on
8 the notification day (see Legislation Act, s 75 (1)).

9 **3 Legislation amended**

10 This Act amends the *Planning and Development Act 2007* and the
11 *Planning and Development Regulation 2008.*

Part 2 Planning and Development Act 2007

4 Object of Act Section 6 (a)

substitute

(a) consistent with—

(i) the social, environmental and economic aspirations of the people of the ACT; and

(ii) the ACT greenhouse gas reduction targets; and

5 Meaning of *sustainable development* Section 9, definition of *sustainable development*, new paragraphs (e) and (f)

insert

(e) meeting the ACT greenhouse gas reduction targets;

(f) planning for the impacts of climate change in the ACT.

6 New section 9A

in chapter 2, insert

9A Meaning of *ACT greenhouse gas reduction targets* and *climate change impact analysis*

In this Act:

ACT greenhouse gas reduction targets means the ACT target and interim targets to reduce greenhouse gas emissions in the ACT under the *Climate Change and Greenhouse Gas Reduction Act 2010*.

1 *climate change impact analysis* means an assessment of the
2 possible and expected contribution to greenhouse gas emissions in
3 the ACT of an activity, proposal or other thing.

4 **7 Giving effect to object of territory plan**
5 **Section 49 (1)**

6 *omit*

7 sustainability principles

8 *substitute*

- 22 *substitute*
- 23 **103** **Review of territory plan—after consideration of whether**
24 **review necessary**

15 New section 103A

in part 5.7, insert

103A Review of territory plan—ACT greenhouse gas reduction targets

- (1) The planning and land authority must, at least once every 5 years—
- (a) review the territory plan to identify any variation needed to make the plan consistent with the ACT greenhouse gas reduction targets; and
 - (b) if a variation is needed, either—
 - (i) for a variation under part 5.3—prepare a draft plan variation for the variation; or
 - (ii) for a variation that is a technical amendment—make the amendment under part 5.4.
- (2) After reviewing the territory plan, the planning and land authority must—
- (a) prepare a notice stating the authority's findings on the review; and
 - (b) give a copy of the notice to the Minister.
- (3) A notice is a notifiable instrument.
- Note* A notifiable instrument must be notified under the Legislation Act.
- (4) The planning and land authority must undertake its first review, and prepare any related draft plan variation or make any technical amendment to the territory plan, under this section by 31 December 2013.
- (5) Subsection (4) and this subsection expire on 30 June 2014.

16 Meaning of *significant* adverse environmental impact
New section 124A (1) (c)
