## **6 Determination for Act, s 10 and s 20**

This instrument determines conditions subject to which a member may, on behalf of the Territory, hire staff, contractors or consultants under the Act, section 10 or section 20.

## **7 Application during rest of year ending 30 June 2008**

- (1) The conditions determined by this instrument apply to a member while the member holds a position (the *relevant position*) mentioned in schedule 1 for a period or periods (the *period or periods of office*) within the time beginning on the day this instrument commences and ending on 30 June 2008.
- (2) If the member holds 2 or more relevant positions within the time mentioned in subclause (1), the conditions determined by this instrument apply in relation to the period or periods of office for each relevant position, considered separately.

## **8 Salary cap**

- (1) A member may, on behalf of the Territory, hire staff, consultants or contractors during the period or periods of office only while the total amount payable for salary and payments, excluding overtime payments, to all staff, consultants and contractors under the member's hire while the member holds the relevant position during the financial year, does not exceed the amount (the *salary cap*) worked out in accordance with the formula in subclause (2).
- (2) The formula for working out the salary cap is—

$$\text{salary cap} = \$ \frac{\text{annual salary allocation} \times \text{working days}}{261} + \text{carry over}$$

- (3) In subclause (2):

***annual salary allocation*** means the annual salary allocation stated in schedule 1 for the relevant position.

***carry over*** means the member's unspent salary allocation, if any, carried over from the 2006–2007 financial year. The carry over cannot exceed 10% of the member's annual salary allocation for the 2006–2007 financial year.

Where a member moves from one relevant position to another relevant position during the 2007–2008 financial year, ***carry over*** means the amount, if any, that the unspent salary cap exceeds the annual salary allocation calculated on a pro-rata basis, in respect of the relevant position to which he or she has moved.

***working days*** means the number of working days the member holds the relevant position in the financial year.

- (4) Despite subclause (1), the Chief Minister may, by written notice to a member, allow the total amount payable for salary and payments, excluding overtime payments, to all staff, consultants and contractors under the member's hire while the member holds the relevant position during the financial year to exceed the salary cap.
- (5) The Chief Minister may only allow the salary cap to be exceeded if—
- (a) an employee on the member's staff takes, or is to take, a period of paid leave exceeding 4 continuous weeks during the financial year; and
  - (b) the member hires, or is to hire, a replacement employee, contractor or consultant during the employee's absence on paid leave; and
  - (c) the amount by which the salary cap is exceeded, or is to be exceeded, is no more than the amount of salary or payments payable to the employee for the period of leave; and
  - (d) the Chief Minister considers on reasonable grounds that—
    - (i) the requirement for leave is beyond the member's control; and

- (ii) the member would be, or would have been, unable to exercise his or her functions as a member without hiring the replacement during the employee's absence on paid leave.

Dated 29 June 2007.

Jon Stanhope  
*Chief Minister*
