

# Radiation Protection (Fees) Determination 2014 (No 1)

## Disallowable instrument DI2014–298

made under the

Radiation Protection Act 2006, s 120 (Determination of Fees)

---

### 1 Name of instrument

This instrument is the *Radiation Protection (Fees) Determination 2014 (No 1)*.

### 2 Commencement

This instrument commences on 1 January 2015.

### 3 Determination of fees

The fee payable in respect of each matter listed in column 3 of Schedule 1 is the amount listed for that item in column 4.

### 4 Payment of fees

A fee listed in Schedule 1 is payable to the Territory by the person requesting the goods or service listed.

The fees are exempt from Goods and Services Tax under Division 81 of A *New Tax System (Goods and Services Tax) Act 1999* (Cwlth).

### 5 Refunding of fees

Column 5 of Schedule 1 specifies what amount, if any, of a fee paid is non-refundable.

A non-refundable amount is included to cover the costs associated with the processing and administration of an application. As such, the non-refundable amount paid for a licence does not vary, regardless of the term of the licence.

### 6 Licence and registration terms

The amounts listed in column 4 are based on a one year licence or registration.

Subject to some limitations, licences and registrations can also be issued for longer terms, up to a maximum duration of three years. Where a longer term is granted, the applicable fee in column 4 is multiplied to correspond with the term of the licence or registration.

For example, the fee payable for a two year licence is twice the fee specified in column 4. For a three registration, the fee in column 4 is multiplied by three.

## **7 Revocation**

This instrument revokes DI2013-300 effective on 1 January 2015.
