## Disallowable Instrument DI2015—10

made under the

*Utilities Act 2000*, section 22 (Exemption)

---

### 1 Name of instrument

This instrument is the *Utilities (Licensing) Exemption 2015 (No 1)*.

### 2 Commencement

This instrument commences on the day after its notification.

### 3 Exemption

- (1) I exempt the Australian Capital Territory as represented by the Directorate that has responsibility from time to time for providing the non potable water supply service detailed in clause 4 (the Directorate), from the requirement for a licence in relation to a utility service for a period of five years from the commencement of this instrument.
- (2) This exemption is granted for the purpose prescribed in clause 4 and under the conditions in clause 5 of this instrument.

### 4 Utility Service – Non-potable Water Supply

This exemption is given for the reticulation, supply and sale of non-potable water supplied by the Inner North Reticulation Network to operate and evaluate the system, which sources stormwater from Flemington Road Pond, Dickson Pond, Lyneham Pond and EPIC Bore.

### 5 General Conditions

The Directorate must comply with each of the following:

- (a) each industry code that applies to the utility service; and
- (b) each technical code that applies to the utility service; and
- (c) a direction given to it by the Director-General under Part 5 of the *Utilities Act 2000*; and
- (d) keeping all records and documents necessary to enable it to meet any reporting requirements, or any requirement to produce a record or document under the *Utilities Act 2000* or another condition of this exemption.
