

Waste Management and Resource Recovery (Fees) Determination 2018 (No 1)

Disallowable Instrument DI2018 -176

made under the

Waste Management and Resource Recovery Act 2016, section 126 (Determination of fees and rates of interest)

1 Name of instrument

This instrument is the Waste Management and Resource Recovery (Fees) Determination 2018 (No 1).

2 Commencement

This instrument commences on 1 July 2018.

3 Determination of fees

The fee payable in respect of each matter listed in column 2 of schedule 1 and 2 is the amount listed in column 4.

4 Payment of fees

A fee listed in schedule 1 and 2 is payable to the Territory by the person requesting the goods or services listed.

5 Fee waivers

- (1) A registered charity or ACT Government agency may apply to the Minister to waive (completely or partly) a fee listed in schedule 1.
- (2) If an application is made under clause (1), and the Minister considers it would be in the public interest, the Minister may waive (completely or partly) a fee listed in schedule 1.

6 Goods and services tax

GST inclusive fees in schedule 1 are marked with a double asterisk (**).

7 Dictionary

The dictionary at schedule 3 relates to schedule 2.

8 Refund of fees

If a person has paid a fee prescribed in schedule 1, the person may be entitled to a refund (completely or partly) which reflects the service provided by the Territory.

9 Revocation

This instrument revokes the Waste Management and Resource Recovery (Fees) Determination 2017 (No 1) and Waste Management and Resource Recovery (Fees) Determination 2017 (No 2).

Meegan Fitzharris MLA
Minister for Transport and City Services

19 June 2018

Waste management and Resource Recovery (Fees) Determination 2018 (No 1)
Schedule 1

Column 1	Column 2	Column 3	column 4	column 5
Item Number	Relevant section of Act for which the fee is payable	Description of Matter for which fee is payable	<i>Previous fee payable in 2017-2018 (where applicable)</i>	Fee payable from 1 July 2018
1.0	22(5)(a)(ii)	Waste facility licence fee**	\$275.00 per annum	\$366.00 per annum
1.1	24(4)(a)(ii)	Registration of a waste transporter**	\$165.00 per annum	\$251.60 per annum

Waste management and Resource Recovery (Fees) Determination 2018 (No 1)
Schedule 2

Column 1 Item Number	Column 2 Description of Matter for which fee is payable	column 3 <i>Previous fee payable in 2017-2018 (where applicable)</i>	column 4 Fee payable from 1 July 2018
Part 1	Landfill fees for household waste		
1.1.	Household waste ACT residential fee – 0.5 tonne or more**	\$92.35 per tonne	\$96.05 per tonne
1.2.	Household waste Non-ACT residential fee **	\$147.65 per tonne	\$153.55 per tonne
1.3.	Household waste fee - Small (up to a sedan boot)**	\$13.25 per load	\$13.80 per load
1.4.	Household waste fee – Medium (up to a sedan with a trailer; a utility; or a wagon)**	\$26.50 per load	\$27.55 per load
1.5.	Household waste fee – Large (up to a utility or wagon with a trailer; or a sedan with a caged trailer)**	\$36.80 per load	\$38.30 per load
1.6.	Household waste fee – Receipt and recycling of whole tyres from light vehicles : clean and without rim (single tyre)** <i>Note: Appointment required for 10 or more tyres.</i>	\$4.40 per tyre	\$4.60 per tyre
1.7.	Household waste fee – Receipt and recycling of whole tyres from light vehicles : dirty or with rim (single tyre)** <i>Note: Appointment required for 10 or more tyres</i>	\$6.65 per tyre	\$6.90 per tyre
1.8.	Drop-Off at Hume Sheds – Receipt and recycling of mattresses**	\$23.45 per mattress	Delete
1.9.	Collection and recycling of mattresses from residence**	\$30.10 per mattress	Delete
1.10.	Household waste fee – Receipt and recycling of mattresses at Mitchell & Mugga transfer Stations**	\$33.65 per mattress	\$35.00 per mattress
Part 2	Clean recyclable material from households		
2.1	Household clean soil with no organics 0.5 tonne or more. To be placed at designated drop off areas at Mugga and Mitchell Transfer Stations.	\$63.95 per tonne	\$66.50 per tonne
2.2	Household clean concrete and/or brick 0.5 tonne or more. To be placed at designated drop off areas at Mugga and Mitchell Transfer Stations.	\$63.95 per tonne	\$66.50 per tonne
Part 3	Landfill fees for commercial and industrial waste		

Waste management and Resource Recovery (Fees) Determination 2018 (No 1)
Schedule 2

Column 1	Column 2	column 3	column 4
Item Number	Description of Matter for which fee is payable	<i>Previous fee payable in 2017-2018 (where applicable)</i>	Fee payable from 1 July 2018
3.1.	Commercial industrial and other waste not dealt with elsewhere in this instrument- less than 0.25 tonne** <i>Note: The disposal of regulated waste, as defined in the Environment Protection Act 1997 is subject to special licensing or permit arrangements issued by the Environment Protection Authority and in many instances may not be disposed of at landfill.</i>	\$37.25 per load	\$38.75 per load
3.2.	Commercial industrial and other waste not dealt with elsewhere in this instrument- 0.25 tonne or more** <i>Note: The disposal of regulated waste, as defined in the Environment Protection Act 1997 is subject to special licensing or permit arrangements issued by the Environment Protection Authority and in many instances may not be disposed of at landfill.</i>	\$149.10 per tonne	\$155.05 per tonne
Part 4	Landfill fees for special waste		
4.1.	Asbestos or products containing asbestos (by arrangement) – from commercial services less than 0.25 tonne**	\$41.80 per load	\$43.50 per load
4.2.	Asbestos or products containing asbestos (by arrangement) – 0.25 tonne or more; or arriving at the landfill in a package larger than 80 cm x 80 cm**	\$167.60 per tonne	\$174.10 per tonne
4.3.	Carcasses small/medium (e.g. dog/cat/sheep)**	\$13.25 each	\$13.80 each
4.4.	Carcasses large (e.g. horse/cattle) **	\$167.60 each	\$174.30 each
4.5.	Burials requiring special arrangements less than 0.5 tonne (eg product destruction, supervised or immediate burial including meat, fish or other animal processing wastes, low level radioactive waste, sewage ash or grit, asbestos, hydrocarbons) ** <i>Note: Written approval for disposal of material requiring special burial arrangements that contains asbestos, hydrocarbons and some other material is required from the Environmental Protection Authority.</i>	\$93.70 per load	\$97.45 per load
4.6.	Burials requiring special arrangements 0.5 tonne or more (eg product destruction, supervised or immediate burial including meat, fish or other animal processing wastes, low level radioactive waste, sewage ash or grit, asbestos, hydrocarbons)** <i>Note: Written approval for disposal of material requiring special burial arrangements that contains asbestos, hydrocarbons and some other material is required from the</i>	\$187.35 per tonne	\$194.85 per tonne

Waste management and Resource Recovery (Fees) Determination 2018 (No 1)
Schedule 2

Column 1 Item Number	Column 2 Description of Matter for which fee is payable	column 3 <i>Previous fee payable in 2017-2018 (where applicable)</i>	column 4 Fee payable from 1 July 2018
<i>Environmental Protection Authority.</i>			
Part 5	Fees in the event of weighbridge failure		
5.1.	In the event the weighbridge is not operating at Mugga Lane or Mitchell the landfill disposal fee for material described in Parts 2 or 3 of this Schedule when delivered in a small vehicle (up to a sedan boot)**	\$13.25 per load	\$13.80 per load
5.2.	In the event the weighbridge is not operating at Mugga Lane or Mitchell the landfill disposal fee for material described in Parts 2 or 3 of this Schedule when delivered in a medium vehicle (up to a sedan with a trailer; a utility; or a wagon)**	\$26.50 per load	\$27.55 per load
5.3.	In the event the weighbridge is not operating at Mugga Lane or Mitchell the landfill disposal fee for material described in Parts 2 or 3 of this Schedule when delivered in a large vehicle (up to a utility of wagon with a trailer; or a sedan with a caged trailer) **	\$39.80 per load	\$41.40 per load
5.4.	In the event the weighbridge is not operating at Mugga Lane or Mitchell the landfill disposal fee for material delivered by any form of truck (including trailer)**	\$149.10 per load	\$155.05 per load
Part 6	Other fees		
6.1.	Fill for disposal at landfill including contaminated soils (e.g. Hydrocarbons) that have been approved by the Environment Protection Authority as “Required to be disposed of within a licensed lined landfill.”**	\$149.50 per tonne	\$155.05 per tonne
6.2.	Mixed commercial or industrial waste containing greater than 50% recyclable material, including standard recyclables (defined as paper, cardboard, glass and plastics) and garden waste, bricks, metal, and concrete. **	\$203.40 per tonne	\$211.55 per tonne
6.3.	Receipt and Recycling of whole tyres from vehicles : clean and without rim (more than 0.25 tonne)** <i>Note: Appointment required for 10 or more tyres</i>	\$348.60 per tonne	\$362.55 per tonne

Waste management and Resource Recovery (Fees) Determination 2018 (No 1)
Schedule 2

Column 1	Column 2	column 3	column 4
Item Number	Description of Matter for which fee is payable	<i>Previous fee payable in 2017-2018 (where applicable)</i>	Fee payable from 1 July 2018
6.4.	Receipt and Recycling of whole tyres from vehicles : dirty or with rim (more than 0.25 tonne)** <i>Note: Appointment required for 10 or more tyres</i>	\$487.45 per tonne	\$506.95 per tonne
6.5.	Receipt and Recycling of computer equipment mainframes and bulk loads**	\$38.00 per 10 kilograms	\$39.50 per 10 kilograms
Part 7 West Belconnen Resource Management Centre (WBRMC) remediation fees			
7.1	Handling and safe management of Contaminated Remediation Material to the WBRMC where this is undertaken by the Department or it's contractor**	\$13.40 per tonne	\$13.95 per tonne
7.2	Acceptance at WBRMC of contaminated remediation material, where the quantity of material is 70 tonnes or more.** <i>Note: Written approval for deposit of this material is required from the Environment Protection Authority. Material accepted by appointment only. The additional fee for handling and safe management of Contaminated Remediation Material will also apply unless the Territory has approved another arrangement for handling and safe management.</i>	\$69.65 per tonne	\$72.45 per tonne
7.3	Acceptance at WBRMC of beneficial re-use remediation material, where the quantity of material is 100 tonnes or more.** <i>Note: Written approval for deposit of this material is required from the Environment Protection Authority. Material accepted by appointment only.</i>	\$18.40 per tonne	\$19.15 per tonne
7.4	Acceptance of VENM material at WBRMC as required for operational purposes, at the discretion of the Territory	\$0.00 per tonne	\$0.00 per tonne
7.5	Acceptance at WBRMC of virgin excavation natural material (from a single point of origin) ** <i>Note: Written approval for the deposit of this material is required from the Environmental Protection Authority. Material accepted for remediation purposes by appointment only as required to support site operation.</i>	\$11.20 per tonne	\$11.65 per tonne

Note: The amounts in column 3 are for comparison purposes only.

Dictionary

Dictionary for Schedule 2 of this instrument this instrument:

Beneficial re-use remediation material means material that has been approved for acceptance by the Environment Protection Authority and that has been extracted from areas that are contaminated or have been previously contaminated.

Cover remediation material means construction and demolition waste fines that have been approved for acceptance by the Environment Protection Authority for the purposes of providing cover to other remediation materials.

Contaminated remediation material means soil that has been approved for acceptance by the Environment Protection Authority and that is contaminated with small amounts of bonded asbestos sheeting, or soil contaminated with small amounts of other contaminants.

Fines means the small residual particles left over from the sorting and screening processes.

Household Waste means domestic waste that is generated as a result of the ordinary day-to-day use of a domestic premise and taken from the premise by the person who generated the waste.

Hume sheds means Block 4 Section 27 Hume.

Virgin excavation natural material means material that is not mixed with any other waste and that:

- (a) has been excavated from areas that are not contaminated, as a result of industrial, commercial, mining or agricultural activities, with manufactured chemicals and that does not contain sulphidic ores or soils; or
- (b) consists of excavated natural materials that are approved by the Environment Protection Authority for disposal as virgin excavated natural material.

WBRMC means the West Belconnen Resource Management Centre.
