

AUSTRALIAN CAPITAL TERRITORY

OZONE PROTECTION ACT 1991

DETERMINATION OF FEES

NO. 135 OF 1992

EXPLANATORY STATEMENT

This instrument sets fees for licence renewal for the purposes of the Ozone Protection Act 1991. The fees are set out below.

Licence renewal fees are based on the same calculation as for application fees with the exception of the wholesalers licence which is based on the quantity of CFC 11 and CFC 12 sold 12 months prior to licence renewal at a rate of 15 cents per kilogram.

In NSW, South Australia and Victoria a levy is imposed on wholesalers for the quantity of CFC 11 and CFC 12 sold. The ACT legislation does not provide for the imposition of a levy. However, licence fees may be based on a similar system. The initial licence application fee has been determined at \$00.00 to allow wholesalers the first 12 months to accrue this fee.
