

AUSTRALIAN CAPITAL TERRITORY

BUILDINGS (DESIGN AND SITING) ACT 1964

DETERMINATION OF FEES

EXPLANATORY STATEMENT

DETERMINATION No. 112 OF 1992.

This Determination made under Section 9 of the Buildings (Design and Siting) Act 1964 sets the fees for the purposes of that Act.

Section 6 provides that approval of the external design and siting of unapproved work is a controlled activity in accordance with Part VI of the Land (Planning and Environment) Act 1991.

The fees to be charged in 1992-93 are a sliding scale based upon the value of the project and whether there is a need for Public Notification. The fee is a new fee arising from the implementation of the land and planning legislation.
