The Canberra Commercial Development Authority Ordinance 1974 (the principal Ordinance) established the Canberra Commercial Development Authority with the function of constructing and managing a shopping centre in the District of Belconnen.

It is now considered desirable that the functions of the Authority should be expanded to enable it to construct a shopping centre in the District of Tuggeranong.

The Canberra Commercial Development Authority (Amendment) Ordinance 1983 (the amending Ordinance) extends the functions of the Authority to allow it to carry out those functions in the District of Tuggeranong as well as the District of Belconnen.

Section 1 of the amending Ordinance deals with interpretation.

Section 2 of the amending Ordinance amends Section 14 of the principal Ordinance by empowering the Authority to carry out its functions in the District of Tuggeranong.
