MOTOR TRAFFIC (AMENDMENT) ORDINANCE 1978

EXPLANATORY MEMORANDUM

The Motor Traffic (Amendment) Ordinance 1978 amends the Motor Traffic Ordinance 1936 to require motor traffic entering or leaving boom gate parking areas to obey traffic lights.

The Ordinance also repeals the provision in the Motor Traffic Ordinance dealing with lost property. The repeal of this provision will enable lost property to be dealt with by the ACT Police under the Police Ordinance 1927.
