

AUSTRALIAN CAPITAL TERRITORY

SEAT OF GOVERNMENT RAILWAY ORDINANCE 1975

EXPLANATORY MEMORANDUM

The Seat of Government Railway Ordinance 1975
amend the Seat of Government Railway Ordinance 1923-1938
by substituting a revised Schedule for the present Schedule
to the Ordinance.

The revised Schedule deletes the references to
the former railway line between Kingston and Canberra City
and substitutes metric distance measurements for the old
imperial distance measurements.
