

AUSTRALIAN CAPITAL TERRITORY

AMENDMENTS OF THE MOTOR TRAFFIC REGULATIONS

EXPLANATORY MEMORANDUM

No. 5 of 1965

The Motor Traffic Ordinance 1965 was brought into operation by notice in the Gazette of the 5th August, 1965. The purpose of the Ordinance was to put the Motor Traffic Ordinance 1936-1964 in order preparatory to reprinting.

For the sake of completeness certain provisions contained in the Motor Traffic Regulations relating to the registration of vehicles were included in the Ordinance. The relevant regulations are now redundant and have therefore been repealed.
