PUBLIC BATHS AND PUBLIC BATHING REGULATIONS

EXPLANATORY MEMORANDUM

No. 14 of 1966

Regulation 3 of the Public Baths and Public Bathing Regulations declares public swimming pools to be public baths for the purposes of the Ordinance and Regulations.

This enables the provisions of the Ordinance in respect of conduct, dress and other matters within the boundaries of public baths to apply to these areas.

This regulation remakes regulation 3 to declare the newly completed Deakin Swimming Pool public baths for the purposes of the Ordinance and Regulations.
