APPROPRIATION BILL 2013-2014

The *Appropriation Bill 2013-2014* is the mechanism for the appropriation of monies for the 2013-14 financial year.

Under Section 58 of the *Australian Capital Territory (Self-Government) Act 1988*, public money may not be issued or spent except as authorised by law. Under Section 6 of the *Financial Management Act 1996* (FMA), no payment of public money may be made unless it is in accordance with an appropriation. Section 8 of the FMA provides for separate appropriations to be made under an Appropriation Act in respect of each directorate. The FMA also provides for appropriation units, being a class of outputs, or a group of output classes, for which an appropriation is made by an Appropriation Act. The Bill satisfies the provisions of each of these Acts.

The Bill provides for appropriations for:

- (a) the provision of outputs by agencies;
- (b) any capital injection to be provided to agencies; and
- (c) any payments to be made by agencies on behalf of the Territory.

Monies are appropriated to directorates and appropriation units within directorates, which will be established by the Administrative Arrangements and guidelines issued under Section 133 of the FMA. Appropriations are also made to Territory authorities and Territory-owned Corporations. Output classes that make up each appropriation unit are specified in Schedule 2 of the Bill.

The Bill includes a provision of \$28.1 million for the Treasurer's Advance. This will enable the Treasurer to authorise expenditure in excess of that appropriated, or not provided for by an appropriation, in accordance with Section 18 of the FMA. This section provides for urgent and unforeseen expenditures necessary for the efficient administration of the Territory, and limits the Treasurer's Advance to no more than 1 per cent of the total amount appropriated under Appropriation Acts for the year. The amount appropriated in 2013-14 for the Treasurer's Advance represents 0.67 per cent of the total amount to be appropriated under this Appropriation Bill and the *Appropriation (Office of the Legislative Assembly) Bill 2013-2014*.
