Nil.

CLAUSE NOTES

Clauses 1 and 2 – Name of regulations and commencement – are machinery provisions that specify the name of the regulations and provide for the commencement of their provisions.

Clause 3 – Reduction of Membership of advisory committee – Act, s 20 (2) – the clause reduces the membership of the Advisory Committee by omitting three organisations from the provision of membership – 1) the National Centre for Epidemiology and Health and 2) the Canberra Injectors Network and 3) the Australian Intravenous League.

Clause 4 – Extension of membership of advisory committee – Act s 20 (2) – the clause provides for the membership of the Advisory Committee to be extended by including persons nominated by certain organisations as listed in the Regulations.
