

# Road Transport (General) Application of Road Transport Legislation (Manuka Oval) Declaration 2023 (No 1)

Disallowable instrument DI2023–49

made under the

***Road Transport (General) Act 1999*, section 12 (Power to include or exclude areas in road transport legislation)**

## EXPLANATORY STATEMENT

---

Section 12 (1) (b) of the *Road Transport (General) Act 1999* (the Act) empowers the Minister to declare that a provision of the road transport legislation does not apply to a road or road related area. Section 12 (3) of the Act makes such a declaration a disallowable instrument.

Section 6 of the Act provides that road transport legislation includes the *Road Transport (Safety and Traffic Management) Act 1999*. Section 104 of the *Legislation Act 2001* states that a reference to an Act includes a reference to the statutory instruments made or in force under the Act, including any regulation. Section 33 of the *Road Transport (Safety and Traffic Management) Act 1999* incorporates the *Road Transport (Road Rules) Regulation 2017* which forms part of the road transport legislation.

This declaration is made to support parking arrangements for major sporting events at Manuka Oval in 2023. The declaration will cover the period 22 April 2023 to 31 December 2023 to allow matches to be rescheduled, or additional matches to be held at Manuka Oval for the remainder of the year.

A regulatory impact statement is not required as this instrument does not impose appreciable costs on the community or a part of the community (see s 34 (1) *Legislation Act 2001*). Further, the temporary suspension of parking rules to support major sporting events at Manuka Oval does not operate to the disadvantage of anyone by adversely affecting their rights or imposing liabilities on the person (see s 36 (1) *Legislation Act 2001*).
