Disallowable instrument DI2023-174

Legislative Assembly (Members' Staff) Act 1989, s 5 (3) (Office-holders may employ staff) and s 17 (4) (Office-holders may engage consultants and contractors)

EXPLANATORY STATEMENT

Legislative Context

The *Legislative Assembly (Members' Staff) Act 1989* ("the Act") provides for the employment of staff, and the engagement of consultants or contractors, by office-holders (Ministers and "the Speaker") of the Legislative Assembly.

Subsections 5(1) and 17(1) of the Act give office-holders the authority to employ staff, and engage consultants and contractors, respectively. Subsections 5(3) and 17(4) provide for the Chief Minister to determine in writing the conditions within which office-holders may exercise that authority. Such a determination is a disallowable instrument.

Outline

The instrument revokes disallowable instrument DI2022-173 which provided conditions under which the Speaker may employ staff and engage consultants or contractors, including a salary allocation for the 2022–2023 financial year.

The instrument determines an interim allocation for the Speaker for the 2023-2024 financial year pending the negotiation of a replacement enterprise agreement for staff employed under the Act. The interim allocation operates from 1 July 2023.

The instrument provides the authority for the Speaker to allocate part or all of the Speaker's uncommitted salary allocation to another member, and to receive part or all of the uncommitted salary allocation from another member. The instrument also provides the authority for the Speaker to carry over up to a maximum of 10% of the Speaker's salary allocation remaining unexpended from the 2022–2023 financial year.

Conditions

Numbered clause 2 sets the commencement of the instrument as 1 July 2023.

Numbered clauses 3 and 4 contain technical provisions.

Numbered clause 5 revokes disallowable instrument DI2022-173.

Numbered clause 6 sets that the instrument determines the conditions that apply to the hire, by the Speaker, of staff, contractors and consultants under the Act.

Numbered clause 7 sets that the conditions apply to a person while the person holds the office of Speaker during the specified period. The specified period commences on 1 July 2023 and ends on 30 June 2024, or the date on which the instrument is revoked, whichever is the later.

Numbered clause 8(1) sets the condition that the Speaker may only employ staff, or engage consultants or contractors, while the total amount payable for salary and payments do not exceed the specified salary cap, while the Speaker holds office during the period, worked out in accordance with the prescribed formula.

Numbered clause 8(2) sets the formula for calculating the relevant salary cap. The formula provides that the Speaker may allocate part or all of the Speaker's uncommitted salary allocation to another member, and to receive part or all of the uncommitted salary allocation from another member, in the form of a salary pledge. The formula also provides for the carry over by the Speaker of unexpended salary allocation from the 2022–2023 financial year.

Numbered clause 8(3) limits the carry over to no more than 10% of the Speaker's annual salary allocation for the 2022-2023 financial year.

Numbered clause 8(4) provides that an amount payable for salary to a staff member for a period of leave may be excluded from the Speaker's salary cap where specified conditions are met. Subclauses (a) to (d) set out the specified conditions.

Numbered clause 8(5) requires that an amount may only be excluded from the Speaker's salary cap if the Clerk of the Legislative Assembly is satisfied that all of the specified conditions have been met.
