RATES AND LAND RENT (RELIEF) ACT 1970

NOTICE FIXING RATES OF INTEREST

INSTRUMENT NO. 15 OF 1998

EXPLANATORY STATEMENT

The *Rates and Land Rent (Relief) Act 1970* (the Act) provides for relief from land, water and sewerage rates in the form of rebates and/or deferral of the obligation to pay rates, to eligible pensioners, specified Social Security payment recipients and persons suffering hardship. Section 23 empowers the Minister to fix the interest rates which are levied by the Act.

This Notice Fixing Rates of Interest revokes the Notice Fixing Rates of Interest No. 162 of 1997, dated 7 July 1997, and notified in the Australian Capital Territory Gazette No S220 on 15 July 1997, and fixes the interest rates to be charged on amounts deferred by determination and amounts unpaid after a determination has been revoked, for the purpose of subsection 23(1) of the Act.

From 16 January 1998, the interest rate for the purpose of paragraph 23 (1) (a) of the Act, in relation to amounts deferred by determination, is fixed at 5.5 percent per annum, previously 6.0 percent per annum, and for paragraph 23 (1) (b) of the Act, in relation to amounts unpaid after a determination has been revoked, the interest is fixed at 6.0 percent per annum.

The rates have been changed as a consequence of a six monthly review of interest rates by the ACT Revenue Office in line with Government policy.
