

AUSTRALIAN CAPITAL TERRITORY
HOUSING ASSISTANCE ACT 1987
HOMEBUYER HOUSING ASSISTANCE PROGRAM
DETERMINATION OF FEES
NO. 44 OF 1994
EXPLANATORY STATEMENT

This instrument revokes the determination made by the Acting Commissioner for Housing by Determination No 105 and notified in ACT Gazette No 28 on 14 July 1993 for fees payable under the HomeBuyer Housing Assistance Program. These fees relate to registration on the loan waiting list and lodgment of an application for a home loan.

This determination maintains the loan waiting list fee at \$30 which is sufficient to facilitate cost recovery.

The application fee, which covers the administrative cost of processing an application including conveyancing, has been increased from \$260 to \$265.
