Dr John Grant
Chair
ACT Accreditation and Registration Council
GPO Box 985
Civic Square ACT 2608

Dear Dr Grant,

I am writing concerning our recent meeting about the Canberra Institute of Technology, and their recent applications to Council for degree programs in applied science and business.

I have asked the department to commence a strategic review of higher education delivery by the Institute, commencing as soon as possible. I have asked the department to report to me in February 2005 on the findings of the strategic review and to consult Council on this important policy development.

I am formally directing Council to hold the two CIT degree proposals submitted on 5 November 2004, pending the outcomes of the strategic review.

I will write to Council again once I have received the findings and recommendations of the review.

Yours sincerely

Katy Gallagher MLA
