

## **CZ5 – Mixed Use Zone**

### **Zone Objectives**

- a) Encourage higher density residential development in locations with convenient access to transport corridors, and commercial and employment centres
- b) Create an efficient and sustainable urban environment and provide for a diversity of living, working and recreation opportunities
- c) Maintain and enhance environmental amenity and undertake development using best practice environmentally sustainable development principles
- d) Encourage a standard of urban design that is consistent with selected major avenues, approach routes and other strategically located areas
- e) Encourage activities particularly at street frontage level that contribute to an active public realm
