REGULATIONS 1961. No. 15.*

- 1. These Regulations may be cited as the Canberra Community Citation. Hospital (Charges) Regulations.
- 2. These Regulations shall come into operation on the first day of Commence-January, 1962.
- 3. The Canberra Community Hospital (Charges) Regulations (comprising Repeal. the Regulations specified in the First Schedule to these Regulations) are repealed.

4.—(1.) In these Regulations, unless the contrary intention appears— Interpretation.

"in-patient" means a person who occupies a bed in the Hospital for the purposes of treatment;

"out-patient" means a person who receives treatment at the Hospital other than as an in-patient;

- "the Ordinance" means the Canberra Community Hospital Ordinance 1938-1961.
- (2.) For the purposes of these Regulations—
 - (a) the day of admission to the Hospital and the day of discharge or death shall be counted together as one day; and
 - (b) a child under the age of twelve months and the mother of that child, if they are in-patients at the same time, shall be deemed to be one in-patient.
- 5. For the purposes of these Regulations, the Minister or a person Classification authorized in writing by the Minister for the purposes of this regulation of wards. may classify the wards of the Hospital as general wards, intermediate wards or private wards, and may, from time to time, vary the classification of those wards.

Made under the Canberra Community Hospital Ordinance 1938-1961 on 4th December, 1961; notified in the Commonwealth Gazette on 21st December, 1961, and commenced on 1st January, 1962 (see regulation 2 of these Regulations).

Charges for in-patients.

- 6.—(1.) Subject to regulation 11 of these Regulations, the charge for treatment provided by the Board for an in-patient is at the rate of—
 - (a) Two pounds four shillings per day in respect of an in-patient in a general ward;
 - (b) Three pounds eleven shillings per day in respect of an in-patient in an intermediate ward; and
 - (c) Four pounds fifteen shillings per day in respect of an in-patient in a private ward.
- (2.) In this regulation, "treatment" does not include the provision of radiological services or of ambulance facilities.

Charges for radiological services.

7. The charge for a radiological service, being a radiological service specified in the second column of the Second Schedule to the *National Health Act* 1953-1961 (including a report on that service), provided at the Hospital is an amount equal to three times the amount specified in the third column of that Schedule opposite to that radiological service.

Charges for surgical appliances.

- 8. Where, as part of the treatment of an in-patient or an out-patient, the Board provides a surgical appliance for use by the patient and—
 - (a) the surgical appliance has been specially made for use by the patient; or
 - (b) the Board considers that it is unlikely that the surgical appliance will be used by more than the one patient,

the charge for the provision of the surgical appliance is the actual amount expended by the Board in obtaining the appliance.

Charges for dental services.

9. The charge for a dental service provided for an out-patient or a person to whom regulation 11 of these Regulations applies, being a service specified in column 2 of the Second Schedule to these Regulations, is the amount specified in column 3 of that Schedule opposite to that service.

Charges for other services.

- 10.—(1.) The charge for a course of treatment by physiotherapy is—
 - (a) in the case of a course of treatment provided for an out-patient at the Obstetric Instruction Clinic, the Posture Clinic or the Breathing Clinic—Five shillings for the first visit and Two shillings and sixpence for each subsequent visit; or
 - (b) in the case of a course of treatment provided for a person to whom the next succeeding regulation applies or an out-patient (other than an out-patient referred to in the last preceding paragraph)—Ten shillings for the first visit and Five shillings for each subsequent visit,

during each period for which he receives that course of treatment.

- (2.) The charge for a course of treatment by superficial skin therapy provided for an out-patient or a person to whom the next succeeding regulation applies is Ten shillings for each visit.
- (3.) The charge for a casualty service provided for an out-patient other than a person to whom the next succeeding regulation applies is Ten shillings.
- (4.) The charge for an electrocardiograph examination of an outpatient or a person to whom the next succeeding regulation applies is Two pounds two shillings.

- (5.) The charge for a drug or medicinal preparation, being a drug or medicinal preparation to which Part VII. of the National Health Act 1953-1961 applies, supplied to an out-patient is, subject to the next succeeding sub-regulation-
 - (a) Five shillings; or
 - (b) if the Commonwealth price of the drug or medicinal preparation as determined under section 99 of the National Health Act 1953-1961 is less than Five shillings—the amount of the Commonwealth price as so determined.
- (6.) A charge is not payable under the last preceding sub-regulation for a drug or medicinal preparation administered to an out-patient as part of the treatment received by the out-patient at the Hospital.
- 11.—(1.) This regulation applies to a person who has, or may, in Charges where patient entitled the opinion of the Medical Superintendent, have an enforceable claim to compensation for the recovery, by way of compensation or damages, from another or damages. person of the cost of treatment provided by the Board for that firstmentioned person.

- (2.) Where a person to whom this regulation applies is an in-patient, the charge for the treatment provided for that person is the sum of-
 - (a) a charge at the rate of—
 - (i) Four pounds per day in respect of each day on which the person is an in-patient in a general ward;
 - (ii) Four pounds per day in respect of each day on which the person is an in-patient in an intermediate ward:
 - (iii) Four pounds fifteen shillings per day in respect of each day on which the person is an in-patient in a private
 - (b) where the treatment provided for that person includes an attendance, a service or a medical treatment specified in the Third Schedule to these Regulations—the charge specified in that Schedule in relation to that attendance, service or medical treatment; and
 - (c) where the treatment provided for that person is a service specified in regulation 7 or 9, a course of treatment specified in paragraph (b) of sub-regulation (1.) or in sub-regulation (2.) of regulation 10 or the examination specified in subregulation (4.) of regulation 10 of these Regulations—the charge specified for that service, course of treatment or examination.
- (3.) Where a person to whom this regulation applies is an out-patient and receives an attendance, a service or a medical treatment specified in the Third Schedule to these Regulations, the charge for that attendance, service or treatment is the charge specified in that Schedule in relation to that attendance, service or medical treatment.
- (4.) The charge for a course of treatment being a treatment for which a charge is not otherwise specified in this regulation provided by the Board for a person to whom this regulation applies who is an out-patient is—
 - (a) where the course of treatment lasts less than three weeks— Fifteen shillings for the first visit and Ten shillings and sixpence for each subsequent visit; or

- (b) where the course of treatment lasts more than three weeks— Two pounds seventeen shillings for the first week, Two pounds two shillings for the second week and One pound eleven shillings and sixpence for each subsequent week.
- (5.) Subject to the next two succeeding sub-regulations, the charge for the provision of an ambulance vehicle in respect of a person to whom this regulation applies is—
 - (a) Two pounds; or
 - (b) where the distance necessarily travelled by the ambulance vehicle from its station for that purpose and in returning to its station exceeds six miles—Two pounds plus an amount calculated at the rate of Two shillings for each mile necessarily travelled by the ambulance vehicle in excess of six miles.
- (6.) Where two persons to whom this regulation applies are carried in an ambulance vehicle on any one journey, the charge payable by each of those persons for the provision of the ambulance vehicle is—
 - (a) One pound ten shillings; or
 - (b) where the distance necessarily travelled by the ambulance vehicle from its station for that purpose and in returning to its station exceeds six miles—One pound ten shillings plus an amount calculated at the rate of One shilling and sixpence for each mile necessarily travelled by the ambulance vehicle in excess of six miles.
- (7.) Where three or more persons to whom this regulation applies are carried in an ambulance vehicle on any one journey, the charge payable by each of those persons for the provision of the ambulance vehicle is an amount ascertained by dividing—
 - (a) Four pounds; or
 - (b) where the distance necessarily travelled by the ambulance vehicle from its station for that purpose and in returning to its station exceeds six miles—Four pounds plus an amount calculated at the rate of Four shillings for each mile necessarily travelled by the ambulance vehicle in excess of six miles,

by the number of those persons carried in the ambulance vehicle.

Ambulance charges for persons other than persons to whom regulation 11 applies.

- 12.—(1.) Subject to sub-regulations (5.), (6.) and (7.) of regulation 11 of these Regulations and to this regulation, the charge for the provision of an ambulance vehicle is One pound.
- (2.) Subject to sub-regulations (5.), (6.) and (7.) of regulation 11 of these Regulations, the charge for the provision of an ambulance vehicle which is required to travel outside the City Area for the purpose for which it is provided, but not outside the Territory, is Two pounds.
- (3.) Subject to sub-regulations (5.), (6.) and (7.) of regulation 11 of these Regulations, the charge for the provision of an ambulance vehicle which is required to travel outside the Territory for the purpose for which it is provided is—
 - (a) Two pounds; or
 - (b) where the distance necessarily travelled by the ambulance vehicle from its station for that purpose and in returning to its station exceeds twenty miles—an amount calculated at the rate of Two shillings for each mile necessarily travelled by the ambulance vehicle.

- (4.) Where, at the request of a person or organization conducting a sporting event or other public function, an ambulance vehicle is made available on any day at the event or function, the charge for making the vehicle available is-
 - (a) if the period for which the ambulance vehicle is made available on the day does not exceed four hours—an amount of Five pounds five shillings; or
 - (b) if the period for which the ambulance vehicle is made available on the day exceeds four hours—an amount of Ten pounds ten shillings.
- (5.) In this regulation, "the City Area" has the same meaning as in the City Area Leases Ordinance 1936-1959.
- 13. Where the distance necessarily travelled by an ambulance vehicle is a Fractions of number of miles and a fraction of a mile that is, or exceeds, one-half of a mile. mile, the fraction of a mile shall, for the purposes of the last two preceding regulations, be deemed to be one mile.

Division 2.—Treatment of Simple and Uncomplicated Fractures requiring Open Operation.

- Treatment of a simple and uncomplicated fracture of a part referred to in item 2 of this Schedule, other than a part referred to in item 4 of this Schedule, requiring an open operation—the amount specified for the treatment of that part in item 2, plus one-third of that amount
 - Treatment of a simple and uncomplicated fracture of—

5

6

7

8

- (a) patella requiring an open operation—Twenty-one pounds; or
- (b) coccyx, requiring excision—Fourteen pounds

Division 3.—Treatment of Simple Fractures requiring Treatment of a Joint or Joints.

Treatment of a simple fracture of a part referred to in item 2 of this Schedule requiring treatment of a joint or joints—the amount specified for the treatment of that part in that item, plus, where the treatment for which the amount is specified does not include treatment of a joint or joints, one-third of that amount

Division 4.—Treatment of Compound Fractures.

- Treatment of a compound fracture of a part referred to in item 2 of this Schedule—
 - (a) requiring an open operation—the amount specified for the treatment of that part in that item, plus one-half of that amount; or
 - (b) not requiring an open operation—the amount specified for the treatment of that part in that item, plus one-quarter of that amount

Division 5.—Treatment of Chip Fractures.

Treatment of a chip fracture of a part referred to in item 2 of this Schedule requiring little treatment—one-half the amount specified for the treatment of that part in that item

Division 6.—Treatment of Fractures of more than one Phalanx of same Finger,
Thumb or Toe.

- Treatment of fractures of more than one phalanx of same finger, thumb or toe—the sum of—
 - (a) whichever of the amounts specified in item 2 of this Schedule for the treatment of those fractures is the greater or greatest amount; and
 - (b) One pound one shilling for each of the other fractures so treated

THIRD SCHEDULE—continued.
