Quantities in which certain articles may be packed.

* Notified in the *Commonwealth Gazette* on 21 June 1973.

† Regulations 1970, No. 8.

- (d) by omitting paragraphs (b), (c), (d), (e), (i), (j), (k) and (n) of that sub-regulation;
- (e) by omitting paragraphs (p) and (q) of that sub-regulation and inserting in their stead the following word and paragraph:—
 - “and (p) a package containing a number of individual servings of an article, where—
 - (i) each serving is of a quantity less than the quantity specified, in relation to that article or the class of articles in which that article is included, in Column B of Part I. or Part II. of the First Schedule; and
 - (ii) there is marked on the package the number of individual servings contained in the package and the total weight or measure of the contents of the package.”; and
- (f) by adding at the end thereof the following sub-regulation:—
 - “(4.) Where an article is specified in Column A of Part I. and in Column A of Part II. of the First Schedule—
 - (a) the units of measurement specified in Columns B, C and D of the item relating to that article in Part I., or the metric units of measurement specified in those columns in Part II., of that Schedule may be marked on the package containing the article; and
 - (b) the same units of measurement shall be marked on a package containing an article as are used in relation to that article.”.

Manner, &c.,
of marking
articles to which
section 8 of the
Ordinance
applies.

4. Regulation 7 of the Weights and Measures (Packaged Goods) Regulations is amended—

- (a) by omitting sub-paragraph (i) of paragraph (a) of sub-regulation (1.) and inserting in its stead the following paragraph:—
 - “(i) be on the main display portion of the package and, where the package is of such shape or design that one or more portions of the package, other than the main display portion, is likely to be displayed when the article is exposed for sale—on that portion or on one of those other portions, as the case may be;”;
- (b) by omitting sub-paragraphs (iii) and (iv) of paragraph (b) of sub-regulation (1.) and inserting in their stead the following sub-paragraphs:—
 - “(iii) shall, in the case of a package that is cylindrical or oval or substantially cylindrical or oval, be placed within the segment of the package subtended horizontally by an angle of one hundred and twenty degrees at the centre of the perpendicular axis of the package;
 - (iv) shall be in the English language and, subject to these Regulations, shall be expressed either in Commonwealth legal units of measurement related to the yard, the pound or the gallon or in terms of the metric system of measurement related to the metre, the gramme or the litre; and
 - (v) shall not be obscured or crowded by any other printed or graphic matter.”;
- (c) by inserting in paragraph (a) of sub-regulation (2.), after the words “two fluid ounces”, the words “or 75 grammes or 75 millilitres”;

(d) by omitting sub-paragraphs (ii) and (iii) of paragraph (a) of sub-regulation (3.) and inserting in their stead the following paragraphs:—

“ (ii) consisting of cake, fruit or vegetables contained in a single package;

(iii) consisting of a roll of ribbon, lace, elastic or any other article of haberdashery; or

(iv) packed in a plain package and sold to the purchaser on the premises upon which it is packed;”;

(e) by omitting from paragraph (b) of sub-regulation (8.) the words “in terms of the metric system” and inserting in their stead the words “in terms of the metric system of measurement related to the metre, the gramme or the litre”; and

(f) by omitting sub-regulations (9.) and (10.) and inserting in their stead the following sub-regulation:—

“(9.) The provisions of sub-regulation (1.) of this regulation apply to and in relation to the marking on a package containing an article of the statements required to be marked pursuant to regulation 18, 19, 21 or 21A of these Regulations.”.

5. Regulation 9 of the Weights and Measures (Packaged Goods) Regulations is amended—

Units of measurement in terms of which statement of weight may be marked.

(a) by omitting from sub-regulation (1.) the words “a unit of measurement of the metric system;”;

(b) by adding at the end of that sub-regulation the words “or in terms of the tonne, kilogramme, gramme or milligramme”;

(c) by adding at the end of paragraph (a) of sub-regulation (2.) the words “or in terms of the tonne, kilogramme, gramme or milligramme”;

(d) by omitting paragraphs (c) and (d) of that sub-regulation and inserting in its stead the following paragraphs:—

“(c) subject to the next succeeding paragraph, where the weight or measure of an article is expressed in terms of the metric system of measurement and in terms of units of measurement related to the yard, the pound and the gallon—

(i) fractions of a unit of measurement related to the yard, the pound or the gallon may be expressed in decimal sub-multiples of that unit; and

(ii) decimal sub-multiples of a unit of measurement of the metric system of measurement may be expressed in fractions of that unit;

(d) where fractions of a unit of measurement related to the pound may, in pursuance of the last preceding paragraph, be expressed in decimal sub-multiples of that unit, decimal sub-multiples of an ounce may be expressed in terms of hundredths of an ounce for quantities not greater than four ounces and in tenths of an ounce for quantities greater than four ounces but less than one pound;”.

6. Regulation 10 of the Weights and Measures (Packaged Goods) Regulations is amended—

Units of measurement in terms of which statement of volume may be marked.

(a) by omitting from sub-regulation (1.) the words “in terms of a unit of measurement of the metric system or”;

(b) by adding at the end of that sub-regulation the words “or in terms of the cubic metre, cubic decimetre or litre, or cubic centimetre or millilitre”; and

- (c) by omitting sub-regulation (3.) and inserting in its stead the following sub-regulations:—

“(3.) Where the volume of an article is expressed in terms of units of measurement related to the gallon and in units of measurement related to the litre, fractions of a unit of measurement related to the gallon may be expressed in decimal sub-multiples of that unit.

“(4.) Where the volume of an article is expressed in terms of units of measurement related to the cubic foot and in terms of a metric unit of volume, fractions of a unit of measurement related to the cubic foot may be expressed in decimal sub-multiples of that unit.”

7. After regulation 10 of the Weights and Measures (Packaged Goods) Regulations the following regulation is inserted:—

Decimal
sub-multiples.

“10A. Where the weight or measure of an article to which section 8 of the Ordinance applies is marked on the package containing the article by reference to a decimal sub-multiple—

- (a) the decimal sub-multiple shall not be expressed to more than three significant figures; and
- (b) the decimal point that indicates the sub-multiple shall be preceded by zero or by a numeral.”

Statement of
weight or
measure to be
in terms of the
largest unit of
weight or
measurement.

8. Regulation 11 of the Weights and Measures (Packaged Goods) Regulations is amended—

- (a) by omitting from paragraph (a) of sub-regulation (2.) the words “or the yard” and inserting in their stead the words “, yard, kilogramme, cubic decimetre, litre or metre”;
- (b) by omitting from paragraph (d) of sub-regulation (2.) the words “and an additional statement stating the quantity in fluid ounces may be added”;
- (c) by omitting paragraph (f) of that sub-regulation and inserting in its stead the following paragraph:—
“(f) in any case, the package containing an article may be marked with an additional statement stating the quantity of the article in fluid ounces.”; and
- (d) by adding at the end thereof the following sub-regulations:—

“(3.) Subject to the next succeeding sub-regulation, where the quantity of an article is expressed in terms of a unit of measurement of the metric system, the statement of weight or measure used in relation to the article may be expressed in terms of a unit of weight or measure specified in the First Column of the table in this sub-regulation if the weight or measure so expressed is not greater than the weight or measure specified in the Second Column of the table opposite to the first-mentioned weight or measure.

TABLE

First Column					Second Column
Unit of Weight or Measure					Limit of Use
milligramme	2,000 milligrammes
gramme	2,000 grammes
millilitre	2,000 millilitres
cubic centimetre	2,000 cubic centimetres
millimetre	2,000 millimetres
centimetre	2,000 centimetres

“(4.) Notwithstanding the provisions of the last preceding sub-regulation, the measure of paper lengths may be expressed in millimetres if the measure so expressed is not greater than ten thousand millimetres.”.

9. Regulation 12 of the Weights and Measures (Packaged Goods) Regulations is amended—

- (a) by omitting the table in sub-regulation (1.) and inserting in its stead the following table:—

First Column Dimension of package	Second Column Size of print

Over 80 mm but not over 160 mm	2.5 mm
Over 160 mm but not over 260 mm	3.3 mm
Over 260 mm	4.8 mm

- (b) by omitting the table in sub-regulation (2.) and inserting in its stead the following table:—

First Column Dimension of bottle	Second Column Size of print
120 mm or under	2 mm
Over 120 mm but not over 230 mm	2.5 mm
Over 230 mm but not over 360 mm	3.3 mm
Over 360 mm	4.8 mm

- (c) by omitting from sub-regulation (5.) the words and figures “not less than 0.12” and inserting in their stead the words and figures “not less than 3 mm”; and

- (d) by adding at the end thereof the following sub-regulations:—

“(7.) Where, pursuant to section 11 or section 12 of the Ordinance, a package may be marked with the words ‘Net weight when packed’ or ‘Net weight at standard condition’, the provisions of sub-regulations (1.), (2.), (3.), (5.) and (6.) of this Regulation apply to the manner in which those words may be marked on the package.

“(8.) The provisions of sub-regulations (1.), (2.), (4.), (5.) and (6.) of this regulation apply to and in relation to the marking on a package containing an article of the price per pound or per kilogramme of the article pursuant to regulation 18 of these Regulations.

“(9.) The preceding provisions of this regulation do not apply to additional statements of the weight or measure of an article that are marked on the package containing the article pursuant to paragraph (b) of sub-regulation (8.) of regulation 7 of these Regulations.”.

10. Regulation 13 of the Weights and Measures (Packaged Goods) Regulations is amended—

- (a) by omitting from paragraph (b) of sub-regulation (1.) the word “or”;

- (b) by omitting paragraph (c) of that sub-regulation and inserting in its stead the following paragraphs:—

“(c) if the article is an article that is commonly sold by number, be expressed in terms of number; or

Manner, &c.,
of stating
weight or
measure in the
case of certain
articles.

- (d) in any other case, be expressed in terms of weight.”;
- (c) by omitting the table in sub-regulation (2.) and inserting in its stead the following table:—

- (d) by adding at the end of paragraph (c) of sub-regulation (3.), after the word “gallon”, the words “or three litres”; and
- (e) by omitting sub-regulation (4.).

Prohibition of use of certain terms in expressing weight or measure of articles.

11. Regulation 14 of the Weights and Measures (Packaged Goods) Regulations is amended by omitting sub-regulation (2.) and inserting in its stead the following sub-regulations:—

“(2.) Notwithstanding the last preceding sub-regulation, a statement of the weight of a number of eggs contained together in a package may be expressed—

- (a) in terms of the minimum weight of the lightest egg contained in the package; or
- (b) in terms of two weights between which the weight of each egg contained in the package falls.

"(3.) Notwithstanding sub-regulation (1.) of this regulation, a statement of the weight of dressed poultry may be expressed in terms of a minimum net weight and, where the weight is so expressed, the statement shall include the size number of the poultry, being the size number specified in the second column of the Fifth Schedule opposite to the minimum net weight specified in the first column of that Schedule.

"(4.) The size number marked on a package containing dressed poultry in pursuance of the last preceding sub-regulation shall be marked in figures of a size not less than 10 millimetres.

"(5.) The last two preceding sub-regulations do not apply to cooked poultry or to dressed poultry that has been detached from the carcass."

12. Regulation 18 of the Weights and Measures (Packaged Goods) Regulations is amended—

Certain articles to be marked with statement of price per pound or kilogramme.

- (a) by omitting sub-regulation (1.) and inserting in its stead the following sub-regulation:—

"(1.) Subject to this regulation, a package containing pre-packed meat, natural cheese, dressed poultry, fish (including crustacea), unsliced bacon, ham or smallgoods shall, before being exposed for sale, be marked—

- (a) with a statement of the price per pound or per kilogramme of the article; and
- (b) where the package contains more than one article, with a statement of the price per pound or per kilogramme of each of the articles contained in the package."

- (b) by inserting in sub-regulation (2.), after the word "pound" the words "or per kilogramme";

- (c) by omitting sub-regulation (3.) and inserting in its stead the following sub-regulation:—

"(3.) Sub-regulation (1.) of this regulation does not apply to or in relation to an article if—

- (a) a statement of the price per pound or per kilogramme of the article is indicated by a prominent statement in letters of a size of not less than Ten millimetres placed on or immediately adjacent to a tray in or on which there are displayed packages containing that article;

- (b) the article consists of—

- (i) frankfurts;
- (ii) minced meat;
- (iii) sausage meat;
- (iv) sausages;
- (v) saveloys;
- (vi) sliced cooked meat; or
- (vii) sliced bacon,

packed in net weights of two ounces, four ounces, six ounces, eight ounces, twelve ounces, one pound, one and one-half pounds or in multiples of one pound, or in net weights of fifty grammes, one hundred grammes, one hundred and twenty-five grammes, two hundred grammes, two hundred and fifty grammes, three hundred and seventy-five grammes, five hundred grammes or in multiples of five hundred grammes;

- (c) the article consists of natural cheese packed in net weights of four ounces, six ounces, eight ounces, twelve ounces, one pound, one and one-half pounds or in multiples of one pound or in net weights of one hundred grammes, two hundred grammes, five hundred grammes or in multiples of five hundred grammes;
- (d) the article consists of frozen fish;
- (e) the article consists of dressed poultry the statement of the weight of which is expressed to be a minimum weight; or
- (f) the article is packed to a net weight of one pound or an integral multiple of one pound, or one kilogramme or an integral multiple of one kilogramme.”.

Statement of weight in terms of number of bags to the ton or tonne in certain cases.

13. Regulation 19 of the Weights and Measures (Packaged Goods) Regulations is amended—

- (a) by inserting in sub-regulation (1.), after the word “ton” (wherever occurring) the words “or one tonne”; and
- (b) by adding at the end of sub-regulation (2.) the words “or twenty-five kilogrammes”.

14. After regulation 21 of the Weights and Measures (Packaged Goods) Regulations the following regulation is inserted in Part III.:—

Articles that may be marked “Net weight at standard condition”.

“ 21A.—(1.) In this regulation—

- ‘Class A fibre’ means a fibre consisting of wool or other animal fibre, viscose or cuprammonium rayon or a mixture of any two or more of those fibres;
- ‘Class B fibre’ means a fibre consisting of silk, cotton or cellulose acetate or a mixture of any two or more of those fibres;
- ‘Class C fibre’ means a fibre or a mixture of fibres other than a Class A fibre or a Class B fibre;
- ‘cotton wool’ includes cotton wool made from fibres other than cotton.

“(2.) Yarn and cotton wool are declared to be articles that are, for the purposes of section 12 of the Ordinance, articles that may be packed in a package marked “Net weight at standard condition” or words to the like effect.

“(3.) Subject to sub-regulation (5.) of this regulation, the number specified in Column 2 of the Fourth Schedule opposite to a class of fibre specified in Column 1 of that Schedule is prescribed for the purposes of paragraph (c) of sub-section (4.) of section 12 of the Ordinance.

“(4.) Subject to sub-regulation (6.) of this regulation, the number specified in Column 3 of the Fourth Schedule opposite to a class of fibre specified in Column 1 of that Schedule is prescribed for the purposes of paragraph (b) of sub-section (5.) of section 12 of the Ordinance.

“(5.) Where—

- (a) yarn or cotton wool is composed of a mixture of fibres; and

- (b) the mixture consists of fibres of any two or more of Class A fibres, Class B fibres or Class C fibres,

the number prescribed for the purposes of paragraph (c) of sub-section (4.) of section 12 of the Ordinance is the number ascertained by adding 5 to the number ascertained in accordance with the formula—

$$A \times 6 + B \times 2,$$

where—

A is the proportion by weight that the Class A fibre or total of the Class A fibres of which the cotton wool or yarn is composed bears to the total weight of that cotton wool or yarn; and

B is the proportion by weight that the Class B fibre or total of the Class B fibres of which the cotton wool or yarn is composed bears to the total weight of that cotton wool or yarn.

“(6.) Where—

- (a) yarn or cotton wool is composed of a mixture of fibres; and

- (b) the mixture consists of fibres of any two or more of Class A fibres, Class B fibres or Class C fibres,

the number prescribed for the purposes of paragraph (b) of sub-section (5.) of section 12 of the Ordinance is the number ascertained in accordance with the formula—

$$A \times 6 + B \times 2,$$

where A and B have the same respective meanings as in the last preceding sub-regulation.

“(7.) A package containing an article declared by sub-regulation (2.) of this regulation to be an article to which section 12 of the Ordinance applies shall also be marked with a statement of the proportion by weight of each of the fibres of which the article contained in the package is composed.”.

15. Regulation 22 of the Weights and Measures (Packaged Goods) Regulations is repealed and the following regulation is inserted in its stead:—

“22.—(1.) Subject to the next succeeding sub-regulation, an expression that is marked on a package containing a pre-packed article (other than an article referred to in item 4 or 5 of the Second Schedule) is a prohibited expression for the purposes of section 15 of the Ordinance if it relates to the contents of the pre-packed article or the package and consists of or includes the word ‘gross’ or the words ‘gross weight’ or words to the like effect.

Prohibited expressions.

“(2.) Sub-regulation (1.) of this regulation does not apply to a package where—

- (a) the gross weight of the package exceeds ten pounds or four kilogrammes;
- (b) the net weight of the contents of the package is marked on the package; and
- (c) the words ‘for transport only’ are marked on the package.”.

16. Regulation 25 of the Weights and Measures (Packaged Goods) Regulations is amended by omitting the word “Third” and inserting in its stead the word “Second”.

Exemptions from provisions requiring name, &c., to be marked.

17. After regulation 25 of the Weights and Measures (Packaged Goods) Regulations the following regulation is inserted:—

“25A. Nothing in Part II. of these Regulations applies to or in relation to an article described in, or included in a class of articles described in, items 1, 7, 9 and 27 of the Second Schedule.”.

Exemptions from Part II. of these Regulations.

First and
Second
Schedules.

18. The First and Second Schedules to the Weights and Measures (Packaged Goods) Regulations are repealed and the following Schedules inserted in their stead:—
