About this republication

The republished law

This is a republication of the *Long Service Leave (Building and Construction Industry) Regulation 1984* (repealed), made under the *Long Service Leave (Building and Construction Industry) Act 1981*, including any amendment made under the *Legislation Act 2001*, part 11.3 (Editorial changes). It also includes any commencement, amendment, repeal or expiry affecting the republished law to 1 January 2010.

The legislation history and amendment history of the republished law are set out in endnotes 3 and 4.

Kinds of republications

The Parliamentary Counsel's Office prepares 2 kinds of republications of ACT laws (see the ACT legislation register at www.legislation.act.gov.au):

- authorised republications to which the *Legislation Act 2001* applies
- unauthorised republications.

The status of this republication appears on the bottom of each page.

Editorial changes

The *Legislation Act 2001*, part 11.3 authorises the Parliamentary Counsel to make editorial amendments and other changes of a formal nature when preparing a law for republication. Editorial changes do not change the effect of the law, but have effect as if they had been made by an Act commencing on the republication date (see *Legislation Act 2001*, s 115 and s 117). The changes are made if the Parliamentary Counsel considers they are desirable to bring the law into line, or more closely into line, with current legislative drafting practice.

This republication does not include amendments made under part 11.3 (see endnote 1).

Uncommenced provisions and amendments

If a provision of the republished law has not commenced or is affected by an uncommenced amendment, the symbol **U** appears immediately before the provision heading. The text of the uncommenced provision or amendment appears only in the last endnote.

Modifications

If a provision of the republished law is affected by a current modification, the symbol **M** appears immediately before the provision heading. The text of the modifying provision appears in the endnotes. For the legal status of modifications, see *Legislation Act 2001*, section 95.

Penalties

At the republication date, the value of a penalty unit for an offence against this law is \$110 for an individual and \$550 for a corporation (see *Legislation Act 2001*, s 133).

3 Legislation history

This regulation was originally called the *Long Service Leave (Building and Construction Industry) Regulations* and was originally made under a Commonwealth ordinance—the *Long Service (Building and Construction Industry) Ordinance 1981 No 23* (Cwlth).

The *Australian Capital Territory (Self-Government) Act 1988* (Cwlth), s 34 (4) converted most former Commonwealth ordinances in force in the ACT, and the regulations made under them, into ACT enactments. This allowed the ACT Legislative Assembly to amend and repeal the laws. The *Long Service (Building and Construction Industry) Ordinance 1981* and the *Long Service Leave (Building and Construction Industry) Regulations* were converted into ACT enactments on 11 May 1989 (self-government day).

As with most ordinances in force in the ACT, the name of the ordinance was changed from *Ordinance* to *Act* by the *Self-Government (Citation of Laws) Act 1989 No 21*, s 5 on 11 May 1989 (self-government day).

This regulation was renamed under the *Legislation Act 2001*.

Before 12 September 2001, a regulations commenced on their notification day unless otherwise stated (see *Interpretation Act 1967 s 50*, *Subordinate Laws Act 1989 s 6*).
