About this republication

The republished law

This is a republication of the *Poisons Act 1933* (including any amendment made under the *Legislation Act 2001*, part 11.3 (Editorial changes)) as in force on 10 January 2009. It also includes any amendment, repeal or expiry affecting the republished law to 10 January 2009.

The legislation history and amendment history of the republished law are set out in endnotes 3 and 4.

Kinds of republications

The Parliamentary Counsel’s Office prepares 2 kinds of republications of ACT laws (see the ACT legislation register at www.legislation.act.gov.au):

- authorised republications to which the *Legislation Act 2001* applies
- unauthorised republications.

The status of this republication appears on the bottom of each page.

Editorial changes

The *Legislation Act 2001*, part 11.3 authorises the Parliamentary Counsel to make editorial amendments and other changes of a formal nature when preparing a law for republication. Editorial changes do not change the effect of the law, but have effect as if they had been made by an Act commencing on the republication date (see *Legislation Act 2001*, s 115 and s 117).

The changes are made if the Parliamentary Counsel considers they are desirable to bring the law into line, or more closely into line, with current legislative drafting practice.

This republication does not include amendments made under part 11.3 (see endnote 1).

Uncommenced provisions and amendments

If a provision of the republished law has not commenced or is affected by an uncommenced amendment, the symbol $\text{U}$ appears immediately before the provision heading. The text of the uncommenced provision or amendment appears only in the last endnote.

Modifications

If a provision of the republished law is affected by a current modification, the symbol $\text{M}$ appears immediately before the provision heading. The text of the modifying provision appears in the endnotes. For the legal status of modifications, see *Legislation Act 2001*, section 95.

Penalties

The value of a penalty unit for an offence against this republished law at the republication date is—

(a) if the person charged is an individual—$100; or

(b) if the person charged is a corporation—$500.

Poisons Act 1933

An Act relating to the control, sale and use of poisons and poisonous substances, and for other purposes
Part 1 Preliminary

1 Name of Act
This Act is the *Poisons Act 1933*.

2 Dictionary
The dictionary at the end of this Act is part of this Act.

Note 1 The dictionary at the end of this Act defines certain words and expressions used in this Act, and includes references (signpost definitions) to other words and expressions defined elsewhere in this Act.

For example, the signpost definition ‘drugs and poisons standard’—see the *Poisons and Drugs Act 1978*, dictionary.’ means that the expression ‘poisons and drugs standard’ is defined in that dictionary and the definition applies to this Act.

Note 2 A definition in the dictionary (including a signpost definition) applies to the entire Act unless the definition, or another provision of the Act, provides otherwise or the contrary intention otherwise appears (see Legislation Act, s 155 and s 156 (1)).

3 Notes
A note included in this Act is explanatory and is not part of this Act.

Note See Legislation Act, s 127 (1), (4) and (5) for the legal status of notes.

3A Offences against Act—application of Criminal Code etc
Other legislation applies in relation to offences against this Act.

Note 1 Criminal Code
The Criminal Code, ch 2 applies to the following offences against this Act (see Code, pt 2.1):
- s 11 (Sale of poisons and poisonous substances)
• s 16 (Sale or supply of biological preparations or restricted substances by ineligible people)
• s 16AA (Sale or supply of biological preparations or restricted substances to ineligible people).

The chapter sets out the general principles of criminal responsibility (including burdens of proof and general defences), and defines terms used for offences to which the Code applies (eg conduct, intention, recklessness and strict liability).

**Note 2** Penalty units

The Legislation Act, s 133 deals with the meaning of offence penalties that are expressed in penalty units.
Part 2 Administration

4 Application of Act to Territory
   (1) This Act does not bind the Territory.
   (2) This section has effect despite the Legislation Act 2001, section 121 (Binding effect of Acts).

5 Licences to sell poisons and other substances
   (1) The chief health officer may grant to a person who the chief health officer believes on reasonable grounds to be a fit and proper person a licence to sell poisons, poisonous substances, biological preparations or restricted substances.
      Note A fee may be determined under s 20 (Determination of fees) for this section.
   (2) Any licence so granted may be limited to apply to the sale of any particular substance or substances and shall be subject to such conditions as are prescribed or as the chief health officer specifies.
   (3) A licence shall remain in force until revoked by the chief health officer.
   (4) The chief health officer may, where a licensee has committed any breach of this Act or of the conditions upon which the licence was issued, revoke the licence.

6 Appointment of analysts
   The chief executive may appoint a public servant as an analyst for this Act.
      Note 1 For the making of appointments (including acting appointments), see Legislation Act, pt 19.3.
Note 2 In particular, a person may be appointed for a particular provision of a law (see Legislation Act, s 7 (3)) and an appointment may be made by naming a person or nominating the occupant of a position (see s 207).

(b) if the substance is a liquid—1ml of the substance is contained in every 100ml of the preparation.

3 Legislation history

This Act was originally a Commonwealth ordinance—the *Poisons and Dangerous Drugs Ordinance 1933* No 37 (Cwlth).

It was renamed as the *Poisons Ordinance 1933* by the *Poisons (Amendment) Ordinance 1989*, s 5.

This Act was renamed the *Poisons Ordinance 1933* by the *Poisons (Amendment) Ordinance 1989* No 12, s 5.

The *Australian Capital Territory (Self-Government) Act 1988* (Cwlth), s 34 (4) converted most former Commonwealth ordinances in force in the ACT into ACT enactments. This allowed the ACT Legislative Assembly to amend and repeal the laws. This Act was converted into an ACT enactment on 11 May 1989 (self-government day).

As with most ordinances in force in the ACT, the name was changed from *Ordinance* to *Act* by the *Self-Government (Citation of Laws) Act 1989* No 21, s 5 on 11 May 1989 (self-government day).

Before 11 May 1989, ordinances commenced on their notification day unless otherwise stated (see *Seat of Government (Administration) Act 1910* (Cwlth), s 12).
