About this republication

The republished law

This is a republication of the *Health Records (Privacy and Access) Act 1997* (including any amendment made under the *Legislation Act 2001*, part 11.3 (Editorial changes)) as in force on 22 September 2009. It also includes any amendment, repeal or expiry affecting the republished law to 22 September 2009.

The legislation history and amendment history of the republished law are set out in endnotes 3 and 4.

Kinds of republications

The Parliamentary Counsel’s Office prepares 2 kinds of republications of ACT laws (see the ACT legislation register at www.legislation.act.gov.au):

- authorised republications to which the *Legislation Act 2001* applies
- unauthorised republications.

The status of this republication appears on the bottom of each page.

Editorial changes

The *Legislation Act 2001*, part 11.3 authorises the Parliamentary Counsel to make editorial amendments and other changes of a formal nature when preparing a law for republication. Editorial changes do not change the effect of the law, but have effect as if they had been made by an Act commencing on the republication date (see *Legislation Act 2001*, s 115 and s 117). The changes are made if the Parliamentary Counsel considers they are desirable to bring the law into line, or more closely into line, with current legislative drafting practice.

This republication includes amendments made under part 11.3 (see endnote 1).

Uncommenced provisions and amendments

If a provision of the republished law has not commenced or is affected by an uncommenced amendment, the symbol ❏ appears immediately before the provision heading. The text of the uncommenced provision or amendment appears only in the last endnote.

Modifications

If a provision of the republished law is affected by a current modification, the symbol ❙ appears immediately before the provision heading. The text of the modifying provision appears in the endnotes. For the legal status of modifications, see *Legislation Act 2001*, section 95.

Penalties

The value of a penalty unit for an offence against this republished law at the republication date is—

(a) if the person charged is an individual—$100; or

(b) if the person charged is a corporation—$500.

Health Records (Privacy and Access) Act 1997

An Act to provide for the privacy and integrity of, and access to, personal health information, and for related purposes
Part 1 Preliminary

1 Name of Act

This Act is the Health Records (Privacy and Access) Act 1997.

3 Objects of Act

The objects of this Act are—

(a) to provide for privacy rights in relation to personal health information; and

(b) to provide for the integrity of records containing personal health information; and

(c) to provide for access to personal health information contained in health records; and

(d) to provide for a consumer to receive an explanation of the consumer’s personal health information; and

(e) to encourage agreement, concerning the exercise of a right or performance of an obligation under this Act, between the persons concerned.

4 Dictionary

The dictionary at the end of this Act is part of this Act.

Note 1 The dictionary at the end of this Act defines certain terms used in this Act, and includes references (signpost definitions) to other terms defined elsewhere.

For example, the signpost definition ‘disability—see the Human Rights Commission Act 2005, section 8 (2).’ means that the term ‘disability’ is defined in that subsection and the definition applies to this Act.

Note 2 A definition in the dictionary applies to the entire Act unless the definition, or another provision of the Act, provides otherwise or the contrary intention otherwise appears (see Legislation Act, s 155 and s 156 (1)).
4A Notes

A note included in this Act is explanatory and is not part of this Act.

Note  See the Legislation Act, s 127 (1), (4) and (5) for the legal status of notes.

4B Offences against Act—application of Criminal Code etc

Other legislation applies in relation to offences against this Act.

Note 1 Criminal Code

The Criminal Code, ch 2 applies to all offences against this Act (see Code, pt 2.1):

The chapter sets out the general principles of criminal responsibility (including burdens of proof and general defences), and defines terms used for offences to which the Code applies (eg conduct, intention, recklessness and strict liability).

Note 2 Penalty units

The Legislation Act, s 133 deals with the meaning of offence penalties that are expressed in penalty units.
Part 2 Privacy provisions

5 The privacy principles
Subject to this Act, the privacy principles mentioned in schedule 1 have the force of law.

6 Compliance with privacy principles
(1) A person to whom a privacy principle applies shall not, without lawful authority, contravene the privacy principle.

(2) A person is taken not to have lawful authority to contravene a privacy principle unless the person proves that, in the circumstances, compliance with the privacy principle would have contravened—

(a) a law of the Territory; or

(b) a law of the Commonwealth; or

(c) an order of a court of competent jurisdiction.

7 Consent by consumer to obtaining health status report
(1) A person must not, without a consumer’s consent—

(a) ask someone other than the consumer for a health status report about the consumer; or

(b) give someone other than the consumer a health status report about the consumer.

(2) A person must not obtain a health status report about a consumer from a health service provider without the consumer’s consent.
(3) If a person obtains the consumer’s consent for subsection (1) or (2) the person must—

(a) tell the consumer in writing of the consumer’s right to ask for a copy of the health status report and to give the person a statement commenting on the health status report; and

(b) if the consumer asks for a copy of the report—give a copy of the report to the consumer as soon as practicable; and

(c) if the consumer gives the person a statement commenting on the health status report—

(i) consider the comments; and

(ii) keep the statement with the report for as long as the person keeps the report.

(4) A consent given by a consumer for subsection (1) or (2) must—

(a) be in writing and signed—

(i) if the consumer is a young person or legally incompetent person—by a guardian of the consumer; or

(ii) in any other case—by the consumer; and

(b) if the health service report is to be, or has been, prepared or substantially prepared by a health service provider—name the health service provider.

Note If a form is approved under s 35 for this provision, the form must be used.

(5) This section does not apply to the extent (if any) that a health status report is asked for, obtained or provided in accordance with—

(a) a law of the Territory; or

(b) a law of the Commonwealth; or

(c) an order of a court.
Part 3

Access to personal health information

8 Access otherwise than under pt 3

(1) A health service provider may allow a consumer to have access otherwise than in accordance with this part to a health record relating to the consumer.

(2) Subsection (1) applies—

(a) subject to any prohibition on giving access to the health record under any of the following provisions:

(i) section 14A (No access to health record relating to Children and Young People Act complaint etc);

(ii) section 15 (No access to health record where risk to life or health of consumer or another person);

(iii) section 17 (No access to health record where material given in confidence); and

(b) except as stated in paragraph (a)—despite any other provision of this part.

9 Pt 3 not to prevent alternative arrangements

(1) Where, under a provision of this part, a person has a right or obligation to—

(a) do an act in relation to another person in a specified way, or within a specified period; or

(b) give a notice to another person in a specified way, or within a specified period;
the firstmentioned person and the other person may make an agreement for the act to be done or the notice to be given, as the case may be, in another way or within a longer period.

(2) If such an agreement is made, and—
   (a) the act is done in accordance with the agreement; or
   (b) the notice is given in accordance with the agreement;
   the firstmentioned person is taken—
   (c) to have performed the act in the way specified in the provision; or
   (d) to have given the notice within the time specified in the provision;
   as the case may be.

10 Statement of principle regarding right of access

(1) A consumer has a right of access, in accordance with this Act, to a health record that is—
   (a) a health record held by a health service provider; or
   (b) to the extent that it contains personal health information relating to the consumer, any other health record;
   as follows:
   (c) to the extent that the record contains factual matters, whenever the record was made;
   (d) to the extent that the record contains matters of opinion, if the record was created on or after the date of commencement of this Act.
(2) Subsection (1) does not apply—

(a) in relation to a health record to the extent that access to the record would contravene—

(i) a law of the Territory; or

(ii) a law of the Commonwealth; or

(iii) an order of a court of competent jurisdiction; or

(b) to the extent that any of the following provisions has a contrary application:

(i) section 14 (Grounds for nonproduction);

(ii) section 14A (No access to health record relating to Children and Young People Act complaint etc);

(iii) section 15 (No access to health record where risk to life or health of consumer or another person);

(iv) section 17 (No access to health record where material given in confidence).

(3) A right of access may be exercised in any of the following ways:

(a) by inspecting the health record or, if the health record is stored in electronic form, a print-out of the health record, and having the opportunity to take notes of its contents;

(b) by receiving a copy of the health record;

(c) by viewing the health record, and having its content explained by—

(i) if the relevant record keeper is a suitably qualified health service provider, and is willing to do so—the record keeper; or

(ii) in any other case—a suitably qualified health service provider who practises in the Territory, is nominated by
the record keeper and has consented to being so nominated.

(4) Subject to subsection (5), where the record keeper receives a request under section 12, the record keeper shall—

(a) in the case of a request that specifies access of a kind mentioned in subsection (3) (a) or (b)—provide access in accordance with the relevant paragraph; or

(b) in the case of a request that specifies access of the kind mentioned in subsection (3) (c)—

(i) if subsection (3) (c) (i) applies—provide access in accordance with subsection (3) (c); or

(ii) if subsection (3) (c) (i) does not apply—nominate a suitable health service provider for subsection (3) (c).

(5) The right of access is subject, in the case of access in a way mentioned in subsection (3) (b) or (c), to the payment of any fee or charge payable under this Act.

(6) Where the consumer is under 18 years of age, the right of access conferred by subsection (1) is exercisable—

(a) if the consumer does not have the status under this Act of a young person—by the consumer personally; or

(b) in any other case—on behalf of the consumer by a guardian of the consumer.

(7) Where the consumer is a legally incompetent person, the right of access conferred by subsection (1) is exercisable on behalf of the consumer by a guardian of the consumer.
11  Provision of health services and keeping of records—
terms and conditions

(1) It is a term of a contract, whether oral or in writing, for the
provision of a health service to a consumer that the health service
provider will allow the consumer to have access, in accordance with
this Act, to a health record relating to the consumer that relates to,
or is made in consequence of the provision of, the service.

(2) Subsection (1) applies to a contract—

(a) only if the contract is made on or after the date of
 commencement of this Act, and at least 1 of the following
circumstances applies:

(i) the contract is made in the ACT;

(ii) the contract has been, or is to be, performed wholly or
 partly in the ACT;

(iii) the consumer is present, or resides, in the ACT when the
 contract is made; and

(b) whether or not the consumer is a party to the contract.

(3) Where a health record relating to a consumer is kept or located in
the ACT, the record keeper shall allow the consumer to have access,
in accordance with this Act, to the record.

(4) Where a health service provider provides a health service to a
consumer, the provider shall allow the consumer to have access, in
accordance with this Act, to a health record relating to the consumer
that relates to, or is made in consequence of the provision of, the
service.

(5) The application of subsection (3) or (4) in a particular instance is
not affected by the application or otherwise of subsection (1) in that
instance.
(6) For this section, it is immaterial whether—
(a) the health service in question was provided in the ACT; or
(b) except in the case of subsection (3)—the health record in question is kept or located in the ACT.

(7) If a contract or other agreement purports to exclude, or is inconsistent with, a provision of this section, the contract or agreement is, to that extent, void.

(8) This section applies subject to section 10.

12 Requests for access

(1) A consumer who has a right of access under section 10 to a health record may ask the record keeper for access to the record.

(2) A request shall—
(a) state the name and, unless it is already known to the record keeper, the address, of the consumer; and
(b) sufficiently identify the health record to which access is sought; and
(c) specify the way in which the consumer wishes to have access, being a way mentioned in section 10 (3); and
(d) be in writing if it is—
(i) a request by a guardian of a young person unless, in the period of 12 months before making the request, the guardian consented to the treatment of the young person that gave rise to the health record that is the subject of the request; or
(ii) a request by a guardian of a legally incompetent person; or
(iii) a request by a legal representative of a deceased consumer.
Part 3
Access to personal health information

Section 13

(3) In the case of an oral request, the record keeper—
   (a) may ask the consumer to make the request in writing; and
   (b) if the record keeper does so—need not take any further action
       in respect of the oral request.

13 Response to request for access

(1) This section—
   (a) applies if a record keeper receives a request for access to a
       health record under section 12; but
   (b) does not apply to an oral request if the record keeper has asked
       under section 12 (3) (a) for the request to be made in writing.

(2) Within 2 weeks after the day the record keeper receives the request, the record keeper must—
   (a) if the record keeper relies on a ground mentioned in section 14
       for nonproduction of the record or part of the record—give the
       consumer written notice that the record keeper will not give
       access to the record; or
   (b) if the record keeper is prohibited from giving access to the
       record or part of the record under section 14A, section 15 or
       section 17—give the consumer written notice that the record
       keeper is prohibited from giving access to the record; or
   (c) either—
      (i) give access to the record in accordance with section 13A; or
      (ii) if a fee has been determined under section 34 for access—
           give the consumer written notice that the record keeper
           will give access to the record on payment of a stated fee
           that is not more than the determined fee.
(3) A notice under subsection (2) (a) must state the ground on which the record keeper relies for nonproduction of the record or part of the record.

(4) A notice under subsection (2) (b) must state the section under which the record keeper is prohibited from giving access to the record or part of the record.

(5) If the record keeper gives a notice under subsection (2) (a) or (b) that relates to only part of the record, the record keeper must comply with subsection (2) (c) in relation to the rest of the record.

13A Disclosure in accordance with consent

(1) This section applies if—

(a) a consumer has a right of access to a health record; and

(b) the consumer consents under schedule 1, principle 10, clause 2 (c) to the disclosure of personal health information about the consumer from the record to an entity.

(2) The record keeper must disclose the information to the entity.

(3) For the purpose of accessing the information in the record, the entity is taken to be the consumer.

(4) To remove any doubt and without limiting subsection (3), the entity has the same right of access to the information in the record as the consumer.

13B Giving access to health records

(1) This section applies if a record keeper must give a person access to a health record.

(2) Access to the health record must be given—

(a) if the record keeper has given a notice under section 13 (2) (c) (ii) and the fee stated in the notice has been paid—no later than the later of the following:
(i) 1 week after the day the fee is paid;
(ii) 30 days after the day the record keeper received the request for access to the health record; or
(b) if the record keeper has not given a notice under section 13 (2) (c) (ii)—no later than 30 days after the day the record keeper receives the request for access to the health record.

(3) However, before giving access to the record to a person (the relevant person), the record keeper must take reasonable steps to require evidence of, and be satisfied about—

(a) the relevant person’s identity; and

(b) if someone else has authorised the access to be given to the relevant person—the identity and authority of the other person; and

(c) if the consumer is a young person, a legally incompetent person or dead—the fact that the relevant person (or, if paragraph (b) applies, the person authorising the relevant person) is—

(i) for a young person or legally incompetent person—a guardian of the person; or

(ii) for a deceased consumer—

(A) a legal representative of the deceased consumer; or

(B) if there is no legal representative of the deceased consumer—an immediate family member of the deceased consumer.

(4) If the record keeper requires evidence under subsection (3) before giving access to a health record and the evidence is not provided or does not satisfy the record keeper, the record keeper need not provide access to the health record.
13C How access to health record given

(1) This section applies if a record keeper must give a person access to a health record.

(2) Access to the health record must be given as follows:

(a) for a request to inspect the record or, if the health record is stored in electronic form, a print-out of the record—by making the record or print-out available to the consumer at a time, and at a place in the ACT, stated in a written notice given to the consumer;

(b) for a request to receive a copy of the record—by giving the consumer—

(i) a copy of the record; or

(ii) if the consumer agrees—an accurate summary of the record; or

(iii) if the record, or part of the record, was made before the commencement of this Act and the record keeper does not give a copy of the record to the consumer—a written summary of the factual matters contained in the record or part of the record;

(c) for a request to view the record and have its content explained—by giving the consumer a written notice stating—

(i) if the record keeper is a suitably qualified health service provider, and is willing to do so—that the record keeper will be available to explain the record at a time, and at a place in the ACT, stated in the notice; or

(ii) in any other case—the name and address of a suitably qualified health service provider who practises in the ACT and will be available in the ACT with the record, by arrangement with the consumer, to explain the record.

Note A fee may be determined under s 34 for this provision.
13D  **Access taken to have been refused**

A record keeper is taken to have refused access to a health record—

(a) if the record keeper fails to comply with a requirement of—

(i) section 13 (Response to request for access); or

(ii) section 13A (Disclosure in accordance with consent); or

(iii) section 13B (Giving access to health records); or

(iv) section 13C (How access to health record given); or

(b) if the record keeper has given a notice under section 13C (2) (a) about the record—

(i) if the notice does not state a date and time that is reasonable for making the record or print-out available for inspection by the consumer; or

(ii) if the record keeper unreasonably fails to make the record or print-out available to the consumer for inspection in accordance with the notice; or

(c) if the record keeper has given a notice under section 13C (2) (c) (i) about the record—

(i) if the notice does not state a time that is reasonable for the record keeper to be available; or

(ii) if the record keeper unreasonably fails to explain the content of the record in accordance with the notice; or

(d) if the record keeper has given a notice under section 13C (2) (c) (ii) about the record—if the health service provider named in the notice unreasonably fails—

(i) to make an arrangement with the consumer to explain the content of the record; or

(ii) to comply with an arrangement made to explain the content of the record.
14 **Grounds for nonproduction**

The grounds for nonproduction of the whole or any part of a health record are as follows:

(a) that the record or part of the record is not in the possession, custody or control of the person alleged to be the record keeper;

(b) that the record or part of the record does not relate in any respect to the consumer;

(c) that the production of, or the giving of access to, the record or part of the record would contravene—
   
   (i) a law of the Territory; or
   
   (ii) a law of the Commonwealth; or
   
   (iii) an order of a court of competent jurisdiction.

14A **No access to health record relating to Children and Young People Act complaint etc**

A record keeper must not give access to a health record or part of a health record under section 10 if—

(a) the record or part of a record relates to—

   (i) a child concern report under the *Children and Young People Act 2008* (see section 353); or

   (ii) a prenatal report under the *Children and Young People Act 2008*, section 362; or

   (iii) information that is care and protection report information within the meaning of the *Children and Young People Act 2008*, section 845 (2) (b); or

   (iv) a report under the *Children and Young People Act 1999*, section 158 or section 159; or
Section 15

(v) a notification under the Children’s Services Act 1986, section 103; and

(b) either—

(i) the record or part of a record identifies the person who made the report; or

(ii) the record keeper is satisfied that the record or part of the record allows the identity of the person who made the report to be worked out.

15 No access to health record where risk to life or health of consumer or another person

A record keeper shall not give access to a health record or part of a health record under section 10 if the record keeper believes, on reasonable grounds, that the provision of information in the record or part of the record would constitute a significant risk to the life or the physical, mental or emotional health of—

(a) the consumer; or

(b) any other person.

16 Refusal for risk to life or health of consumer—offer by record keeper

(1) This section applies if—

(a) a record keeper has given a notice under section 13 (2) (b) about a health record on the ground mentioned in section 15 (a); and

(b) the record keeper considers that it would be desirable for a suitably qualified health service provider to discuss the health record with the consumer.

(2) The record keeper may include in, or attach to, the notice to the consumer under section 13 (2) (b) an offer—
(a) if the record keeper is a suitably qualified health service provider—to discuss the record with the consumer; or

(b) whether or not paragraph (a) applies, to arrange for a named health service provider who practises in the ACT, is suitably qualified and has consented to the arrangement, to discuss the content of the record with the consumer.

16A Refusal for risk to life or health of consumer—nomination by consumer

(1) This section applies if—

(a) a record keeper has given a notice under section 13 (2) (b) about a health record on the ground mentioned in section 15 (a); and

(b) any of the following apply:

(i) the record keeper has not made an offer under section 16;

(ii) the record keeper has made an offer under section 16 but the consumer has not accepted it;

(iii) the consumer has had a discussion with the health service provider named by the record keeper in an offer under section 16, but is not satisfied with the outcome of the discussion.

(2) The consumer may give a written notice (a nomination) to the record keeper nominating a health service provider for this section if the health service provider has consented to being nominated.

(3) The nomination lapses if—

(a) the record keeper gives the consumer a notice under section 16B about the health record; or

(b) the nominated health service provider—

(i) dies or otherwise stops being a health service provider; or
Part 3  
Access to personal health information

Section 16B

(ii) refuses to act or fails to act within a reasonable time.

(4) If a nomination lapses, the consumer may make another nomination under this section.

16B Record keeper to give nominated health service provider health record

(1) This section applies if a record keeper receives a nomination under section 16A in relation to a health record.

(2) The record keeper must give the health record, or a copy of it, to the nominated health service provider within 2 weeks after the day the record keeper receives the nomination.

(3) However, the record keeper need not comply with subsection (2) if, within the 2-week period—

(a) the record keeper gives a notice under section 16D in relation to the nomination; or

(b) the nomination lapses.

(b) if the nominated health service provider considers it appropriate—to explain the grounds of the claim to the consumer; and

(c) to discuss the content of the health record with the consumer; and

(d) if the provider is satisfied that to allow the consumer to inspect the record would not be a significant risk to the life or the physical, mental or emotional health of the consumer—to
allow the consumer to inspect the record or, if the consumer wishes to have a copy of the record and the record keeper agrees, to have a copy of the record; and

(e) if the provider is not satisfied as mentioned in paragraph (d)— to decline to allow the consumer to have access to the record.

16D Unsuitable consumer-nominated health service provider

(1) This section applies if—

(a) a record keeper receives a notice under section 16A nominating a health service provider; and

(b) the record keeper believes, on reasonable grounds, that the nominated health service provider is not a suitable person to act as the nominated health service provider.

(2) Within 2 weeks after the day the record keeper receives the nomination, the record keeper may give the consumer a written notice stating that the record keeper objects to the nominated health service provider.

(3) The notice—

(a) must state the ground of the objection; and

(b) may suggest the class of health service providers from which a health service provider should be nominated.

(4) However, the record keeper must not give a notice under subsection (2)—

(a) if—

(i) the health service provider who wrote the health record is registered with a registration board; and

(ii) the nominated health service provider is registered by the same board; or
(b) if the nominated health service provider is registered with the medical board and has the ability to understand and interpret the health record; or

(c) if the nominated health service provider—
   (i) provides the same kind of service as the health service provider who wrote the health record; and
   (ii) has the ability to understand and interpret the health record.

27 Deceased consumers
(1) The privacy principles apply in relation to a deceased consumer, so far as they are reasonably capable of doing so, in the same way as they apply in relation to a consumer who is not deceased.

(3) In this section:

   **excluded provision** means the following provision of the *Magistrates Court Act 1930*:
   - section 274 (Cases in which appeal may be brought).

(4) Despite subsection (1), an appeal does not lie (whether as of right or by leave) from—

   (a) the making, variation or revocation of an interim restraining order under section 31; or

   (b) a refusal of the Magistrates Court to make, vary or revoke such an order.

33 Court orders under other laws

(1) This Act does not prevent a court of competent jurisdiction from making, or continuing in force, under a law of the Territory an order in such terms that compliance with it would, apart from the order, constitute a contravention of this Act.

(2) Nevertheless, in deciding whether to make, or continue in force, an order in such terms the court shall have regard to the relevant provisions of this Act.

34 Determination of fees

(1) The Minister may, in writing, determine fees for this Act.

   *Note* The *Legislation Act 2001* contains provisions about the making of determinations and regulations relating to fees (see pt 6.3).

(4) The regulations may also prescribe offences for contraventions of the regulations and may prescribe maximum penalties of not more than 10 penalty units for offences against the regulations.

37 Saving

This Act shall not be read as affecting, except to the extent that it does so expressly or by necessary implication, the operation of a law of the Territory that relates to access to, or privacy or confidentiality in relation to, a document or a kind or class of document.
Schedule 1  The privacy principles

(see s 5)

Principle 1:  Manner and purpose of collection of personal health information

1 A collector shall not collect personal health information for inclusion in a health record or in a generally available publication unless—
   (a) the information is collected for a lawful purpose that is directly related to a function or activity of the collector; and
   (b) the collection of the information is necessary for or directly related to that purpose.

2 A collector shall not collect personal health information by unlawful or unfair means.

3 Where personal health information or health records are required to be collected by someone as part of his or her employment for the management, funding or quality of a health service received by the consumer, then that person is allowed access to the information only for those purposes, unless these principles otherwise provide.

Principle 2:  Purpose of collection of personal health information to be made known

1 Subject to clause 2 of this principle, where—
   (a) a collector collects personal health information for inclusion in a health record or in a generally available publication; and
   (b) the information is solicited by the collector from the consumer concerned;
the collector shall take such steps (if any) as are reasonable in the circumstances to ensure that, before the information is collected or, if that is not practicable, as soon as practicable after the information is collected, the consumer is generally aware of—

(c) the purpose for which the information is being collected; and

(d) if the collection of the information is required or authorised by law—the fact that the collection of the information is so required or authorised; and

(e) unless it is obvious from the circumstances of any health service provided—the identity of all members of the treating team who will have access to the consumer’s personal health information; and

(f) the identity of any person to whom, or agency to which, the collector would, in accordance with the collector’s usual practice, disclose the information for inclusion in a health record or in a generally available publication; and

(g) if it is, to the knowledge of the collector, the usual practice of any such person or agency to pass on such information to other persons or agencies—the identity of each of those other persons or agencies.

2 The collector is not required to notify the consumer of the identity of individuals, or classes of individuals, who are employed by the collector and who are required for the management, funding or quality of the health service received by the consumer to handle health records or personal health information as part of their employment.
Principle 3: Solicitation of personal health information generally

Where—

(a) a collector collects personal health information about a consumer for inclusion in a record or in a generally available publication; and

(b) the information is solicited by the collector;

the collector shall take such steps (if any) as are reasonable in the circumstances to ensure that, having regard to the purpose for which the information is collected—

(c) the information is relevant, up to date and accurate; and

(d) the collection of the information does not intrude to an unreasonable extent upon the personal affairs of the consumer.

Principle 4.1: Storage, security and destruction of personal health information—safekeeping requirement

1 A record keeper who has possession or control of a health record must ensure that—

(a) the record is protected, by reasonable security safeguards, against each of the following:

   (i) loss;

   (ii) unauthorised access, use, modification or disclosure;

   (iii) other misuse; and

(b) if the record is given to another entity—everything reasonably within the power of the record keeper is done to prevent unauthorised use or disclosure of any information contained in the record.

2 A record keeper must keep, and must not destroy, a health record about a consumer, even if it is later found or claimed to be inaccurate.
3 However, clause 2 does not apply to the destruction of a health record about a consumer if—

(a) the destruction is required or allowed under a law of the Territory; or

Note  Law of the Territory—see dict.

(b) the destruction is not prohibited under any other law and happens after—

(i) if the consumer is under 18 years old when the information is collected—the day the consumer turns 25 years old; or

(ii) if the consumer is an adult when the information is collected—7 years after the day a service was last provided to the consumer by the record keeper.

Example of law of the Territory that might deal with record keeping for health professionals

a standard of practice under the Health Professionals Act 2004

Note  An example is part of the Act, is not exhaustive and may extend, but does not limit, the meaning of the provision in which it appears (see Legislation Act, s 126 and s 132).

Principle 4.2: Storage, security and destruction of personal health information—register of destroyed or transferred records

1 A record keeper must keep a register of records that have been destroyed or transferred to another entity.

Note  Entity includes a person (see Legislation Act, dict, pt 1).

2 The register must identify the following for records that have been destroyed or transferred:

(a) the consumer to whom the record relates;

(b) the period of time the record covers;

(c) for a destroyed record—the date the record was destroyed;
(d) for a transferred record—the entity to which the record has been transferred.

3 A record keeper need not keep a record on the register under clause 1 for longer than 7 years after the day the record is made.

Principle 4.3: Storage, security and destruction of personal health information—destruction of health information

1 Health information may be kept by a health service provider if it is needed for the purpose for which it was collected, or another purpose allowed under a law of the Territory, even if its destruction is allowed under principle 4.1.

2 An entity other than a health service provider must take reasonable steps to destroy, or permanently deidentify, health information if it is no longer needed for the purpose for which it was collected or for any other purpose allowed under a law of the Territory.

Principle 5: Information relating to records kept by record keeper

1 A record keeper who has possession or control of health records shall, subject to clause 2 of this principle, take such steps as are reasonable in the circumstances to enable any consumer to ascertain—

(a) whether the record keeper has possession or control of any health records, or personal health information, relating to the consumer; and

(b) if so—

(i) the nature of the records or information; and

(ii) the main purposes for which the records are, or the information is, used; and

(iii) the steps that the person should take if the person wishes to obtain access to the records or the information.
2 A record keeper is not required to give a person information if, under a law of the Territory (including this Act) or a law of the Commonwealth, the record keeper is required or authorised to refuse to give that information to the person.

**Principle 6: Access to health records by people other than the consumer**

1 A health service provider who is a member of a treating team for a consumer may have access to the personal health information about the consumer so far as necessary for the provision by the provider of a health service to the consumer.

2 If a person reasonably requires access to personal health information about a consumer for the purpose of the management, funding or quality of a health service received, or being received, by the consumer, the person may have access to the extent necessary for that purpose without the consumer’s consent.

3 A treating health service provider for a consumer may disclose personal health information about the consumer to an immediate family member if—

   (a) the disclosure is made for compassionate reasons; and  
   (b) the provider believes, on reasonable grounds, that the disclosure would be expected by the consumer; and  
   (c) the disclosure is not contrary to any wishes previously expressed by the consumer that the provider is, or ought reasonably to be, aware of.  

*Note* Section 17 deals with information subject to confidentiality.

4 An entity must not require a consumer, directly or indirectly, to obtain or grant access to a health record about the consumer unless the entity is required or allowed to make the requirement under—

   (a) a law of the Territory; or  
   (b) a law of the Commonwealth; or
(c) an order of a court.

**Principle 7: Alteration of health records**

1 A person shall not delete information from a health record, even where it is later found or claimed to be inaccurate, unless the deletion is part of a program of archival destruction.

2 A record keeper who has possession or control of a health record shall take such steps, by way of making appropriate corrections and additions as are reasonable in the circumstances, to ensure that the record is—

   (a) up to date and accurate; and

   (b) relevant to the purpose for which the information was collected or is to be used and to any other purpose that is directly related to that purpose.

3 Where—

   (a) the record keeper of a health record is not willing to amend that record, by making a correction or an addition, in accordance with a request by the consumer concerned; and

   (b) no decision or recommendation to the effect that the record should be amended wholly or partly in accordance with that request is pending, or has been made, under a law of the Territory (including this Act) or a law of the Commonwealth; the record keeper shall, if the consumer gives to the record keeper a written statement concerning the requested correction or addition, take such steps as are reasonable in the circumstances to include the statement in the record.

4 Where the record keeper accepts the need to amend the health record but—

   (a) the record keeper considers it likely that leaving incorrect information on a health record, even if corrected, could cause
harm to the consumer or result in incorrect health care treatment or assistance being provided; or

(b) the form in which the record is held makes correction impossible; or

(c) the corrections required are sufficiently complex or numerous for a real possibility of confusion or error to arise in relation to interpreting or reading the record if it were to be so amended;

the record keeper shall place the incorrect information on a record which is not generally available to the consumer’s treating practitioner or treating team, and to which access is restricted, and take such steps as are reasonable in the circumstances to ensure that only the corrected copy is generally available to the practitioner or treating team.

Principle 8: Record keeper to check accuracy etc of personal health information before use etc

1 A record keeper who has possession or control of a health record shall not use personal health information in that record without taking such steps (if any) as are reasonable in the circumstances to ensure that, having regard to the purpose for which the information is proposed to be used, the information is up to date and accurate.

2 Where a person gives information in confidence to a health service provider about a consumer, the provider shall—

(a) encourage the person to waive the requirement of confidentiality; and

(b) if the information remains confidential—

(i) record the information only if it is likely to assist in the treatment or care of the consumer; and

(ii) take such steps (if any) as are reasonable in the circumstances to ensure that the information is accurate and not misleading.
Principle 9: **Limits on use of personal health information**

1. Except where personal health information is being shared between members of a treating team to the extent necessary to improve or maintain the consumer’s health or to manage a disability of the consumer, a record keeper who has possession or control of a health record that was obtained for a particular purpose shall not use the information for any other purpose unless—

   (a) the consumer has consented to use of the information for that other purpose; or

   (b) the record keeper believes on reasonable grounds that use of the information for that other purpose is necessary to prevent or lessen a significant risk to the life or physical, mental or emotional health of the consumer or another person; or

   (c) use of the information for that other purpose is required or authorised by—

      (i) a law of the Territory; or

      (ii) a law of the Commonwealth; or

      (iii) an order of a court of competent jurisdiction;

   (d) the purpose for which the information is used is directly related to the purpose for which the information was obtained; or

   (e) the use of the information is related to the management, funding or quality of the health service received by the consumer.

2. In relation to the sharing of information among a treating team, unless it is obvious from the circumstances or context of the health service, the person in charge of the treating team shall inform the consumer of the identity of all members of the treating team who will have access to the consumer’s personal health information.

3. The treating team leader is not required to notify the consumer of the identity of individuals, or of classes of individuals, who are
required for the management, funding or quality of the health
service received by the consumer to handle health records or
personal health information.

**Principle 10: Limits on disclosure of personal health information**

1 A record keeper who has possession or control of a health record
must not disclose personal health information about a consumer
from the record to an entity other than the consumer.

2 Clause 1 does not apply to the disclosure of personal health
information about a consumer to an entity if—

(a) the information is being shared between members of a treating
team for the consumer only to the extent necessary to improve
or maintain the consumer’s health or manage a disability of the
consumer; or

(b) the consumer is reasonably likely to have been aware, or to
have been made aware under principle 2, that information of
the kind disclosed is usually disclosed to the entity; or

(c) the consumer has consented to the disclosure; or

(d) the record keeper believes, on reasonable grounds, that the
disclosure is necessary to prevent or lessen a serious and
imminent risk to the life or physical, mental or emotional
health of the consumer or someone else; or

(e) the disclosure is required or allowed under—

   (i) a law of the Territory (including this Act); or

   Note Disclosure is allowed under cl 8, cl 9 and cl 10.

   (ii) a law of the Commonwealth; or

   (iii) an order of a court; or

(f) the disclosure of the information is necessary for the
management, funding or quality of the health service received,
or being received, by the consumer.
3 Clause 1 also does not apply to the disclosure of personal health information about a consumer to an entity if—

(a) the disclosure is necessary for the purpose of research or the compilation or analysis of statistics, in the public interest; and

(b) it is impracticable to seek the consumer’s consent before disclosure; and

(c) the purpose mentioned in paragraph (a) cannot be achieved by the disclosure of information that does not identify the consumer and from which the consumer’s identity cannot reasonably be worked out; and

(d) the entity is required for any disclosed information (identifiable information) that identifies the consumer, or from which the consumer’s identity can be reasonably worked out—

(i) to provide protection that is at least equal to that of this Act and that prevents any further disclosure of it; and

(ii) to take reasonable steps to deidentify the information and destroy identifiable information at the earliest possible opportunity; and

(iii) to ensure that identifiable information is not made publicly available.

(e) the disclosure is in accordance with guidelines prescribed by regulation for this clause; and

(f) the record keeper believes, on reasonable grounds, that the recipient of the health information will not disclose the personal health information.

4 Clause 1 also does not apply to the disclosure of personal health information about a consumer to a person responsible for the consumer’s care (the carer) if—
(a) the consumer cannot give or withhold consent to the disclosure, whether or not because the consumer is a young person or legally incompetent person; and

(b) in the record keeper's opinion, the disclosure is necessary to enable the carer to safely and effectively provide appropriate services to, or care for, the consumer.

5 In relation to the sharing of information among the treating team under clause 2 (a), unless it is obvious from the circumstances and context of the health service, the person in charge of the treating team must tell the consumer about the identity of each member of the treating team who will have access to the personal health information about the consumer.

6 However, the treating team leader need not tell the consumer about the identity of individuals who are required to handle health records, or personal health information about the consumer, for the management, funding or quality of the health service received, or being received, by the consumer.

7 A consent given by a consumer for clause 2 (c) must—

(a) be in writing and signed—

(i) if the consumer is a young person or legally incompetent person—by a guardian of the consumer; or

(ii) in any other case—by the consumer; and

(b) name the health service provider who made the record.

Note If a form is approved under s 35 for this provision, the form must be used.

8 An entity to which information is disclosed under clause 2, clause 3 or clause 4 must not use or disclose the information for a purpose other than the purpose for which the information was given to the entity.

9 If there is an emergency and a consumer cannot give or withhold consent to the disclosure of personal health information about the
consumer, the treating health service provider may discuss relevant personal health information with an immediate family member of the consumer to the extent reasonable and necessary for the proper treatment of the consumer.

10 A treating health service provider for a consumer may disclose personal health information about the consumer to a person responsible for the consumer’s care (the carer) if—

(a) the consumer cannot give or withhold consent to the disclosure, whether or not because the consumer is a young person or legally incompetent person; and

(b) in the record keeper’s opinion, the disclosure is necessary to enable the carer to safely and effectively provide appropriate services to, or care for, the consumer.

11 A treating health service provider for a consumer may disclose personal health information about the consumer to an immediate family member if—

(a) the consumer cannot give or withhold consent to the disclosure, whether or not because the consumer is a young person or legally incompetent person; and

(b) the disclosure is made for compassionate reasons; and

(c) the provider believes, on reasonable grounds, that the disclosure would be, or would have been, expected by the consumer; and

(d) the disclosure is not contrary to any wishes previously expressed by the consumer of which the provider is aware or ought reasonably to be aware.
Example for par (a)

Jo has died, and Jo’s daughter who has looked after him for many years cannot understand why he died when he seemed to have recovered from a recent illness. She is extremely distressed. Subject to clause 11 (c) and (d), the treating health service provider may disclose personal health information about Jo’s illness if she considers that the disclosure would help Jo’s daughter.

*Note*  An example is part of the Act, is not exhaustive and may extend, but does not limit, the meaning of the provision in which it appears (see Legislation Act, s 126 and s 132).

**Principle 11: Transfer or closure of practice of health service provider**

1. This principle applies if the practice of a health service provider (the *provider*) is, or is proposed to be—
   
   (a) sold or otherwise transferred; or
   
   (b) closed down.

2. The provider or, if the provider is deceased, the legal representatives of the provider, shall—
   
   (a) publish a notice in a newspaper circulating in the locality of the practice stating that—
       
       (i) the practice has been, or is about to be, transferred or closed down (as the case may be); and
       
       (ii) the health records of the practice, other than those returned to a consumer or passed on to a nominated practitioner at the consumer’s request, will be transferred to a specified person (being a person to whom clause 3 (a) or (b) of this principle applies) at a specified address; and

   (b) take such other steps as are practicable to inform every such consumer—
       
       (i) that the practice has been, or is about to be, transferred or closed down (as the case may be); and
(ii) about the arrangements (as stated in the notice under paragraph (a)) for dealing with those health records.

3 Not earlier than 21 days after giving notice in accordance with clause 2 of this principle, the person or persons giving the notice shall transfer each health record held by, or on behalf of, the practice—

(a) to the health service provider (if any) who takes over the practice;

(b) to a competent record keeper for safe storage in the Territory (until such time (if any) as the record is destroyed as part of a program of archival destruction); or

(c) to the consumer to whom the record relates or to a practitioner nominated by that consumer.

4 Subject to the restriction stated in clause 3 of this principle, a person shall comply with the requirements of this principle as soon as practicable.

5 Despite any other provision of these principles, a person who transfers a health record in accordance with this principle does not, by so doing, contravene these principles.

**Principle 12: Transfer of consumer to another health service provider or of health service provider to another practice**

1 If a consumer transfers from 1 health service provider (the *first provider*) to another health service provider (the *second provider*)—

(a) the consumer may ask the first provider to give the second provider the consumer’s health record; and

(b) the first provider—

(i) must give the second provider the consumer’s record or a copy of the record; and
(ii) may also give the second provider a written summary of the consumer’s health record.

2 If a health service provider transfers from 1 practice (the \textit{first practice}) to another practice and a consumer continues to see the provider—

(a) the consumer may ask the first practice to give the provider the consumer’s health record; and

(b) the first practice—

(i) must give the provider the consumer’s record or a copy of the record; and

(ii) may also give the provider a written summary of the consumer’s health record.

3 The fee chargeable for giving a health record, or a copy or written summary of a health record, under this principle is—

(a) if a fee has been determined under section 34 for this principle—the determined fee; or

(b) in any other case—nil.
