Republication No 26

Effective: 26 November 2025

Republication date: 26 November 2025

Last amendment made by [A2025-28](#)

About this republication

The republished law

This is a republication of the *Fisheries Act 2000* (including any amendment made under the [Legislation Act 2001](#), part 11.3 (Editorial changes)) as in force on 26 November 2025. It also includes any commencement, amendment, repeal or expiry affecting this republished law to 26 November 2025.

The legislation history and amendment history of the republished law are set out in endnotes 3 and 4.

Kinds of republications

The Parliamentary Counsel's Office prepares 2 kinds of republications of ACT laws (see the ACT legislation register at www.legislation.act.gov.au):

- authorised republications to which the [Legislation Act 2001](#) applies
- unauthorised republications.

The status of this republication appears on the bottom of each page.

Editorial changes

The [Legislation Act 2001](#), part 11.3 authorises the Parliamentary Counsel to make editorial amendments and other changes of a formal nature when preparing a law for republication. Editorial changes do not change the effect of the law, but have effect as if they had been made by an Act commencing on the republication date (see [Legislation Act 2001](#), s 115 and s 117). The changes are made if the Parliamentary Counsel considers they are desirable to bring the law into line, or more closely into line, with current legislative drafting practice.

This republication does not include amendments made under part 11.3 (see endnote 1).

Uncommenced provisions and amendments

If a provision of the republished law has not commenced, the symbol **U** appears immediately before the provision heading. Any uncommenced amendments that affect this republished law are accessible on the ACT legislation register (www.legislation.act.gov.au). For more information, see the home page for this law on the register.

Modifications

If a provision of the republished law is affected by a current modification, the symbol **M** appears immediately before the provision heading. The text of the modifying provision appears in the endnotes. For the legal status of modifications, see the [Legislation Act 2001](#), section 95.

Penalties

At the republication date, the value of a penalty unit for an offence against this law is \$160 for an individual and \$810 for a corporation (see [Legislation Act 2001](#), s 133).

This Act is the *Fisheries Act 2000*.

3 Objects

- (1) The objects of this Act are—
- (a) to conserve native fish species and their habitats; and
 - (b) to manage sustainably the fisheries of the ACT by applying the principles of ecologically sustainable development; and
 - (c) to provide high quality and viable recreational fishing; and

- (2) In this section:
- ecologically sustainable development*—see the [Nature Conservation Act 2014](#), section 6 (4).

4 Dictionary

The dictionary at the end of this Act is part of this Act.

Note 1 The dictionary defines certain terms, and includes references (*signpost definitions*) to other terms defined elsewhere.

For example, the signpost definition '*fishing closure*—see section 13.' means the term 'fishing closure' is defined in section 13.

Note 2 A definition in the dictionary (including a signpost definition) applies to the entire Act unless the definition, or another provision of the Act, provides otherwise or the contrary intention otherwise appears (see [Legislation Act](#), s 155 and s 156 (1)).

4A Notes

A note included in this Act is explanatory and is not part of this Act.

Note See the [Legislation Act](#), s 127 (1), (4) and (5) for the legal status of notes.

4B Offences against Act—application of Criminal Code etc

Other legislation applies in relation to offences against this Act.

Note 1 Criminal Code

The [Criminal Code](#), ch 2 applies to all offences against this Act (see Code, pt 2.1).

The chapter sets out the general principles of criminal responsibility (including burdens of proof and general defences), and defines terms used for offences to which the Code applies (eg *conduct*, *intention*, *recklessness* and *strict liability*).

Note 2 Penalty units

The [Legislation Act](#), s 133 deals with the meaning of offence penalties that are expressed in penalty units.

6 Preparation and public consultation

- (1) The conservator may prepare a draft fisheries management plan.
- (2) If the conservator prepares a draft fisheries management plan, the conservator must also prepare a notice about the draft fisheries management plan (a *public consultation notice*).
