Domestic Animals Act 2000

A2000-86

Republication No 35
Effective: 14 December 2017

Republication date: 14 December 2017

Last amendment made by A2017-46
About this republication

The republished law

This is a republication of the Domestic Animals Act 2000 (including any amendment made under the Legislation Act 2001, part 11.3 (Editorial changes)) as in force on 14 December 2017. It also includes any commencement, amendment, repeal or expiry affecting this republished law to 14 December 2017.

The legislation history and amendment history of the republished law are set out in endnotes 3 and 4.

Kinds of republications

The Parliamentary Counsel’s Office prepares 2 kinds of republications of ACT laws (see the ACT legislation register at www.legislation.act.gov.au):

- authorised republications to which the Legislation Act 2001 applies
- unauthorised republications.

The status of this republication appears on the bottom of each page.

Editorial changes

The Legislation Act 2001, part 11.3 authorises the Parliament to make editorial amendments and other changes of a formal nature when preparing a law for republication. Editorial changes do not change the effect of the law, but have effect as if they had been made by an Act commencing on the republication date (see Legislation Act 2001, s 115 and s 117).

The changes are made if the Parliamentary Counsel considers they are desirable to bring the law into line, or more closely into line, with current legislative drafting practice.

This republication includes amendments made under part 11.3 (see endnote 1).

Uncommenced provisions and amendments

If a provision of the republished law has not commenced, the symbol $U$ appears immediately before the provision heading. Any uncommenced amendments that affect this republished law are accessible on the ACT legislation register (www.legislation.act.gov.au). For more information, see the home page for this law on the register.

Modifications

If a provision of the republished law is affected by a current modification, the symbol $M$ appears immediately before the provision heading. The text of the modifying provision appears in the endnotes. For the legal status of modifications, see the Legislation Act 2001, section 95.

Penalties

At the republication date, the value of a penalty unit for an offence against this law is $150 for an individual and $750 for a corporation (see Legislation Act 2001, s 133).

Domestic Animals Act 2000

An Act to provide for the identification and registration of certain animals and the duties of owners, carers and keepers, and for other purposes
Part 1 Preliminary

1 Name of Act

This Act is the Domestic Animals Act 2000.

3 Dictionary

The dictionary at the end of this Act is part of this Act.

Note 1 The dictionary at the end of this Act defines certain words and expressions, and includes references (signpost definitions) to other words and expressions defined elsewhere in this Act.

For example, the signpost definition ‘permit’, for part 3 (Dogs and Cats)—see section 73,’ means the expression ‘permit’ is defined in section 73 and applies to part 3.

Note 2 A definition in the dictionary (including a signpost definition) applies to the entire Act unless the definition, or another provision of the Act, provides otherwise or the contrary intention otherwise appears (see Legislation Act, s 155 and s 156 (1)).

4 Notes

A note included in this Act is explanatory and is not part of this Act.

Note See the Legislation Act, s 127 (1), (4) and (5) for the legal status of notes.
