About this republication

The republished law

This is a republication of the *Legislation Act 2001* as in force on 13 September 2001. It includes any amendment, repeal or expiry affecting the republished law to 13 September 2001 and any amendment made under the *Legislation Act 2001*, part 11.3 (Editorial changes).

The legislation history and amendment history of the republished law are set out in endnotes 3 and 4.

Kinds of republications

The Parliamentary Counsel's Office prepares 2 kinds of republications of ACT laws (see the ACT legislation register at www.legislation.act.gov.au):

- authorised republications to which the *Legislation Act 2001* applies
- unauthorised republications.

The status of this republication appears on the bottom of each page.

Editorial changes

The *Legislation Act 2001*, part 11.3 authorises the Parliamentary Counsel to make editorial amendments and other changes of a formal nature when preparing a law for republication. Editorial changes do not change the effect of the law, but have effect as if they had been made by an Act commencing on the republication date (see *Legislation Act 2001*, s 115 and s 117). The changes are made if the Parliamentary Counsel considers they are desirable to bring the law into line, or more closely into line, with current legislative drafting practice.

This republication includes amendments made under part 11.3 (see endnote 1).

Uncommenced provisions and amendments

If a provision of the republished law has not commenced or is affected by an uncommenced amendment, the symbol **U** appears immediately before the provision heading. The text of the uncommenced provision or amendment appears only in the last endnote.

Modifications

If a provision of the republished law is affected by a current modification, the symbol **M** appears immediately before the provision heading. The text of the modifying provision appears in the endnotes. For the legal status of modifications, see *Legislation Act 2001*, section 95.

Penalties

The value of a penalty unit for an offence against this republished law at the republication date—

- (a) if the person charged is an individual—\$100; or
- (b) if the person charged is a corporation—\$500.

Legislation Act 2001

An Act about legislation

Chapter 1 Preliminary

Part 1.1 General

1 Name of Act

This Act is the *Legislation Act 2001*.

3 Dictionary

The dictionary at the end of this Act is part of this Act.

Note 1 The dictionary at the end of an Act usually defines certain words and expressions used in the Act, and includes references (*signpost definitions*) to other words and expressions defined elsewhere in the Act. However, in this Act the dictionary is divided into 2 parts.

Note 2 Part 1 defines words and expressions commonly used in Acts (including this Act) and statutory instruments. For example, because of the definition ‘*month* means calendar month.’, the word ‘month’ has the defined meaning wherever the word is used in an Act or statutory instrument unless the Act or instrument provides otherwise or the contrary intention otherwise appears (see s 144 and s 155 of this Act).

Note 3 Part 2 defines certain words and expressions used in this Act. For example, the signpost definition ‘*administrator*, for part 18.5 (Service of documents)—see section 246.’ means that the expression administrator is defined for part 18.5 of this Act in section 246. A definition in part 2 of the dictionary applies to all of this Act unless the definition, or another provision of this Act, provides otherwise or the contrary intention otherwise appears (see s 155 and s 156 (1) of this Act).

4 Notes

(1) A note included in this Act is explanatory and is not part of this Act.

Note See s 127 (1), (4) and (5) for the legal status of notes.

(2) In this section:

note includes material enclosed in brackets in section headings.

Note For comparison, a number of sections of this Act contain bracketed notes in their headings drawing attention to equivalent or comparable (though not necessarily identical) provisions of other Acts. Abbreviations in the notes include the following:

- EA: *Evidence Act 1971* (the operation of this Act is affected by the *Evidence Act 1995* (Cwlth))
- IA: *Interpretation Act 1967* (as amended by the *Statute Law Amendment Act 2000* and the *Statute Law Amendment Act 2001*)
- LRA: *Legislation (Republication) Act 1996* (as amended by the *Statute Law Amendment Act 2000*)
- SLA: *Subordinate Laws Act 1989* (as amended by the *Statute Law Amendment Act 2000*).

- (3) Subsection (2) and this subsection expire 2 years after this section commences.

5 Objects

- (1) The main object of this Act is to make legislation more accessible.
- (2) This is to be achieved particularly by—
 - (a) encouraging access to legislation through the Internet, while maintaining access to printed legislation; and
 - (b) restating the law about the making, publication and operation of legislation, improving its structure and content, and simplifying its provisions where practicable; and
 - (c) assisting users of legislation to find, read, understand and use legislation by—
 - (i) facilitating the shortening and simplifying of legislation; and
 - (ii) promoting consistency in the form and language of legislation; and

- (iii) facilitating the updating and republication of legislation to ensure its ready availability.

Part 1.3 Sources of law in the Territory

Notes on sources of law

- Note 1* The laws in force in the Territory consist of the written law and various unwritten laws known as the principles and rules of common law and equity.
- Note 2* The written law of the Territory consists primarily of laws, known as Acts, made by the Legislative Assembly. It also includes regulations, rules of court and other legislative instruments made under specific powers given by Acts. (Written laws made under an Act are commonly called 'subordinate' or 'delegated' legislation.)
- Note 3* Before self-government, ordinances made by the Governor-General under the *Seat of Government (Administration) Act 1910* (Cwlth) were the main form of legislation made for the Territory. Most of the ordinances in force at self-government have been converted into Acts (see the Self-Government Act, s 34). However, the Governor-General has power to make ordinances for the Territory on a limited number of topics (see the *Seat of Government (Administration) Act 1910* (Cwlth), s 12).
- Note 4* The written laws in force in the Territory also include the Commonwealth Constitution, Commonwealth Acts, and regulations and other legislative instruments made under Commonwealth Acts. As a general rule, Commonwealth Acts and legislative instruments apply in the ACT in the same way as they apply in other parts of Australia. Commonwealth Acts and instruments prevail over the Acts made by the Legislative Assembly to the extent to which they are inconsistent (see the Self-Government Act, s 28).
- Note 5* Certain Acts of New South Wales and the United Kingdom also formed part of the written laws in force in the Territory. Because of the *Interpretation Act 1967*, s 65 (now repealed), these are now taken to be laws made by the Legislative Assembly as if they had been enacted by the Assembly. These Acts are listed in sch 1.

17 References to Acts include references to former Cwlth enactments etc (IA s 7A, dict, def of *Act*, par (b) and def of *enactment*)

- (1) A reference to an *Act* includes a reference to a former Commonwealth enactment.
- (2) Without limiting subsection (1), a reference to an *Act* includes a reference to a former NSW Act or former UK Act mentioned in schedule 1.
- (3) In this section:

former Commonwealth enactment means a Commonwealth Act or ordinance, a New South Wales Act or Imperial Act that is—

- (a) an enactment within the meaning of the Self-Government Act because of section 34 of that Act; or
- (b) an enactment because of the *A.C.T. Self-Government (Consequential Provisions) Act 1988* (Cwlth), section 10 (3) or 12 (2) or (3).

- (7) If the parliamentary counsel considers it likely to be useful to users of the register to enter information (in any form) in the register, the parliamentary counsel may enter the information at any time.

 - (b) in the format in which it is authorised.

Example of authorised version accessible at approved web site

A locked pdf file with a digital signature permitting authentication of the downloaded file.

- (3) It is presumed, unless the contrary is proved—
 - (a) that an Internet site purporting to be an approved web site is an approved web site; and
 - (b) that a copy of an Act, statutory instrument or republication accessible at an approved web site and purporting to be

authorised by the parliamentary counsel is authorised by the parliamentary counsel under this Act; and

- (c) that any other electronic copy of an Act, statutory instrument or republication purporting to be authorised by the parliamentary counsel is authorised by the parliamentary counsel under this Act; and

law—see section 107 (Meaning of *law* in ch 11).

25 Authorised printed versions (LRA ss 6-9, ss 20-23)

- (1) A version of an Act, statutory instrument or republication printed by authority of the government of the Territory and authorised by the parliamentary counsel is an authorised version.

- (2) A court or tribunal may inform itself of anything mentioned in subsection (1) in any way it considers appropriate.

Examples of ways that may be appropriate

- 1 Using a version of an Act downloaded from an approved web site using the Internet.
 - 2 Using information obtained from an approved web site using the Internet.
 - 3 Using an authorised printed version of a republication.
- (3) However, the court or tribunal must consider whether the source it intends to use appears to be a reliable source of information.
- (4) For subsection (3), an authorised version of an Act, statutory instrument or republication is a reliable source of information.
- (5) This section does not limit any other law providing how a court or tribunal may be informed about a matter mentioned in subsection (1).

Chapter 4 Numbering and notification of Acts

27 **Numbering of Acts** (IA s 9)

The Acts passed in each year are to be numbered as nearly as practicable in the order in which they are passed.

28 **Notification of Acts** (IA s 8)

- (1) If a proposed law is passed by the Legislative Assembly, the Speaker must ask the parliamentary counsel to notify the making of the law.
- (2) If the Speaker asks the parliamentary counsel to notify the making of the proposed law, the parliamentary counsel must—
 - (a) notify the making of the law in the register; or
 - (b) if it is not practicable to notify the making of the proposed law in the register, or make the text of the proposed law and the notification of its making accessible at 1 or more approved web sites, when the law is to be notified—notify the making of the law in the Gazette.
- (3) If the Speaker asks the parliamentary counsel to notify the making of the proposed law on a particular day, the parliamentary counsel must notify the making of the law on that day unless it is impracticable to do so.
- (4) The making of the proposed law is notified in the register by entering in the register—
 - (a) a statement that the law has been passed by the Legislative Assembly; and
 - (b) the text of the law.

- (5) The making of the proposed law is notified in the Gazette by publishing in the Gazette a statement—
 - (a) that the law has been passed by the Legislative Assembly; and
 - (b) of the place or places where copies of the law can be purchased.
- (6) If the making of the proposed law is notified in the Gazette—
 - (a) copies of the law must be available for purchase on the day of publication (the *Gazette date*), or as soon as practicable after the Gazette date, at the place, or each of the places, stated in the Gazette; and
 - (b) the parliamentary counsel must later enter in the register—
 - (i) a statement that the law has been passed by the Legislative Assembly; and
 - (ii) a statement that the law was notified in the Gazette on the Gazette date; and
 - (iii) the text of the law.
- (7) If on the Gazette date no copies of the law are available for purchase at the place, or any of the places, stated in the Gazette, the parliamentary counsel must give the Minister a statement—

Chapter 5 **Regulatory impact statements for subordinate laws and disallowable instruments**

Part 5.1 **Preliminary**

31 **Definitions for ch 5 (SLA s 9A)**

In this chapter:

authorising law, in relation to a proposed subordinate law or disallowable instrument (the *proposed law*), means the Act or statutory instrument (and, if appropriate, the provision of the Act or statutory instrument) under which the proposed law will be made.

benefits includes—

- (a) advantages; and
- (b) direct and indirect economic, environmental and social benefits.

costs includes—

- (a) burdens and disadvantages; and
- (b) direct and indirect economic, environmental and social costs.

scrutiny committee principles means the terms of reference of the Legislative Assembly's Standing Committee on Justice and Community Safety that apply to subordinate laws and disallowable instruments.

32 Other publication or consultation requirements not affected (SLA s 9B)

- (1) Part 5.2 (Requirements for regulatory impact statements) does not affect any requirements in any other Territory law for publication or consultation about a proposal to make a subordinate law or disallowable instrument.
- (2) Part 5.2 does not apply to the subordinate law or disallowable instrument if the requirements are of a comparable level to publication and consultation under the part.

33 Guidelines about costs of proposed subordinate laws and disallowable instruments (SLA s 9C)

- (1) The Minister may, in writing, issue guidelines to be applied in deciding whether a proposed subordinate law or disallowable instrument is, or is not, likely to impose appreciable costs on the community or a part of the community.
- (2) Guidelines issued under this section are a disallowable instrument.
- (3) The Minister must issue guidelines under subsection (1) within 6 months after the commencement of this section.
- (4) Subsection (3) and this subsection expire 6 months after the commencement of this section.

Part 5.2 Requirements for regulatory impact statements

34 Preparation of regulatory impact statements (SLA s 9D)

- (1) If a proposed subordinate law or disallowable instrument (the *proposed law*) is likely to impose appreciable costs on the community, or a part of the community, then, before the proposed law is made, the Minister administering the authorising law (the *administering Minister*) must arrange for a regulatory impact statement to be prepared for the proposed law.
- (2) However, this section does not apply to the proposed law if the administering Minister, in writing, exempts the proposed law from subsection (1).

Note Sections 32 and 36 also state other circumstances when a regulatory impact statement is not required.

- (3) An exemption under subsection (2) (the *RIS exemption*) is a disallowable instrument.
- (4) If the RIS exemption is disallowed under this Act after the proposed law has been made in whole or in part, the administering Minister must arrange for a regulatory impact statement to be prepared for the subordinate law or disallowable instrument.
- (5) The regulatory impact statement prepared under subsection (4) must be presented to the Legislative Assembly within 5 sitting days after the disallowance of the RIS exemption.
- (6) This chapter (other than section 37 (When must a regulatory impact statement be presented?)) applies to the law as if the law were a proposed subordinate law or disallowable instrument.

35 Content of regulatory impact statements (SLA s 9E)

A regulatory impact statement for a proposed subordinate law or disallowable instrument (the *proposed law*) must include the following information about the proposed law in clear and precise language:

- (a) the authorising law;
- (b) a brief statement of the policy objectives of the proposed law and the reasons for them;
- (c) a brief statement of the way the policy objectives will be achieved by the proposed law and why this way of achieving them is reasonable and appropriate;
- (d) a brief explanation of how the proposed law is consistent with the policy objectives of the authorising law;
- (e) if the proposed law is inconsistent with the policy objectives of another Territory law—
 - (i) a brief explanation of the relationship with the other law; and
 - (ii) a brief explanation for the inconsistency;
- (f) if appropriate, a brief statement of any reasonable alternative way of achieving the policy objectives (including the option of not making a subordinate law or disallowable instrument) and why the alternative was rejected;
- (g) a brief assessment of the benefits and costs of implementing the proposed law that—
 - (i) if practicable and appropriate, quantifies the benefits and costs; and
 - (ii) includes a comparison of the benefits and costs with the benefits and costs of any reasonable alternative way of

achieving the policy objectives stated under paragraph (f);

- (h) a brief assessment of the consistency of the proposed law with the scrutiny committee principles and, if it is inconsistent with the principles, the reasons for the inconsistency.

36 When is preparation of a regulatory impact statement unnecessary? (SLA s 9F)

- (1) A regulatory impact statement need not be prepared for a proposed subordinate law or disallowable instrument (the *proposed law*) if the proposed law only provides for, or to the extent it only provides for, any of the following:
 - (a) a matter that is not of a legislative nature, including, for example, a matter of a machinery, administrative, drafting or formal nature;
 - (b) a matter that does not operate to the disadvantage of anyone (other than the Territory or a Territory authority or instrumentality) by—
 - (i) adversely affecting the person's rights; or
 - (ii) imposing liabilities on the person;
 - (c) an amendment of a Territory law to take account of current legislative drafting practice;
 - (d) the commencement of an Act or statutory instrument or a provision of an Act or statutory instrument;
 - (e) an amendment of a Territory law that does not fundamentally affect the law's application or operation;
 - (f) a matter of a transitional character;

- (g) a matter arising under a Territory law that is substantially uniform or complementary with legislation of the Commonwealth or a State;
 - (h) a matter involving the adoption of an Australian or international protocol, standard, code, or intergovernmental agreement or instrument, if an assessment of the benefits and costs has already been made and the assessment was made for, or is relevant to, the ACT;
 - (i) a proposal to make, amend or repeal rules of court;
 - (j) a matter advance notice of which would enable someone to gain unfair advantage;
 - (k) an amendment of a fee, charge or tax consistent with announced government policy.
- (2) A regulatory impact statement also need not be prepared for the proposed law if, or to the extent, it would be against the public interest because of the nature of the proposed law or the circumstances in which it is made.

Example

A law may need to be made urgently for controlling the spread of a disease or dealing with another urgent situation.

Note Sections 32 and 34 also state other circumstances when a regulatory impact statement is not required.

37 When must a regulatory impact statement be presented?
(SLA s 9G)

- (1) This section applies if a regulatory impact statement for a proposed subordinate law or disallowable instrument (the *proposed law*) has been prepared and the proposed law is made in whole or part.
- (2) The statement must be presented to the Legislative Assembly with the subordinate law or disallowable instrument.

Chapter 5	Regulatory impact statements for subordinate laws and disallowable instruments
Part 5.3	Failure to comply with requirements for regulatory impact statements

Section 38

Part 5.3

Failure to comply with requirements for regulatory impact statements

38 Effect of failure to comply with pt 5.2 (SLA s 9H)

- (1) Failure to comply with part 5.2 (Requirements for regulatory impact statements) in relation to a subordinate law or disallowable instrument (the *law*) does not—
 - (a) affect the law's validity; or
 - (b) create rights or impose legally enforceable obligations on the Territory, a Minister or anyone else.
- (2) In addition, a decision made, or appearing to be made, under part 5.2 is final and conclusive.
- (3) In this section:
decision includes—
 - (a) conduct engaged in to make a decision; and
 - (b) conduct related to making a decision; and
 - (c) failure to make a decision.

Chapter 6 **Making, notification and numbering of statutory instruments**

Part 6.1 **General**

39 **Meaning of *matter* in ch 6 (IA s 27B)**

In this chapter:

matter, in relation to a statutory instrument, includes circumstance, person, place and purpose.

40 **Presumption of validity (EA s 10C (2) (e))**

It is presumed, unless the contrary is proved, that all conditions and steps required for the making of a statutory instrument have been satisfied and carried out.

41 **Making of statutory instruments by Executive (SLA s 3)**

- (1) If an Act authorises or requires the Executive to make a statutory instrument, it is sufficient if the instrument is signed by any 2 Ministers who are members of the Executive.
- (2) A statutory instrument made by the Executive is taken to be made when it is signed by the second Minister who is a member of the Executive.

Part 6.2 Making of statutory instruments generally

42 Power to make statutory instruments (IA s 26 (1), s 27C)

- (1) If an Act or statutory instrument gives a power that can be exercised by making an instrument, the Act or statutory instrument gives power to make the instrument.

Example

An Act gives a Minister power to approve codes of practice, but does not require the approval to be in writing or to be given by a particular instrument. The power can be exercised by giving a written approval. The Act, therefore, gives power to make an instrument, namely, a written approval.

- (2) If an Act or statutory instrument gives power to make an instrument, the power may be exercised from time to time.

43 Statutory instruments to be interpreted not to exceed powers under authorising law (SLA s 9 (3))

- (1) A statutory instrument is to be interpreted as operating to the full extent of, but not to exceed, the power given by the Act or statutory instrument under which it is made (the *authorising law*).
- (2) Without limiting subsection (1), if a provision of a statutory instrument would, apart from this section, be interpreted as exceeding power—
 - (a) the provision is valid to the extent to which it does not exceed power; and
 - (b) the remainder of the instrument is not affected.

Example 1

The *Agriculture Services Determination 2001*, part 4 exceeds the determination-making power given by the *Agriculture Services Act 2000*. The other provisions of the determination are within power.

The determination (apart from part 4) operates effectively. Part 4 is treated as if it did not form part of the determination and is disregarded.

Note to example 1 The kind of interpretation indicated in example 1 is known as a divisible interpretation of the determination.

Example 2

The *Goats Regulations 2001* are made under the *Goats Act 2001*. The *Goats Regulations 2001*, regulation 39 seeks to impose rules about the care of ‘animals’, but the Act only gives power to make regulations about goats.

Regulation 39 is read restrictively (‘read down’) as if it mentioned goats. In other words, the regulation is effective but treated as if it applied only to goats.

Note to example 2 The kind of interpretation indicated in example 2 is known as a distributive interpretation of the regulations.

- (3) Without limiting subsection (1), if the application of a provision of a statutory instrument to a matter would, apart from this section, be interpreted as exceeding power, the provision’s application to other matters is not affected.

Example

The *Community Safety Order 2001* is expressed to apply to all members of the community without qualification although it is in fact made under the *Building Industry (Safety) Act 2000*. That Act is restricted in its operation to the building industry. The order is cast in such wide terms that it cannot be interpreted divisibly or distributively. However, the order applies to entities such as XYZ Constructions Pty Ltd because it is a company in the construction industry.

- (4) This section is in addition to any provision of the statutory instrument or authorising law.

**44 Power to make statutory instruments for an Act etc
(SLA s 2A)**

- (1) If an Act or statutory instrument (the *authorising law*) authorises or requires the making of a statutory instrument for (or for the purposes of) the authorising law or another Act or statutory instrument (the *other law*), the power authorises a statutory instrument to be made with respect to any matter that—
- (a) is required or permitted to be prescribed by the authorising law or other law; or

- (b) is necessary or convenient to be prescribed for carrying out or giving effect to the authorising law or other law.
- (2) Subsection (1) applies to the authorising law even though the authorising law—
 - (a) only authorises the making of a statutory instrument for or for the purposes of the authorising law; or
 - (b) also authorises or requires the making of a statutory instrument about a particular matter.
- (3) Power given by the authorising law to make a statutory instrument about a particular matter does not limit power given by the authorising law or other law to make a statutory instrument (whether or not of the same kind) about any other matter, except so far as the authorising law otherwise expressly provides.

45 Power to make rules of court (IA s 27I)

The power of an entity to make rules of court in relation to a court includes power to make rules of court for any Act, subordinate law or disallowable instrument that requires or permits anything to be done, in relation to the court, by rules of court.

46 Power to make instrument includes power to amend or repeal (IA s 27D)

- (1) Power given under an Act or statutory instrument (the *authorising law*) to make a statutory instrument includes power to amend or repeal the instrument.
- (2) The power to amend or repeal the instrument is exercisable in the same way, and subject to the same conditions, as the power to make the instrument.

Examples

- 1 If the instrument is a disallowable instrument, an amendment or repeal of the instrument is also a disallowable instrument.

- 2 If the instrument is a notifiable instrument, an amendment or repeal of the instrument is also a notifiable instrument.
- 3 If notice of the making of the instrument must be published in a newspaper, notice of an amendment or repeal of the instrument must also be published in the newspaper.

(3) This section is subject to any provision of the authorising law.

47 Statutory instrument may make provision by applying a law or instrument (SLA s 8)

- (1) If an Act, subordinate law or disallowable instrument (the *authorising law*) authorises or requires the making of a statutory instrument about a matter, a statutory instrument (the *relevant instrument*) made under the authorising law may make provision about the matter by applying (with or without change)—
 - (a) a law or instrument, or a provision of a law or instrument, as in force at a particular time; or
 - (b) a law or instrument, or a provision of a law or instrument, as in force from time to time if—
 - (i) the statutory instrument expressly provides that the law, instrument or provision is applied from time to time; and
 - (ii) for an instrument or provision of an instrument—the authorising law authorises the instrument or provision to be applied from time to time.

Example of par (b) (i)

The *ABC Regulations 2000* provide that noise measurements are to be taken in accordance with the NSW noise control manual as in force from time to time.

Example of par (b) (ii)

The *XYZ Regulations 2000* are made under the *XYZ Act 1999*. The *XYZ Act 1999* contains the following provision:

‘(2) The regulations may apply, adopt or incorporate (with or without change) an instrument or provision of an instrument as in force from time to time.’.

- (2) If the relevant instrument makes provision about the matter by applying (with or without change) a law or instrument, or a provision of a law or instrument, as in force at a particular time, the text of the law, instrument or provision as in force at that time is taken to be a notifiable instrument made under the relevant instrument by the entity authorised or required to make the relevant instrument.
- (3) If the relevant instrument makes provision about the matter by applying (with or without change), a law or instrument, or a provision of a law or instrument, as in force from time to time, the text of each of the following is taken to be a notifiable instrument made under the relevant instrument by the person authorised or required to make the relevant instrument:
- (a) the law, instrument or provision as in force at the time the relevant instrument is made;
 - (b) each subsequent amendment of the law, instrument or provision;
 - (c) for a law or instrument that is repealed and remade (with or without changes)—the law or instrument as remade and each subsequent amendment of the law or instrument;
 - (d) for a provision that is omitted and remade (with or without changes) in another law or instrument—the provision as remade and each subsequent amendment of the provision.
- (4) Subsections (2) and (3) do not apply in relation to—
- (a) an ACT law or a provision of an ACT law; or
 - (b) a law of another jurisdiction, an instrument, or a provision of a law of another jurisdiction or an instrument, if the authorising law or the relevant instrument expressly declares that it does not apply.
- (5) Subsections (2) and (3) apply in relation to a law of another jurisdiction, an instrument, or a provision of a law of another

jurisdiction or an instrument, with the modifications (if any) expressly made by the authorising law or the relevant instrument.

(6) In this section:

ACT law means an Act, subordinate law or disallowable instrument.

applying includes adopting or incorporating.

disallowable instrument, for a Commonwealth Act, means a disallowable instrument under the *Acts Interpretation Act 1901* (Cwlth), section 46A.

instrument does not include a law.

law means an ACT law or law of another jurisdiction.

law of another jurisdiction means—

- (a) a Commonwealth Act, or any regulations, rules, ordinance or disallowable instrument under a Commonwealth Act; or
- (b) a State Act, or any regulations or rules under a State Act; or
- (c) a New Zealand or Norfolk Island Act, or any regulations or rules under a New Zealand or Norfolk Island Act.

48 Power to make instrument includes power to make different provision for different categories etc (IA s 27E)

- (1) Power given under an Act or statutory instrument to make a statutory instrument includes power—
 - (a) to make different provision with respect to different matters or different classes of matters; or
 - (b) to make an instrument that applies differently by reference to stated exceptions or factors.
- (2) Without limiting subsection (1), power given under an Act or statutory instrument to make a statutory instrument about particular

matters includes power to make a statutory instrument about any 1 or more of the matters or a particular class of the matters.

- (3) For this section, a class may consist of a single matter.

49 Single instrument may exercise several powers or satisfy several requirements (IA s 27F)

- (1) Power given under an Act or statutory instrument may be exercised with any other power to make a single instrument—
- (a) whether or not the powers are exercised in relation to separate provisions, some of the same provisions, or all of the provisions, of the instrument; or
 - (b) whether or not the other powers are given under the same Act or statutory instrument, another Act or statutory instrument or any other Territory law.
- (2) A statutory instrument is taken—
- (a) to be made under each power given under Territory law under which it could be made; and
 - (b) to satisfy each requirement under Territory law that it could satisfy.
- (3) Without limiting subsection (2), that subsection applies to an instrument even though—
- (a) it is stated to be made under a particular Territory law (the *authorising law*) or a particular provision of the authorising law; and
 - (b) it is stated to be made for a particular Territory law (the *requiring law*) or a particular provision of the requiring law.

50 Relationship between authorising law and instrument dealing with same matter (IA s 27G)

If an Act or statutory instrument (the *authorising law*) gives power to make a statutory instrument about a matter, the instrument may make provision with respect to a particular aspect of the matter even though provision is made by the authorising law in relation to another aspect of the matter or in relation to another matter.

51 Instrument may make provision in relation to land by reference to map etc (IA s 27GA)

- (1) This section applies if an Act or statutory instrument authorises or requires provision to be made by statutory instrument in relation to land or waters.
- (2) Provision may be made by reference to—
 - (a) a particular map or plan held by an entity; or
 - (b) a particular entry in a register kept by an entity;

if the map, plan or register is available for inspection by members of the public, whether or not on payment of a fee.

52 Instrument may authorise determination of matter etc (IA s 27GB)

- (1) This section applies if an Act or statutory instrument (the *authorising law*) authorises or requires provision to be made about a matter by statutory instrument.
- (2) A statutory instrument made under the authorising law may make provision about the matter by authorising or requiring a stated entity to make provision about the matter, or any aspect of the matter, whether or not from time to time.
- (3) In this section:

provision, for a matter, includes determining or regulating the matter, applying the instrument to the matter, being satisfied or

forming an opinion about anything relating to the matter, or doing anything else in relation to the matter.

Example

If an Act provides that an application is to be in a prescribed form, regulations made under the Act may provide that the form is to be that approved by the Minister.

53 Instrument may prohibit (IA s 27GC)

If an Act or statutory instrument authorises or requires a matter to be regulated (however described) by statutory instrument, the power may be exercised by prohibiting by statutory instrument the matter or any aspect of the matter.

54 Instrument may require the making of statutory declaration (IA s 27H)

- (1) If an Act or statutory instrument (the *authorising law*) gives power to make a statutory instrument, the instrument may require the making of a statutory declaration.
- (2) Subsection (1) applies—
 - (a) whether or not the authorising law authorises or requires penalties to be prescribed by instrument; and
 - (b) if the authorising law authorises or requires penalties to be prescribed by instrument—irrespective of the level of penalties that may be prescribed.

Part 6.3 Making of certain statutory instruments about fees

55 Definitions for pt 6.3

In this part:

fee includes a charge or other amount.

provide a service includes exercise a function.

service includes a function or facility.

56 Determination of fees by disallowable instrument

- (1) This section applies if an Act (the *authorising law*) authorises fees to be determined for 1 of the following (the *relevant law*):
 - (a) the authorising law; or
 - (b) another Act or statutory instrument.
- (2) The authorising law authorises a fee to be determined with respect to any matter under or related to the relevant law.
- (3) To remove any doubt, a fee may be determined for a provision of the relevant law even though the provision does not mention a fee.

Example

The X Act, section 15 provides for a person to apply for an approval but makes no mention of a fee for the approval. However, section 79 (1) of the Act provides:

The Minister may, in writing, determine fees for this Act.

Because section 79 (1) permits a fee to be determined ‘for this Act’, the *Legislation Act 2001*, section 56 applies in relation to section 15 and the Minister may determine an application fee for the approval.

- (4) A fee may be determined—
 - (a) by specifying the fee; or

- (b) by setting a rate, or providing a formula or other method, by which the fee is to be worked out; or
- (c) a combination of a specified fee and a rate, formula or other method.

Examples of different methods of determining fees

An instrument may determine a fee by specifying an amount (eg \$250), or a rate (eg \$7.50 per kilogram). An instrument may also determine a fee by providing a formula. For example, the fee for a licence issued for part of a year could be worked out using the following formula:

$$\text{annual fee} \times \frac{\text{whole and part months for which licence issued}}{12}$$

- (5) The determination—
 - (a) must provide by whom the fee is payable; and
 - (b) must provide to whom the fee is to be paid; and
 - (c) may make provision about the circumstances in which the fee is payable; and
 - (d) may make provision about exempting a person from payment of the fee; and
 - (e) may make provision about when the fee is payable and how it is to be paid (for example, as a lump sum or by instalments); and
 - (f) may mention the service for which the fee is payable; and
 - (g) may make provision about waiving, postponing or refunding the fee (in whole or part); and
 - (h) may make provision about anything else relating to the fee.

Example of par (a)

A provision that the owner for the time being of a vehicle is liable for any unpaid registration fee.

Examples of par (c)

- 1 A provision that a document prepared and submitted in accordance with a condition imposed under the Act be accompanied by a fee.
- 2 A provision that royalty ceases to be payable if the percentage of recoverable minerals is less than the prescribed limit.

Examples of par (e)

- 1 A provision that a levy is payable within 30 days after a sale of goods.
- 2 A provision that, if a licensee fails to pay an instalment payable in the financial year within 14 days after the day it is payable, all remaining instalments payable in the financial year become payable.

Example of par (g)

A provision that a stated official may waive all or part of a charge in stated circumstances, including if the official is satisfied about a stated circumstance.

57 Fees payable in accordance with determinations etc

- (1) A fee determined by a disallowable instrument is payable by the person by whom the fee is payable under the determination, in relation to the service (if any) mentioned in the determination and in accordance with the determination, to the person to whom the fee is payable under the determination.
- (2) If a service is mentioned in the determination, the fee is payable before the service is provided unless the determination provides otherwise.
- (3) If the fee is payable in relation to a service mentioned in the determination and the fee has not been paid in accordance with the determination, no-one is obliged to provide the service.

Examples

- 1 If a fee for a service is payable in advance under a disallowable instrument and the fee is not paid, there is no obligation to provide the service.
- 2 If fees for services over a period of time are payable by instalment under a disallowable instrument and the person paying the fees falls behind in payments on the instalments, there is no obligation to provide further services for the person.

- (4) Subsection (3) applies to a service even though, apart from that subsection, someone is under a duty to provide the service.

Example

A provision of an Act provides that a registrar ‘must’ renew a licence if the holder of the licence applies to the registrar for its renewal before the end of the licence term. If a fee is determined for renewal of the licence, the registrar is not required to renew the licence unless the fee is paid.

58 Regulations may make provision about fees

- (1) This section applies if an Act (the *authorising law*)—
- (a) authorises or requires fees to be determined for the authorising law, or another Act or a statutory instrument (the *fees law*); and
 - (b) the authorising law authorises the making of regulations by the Executive.
- (2) Regulations under the authorising law may make provision in relation to—
- (a) the payment, collection and recovery of determined fees; and
 - (b) the waiver, postponement or refund of the fees (in whole or part); and
 - (c) anything else about which provision may, under section 56 (Determination of fees by disallowable instrument), be made by determination in relation to determined fees.
- (3) The power mentioned in subsection (2) (b) includes power to make provision in relation to an entitlement to a waiver, postponement or refund of determined fees in circumstances prescribed under the regulations (including the removal of a statutory capacity).
- (4) Regulations or the authorising law may make provision in relation to the payment of determined fees by cheque or credit card, including, for example, the consequences of a cheque not being honoured on presentation or a credit card transaction not being honoured.

- (5) Regulations or the authorising law may make provision in relation to the removal of a statutory capacity if any determined fee—
- (a) is not paid when it is required to be paid; or
 - (b) is paid by cheque and the cheque is not honoured on presentation; or
 - (c) is paid by credit card and the credit card transaction is not honoured.
- (6) Regulations or the authorising law may make provision in relation to the restoration of a statutory capacity (whether prospectively or during any past period).
- (7) This section is in addition to any provision of the authorising law or fees law.
- (8) In this section:

credit card includes debit card.

removal, of a statutory capacity, includes suspension, cancellation, revocation, withdrawal, surrender or other prescribed restriction or termination of a statutory capacity under the fees law or authorising law.

statutory capacity includes an accreditation, approval, assessment, authority, certificate, condition, decision, determination, exemption, licence, permission, permit, registration or other prescribed thing giving a status, privilege or benefit under the fees law or authorising law (whether or not required under either law for doing anything).

Part 6.4 **Numbering and notification of registrable instruments**

59 **Numbering (SLA s 4 (1))**

- (1) The registrable instruments registered in each year must be numbered by the parliamentary counsel as nearly as practicable in the order in which they are notified.
- (2) However, the parliamentary counsel may—
 - (a) allocate different kinds of statutory instruments to different series for numbering purposes; or
 - (b) add distinguishing letters to numbers to indicate the kind of statutory instrument.

Examples

- 1 The parliamentary counsel may number subordinate laws, disallowable instruments, commencement notices and other registrable instruments in different series.
 - 2 The parliamentary counsel could add the letters 'SL' to the numbers of registered subordinate laws, the letters 'DI' to the numbers of registered disallowable instruments and the letters 'CN' to the numbers of registered commencement notices.
- (3) Also, the regulations may provide that this section does not apply to a notifiable instrument of a kind prescribed under the regulations.

60 **Correction of name of registrable instrument**

- (1) This section applies if a registrable instrument is unnamed or the name it gives to itself—
 - (a) includes a year that is not the year in which the instrument was made; or
 - (b) is the same as another registrable instrument that has been, or is to be, notified under this Act; or

- (c) includes a number that is not consecutive with other registrable instruments that have been notified under this Act; or
- (d) does not include a number that would give the instrument a unique name.

Example of par (c)

A registrable instrument has the name '*XYZ Amendment Rule 2000 (No 5)*'. Registrable instruments with the names '*XYZ Amendment Rule 2000 (No 1)*', '*XYZ Amendment Rule 2000 (No 2)*' and '*XYZ Amendment Rule 2000 (No 3)*' have already been notified under the Act

Example of par (d)

A registrable instrument has the name '*XYZ Amendment Rule 2000 (No)*'.

- (2) The parliamentary counsel is authorised, before notifying the registrable instrument under this Act—
 - (a) to add a name to an unnamed instrument; or
 - (b) to amend the instrument's name to bring it into line with current drafting practice.
- (3) If the name of a registrable instrument is added or amended under this section, the instrument has effect for all purposes as if the instrument were made with the name as added or amended.

61 Notification of registrable instruments (SLA s 6 (1) (a), (2)-(5))

- (1) If a registrable instrument is made, the maker of, or the appropriate person for, the instrument may ask the parliamentary counsel to notify the making of the instrument.
- (2) If the maker of, or appropriate person for, a registrable instrument asks the parliamentary counsel to notify the making of the instrument and complies with the requirements (if any) prescribed under the regulations, the parliamentary counsel must—
 - (a) notify the making of the instrument in the register; or

- (b) if it is not practicable to notify the making of the instrument in the register, or make the text of the instrument and the notification of its making accessible at 1 or more approved web sites, when the instrument is to be notified—notify the making of the instrument in the Gazette.

 - (a) a statement that the instrument has been made; and
 - (b) the text of the instrument.
- (4) The making of the registrable instrument is notified in the Gazette by—
 - (a) publishing the text of the instrument in the Gazette; or
 - (b) publishing in the Gazette a statement—
 - (i) that the instrument has been made; and
 - (ii) of the place or places where copies of the instrument can be purchased.
- (5) If the making of the registrable instrument is notified in the Gazette, the parliamentary counsel must later enter in the register—
 - (a) a statement that the instrument has been made; and
 - (b) a statement that the instrument was notified in the Gazette on a stated date; and
 - (c) the text of the instrument.
- (6) If the registrable instrument is notified in the Gazette by publishing the statement mentioned in subsection (4) (b), copies of the instrument must be available for purchase on the day of the publication (the *Gazette date*), or as soon as practicable after the Gazette date, at the place, or each of the places, stated in the Gazette.

- (7) If on the Gazette date no copies of the registrable instrument are available for purchase at the place, or any of the places, stated in the Gazette, the parliamentary counsel must give the Minister a statement—
- (a) that copies of the law were not available; and
 - (b) explaining why they were not available.
- (8) The Minister must present the statement to the Legislative Assembly within 6 sitting days after the Gazette date.
- (9) In this section:
- appropriate person*, for a registrable instrument, means—
- (a) for a registrable instrument made or approved (however described) by the Executive—a Minister; and
 - (b) for rules of a court or tribunal—the registrar of the court or tribunal; and
 - (c) for a registrable instrument prescribed under the regulations—a person prescribed under the regulations as the appropriate person for the instrument.

62 Effect of failure to notify registrable instrument

A registrable instrument is not enforceable by or against the Territory or anyone else unless it is notified.

63 References to *notification* of registrable instruments

In an Act or statutory instrument, a reference to the *notification* of a registrable instrument is a reference to the instrument having been notified in the register or Gazette.

Chapter 7 Presentation, amendment and disallowance of subordinate laws and disallowable instruments

Chapter 8 Commencement and exercise of powers before commencement

72 Meaning of *law* in ch 8

law means an Act, subordinate law or disallowable instrument, and includes a provision of a law.

73 General rules about commencement (IA s 10, SLA s 6 (1) (b))

 - 3 A notifiable instrument may provide that it commences on the expiry of a stated statutory instrument.
 - 4 A notifiable instrument may provide that it commences on the date fixed by a Commonwealth Minister, by notice in the Commonwealth Gazette, under a stated Commonwealth Act.
- (3) Without limiting subsection (2), if a subordinate law, disallowable instrument or notifiable instrument is notified on a day after the day or time provided by the instrument for its commencement, and subsection (2) (c) or (d) does not apply to the instrument—
- (a) the instrument is valid; but
 - (b) the instrument commences on its notification day.
- (4) A statutory instrument that is not a registrable instrument commences—
- (a) on the day it is made or, if it is required under an Act or statutory instrument to be approved (however described) by the Executive, a Minister or any other entity, the day it is approved; or
 - (b) if an Act or the instrument provides for a later date or time of commencement—on that date or at that time; or
 - (c) if an Act provides for an earlier date or time of commencement—on that date or at that time; or
 - (d) if the instrument, under authority given by an Act, provides for an earlier date or time—on that date or at that time.
- (5) This section is subject to the following sections:
- (a) section 75 (Commencement of naming and commencement provisions on notification day);
 - (b) section 76 (Non-prejudicial provision may commence retrospectively);

(c) section 79 (Automatic commencement of postponed law).

74 Time of commencement (IA s 10A)

If a law commences on a day, it commences at the beginning of the day.

75 Commencement of naming and commencement provisions on notification day (IA s 10B)

- (1) The provisions of a law providing for its name and commencement automatically commence on its notification day.
- (2) This section applies to a law despite anything in the law unless it expressly provides that this section does not apply.

76 Non-prejudicial provision may commence retrospectively (SLA s 7)

- (1) A statutory instrument may provide that a non-prejudicial provision of the instrument commences retrospectively.
- (2) This section applies to a non-prejudicial provision of a statutory instrument only if the instrument clearly indicates that the provision is to commence retrospectively.

Example

The instrument provides that a non-prejudicial provision is ‘taken to have commenced’ at an earlier date or time.

- (3) In this section:

non-prejudicial provision means a provision that does not operate to the disadvantage of a person (other than the Territory or a Territory authority or instrumentality) by—

- (a) adversely affecting the person’s rights; or
- (b) imposing liabilities on the person.

77 Commencement by commencement notice (IA s 10C)

- (1) If a law is expressed to commence on a day fixed or otherwise determined by a notice—
- (a) a single day, or a time on a single day, may be fixed or determined; or
 - (b) different days or times may be fixed or determined for different provisions.

Example

The *Hypothetical Act 2001* is expressed to commence on a day to be fixed by the Minister by notice. Unless the Act has commenced automatically in accordance with section 79 (Automatic commencement of postponed law), any of the following arrangements for commencement would be possible:

- (a) a notice could fix a single day (eg 5 June 2001) for the entire Act to commence;
 - (b) a notice could fix a time on a single day (eg 8 pm on 5 June 2001) for the entire Act to commence;
 - (c) a notice could fix different days or times for the different provisions of the Act to commence (eg parts 7 and 9 and schedule 4 commence on 5 June 2001, part 11 commences at 5 pm on 30 June 2001, and the remaining provisions of the Act commence on 1 July 2001);
 - (d) a notice could fix a single day (eg 5 June 2001) or a time on a single day (eg 8 pm on 5 June 2001) for the provisions of the Act not already commenced to come into operation.
- (2) If the day or time fixed by a commencement notice for the commencement of an Act happens before the notification day of the notice—
- (a) the notice is valid; but
 - (b) the Act commences on the notification day of the notice.

78 Separate commencement of amendments (IA s 10D)

An amendment made by a provision of a law may be given a separate commencement, whether or not the provision is self-contained.

Examples

- 1 Each paragraph of a provision of an amending law may be given a separate commencement.
- 2 Each item in a schedule to an amending law may be given a separate commencement.

79 Automatic commencement of postponed law (IA s 10E)

- (1) If a postponed law has not commenced within 6 months beginning on the notification day, it automatically commences on the first day after that period.

Example

The *Hypothetical Act 2001* was notified on 5 July 2001 and was expressed to commence on a day to be fixed by the Minister by notice. If the Act had not commenced by notice on or before 4 January 2002, it would automatically commence on 5 January 2002.

- (2) This section applies to a postponed law unless a law expressly states it does not apply.
- (3) In this section:

enact includes make.

notification day, for a postponed law, means the notification day of—

- (a) if the postponed law is a law—the law; or
- (b) if the postponed law is a provision of a law—the law that enacts the provision.

postponed law means a law or provision of a law that does not commence on the notification day because a law postpones its commencement until a day or time fixed or determined by a commencement notice.

80 References to commencement of law (IA s 11)

In a law, a reference to the *commencement* of the law, or another law (the *law concerned*), is a reference to—

- (a) if the provisions of the law concerned (other than those providing for its name and commencement) commence, or are required to commence, on a single day or at a single time—the commencement of the remaining provisions; or
- (b) if paragraph (a) does not apply and the reference is in a provision of the law concerned—the commencement of the provision; or
- (c) in any other case—the commencement of the relevant provision of the law concerned.

81 Exercise of powers between notification and commencement (SLA s 5)

- (1) This section applies to a power to make an appointment or a statutory instrument, or to do anything else, in the following situations:
 - (a) the power is given by a law (the *authorising law*) that has been notified but does not commence on the law's notification day;
 - (b) the power is given by a law (the *authorising law*) as amended by another law (the *amending law*) and both laws have been notified, but either or both of them do not commence on their notification days.
- (2) The power may be exercised at any time even though the authorising law, or the authorising and amending laws (or either of them), is not in force at the time.
- (3) Also, anything else may be done under the power at any time for the purpose of bringing, or in relation to bringing, the authorising law, or the authorising law as amended by the amending law, into operation.
- (4) If an appointment or statutory instrument made under this section declares that this subsection applies to it, then, unless the appointment or instrument commences on a different date or at a

different time under another provision of this chapter, the appointment or instrument commences on—

- (a) for an appointment or statutory instrument that is a registrable instrument—the notification day of the instrument; or
 - (b) for any other appointment or statutory instrument—the day it is made.
- (5) In any other case, an appointment or statutory instrument made under this section commences on the latest of the following:
- (a) the commencement of the authorising law or, if subsection (1)(b) applies and the amending law commences after the authorising law, the commencement of the amending law;
 - (b) on the day or at the time the appointment or instrument would have commenced if it had not been made under this section.

Chapter 9 Repeal and amendment of laws

Part 9.1 General

82 Definitions for ch 9 (IA s 37)

In this chapter:

amend includes modify.

law means an Act, subordinate law or disallowable instrument, and includes a provision of a law.

repeal includes expiry.

83 Consequences of amendment of statutory instrument by Act (SLA s 8A)

If an Act amends a statutory instrument, the instrument may be amended or repealed as if the amendment had been made by another statutory instrument of that kind.

84 Saving of operation of repealed and amended laws (IA s 41)

- (1) The repeal or amendment of a law does not—
 - (a) revive anything not in force or existing when the repeal or amendment takes effect; or
 - (b) affect the previous operation of the law or anything done, begun or suffered under the law; or
 - (c) affect an existing right, privilege or liability acquired, accrued or incurred under the law.

- (2) An investigation, proceeding or remedy in relation to an existing right, privilege or liability under the law may be begun, exercised, continued or completed, and the right, privilege or liability may be enforced and any penalty imposed, as if the repeal or amendment had not happened.
- (3) Without limiting subsections (1) and (2), the repeal or amendment of a law does not affect—
 - (a) the proof of anything that has happened; or
 - (b) any right, privilege or liability saved by the law.
- (4) This section does not limit any other provision of this chapter and is in addition to any provision of the law by which the repeal or amendment is made.
- (5) In this section:
 - liability* includes liability to penalty for an offence against the law.
 - penalty* includes punishment and forfeiture.
 - privilege* includes immunity.
 - right* includes capacity, interest, status and title.

84A Creation of offences and changes in penalties (IA s 33A)

- (1) If a law makes an act or omission an offence, the act or omission is only an offence if done or not done after the law commences.
- (2) If a law increases the maximum or minimum penalty, or the penalty, for an offence, the increase applies only to an offence committed after the law commences.
- (3) If a law reduces the maximum or minimum penalty, or the penalty, for an offence, the reduction applies to an offence committed before or after the law commences, but does not affect any penalty imposed before the law commences.

Chapter 9
Part 9.1

Repeal and amendment of laws
General

Section 84A

- (4) This section applies to a law unless the law expressly provides that this section does not apply.

Part 9.2 Repeal

85 When repeal takes effect (IA s 38)

If a law is repealed on a day, the law continues in force until the end of the day and the repeal takes effect at midnight on the day.

86 Repealed and amended laws not revived on repeal of repealing and amending laws (IA s 39)

- (1) If a law (the *first law*) is repealed by another law (the *other law*), the first law is not revived merely because the other law is repealed.

Examples

- 1 Act A repeals Act B. Act A is repealed. The repeal of Act A does not revive Act B.
- 2 Act A repeals Act B. Act A is automatically repealed under section 89 of this Act (Automatic repeal of certain laws and provisions). The repeal of Act A does not revive Act B.

- (2) If a law (the *first law*) is amended by another law (the *other law*), the continuing operation of the amendments made by the other law is not affected merely because the other law is repealed and, in particular, the first law is not revived in the form in which it was in before the amendments took effect merely because of the repeal.

Examples

- 1 Act A amends Act B. Act A is repealed after it has commenced by a later Act C. The amendments made by Act A continue to operate, even though Act A has been repealed.
- 2 Act A amends Act B. Act A is automatically repealed under section 89 of this Act. The amendments made by Act A continue to operate, even though Act A has been repealed.

- (3) This section does not limit any other provision of this chapter and is in addition to any provision of the law by which the repeal is made.
- (4) In this section:

amended does not include modified.

law includes a rule of the common law (including equity).

Examples

- 1 a common law offence
- 2 a common law rule of practice or procedure
- 3 a right to equitable relief

87 Commencement not undone if repealed (IA s 40)

- (1) If a provision of a law providing for the commencement of the law is repealed after the law has commenced, the repeal of the provision does not affect the continuing operation of the law.
- (2) If a commencement notice providing for the commencement of a law is repealed after the law has commenced, the repeal of the notice does not affect the continuing operation of the law.
- (3) This section does not limit any other provision of this chapter and is in addition to any provision of the law by which the repeal is made.

88 Repeal does not end transitional or validating effect etc (IA s 42)

- (1) If a law—
 - (a) declares something for a transitional purpose (whether or not the law is expressed to be made for that purpose); or
 - (b) validates something that is or may otherwise be invalid; or
 - (c) declares something for a purpose that is consequential on a declaration mentioned in paragraph (a) or a validation mentioned in paragraph (b) (whether or not the law is expressed to be made for a purpose of that kind);

the declaratory or validating effect of the law does not end merely because of the repeal of the law.

Example of par (a)

A provision stating that an existing licence under a repealed Act is taken to be a licence of a particular kind under another Act and authorising the imposition of conditions under the other Act.

Example of par (b)

A provision declaring an instrument to have been validly made and acts done in reliance on the instrument to have been validly done.

Example of par (c)

A provision stating that an instrument that is declared valid is taken to have been amended in a particular way.

- (2) If a law (the *savings law*) declares a law (the *declared law*) to be a law to which this section applies—
 - (a) the effect of the declared law does not end only because of its repeal; and
 - (b) the effect of the savings law does not end only because of its repeal.
- (3) A declaration may be made for subsection (2) about a law whether or not the Act is a law to which subsection (1) applies.
- (4) A declaration made for subsection (2) about a law does not imply that, in the absence of a declaration about it, another law is not a law to which this section applies.
- (5) This section does not limit any other provision of this chapter and is in addition to any provision of the law by which the repeal is made.

89 Automatic repeal of certain laws and provisions (IA s 43)

- (1) An amending law is automatically repealed on the day after all of its provisions have commenced.
- (2) An appropriation Act is automatically repealed on the last day of the financial year for which it makes appropriations.

Section 89

- (3) An amending provision of a law is automatically repealed on the day after all of the amendments and repeals made by it (or to which it relates) have commenced.
- (4) A commencement provision of a law is automatically repealed on the day after all of the provisions of the law have commenced.
- (5) A commencement notice is automatically repealed on the day after the day, or the last of the days, fixed or otherwise determined by the notice for the commencement of a law.
- (6) A repeal under this section has effect for all purposes, including, for example, any other provisions of this chapter about repeals.
- (7) This section does not limit any other provision of this chapter.
- (8) In this section:

amending law means a law that consists only of provisions of the following kinds:

- (a) for an Act—the Act’s long title;
- (b) for an Act—the Act’s preamble (if any);
- (c) a provision about the law’s name;
- (d) a provision about the law’s commencement;
- (e) a provision about the purposes of the law or any of its provisions;
- (f) a provision about the effect of notes;
- (g) a provision providing for the amendment or repeal of a law or statutory instrument (including a provision identifying the amended or repealed law or statutory instrument);
- (h) a provision declaring a law to be a law to which section 88 (Repeal does not end transitional or validating effect etc) applies;
- (i) a provision about the renumbering of a law;

- (j) a provision authorising or requiring something to be done under chapter 11 (Republication of Acts and statutory instruments).

amending provision, of a law, means a provision of the law that only amends or repeals a law or statutory instrument, and includes any other provision (for example, a schedule) of the law that only identifies the law or instrument amended or repealed.

appropriation Act—see the *Financial Management Act 1996*, section 3.

commencement provision, of a law, means a provision of the law that only provides for the commencement of the law.

Example 1

The *Hypothetical Amending Act 2002* repeals and amends a number of Acts. The Act contains the following provisions:

- a long title
- a provision about the Act's name
- a provision about the Act's commencement
- repealing provisions (that is, a provision stating that the Act repeals the Acts mentioned in schedule 1 and a schedule (schedule 1) setting out the names of the repealed Acts)
- amending provisions (that is, a provision stating that the Act amends the Acts mentioned in schedule 2 and a schedule (schedule 2) setting out the amended Acts and the amendments made to them)
- a provision about the application of section 88 (Repeal does not end transitional or validating effect etc) of this Act to a provision being repealed
- a provision requiring an amended Act (the *XYZ Act 1990*) to be renumbered under chapter 10 in the next authorised republication of the *XYZ Act 1990*.

The Act contains no other provisions. Its repealing provisions, and its other provisions apart from the amending provisions, commence on the date of notification, 21 March 2002. Its amending provisions commence on a date fixed by the Minister by notice, 12 April 2002. Under subsection (1), the *Hypothetical Amending Act 2002* is automatically repealed on 13 April 2002.

Example 2

The *Example Act 2001* contains provisions establishing a new licensing scheme. It also amends several Acts and repeals others. Because it contains the scheme provisions, it is not an amending law covered by subsection (1).

Part 9.3 Amendment

90 Law and amending laws to be read as one (IA s 44)

A law and all laws amending it are to be read as one.

91 Insertion of provisions by amending law (IA s 45)

- (1) This section applies if a law (the *amending law*) amends another law (the *amended law*) by inserting any of the following provisions, and does not exactly specify the position in the amended law where it is to be inserted:

- (7) A miscellaneous inserted provision is inserted in the appropriate position in the amended law.
- (8) In applying this section to a subordinate law or disallowable instrument or to a provision of a schedule to an Act, a reference to a section or subsection is a reference to a corresponding provision of the law, instrument or schedule.
- (9) In working out the appropriate position where a provision is to be inserted in the amended law, regard may be had to the following:
 - (a) the provision number or letter;
 - (b) the heading of the relevant amending provision of the amending Act;
 - (c) any other amendments in the amending law including the order of amendments;
 - (d) anything else in the amending law or amended law;
 - (e) current ACT legislative drafting practice.

Examples

- 1 If a part numbered '3' is to be inserted into an amended law with an existing sequence of parts 'part 1—part 2—part 4', inserted part 3 is inserted between parts 2 and 4.
- 2 If a division numbered '2.2A' is to be inserted into an amended law with an existing sequence of divisions in part 2 'division 2.1—division 2.2—division 2.3', inserted division 2.2A is inserted between divisions 2.2 and 2.3.
- 3 If a section numbered '6AA' is to be inserted into an amended law with an existing sequence of sections 'section 6—section 6A—section 6B', inserted section 6AA is inserted between sections 6A and 6B.

inserted section 7A is inserted between section 7 and the heading to division 2.3 (that is, at the end of division 2.2).

- 5 If a section numbered '7A' is to be inserted, by an amending section headed 'new section 7A, division 2.3', into an amended law with an existing sequence 'section 7 [in division 2.2]—division 2.3 [heading]—section 8', inserted section 7A is inserted between the heading to division 2.3 and section 8 (that is, at the beginning of division 2.3).

(10) In this section:

insert includes relocate.

92 Amendment to be made wherever possible (IA s 46)

If a law amends another law—

- (a) by omitting a word; or
- (b) by substituting a word for another word; or
- (c) by inserting a word before or after a particular word;

the amendment is to be made wherever possible in the other law unless the law otherwise expressly provides.

93 Provisions included in another provision for amendment purposes (IA s 46A)

- (1) This section applies for the purpose of amending a law.
- (2) The heading to a chapter, part, division, subdivision, schedule, dictionary, section or any other provision of the law forms part of the provision to which it is a heading.
- (3) An example at the end of a provision of the law is part of the provision unless the example is expressed in a way that indicates that it applies only to another provision.
- (4) A note at the end of a provision of the law is taken, for this section, to be part of the provision unless the note is expressed in a way that indicates that it applies only to another provision.

Section 93

- (5) However, a note in a law is not, for any other purpose, part of the law.

Note Section 127 (Material that is not part of an Act or statutory instrument) deals with the status of notes.

- (6) A penalty at the end of a subsection of the law—
- (a) is part of the subsection unless the penalty is expressed in a way that indicates that it applies only to other subsections of the section; or
 - (b) if the penalty is expressed in a way that indicates that it applies only to other subsections—is part of the section.
- (7) A penalty at the end of a section of the law that is not divided into subsections is part of the section.
- (8) The word ‘and’, ‘or’ or ‘but’, or a similar word, at the end of a paragraph, subparagraph, sub-subparagraph or another provision of the law is part of the provision.
- (9) In working out whether an example or note is at the end of a provision of the law, any penalty is to be disregarded, and, for an example, any note is to be disregarded.

Note According to current legislative drafting practice, examples, notes and penalties to a provision are arranged in the following order at the end of provisions:

- 1 penalty (first)
- 2 examples
- 3 notes (last).

- (10) In applying this section to a subordinate law or disallowable instrument or to a provision of a schedule to an Act, a reference to a section or subsection is a reference to a corresponding provision of the law, instrument or schedule.

94 Continuance of appointments etc made under amended provisions (IA s 47)

- (1) This section applies if—
- (a) a law expressly or impliedly authorises or requires—
 - (i) the making of an appointment or statutory instrument; or

 - (ii) the function may be delegated; or
 - (iii) the thing may be done.
- (2) An appointment, statutory instrument, delegation or other thing mentioned in subsection (1) that was in force immediately before the commencement of the amendment continues to have effect after the commencement as if it had been made or done under the amended law.
- (3) In this section:

amend includes omit and re-enact in the same law (with or without changes), but does not include omit and re-enact in another law.

95 Status of modifications (IA s 48)

If a law is modified by another law, the law operates as modified but the modification does not amend the text of the law.

96 Relocated provisions (IA s 49)

- (1) This section applies if a provision of a law is relocated (with or without changes) to a different place in the same law or to a different law.
- (2) The operation or meaning of the provision is not affected merely because of the provision's relocation.
- (3) Without limiting subsection (2), if before its relocation the provision was to be interpreted in a particular way, it is to be interpreted in that way in its new location.

Example

If a provision of an Act is to be interpreted as if it were a law consolidating the provisions of other laws and it is relocated into another Act, it is to be interpreted in the same way in its new location.

- (4) However, the provision has effect subject to any changes made to it.

 - (i) if the instrument was notified in the register under this Act—the date when it was notified in the register, together with a reference to the Act or statutory instrument under which it was made; or

law means—

- (a) an Act, subordinate law or disallowable instrument; or
(b) a law of the Commonwealth, a State or another Territory.

101A Reference to provisions of a law or instrument is inclusive (IA s 14)

- (1) In an Act or statutory instrument, a reference to any part of a law or instrument is a reference to the following:
- (a) the provision of the law or instrument that forms the beginning of the part;
 - (b) the provision of the law or instrument that forms the end of the part;
 - (c) any provision of the law or instrument between the beginning and end of the part.

Examples

- 1 A reference to 'sections 5 to 9' includes both section 5 and section 9.
- 2 A reference to 'sections 260 to 264' includes a provision such as a part heading between section 260 and 261.
- 3 A reference to '*from child to adult*' includes both the word 'child' and the word 'adult'.

- (2) In this section:

instrument means an instrument (other than a law) made or in force under a law.

law means—

- (a) an Act, subordinate law or disallowable instrument; or
- (b) a law of the Commonwealth, a State or another Territory.

101B References to paragraphs etc (IA s 12A)

- (1) In an Act or statutory instrument, a reference to a paragraph of a provision of an Act or statutory instrument includes any words in the provision before or after the paragraph that are necessary or desirable to make the reference meaningful.

Example

A section or subsection (or corresponding provisions in regulations) may be divided into paragraphs as follows:

- (2) An application must be—
- (a) in writing; and
 - (b) accompanied by a copy of the advertisement of the applicant’s intention to apply.’

Paragraphs form part of the sentence in which they are contained. A reference to paragraph (a) in this example that did not include the preceding words ‘An application must be’ would be meaningless. Section 101B therefore allows the paragraph to be read with those words so that it makes sense.

Note Although this section contains 2 references to an Act or statutory instrument, s 97 makes it clear that they may be the same Act or statutory instrument.

- (2) In this section:

paragraph includes a subparagraph and a sub-subparagraph.

102 Meaning of references to a law or instrument generally (IA s 54)

- (1) In an Act or statutory instrument, a reference to a law or instrument includes a reference to the following:
- (a) the law or instrument as originally made, and as amended from time to time since it was originally made;
 - (b) if the law or instrument has been repealed and remade (with or without changes) since the reference was made—the law or instrument as remade, and as amended from time to time since it was remade;
 - (c) if a relevant provision of the law or instrument has been omitted and remade (with or without changes) in another law or instrument since the reference was made—the other law or instrument as in force when the provision was remade, and as amended from time to time since the provision was remade.

- (2) In an Act or statutory instrument, a reference to a provision of a law or instrument includes a reference to the following:
- (a) the provision as originally made, and as amended from time to time since it was originally made;
 - (b) if the provision has been omitted and remade (with or without changes and whether in the law or instrument or another law or instrument) since the reference was made—the provision as remade, and as amended from time to time since it was remade.
- (3) This section applies except so far as the contrary intention appears.
- (4) In this section:

instrument means an instrument (other than a law) made or in force under a law.

law means—

- (a) an Act, subordinate law or disallowable instrument; or
- (b) a law of the Commonwealth, a State or another Territory.

make includes enact.

103 References to laws and instruments with amended names (IA s 55)

- (1) If the name of a law or instrument is amended, a reference in an Act or statutory instrument to the name includes a reference to the name as amended.
- (2) In this section:

instrument means an instrument (other than a law) made or in force under a law.

law means—

- (a) an Act, subordinate law or disallowable instrument; or

- (b) a law of the Commonwealth, a State or another Territory.

104 References to laws include references to instruments under laws (IA s 55A)

- (2) In subsection (1), a reference to the statutory instruments made or in force under the Act, instrument or provision includes a reference to any law or instrument (within the meaning of section 47), or provision of a law or instrument (within the meaning of that section), applied, adopted or incorporated (with or without change) under the Act, instrument or provision.

Note Section 47 authorises an Act, subordinate law or disallowable instrument to make provision about a matter by applying, adopting or incorporating a law or instrument (as defined in that section) or a provision of a law or instrument.

- (3) In an Act or statutory instrument a reference (either generally or specifically) to an Act, ordinance or statutory instrument of another jurisdiction, or to a provision of an Act, ordinance or statutory instrument of another jurisdiction, includes a reference to the statutory instruments made or in force under the Act, ordinance, instrument or provision.
- (4) In subsection (3):

another jurisdiction means the Commonwealth, a State or another Territory.

statutory instrument means an instrument (whether of a legislative or administrative nature) made or in force under the Act, ordinance or statutory instrument concerned.

105 References in statutory instruments to *the Act* (IA s 55B)

- (1) In a statutory instrument, a reference to *Act* or *the Act*, without mentioning a particular Act, is a reference to the Act under which the instrument is made or in force.
- (2) This section applies except so far as the contrary intention appears.

106 References to repealed laws (IA s 55C)

- (1) If an Act or statutory instrument refers to a law as repealed, the reference is a reference to the law as in force immediately before it was repealed.

118 Reference to editorial amendments (LRA s 17)

If a law is amended under this part in preparing an authorised republication of the law, the republication must indicate that fact in a suitable place.

Chapter 12 **Scope of Acts and statutory instruments**

120 Act to be interpreted not to exceed legislative powers of Assembly (IA s 11AA)

- (1) An Act is to be interpreted as operating to the full extent of, but not to exceed, the legislative power of the Legislative Assembly.
- (2) Without limiting subsection (1), if a provision of an Act would, apart from this section, be interpreted as exceeding the legislative power of the Legislative Assembly—
 - (a) the provision is valid to the extent to which it does not exceed power; and
 - (b) the remainder of the Act is not affected.
- (3) Without limiting subsection (1), if the application of a provision of an Act to a matter would, apart from this section, be interpreted as exceeding power, the provision's application to other matters is not affected.
- (4) This section is in addition to any provision of the Act itself.

Note For the equivalent provision for statutory instruments, see s 43.

122 Application to Territory (IA s 23A)

- (1) In an Act or statutory instrument, except so far as the contrary intention appears—
 - (a) a reference to an entity or position by name or description is a reference to the entity or position of that name or description in or for the Territory; and

- (2) If the name of an entity or position established under an Act or statutory instrument includes the words ‘of the Australian Capital Territory’, ‘for the Australian Capital Territory’, ‘(ACT)’, or words having a similar effect, a reference in an Act or statutory instrument to the entity or position need not include the words.

Chapter 13 Structure of Acts and statutory instruments

Part 13.1 General

125 Meaning of *law* in ch 13

In this chapter:

law means an Act, subordinate law or disallowable instrument, and includes a provision of a law.

126 Material that is part of an Act or statutory instrument (IA s 11H)

- (1) A heading to a chapter, part, division, subdivision, schedule, or another provision (other than a section or subsection), of or to an Act or statutory instrument is part of the Act or instrument.
- (2) A heading to a section or subsection of an Act or statutory instrument is part of the Act or instrument if—
 - (a) the Act was enacted, or the instrument was made, after 1 January 2000; or
 - (b) the heading was amended or inserted into another Act or instrument after 1 January 2000.
- (3) An example or diagram in an Act or statutory instrument is part of the Act or instrument.

- (5) Punctuation in an Act or statutory instrument is part of the Act or instrument.

- (6) A provision number in an Act or statutory instrument is part of the Act or instrument.
- (7) In applying this section to a statutory instrument or to a provision of a schedule to an Act, a reference to a section or subsection is a reference to a corresponding provision of the instrument or schedule.

127 Material that is not part of an Act or statutory instrument
(IA s 12)

- (1) A footnote, endnote, or other note, in or to an Act or statutory instrument is not part of the Act or instrument.

- (3) A heading to a section or subsection of an Act or statutory instrument is not part of the Act or instrument if section 126 (2) (Material that is part of an Act or statutory instrument) does not apply to the heading.
- (4) This section does not prevent the amendment of a note, table, guide, index or heading mentioned in subsection (1), (2) or (3).
- (5) However, such a note, table, guide or index does not become part of the Act or statutory instrument because it is amended or inserted by an Act or instrument.
- (6) In applying this section to a statutory instrument or to a provision of a schedule to an Act, a reference to a section or subsection is a reference to a corresponding provision of the instrument or schedule.

Part 13.2 Particular kinds of provisions

130 What is a definition? (IA dictionary, *definition*)

A *definition* is a provision (however expressed) of an Act or statutory instrument that—

- (a) gives a meaning to a word or expression; or
- (b) limits or extends the meaning of a word or expression.

Examples of definitions

- 1 *X* means *Y*.
- 2 *X* includes *Y*.
- 3 *X* means *Y*, and includes *Z*.
- 4 A reference to *X* is a reference to *Y*.
- 5 *X*—see section *Y*.
- 6 *X*—see the *XYZ Act 1999*, section *Y*.
- 7 In a proceeding against a person (the *retailer*), it is a defence if the retailer establishes that the goods were bought honestly.
- 8 *excluded*—a claim is *excluded* if the claim is not brought within 1 year after the claimant becomes aware of the failure to account to which the claim relates.
- 9 Words and expressions used in the *XYZ Act 1999* have the same respective meanings in this Act.

Note 1 Examples 5 and 6 illustrate signpost definitions, that is, definitions that do not themselves define the word or expression but point the reader to the place where the word or expression is defined (see s 131).

Note 2 Example 7 illustrates a tagged-term definition (*retailer*) that takes its meaning from the context of the provision where the defined term is found.

Note 3 Example 8 illustrates a definition that does not begin with the defined term.

Note 4 For other provisions about definitions, see pt 15.2.

131 Signpost definitions (IA, dict, def of see)

- (1) In an Act or statutory instrument, a definition of a word or expression that includes the word ‘see’ followed by a reference to a law or instrument means the word or expression has the same meaning as it has in the law or instrument, as in force from time to time.

Examples

- 1 A signpost definition ‘*food*—see section 10.’ in the dictionary to an Act means that the word ‘food’ when used in the Act, has the same meaning as it has in section 10, as in force from time to time.
- 2 A signpost definition ‘*injury*—see the *XYZ Act 2001*, dictionary’ in the dictionary to another Act means that the word ‘injury’, when used in the other Act, has the same meaning as it has in the definition of *injury*, in the *XYZ Act 2001*, dictionary, as in force from time to time.

- (2) In this section:

instrument includes a provision of an instrument.

law includes a law, or a provision of a law, of the Commonwealth, a State or another Territory.

Note For other provisions about definitions, see pt 15.2.

132 Examples (IA s 11D)

- (1) An example in an Act or statutory instrument—
- (a) is not exhaustive; and
 - (b) may extend, but does not limit, the meaning of the Act or instrument, or the particular provision to which it relates.

Examples

- 1 A specific case (which may be fictional) that helps to give meaning to the more abstract language of a provision. See the examples in section 43 (3).
- 2 An example (which may be fictional) that clarifies the scope of a provision by illustrating cases that fall within the provision or cases that fall outside the provision, or both. See the examples in section 86 (1).

Note These examples may overlap.

- (2) An example may take either of the following forms:
- (a) a statement at the end of the provision it illustrates (or at the end of a provision containing the provision it illustrates);
 - (b) a statement forming part of the text of a provision that illustrates the operation of the provision, whether or not the words ‘for example’ are used.

Examples for par (a)

The examples in section 130 or subsection (1) above.

Example for par (b)

The statement beginning ‘for example’ in section 36 (1) (a).

- (3) Subsection (2) does not limit the form that an example may take.
- (4) This section applies to an example in an Act or statutory instrument unless the Act or instrument expressly provides that this section does not apply.

133 Penalty units (IA s 33AA)

- (1) In a law, if a penalty for an offence is expressed as a number (whether whole or fractional) of penalty units—
- (a) the penalty is a fine of that number of penalty units; and
 - (b) the value of the penalty unit for the offence is—
 - (i) if the person charged is an individual—\$100; or
 - (ii) if the person charged is a corporation—\$500.

Example

‘Maximum penalty: 10 penalty units.’ means that a person who is convicted of the relevant offence is liable to a maximum fine of 10 penalty units.

- If the person is an individual, the maximum fine is, therefore, \$1 000 (\$100x10).

- If the person is a corporation, the maximum fine is, therefore, \$5 000 (\$500x10).

Note Paragraph (b) is subject to s 273 (Transitional provisions about penalties).

- (2) This section applies to a penalty in a law unless the law expressly provides that this section does not apply.

134 Penalties at end of sections and subsections (IA s 32A)

- (1) This section applies if a penalty (however expressed) is stated in a law—
- (a) at the end of a section (whether or not the section is divided into subsections) and not expressed in a way that indicates that it applies only to a provision of the section; or
 - (b) at the end of a subsection (but not at the end of a section) and not expressed in a way that indicates that it applies only to a provision of the subsection; or
 - (c) at the end of a section or subsection and expressed in a way that indicates that it applies only to a provision of the section or subsection (the *relevant provision*).

Example for par (a)

The following penalty at the end of a section:

‘Maximum penalty: 20 penalty units.’.

Example for par (b)

The following penalty at the end of a subsection, but not at the end of a section:

‘Maximum penalty: 20 penalty units.’.

Examples for par (c)

1 The following penalty at the end of a section divided into subsections:

‘Maximum penalty (subsection (3)): 20 penalty units.’.

2 The following penalty at the end of a subsection, but not at the end of a section:

‘Maximum penalty:

- (a) for paragraph (b)—20 penalty units; or

(b) for another paragraph—50 penalty units, imprisonment for 6 months or both.’

- (2) If an offence is not expressly mentioned in the section, subsection or relevant provision, the penalty indicates that contravention of the section, subsection or relevant provision is an offence punishable on conviction as provided by subsection (4).

Example of a penalty applying to entire section or subsection

A person must not contravene a notice.

Maximum penalty: 20 penalty units.

Example of a penalty applying to a stated provision

(2) The register of transactions—

(a) may be kept in electronic form; and

(b) must contain the particulars mentioned in section 91C.

Maximum penalty (paragraph (b)): 20 penalty units.

- (3) If an offence is expressly mentioned in the section, subsection or relevant provision, the penalty indicates that the offence is punishable on conviction as provided by subsection (4).

Example of a penalty applying to entire section or subsection

A person who contravenes a notice commits an offence.

Maximum penalty: 20 penalty units.

Example of a penalty applying to a stated provision

(2) If a person retains possession of the person’s identity card after ceasing to be an officer—

(a) the person commits an offence; and

(b) the identity card is forfeited to the Territory.

Maximum penalty (paragraph (a)): 20 penalty units.

- (4) The penalty that may be imposed for the offence is—
- (a) if only a single penalty is stated (whether as a maximum penalty or a penalty)—not more than the stated penalty; or
- (b) if a minimum as well as a maximum penalty is stated—not less than the minimum and not more than the maximum.

- (5) If—
- (a) a penalty (however expressed) is stated in a law at the end of a section divided into subsections; and
 - (b) another penalty (however expressed) is stated at the end of another subsection of the section; and
 - (c) the first penalty is not expressed in a way that indicates that it applies only to a particular provision of the last subsection;

the first penalty is taken, for this section, to be expressed in a way that indicates that it applies only to the last subsection.

Example

In the following example, subsection (4) is the last subsection and the penalty stated at the end applies only to that subsection:

‘(2) A permit holder must record all transactions under this Act.

Maximum penalty: 20 penalty units.

(3) If a permit holder is convicted of an offence against subsection (2), the registrar must cancel the permit.

(4) A permit holder must not sell a declared substance in contravention of this Act.

Maximum penalty: 100 penalty units, imprisonment for 1 year or both.’

- (6) In working out for this section whether a penalty is at the end of a section or subsection, the position of any example or note is to be disregarded.
- (7) In applying this section to a subordinate law or disallowable instrument or to a provision of a schedule to an Act, a reference to a section or subsection is a reference to a corresponding provision of the law, instrument or schedule.

135 Penalties not at end of sections and subsections (IA s 33)

- (1) This section applies if a penalty (however expressed) is stated in a provision of a law other than at the end of a section or subsection.

- (2) If an offence is expressly mentioned in the provision, the penalty indicates that the offence is punishable on conviction as provided by subsection (4).

Example

A person who contravenes subsection (3) commits an offence punishable by a fine not exceeding 20 penalty units.

- (3) If an offence is not expressly mentioned in the provision, the penalty indicates that contravention of the provision (or a stated part of the provision) is an offence punishable on conviction as provided by subsection (4).

Example

A person who contravenes subsection (3) must pay a fine not exceeding 20 penalty units.

- (4) The penalty that may be imposed for the offence is—
- (a) if only a single penalty is stated (whether as a maximum penalty or a penalty)—not more than the stated penalty; or
 - (b) if a minimum as well as a maximum penalty is stated—not less than the minimum and not more than the maximum.
- (5) In working out for this section whether a penalty is at the end of a section or subsection, the position of any example or note is to be disregarded.
- (6) In applying this section to a subordinate law or disallowable instrument or to a provision of a schedule to an Act, a reference to a section or subsection is a reference to a corresponding provision of the law, instrument or schedule.

136 Indictable and summary offences (IA s 33D and 33E)

- (1) An offence is an *indictable offence* if—
- (a) it is punishable by imprisonment for longer than 1 year; or
 - (b) it is declared by a law to be an indictable offence.

- (2) Any other offence is a *summary offence* and is punishable on summary conviction.

Chapter 15 Aids to interpretation

Note for ch 15 See also *Interpretation Act 1967*, s 7, s 11A and s 11B.

Part 15.1 General

144 Meaning of commonly-used words and expressions (IA s 11F (1))

A definition in the dictionary, part 1 applies to all Acts and statutory instruments.

Note See s 130 for the definition of *definition* and s 131 for provisions about signpost definitions.

145 Gender and number (IA s 19)

In an Act or statutory instrument, except so far as the contrary intention appears—

- (a) words indicating a gender include every other gender; and
- (b) words in the singular number include the plural and words in the plural number include the singular.

146 Meaning of *may* and *must* (IA s 16)

- (1) In an Act or statutory instrument, the word *may*, or a similar word or expression, used in relation to a function indicates that the function may be exercised or not exercised, at discretion.

Note *Function* is defined in the dict, pt 1 to include authority, duty and power.

- (2) In an Act or statutory instrument, the word *must*, or a similar word or expression, used in relation to a function indicates that the function is required to be exercised.

- (3) This section applies to an applicable law or applicable provision despite any presumption or rule of interpretation.
- (4) However, this section does not apply to an applicable law or applicable provision if the applicable law, or the law containing the applicable provision, expressly provides that this section does not apply.
- (5) This section applies to any other Act, statutory instrument, or provision of an Act or statutory instrument, except so far as the contrary intention appears.
- (6) In this section:

applicable law means an Act enacted, or a subordinate law or disallowable instrument made, after 1 January 2000.

applicable provision means a provision inserted after 1 January 2000 into an Act, or a subordinate law or disallowable instrument, that is not an applicable law.

147 Changes of drafting practice not to affect meaning (IA s 11C)

- (1) The purpose of this section is to encourage the making of progressive improvements in the form of the statute book without inadvertently changing the substantive effect of the law.

Note See also s 96 (Relocated provisions).

- (2) This is to be achieved particularly by updating the language and structure of Acts and statutory instruments to replace older forms of legislative expression with forms reflecting current legislative drafting practice.
- (3) If an Act or statutory instrument is amended so that it contains an older form of legislative expression in one provision and a newer form in another, the ideas in the 2 provisions must not be regarded as different only because different words are used or the provisions are structured in different ways.

- (4) Subsection (3) also applies if the provisions are in different Acts or statutory instruments.
- (5) Also, if an Act or statutory instrument is amended so that a provision containing an older form of legislative expression is replaced (whether or not in the same position) by a provision in a newer form, the ideas in the 2 provisions must not be regarded as different only because different words are used or the provisions are structured in different ways.
- (6) In deciding whether the ideas are different, regard must be had to the context and history of the 2 provisions.
- (7) Subsection (6) does not limit the matters to which regard may be had.

148 Terms used in instruments have same meanings as in authorising laws (IA s 11BA)

Except so far as the contrary intention appears, words and expressions used in a statutory instrument have the same meanings as they have, from time to time, in the Act or statutory instrument (the *authorising law*), or the relevant provisions of the authorising law, under which the instrument is made or in force.

149 Age in years (IA s 13D)

For an Act or statutory instrument, a person is an age in years at the beginning of the person's birthday for the age, except so far as the contrary intention appears.

150 Measurement of distance (IA s 35)

In applying an Act or statutory instrument, distance is to be measured in a straight line on a horizontal plane, except so far as the contrary intention appears.

Part 15.2 Definitions

Note to pt 15.2 See also s 130 (What is a definition?), s 131 (Signpost definitions) and s 148 (Terms used in instruments have same meanings as in authorising laws).

155 Definitions apply subject to contrary intention (IA s 11G)

A definition in an Act or statutory instrument applies except so far as the contrary intention appears.

156 Application of definitions in dictionaries and sections (IA s 11F (2))

- (1) A definition in the dictionary to an Act or statutory instrument applies to the entire Act or instrument unless the Act or instrument provides for the definition to have a more limited application.

Examples

- 1 The dictionary to the *ABC Act 1999* includes the signpost definition ‘*x*—see the *XYZ Act 1998*, section 3.’. There is nothing in the *ABC Act 1999* indicating the intended application of the definition of *x*. The definition of *x* in the *XYZ Act 1998*, section 3, therefore, applies to the entire *ABC Act 1999*.
- 2 In an Act, the word *z* is defined in the dictionary. The definition provides, in part, that ‘*z*, in part 4 (Registration of vehicles), means ...’. The definition of *z* applies only to part 4.

Note See s 144 (Meaning of commonly-used words and expressions) for the application of the definitions in the dict, pt 1 to this Act.

 - 3 In an Act, the word **b** is defined in a section, which is not divided into subsections but contains a number of definitions. The section begins with the words ‘In this Act:’. The definition of **b** applies to the entire Act.
- (3) A definition in a section of an Act or statutory instrument applies to the entire section unless the Act or instrument provides for the definition to have a more limited application.

Example

In a subsection of a section of an Act, the word **c** is defined. The subsection begins with the words ‘In subsection (3):’. The definition of **c** applies only to subsection (3) of that section.

- (4) In applying this section to a statutory instrument or to a provision of a schedule to an Act, a reference to a section is a reference to a corresponding provision of the instrument or schedule.

‘Maximum penalty: 2,000 penalty units, imprisonment for 1 year or both.’

The provision can apply to a corporation.

- (3) If a corporation is convicted of an offence and, apart from this subsection, the penalty for the offence is a period of imprisonment only, the court may impose a maximum penalty of—

- (4) If an Act or statutory instrument mentions a Minister and identifies the Minister by reference to the fact that the Minister administers a stated Act, statutory instrument or provision, subsection (2) applies as if references in paragraphs (a) to (c) to the provision were references to the stated Act, instrument or provision.

Note See also s 211 (Appointment not affected by appointer changes), s 224 (Acting appointment not affected by appointer changes), and s 241 (Delegation not affected by appointer changes).

- (3) Subsection (2) does not prevent the thing done by the person being ended or changed by any person subsequently occupying the position for the time being.

Part 18.3 Appointments

Division 18.3.1 Appointments—other than acting appointments

205 Application of div 18.3.1 (IA s 28 (1))

- (1) This division applies if a law authorises or requires an entity (the *appointer*) to appoint a person—
 - (a) to a position under a law; or
 - (b) to exercise a function or do anything else under a law.

Note **Function** is defined in the dict, pt 1 to include authority, duty and power.

206 Appointment must be in writing etc (IA s 28 (7))

An appointment must be made, or evidenced, by writing signed by the appointer.

207 Appointment may be by name or position (IA s 28 (2))

- (1) The appointer may make an appointment by—
 - (a) naming the person appointed; or
 - (b) nominating the occupant of a position (however described), at a particular time or from time to time.

208 Power of appointment includes power to suspend etc
(IA s 28 (3) to (5))

- (1) The appointer's power to make the appointment includes the power—
 - (a) to suspend the appointee, and end the suspension; or
 - (b) to end the appointment, and appoint someone else or reappoint the appointee if the appointee is eligible to be appointed to the position; or
 - (c) to reappoint the appointee if the appointee is eligible to be appointed to the position.
- (2) The power to suspend the appointee, or end the appointment, is exercisable in the same way, and subject to the same conditions, as the power to make the appointment.

- (1) If the appointer's power is the power to make an appointment to a position, the power to make the appointment also includes power to appoint a person, or 2 or more people, to act in the position—
 - (a) during any vacancy, or all vacancies, in the position, whether or not an appointment has previously been made to the position; or

Note **Function** is defined in the dict, pt 1 to include authority, duty and power.

(2) The power to appoint a person to act is exercisable in the same way, and subject to the same conditions, as the power to make the appointment.

Example

If the appointment power is exercisable only on the recommendation of a body, the power to appoint a person to act is exercisable only on the recommendation of the body.

(3) Without limiting subsection (2), if the law (or another law) requires—

- (a) the appointee to hold a qualification; or
- (b) the appointer (or someone else) to be satisfied about the appointee's suitability (whether in terms of knowledge, experience, character or any other personal quality) before appointing the appointee to the position;

a person may only be appointed to act in the position if the person holds the qualification or the appointer (or other person) is satisfied about the person's suitability.

Examples

- 1 If an Act requires the appointee to be a magistrate, a person can be appointed to act in the position only if the person is a magistrate.
- 2 If a regulation requires the appointee to be a lawyer of at least 5 years standing, a person can be appointed to act in the position only if the person is a lawyer of at least 5 years standing.
- 3 If an Act requires the appointee to have, in the Executive's opinion, appropriate expertise, training or experience in relation to the needs of a particular group of people, a person can be appointed to act in the position only if the person has, in the Executive's opinion, that expertise, training or experience.

210 Resignation of appointment (IA s 28 (8), (9))

- (1) An appointment ends if the appointee resigns by signed notice of resignation given to the appointer.
- (2) However, if the appointer is the Executive, the notice of resignation may be given to a Minister.

211 Appointment not affected by appointer changes

- (1) If the appointer is a body, an appointment made by the body does not end only because the membership of the body changes.
- (2) If the appointer is the person for the time being occupying a position, an appointment made by the person does not end only because the person ceases to be the occupant of the position.
- (3) This section does not limit the following sections:
 - section 199 (Functions of bodies)
 - section 200 (Functions of occupants of positions).

212 Appointment not affected by defect etc (IA s 28 (10))

An appointment, or anything done under an appointment, is not invalid only because of a defect or irregularity in or in relation to the appointment.

Division 18.3.2 Acting appointments

215 Application of div 18.3.2 (IA s 28A (1))

- (1) This division applies if a law gives an entity (the *appointer*) power to appoint a person to act in a position under a law.

Note A power to make an appointment includes power to make an acting appointment (see s 209).

- (2) This division applies to a law except so far as the contrary intention appears.

216 Acting appointment must be in writing etc (IA s 28 (7), (11))

An acting appointment must be made, or evidenced, by writing signed by the appointer.

217 Acting appointment may be made by name or position

- (1) The appointer may make an acting appointment by—
 - (a) naming the person appointed; or
 - (b) nominating the occupant of a position (however described), at a particular time or from time to time.
- (2) For this division, the person named, or the occupant of the position nominated, is the *appointee*.

218 Instrument may provide when acting appointment has effect etc (IA s 28A (2))

The instrument making or evidencing the acting appointment may provide that the appointment has effect only in stated circumstances or subject to stated conditions or limitations.

Examples

- 1 The instrument relating to a standing (or dormant) acting appointment for a position provides that when the substantive occupant of the position (Y) is overseas X may act in the position, but may exercise stated powers of the position only with Y's approval.
- 2 X is appointed to act in Y's position if Y is out of the ACT and a declaration of acute fire danger is published under the *ABC Act 2000*.

219 Appointer may decide terms of acting appointment etc (IA s 28A (3))

- (1) The appointer may—
 - (a) decide the terms of the acting appointment, including any remuneration and allowances; and

- (b) end the appointment at any time.

Note See also s 221 (How long does an acting appointment operate?)

- (2) The power to end the acting appointment is exercisable in the same way, and subject to the same conditions, as the power to make the acting appointment.

Example

If the power to make the acting appointment is exercisable only on the recommendation of a body, the power to end the appointment is exercisable only on the recommendation of the body.

220 Appointee may exercise functions under acting appointment etc (IA s 28A (8))

While the appointee is acting in the position—

- (a) the appointee has, subject to the instrument making or evidencing the appointment, all the functions of the occupant of the position; and
- (b) all Territory laws apply in relation to the appointee as if the appointee were the occupant of the position.

Note **Function** is defined in the dict, pt 1 to include authority, duty and power.

221 How long does an acting appointment operate? (IA s 28A (4) to (6))

- (1) If the appointee acts in the position because it is vacant, the appointee may not act for more than 1 year after the position became vacant.

Note See also s 219 (Appointer may decide terms of acting appointment etc)

- (2) If the appointee is acting in a position that becomes vacant while the appointee is acting, the appointee may continue to act until the first of the following happens:
- (a) the appointer ends the appointment;

- (b) the vacancy is filled;
 - (c) 1 year after the position became vacant.
- (3) If the appointee acts in the position because the occupant of the position cannot exercise functions and the occupant resumes the exercise of the functions, the appointment no longer authorises the appointee to act on that occasion.

Note **Function** is defined in the dict, pt 1 to include authority, duty and power.

222 Resignation of acting appointment (IA s 28 (8) to (11))

- (1) An acting appointment ends if the appointee resigns by signed notice of resignation given to the appointer.
- (2) However, if the appointer is the Executive, the notice of resignation may be given to a Minister.

223 Effect of acting appointment on substantive appointment etc (IA s 28A (7))

- (1) If the appointee is the occupant of another position under a law (the **substantive position**), the appointee does not cease to occupy the substantive position only because of the appointee's appointment or because the appointee acts under the appointment.
- (2) This section does not prevent an acting appointment being made to the substantive position.

224 Acting appointment not affected by appointer changes

- (1) If the appointer is a body, an acting appointment made by the body does not end only because the membership of the body changes.
- (2) If the appointer is the person for the time being occupying a position, an acting appointment made by the person does not end only because the person ceases to be the occupant of the position.
- (3) This section does not limit the following sections:

- section 199 (Functions of bodies)
- section 200 (Functions of occupants of positions).

225 Acting appointment not affected by defect etc
(IA s 28 (10), (11), 28A (9))

- (1) An acting appointment, or anything done under an acting appointment, is not invalid only because of a defect or irregularity in or in relation to the appointment.
- (2) Anything done by or in relation to the appointee while the appointee purports to act in the position is not invalid only because—
 - (a) the occasion for the appointment had not arisen or had ended; or
 - (b) the appointment had ended; or
 - (c) the occasion for the appointee to act had not arisen or had ended.

Part 18.4 Delegations

230 Application of pt 18.4 generally

- (1) This part applies if a law authorises or requires an entity (the *appointer*) to delegate (or subdelegate) a function.

Note **Function** is defined in the dict, pt 1 to include authority, duty and power.

- (2) For subsection (1), if a law gives a function to an entity, the law may be taken to authorise the delegation of the function even if the law provides for another way in which the function may be exercised.
- (3) This part applies to a law except so far as the contrary intention appears.

231 Application of pt 18.4 to subdelegations (IA s 30AB)

- (1) This part applies to the subdelegation of a function in the same way as it applies to the delegation of the function.
- (2) However, if a law authorises or requires an entity to delegate a function, the function may be subdelegated by the delegate only if the law (or another law) expressly authorises or requires the function to the subdelegated.

Note Section 231 (2) envisages a law that would allow the appointer (Y) to delegate Y's functions to X with authority for X to further delegate those functions (see, for example, *Public Sector Management Act 1994*, s 36). However, X's authority to subdelegate those functions would not in itself give X the authority to delegate Y's power of delegation. X could only exercise this power if the law also gave this authority. See s 236 which recognises that a law may expressly authorise a person to exercise another's power of delegation.

232 Delegation must be in writing etc

A delegation must be made, or evidenced, by writing signed by the appointer.

233 Delegation may be made by name or position (IA s 29A)

- (1) The appointer may delegate by—
 - (a) naming the person to whom the delegation is made; or
 - (b) nominating the occupant of a position (however described), at a particular time or from time to time.
- (2) For this part, the person named, or the occupant of the position nominated, is the *delegate*.

234 Instrument may provide when delegation has effect etc (IA s 29B (a))

The instrument making or evidencing a delegation may provide—

- (a) that the delegation has effect only in stated circumstances or subject to stated conditions, limitations or directions; or
- (b) that all of the function, or a stated part of the function, is delegated.

Examples

- 1 The delegation provides that, when the appointer (Y) is outside Australia, the delegate (X) may exercise her functions except that stated functions may only be exercised with Y's approval.
- 2 The delegation provides that X may enter into a contract for the purchase of property of not more than \$50 000 in value.
- 3 The delegation provides that X may grant licences under a stated Act but that, in considering applications, X must take account of the policy of the agency (authorised by the Act) that there should not be more than 100 licences current at any time.

235 Delegation may be made to 2 or more delegates

The appointer may delegate the appointer's function, or any part of the function, to 2 or more delegates.

236 Power to delegate may not be delegated (IA s 29B (b))

- (1) The appointer may not delegate the appointer's power to delegate.
- (2) A power to delegate may be delegated by the appointer only if a law expressly authorises or requires the power to the delegated.

Note Section 236 (2) envisages a law that would allow the delegate (X) to exercise the power of delegation of the appointer (Y). However, X's authority to exercise Y's power of delegation would not in itself give X the authority to exercise any of the functions to which Y's power of delegation applies. X could only exercise these functions if the law also gave this authority or Y delegated those functions to X. See s 231 which recognises that the law giving the appointer's power to delegate (or another law) may expressly authorise a subdelegation.

237 Delegation may be amended or revoked

- (1) The appointer may amend a delegation or revoke it in whole or part.
- (2) The power to amend or revoke a delegation is exercisable in the same way, and subject to the same conditions, as the power to delegate.

Example

If the power to delegate is exercisable only with the Minister's approval, the power to revoke the delegation is exercisable only with the Minister's approval.

238 Appointer responsible for delegated function

The delegation of a function, or a part of a function, does not relieve the appointer of the appointer's obligation to ensure that the function is properly exercised.

239 Exercise of delegation by delegate (IA s 29B (c), (e), s 30)

- (1) A delegate must exercise the delegation subject to any conditions, limitations or directions in the instrument making or evidencing the delegation.
- (2) All Territory laws apply to the delegate in the exercise of the delegation as if the delegate were the appointer.
- (3) Without limiting subsection (2), if the exercise of a function by the appointer is dependent on the appointer's opinion, belief or state of mind and the function is delegated, the function may be exercised by the delegate on the delegate's opinion, belief or state of mind.
- (4) Anything done by the delegate in the exercise of the delegation is taken to have been done by the appointer.

Note 1 Section 94 provides that a delegation under a law that is in force immediately before an amendment of the law continues to have effect as if made under the amended law.

Note 2 Section 196 gives a delegate the powers necessary or convenient to exercise a delegated function.

240 Appointer may exercise delegated function (IA s 29B (d))

A function that has been delegated may, despite the delegation, be exercised by the appointer.

241 Delegation not affected by appointer changes (IA s 30AA)

- (1) If the appointer is a body, a delegation made by the body does not end only because the membership of the body changes.
- (2) If the appointer is the person for the time being occupying a position, a delegation made by the person does not end only because the person ceases to be the occupant of the position.
- (3) This section does not limit the following sections:
 - section 199 (Functions of bodies)
 - section 200 (Functions of occupants of positions).

242 Delegation not affected by defect etc

- (1) A delegation, or anything done under a delegation, is not invalid only because of a defect or irregularity in or in relation to the delegation.
- (2) Anything done by or in relation to the delegate while the delegate purports to exercise the delegation is not invalid only because—
 - (a) the delegation had been amended or revoked; or
 - (b) the occasion for the delegate to exercise the delegation had not arisen or had ended.

250 When service taken to be effected (IA s 18)

- (1) A document served by post under this part is taken to be served when the document would have been delivered in the ordinary course of post.
- (2) However, subsection (1) does not affect the operation of the *Evidence Act 1995* (Cwlth), section 160.

Note The *Evidence Act 1995* (Cwlth), s 160 provides a rebuttable presumption that a postal article sent by prepaid post addressed to a person at an address in Australia or an external Territory was received on the 4th working day after posting.

- (3) If the sender has no reason to suspect that a document served by fax or email under this part was not received by the recipient when sent, the document is presumed to be served when sent unless evidence sufficient to raise doubt about the presumption is adduced.
- (4) For subsection (3), the sender has reason to suspect that a document served by fax or email under this part was not received by the

recipient when sent only if, on the day the document was sent or on the next working day, the equipment the sender used to send the document indicated by way of a signal or other message that—

- (a) the equipment did not send the document when the equipment was used to send the document; or
 - (b) for a fax—the number to which the fax was sent to the recipient was not a fax number of the recipient; or
 - (c) for an email—the address to which the email was sent was not an email address of the recipient.
- (5) A document addressed to the recipient, and left for the recipient as mentioned in section 247 (e), 248 (e) or 249 (e), is taken to be served when it was left.
- (6) In this section:

recipient, for a document, means the individual, corporation or agency on whom the document is intended to be served.

sender, for a document served, or to be served, by fax or email, means the person sending, or seeking to send, the document.

- (1) This part does not affect the operation of any other law that authorises or requires service of a document otherwise than as provided under this part.
- (2) Despite this part, a law (or, if the law is an Act, regulations under the Act) may provide—
 - (a) that a document of a particular kind may or must be served (however described) only in a particular way or to a particular address or number; or
 - (b) provide for the date (or date and time) when service (however described) of a document is taken to have been made.

252 Powers of courts and tribunals not affected (IA s 17A (2))
(b))

This part does not affect the power of a court or tribunal to authorise or require service of a document otherwise than as provided under this part.

Part 18.6 Other provisions

255 Forms (IA s 13)

- (1) This section applies if an Act (the *authorising law*) authorises a form to be approved or prescribed under 1 of the following (the *relevant law*):
 - (a) the authorising law; or
 - (b) another Act or statutory instrument.
- (2) The authorising law authorises a form to be approved or prescribed with respect to any matter under or related to the relevant law.
- (3) To remove any doubt, a form may be approved or prescribed for a provision of the relevant law even though the provision does not mention a form.

Example

The X Act, section 23 provides for a person to apply for registration but makes no mention of a form for the application. However, section 80 (1) of the Act provides:

The Minister may, in writing, approve forms for this Act.

Because section 80 (1) permits a form to be approved ‘for this Act’, the *Legislation Act 2001*, section 255 applies in relation to section 23 and the Minister may approve a form for the application.

- (4) Substantial compliance with a form is sufficient.
- (5) However, if a form requires—
 - (a) the form to be signed; or
 - (b) the form to be prepared in a particular way (for example, on paper of a particular size or quality or in a particular electronic form); or
 - (c) the form to be completed in a particular way; or

- (d) particular information to be included in the form, or a particular document to be attached to or given with the form; or
- (e) the form, information in the form, or a document attached to or given with the form, to be verified in a particular way (for example, by statutory declaration);

the form is properly completed only if the requirement is complied with.

- (6) Despite subsection (5), the person need not comply with the requirement mentioned in subsection (5) (d) (and the form is taken to be properly completed despite the noncompliance) if—
 - (a) the form is approved or prescribed for a purpose; and
 - (b) the information or document is not reasonably necessary for the purpose.

Examples

- 1 A person need not comply with a requirement of an approved form to include personal information (eg marital status) irrelevant to a purpose for which the form is required.
- 2 A person need not comply with a requirement of an approved form that has some relevance to a purpose for which the form is required, but intrudes to an unreasonable extent on personal privacy.

- (7) If—
 - (a) a form (*form 1*) may be approved or prescribed for a purpose; and
 - (b) another form (*form 2*) may be approved or prescribed for the same or another purpose; and
 - (c) separate forms 1 and 2 are approved or prescribed;

a combination form, consisting of forms 1 and 2, may be approved or prescribed and used for the purpose or purposes.

- (8) If, under a law, a form is authorised or required to be filed with (however described), or served on (however described), a person, the form may be filed with, or served on, someone else under arrangements made between them.
- (9) This section applies in relation to a law except so far as the contrary intention appears.

256 Production of records kept in computers etc (IA s 13A)

- (1) This section applies if—
 - (a) a person uses an electronic or other device to keep a record of information; and
 - (b) a law requires the person (however the law is expressed) to give the information, or a document containing the information, to an authority.
- (2) The requirement obliges the person to give to the authority a document that accurately reproduces or contains the information in a form that can be understood by the authority.
- (3) In this section:
authority means a court, tribunal or other entity.

1 About the endnotes

Amending and modifying laws are annotated in the legislation history and the amendment history. Current modifications are not included in the republished law but are set out in the endnotes.

Not all editorial amendments made under the *Legislation Act 2001*, part 11.3 are annotated in the amendment history. Full details of any amendments can be obtained from the Parliamentary Counsel's Office.

Uncommenced amending laws are listed in the legislation history and the amendment history. These details are underlined. Uncommenced provisions and amendments are not included in the republished law but are set out in the last endnotes.

If all the provisions of the law have been renumbered, a table of renumbered provisions gives details of previous and current numbering.

The endnotes also include a table of earlier republications.

If the republished law includes penalties, current information about penalty unit values appears on the republication inside front cover.
