Republication date: 1 July 2011

## About this republication

### The republished law

This is a republication of the *Tree Protection Act 2005* (including any amendment made under the *Legislation Act 2001*, part 11.3 (Editorial changes)) as in force on 1 July 2011. It also includes any commencement, amendment, repeal or expiry affecting this republished law to 1 July 2011.

The legislation history and amendment history of the republished law are set out in endnotes 3 and 4.

### Kinds of republications

The Parliamentary Counsel's Office prepares 2 kinds of republications of ACT laws (see the ACT legislation register at [www.legislation.act.gov.au](http://www.legislation.act.gov.au)):

- authorised republications to which the *Legislation Act 2001* applies
- unauthorised republications.

The status of this republication appears on the bottom of each page.

### Editorial changes

The *Legislation Act 2001*, part 11.3 authorises the Parliamentary Counsel to make editorial amendments and other changes of a formal nature when preparing a law for republication. Editorial changes do not change the effect of the law, but have effect as if they had been made by an Act commencing on the republication date (see *Legislation Act 2001*, s 115 and s 117). The changes are made if the Parliamentary Counsel considers they are desirable to bring the law into line, or more closely into line, with current legislative drafting practice.

This republication does not include amendments made under part 11.3 (see endnote 1).

### Uncommenced provisions and amendments

If a provision of the republished law has not commenced, the symbol **U** appears immediately before the provision heading. Any uncommenced amendments that affect this republished law are accessible on the ACT legislation register ([www.legislation.act.gov.au](http://www.legislation.act.gov.au)). For more information, see the home page for this law on the register.

### Modifications

If a provision of the republished law is affected by a current modification, the symbol **M** appears immediately before the provision heading. The text of the modifying provision appears in the endnotes. For the legal status of modifications, see the *Legislation Act 2001*, section 95.

### Penalties

At the republication date, the value of a penalty unit for an offence against this law is \$110 for an individual and \$550 for a corporation (see *Legislation Act 2001*, s 133).

# Tree Protection Act 2005

---

An Act for the protection of trees, and for other purposes

---

## Part 1 Preliminary

### 1 Name of Act

This Act is the *Tree Protection Act 2005*.

### 3 Objects of Act

- (1) The objects of this Act are—
- (a) to protect individual trees in the urban area that have exceptional qualities because of their natural and cultural heritage values or their contribution to the urban landscape; and
  - (b) to protect urban forest values that may be at risk because of unnecessary loss or degradation; and
  - (c) to protect urban forest values that contribute to the heritage significance of an area; and
  - (d) to ensure that trees of value are protected during periods of construction activity; and
  - (e) to promote the incorporation of the value of trees and their protection requirements into the design and planning of development; and
  - (f) to promote a broad appreciation of the role of trees in the urban environment and the benefits of good tree management and sound arboricultural practices.

- (2) In this section:

***urban forest*** means the trees located in the built-up urban area.

***urban forest values*** means the amenity and economic and environmental benefits derived from the urban forest and the associated tree canopy cover.

## 4 Dictionary

The dictionary at the end of this Act is part of this Act.

*Note 1* The dictionary at the end of this Act defines certain terms used in this Act, and includes references (*signpost definitions*) to other terms defined elsewhere.

For example, the signpost definition '*heritage significance*—see the *Heritage Act 2004*, section 10.' means that the term 'heritage significance' is defined in that section and the definition applies to this Act.

*Note 2* A definition in the dictionary (including a signpost definition) applies to the entire Act unless the definition, or another provision of the Act, provides otherwise or the contrary intention otherwise appears (see Legislation Act, s 155 and s 156 (1)).

## 5 Notes

A note included in this Act is explanatory and is not part of this Act.

*Note* See the Legislation Act, s 127 (1), (4) and (5) for the legal status of notes.

## 6 Offences against Act—application of Criminal Code etc

Other legislation applies in relation to offences against this Act.

*Note 1* *Criminal Code*

The Criminal Code, ch 2 applies to all offences against this Act (see Code, pt 2.1).

The chapter sets out the general principles of criminal responsibility (including burdens of proof and general defences), and defines terms used for offences to which the Code applies (eg *conduct*, *intention*, *recklessness* and *strict liability*).

*Note 2* *Penalty units*

The Legislation Act, s 133 deals with the meaning of offence penalties that are expressed in penalty units.

## 7 Application of Act—built-up urban areas

(1) This Act applies to trees on land in built-up urban areas.

**Part 1** Preliminary

Section 7

---

- (2) A ***built-up urban area*** is an area of land declared by the Minister to be a built-up urban area for this Act.
- (3) A declaration is a notifiable instrument.

*Note* A notifiable instrument must be notified under the Legislation Act.

  - (d) has a canopy 12m or more wide.
- (2) However, a tree is not a regulated tree if it is a pest plant under the *Pest Plants and Animals Act 2005*.

## Part 11 Land development applications

### 80 Meaning of *development*—pt 11

In this part:

*development* means a proposed development to which an application for development approval under the *Planning and Development Act 2007*, chapter 7 applies.

### 81 Simplified outline

The following notes provide a simplified outline of this part and the *Planning and Development Act 2007*, chapter 7 (Development approvals):

*Note 1 Conservator to be given copy of development application*

The planning and land authority may be required to give the conservator a copy of each development application for a development proposal in the merit or impact track (see *Planning and Development Act 2007*, s 148). This requirement would not apply to a development application for a development proposal in the code track (see *Planning and Development Act 2007*, s 117 (c)).

*Note 2 Conservator to give advice on application*

The conservator gives advice to the planning and land authority in relation to tree protection and the development (see s 82 and s 83) (see also *Planning and Development Act 2007*, s 149, s 150 and s 151).

*Note 3 Conservator's advice to be considered*

The conservator's advice is to be considered by the planning and land authority (or the Minister) in approving or refusing to approve a development application (see *Planning and Development Act 2007*, s 119 (2), s 120 (d), s 128 (2) and s 129 (e)).

*Note 4 Approvals*

A development approval that is inconsistent with the conservator's advice in relation to a registered tree must not be given. A development approval that is inconsistent with the conservator's advice in relation to a regulated tree may be given only in the circumstances prescribed in the *Planning and Development Act 2007*, s 119 (2) and s 128 (1) (b) (iii).

**82 Advice about tree protection on land subject to development**

    - (i) the protection zone for a protected tree; or
    - (ii) a declared site.
- (2) The conservator may give the planning and land authority written advice in accordance with section 83 about the development.

*Note* If the planning and land authority refers a development application to the conservator under the *Planning and Development Act 2007*, s 148, the conservator must, not later than 15 working days after being given the application, give the planning and land authority its advice in relation to the development application (see *Planning and Development Act 2007*, s 149).

**83 Requirements for conservator's advice about tree protection**

- (1) This section applies if the conservator gives advice—
  - (a) under section 82 in relation to a development; or
  - (b) under the *Planning and Development Act 2007*, section 149 in relation to a development application.

- (2) The advice must include advice about tree protection requirements for each protected tree with a protection zone on, or partly on, the land subject to the development.
- (3) Without limiting subsection (2), the advice may—
  - (a) include information about the trees on the land; and
  - (b) set out the changes (if any) the conservator considers should be made to any tree management plan or proposed tree management plan that relates to the development application, having regard to—
    - (i) the guidelines approved under section 31; and
