A2006-51

Republication No 3

Effective: 1 November 2025

Republication date: 1 November 2025

Last amendment made by [A2025-22](#)

About this republication

The republished law

This is a republication of the *Medical Treatment (Health Directions) Act 2006* (including any amendment made under the *Legislation Act 2001*, part 11.3 (Editorial changes)) as in force on 1 November 2025. It also includes any commencement, amendment, repeal or expiry affecting this republished law to 1 November 2025.

The legislation history and amendment history of the republished law are set out in endnotes 3 and 4.

Kinds of republications

The Parliamentary Counsel's Office prepares 2 kinds of republications of ACT laws (see the ACT legislation register at www.legislation.act.gov.au):

- authorised republications to which the *Legislation Act 2001* applies
- unauthorised republications.

The status of this republication appears on the bottom of each page.

Editorial changes

The *Legislation Act 2001*, part 11.3 authorises the Parliamentary Counsel to make editorial amendments and other changes of a formal nature when preparing a law for republication. Editorial changes do not change the effect of the law, but have effect as if they had been made by an Act commencing on the republication date (see *Legislation Act 2001*, s 115 and s 117). The changes are made if the Parliamentary Counsel considers they are desirable to bring the law into line, or more closely into line, with current legislative drafting practice.

This republication includes amendments made under part 11.3 (see endnote 1).

Uncommenced provisions and amendments

If a provision of the republished law has not commenced, the symbol **U** appears immediately before the provision heading. Any uncommenced amendments that affect this republished law are accessible on the ACT legislation register (www.legislation.act.gov.au). For more information, see the home page for this law on the register.

Modifications

If a provision of the republished law is affected by a current modification, the symbol **M** appears immediately before the provision heading. The text of the modifying provision appears in the endnotes. For the legal status of modifications, see the *Legislation Act 2001*, section 95.

Penalties

At the republication date, the value of a penalty unit for an offence against this law is \$160 for an individual and \$810 for a corporation (see *Legislation Act 2001*, s 133).

Part 1 Preliminary

1 Name of Act

This Act is the *Medical Treatment (Health Directions) Act 2006*.

3 Dictionary

The dictionary at the end of this Act is part of this Act.

Note 1 The dictionary at the end of this Act defines certain terms used in this Act, and includes references (*signpost definitions*) to other terms defined elsewhere.

For example, the signpost definition ‘*decision-making capacity*—see the *Powers of Attorney Act 2006*, section 9 (1).’ means that the term ‘decision-making capacity’ is defined in that section and the definition applies to this Act.

Note 2 A definition in the dictionary (including a signpost definition) applies to the entire Act unless the definition, or another provision of the Act, provides otherwise or the contrary intention otherwise appears (see [Legislation Act](#), s 155 and s 156 (1)).

4 Notes

A note included in this Act is explanatory and is not part of this Act.

Note See the [Legislation Act](#), s 127 (1), (4) and (5) for the legal status of notes.

5 Objectives of Act

The objectives of this Act are—

- (a) to protect the right of patients to refuse unwanted medical treatment; and
- (b) to ensure the right of patients to receive relief from pain and suffering to the maximum extent that is reasonable in the circumstances.

6 Other legal rights not affected

- (1) This Act does not affect any right of a person under any other territory law to refuse medical treatment.
- (2) This Act does not apply to palliative care and does not affect any right, power or duty that a health professional or anyone else has in relation to palliative care.
- (3) The refusal or withdrawal of medical treatment under this Act does not limit any duty of a health professional or anyone else—
 - (a) to advise and inform the patient or the patient's agent or guardian; or
 - (b) to provide medical treatment other than the medical treatment that has been refused or withdrawn.

9 Requirements for non-written health directions

- (1) A health direction (other than a written direction) is not valid unless it is witnessed by 2 health professionals (1 of whom is a doctor) present at the same time.
- (2) Subsection (1) is subject to section 6 (Other legal rights not affected) and section 11 (People with decision-making capacity to be informed of alternatives etc).

10 Revocation of health directions

- (1) A health direction to refuse, or for the withdrawal of, medical treatment may be revoked by the person who gave the direction clearly expressing to a health professional or someone else a decision to revoke the direction.
- (2) For subsection (1), a person may clearly express or indicate a decision in writing, orally or in any other way.

- (b) if it is not possible to get a copy of the health direction or revocation—a note about the direction or revocation is placed with the patient's file.
