About this republication

The republished law

This is a republication of the *Election Commitments Costing Act 2012* (including any amendment made under the *Legislation Act 2001*, part 11.3 (Editorial changes)) as in force on 1 January 2018. It also includes any commencement, amendment, repeal or expiry affecting this republished law to 1 January 2018.

The legislation history and amendment history of the republished law are set out in endnotes 3 and 4.

Kinds of republications

The Parliamentary Counsel's Office prepares 2 kinds of republications of ACT laws (see the ACT legislation register at www.legislation.act.gov.au):

- authorised republications to which the *Legislation Act 2001* applies
- unauthorised republications.

The status of this republication appears on the bottom of each page.

Editorial changes

The *Legislation Act 2001*, part 11.3 authorises the Parliamentary Counsel to make editorial amendments and other changes of a formal nature when preparing a law for republication. Editorial changes do not change the effect of the law, but have effect as if they had been made by an Act commencing on the republication date (see *Legislation Act 2001*, s 115 and s 117). The changes are made if the Parliamentary Counsel considers they are desirable to bring the law into line, or more closely into line, with current legislative drafting practice.

This republication does not include amendments made under part 11.3 (see endnote 1).

Uncommenced provisions and amendments

If a provision of the republished law has not commenced, the symbol **U** appears immediately before the provision heading. Any uncommenced amendments that affect this republished law are accessible on the ACT legislation register (www.legislation.act.gov.au). For more information, see the home page for this law on the register.

Modifications

If a provision of the republished law is affected by a current modification, the symbol **M** appears immediately before the provision heading. The text of the modifying provision appears in the endnotes. For the legal status of modifications, see the *Legislation Act 2001*, section 95.

Penalties

At the republication date, the value of a penalty unit for an offence against this law is \$150 for an individual and \$750 for a corporation (see *Legislation Act 2001*, s 133).

Election Commitments Costing Act 2012

An Act to enable costing of election commitments

Part 1 Preliminary

1 Name of Act

This Act is the *Election Commitments Costing Act 2012*.

3 Dictionary

The dictionary at the end of this Act is part of this Act.

Note 1 The dictionary at the end of this Act defines certain terms used in this Act, and includes references (*signpost definitions*) to other terms defined elsewhere.

For example, the signpost definition ‘*polling day*—see the *Electoral Act 1992*, dictionary.’ means that the term ‘polling day’ is defined in that dictionary and the definition applies to this Act.

Note 2 A definition in the dictionary (including a signpost definition) applies to the entire Act unless the definition, or another provision of the Act, provides otherwise or the contrary intention otherwise appears (see *Legislation Act*, s 155 and s 156 (1)).

4 Notes

A note included in this Act is explanatory and is not part of this Act.

Note See the *Legislation Act*, s 127 (1), (4) and (5) for the legal status of notes.

Part 2 Costing of election commitments

5 Requests to cost election commitments

- (1) Before polling day in a costing period for an election of the Legislative Assembly—
 - (a) the leader of a registered party in the Legislative Assembly with 1 or more MLAs may ask the director-general to cost a publicly announced election commitment of the party; or
 - (b) an MLA who is not a member of a registered party may ask the director-general to cost a publicly announced election commitment of the MLA.

Example—publicly announced

media release or policy statement published on a party website

Note An example is part of the Act, is not exhaustive and may extend, but does not limit, the meaning of the provision in which it appears (see [Legislation Act](#), s 126 and s 132).

- (2) On or after polling day in a costing period for an election of the Legislative Assembly, the leader of a registered party with 1 or more MLAs before polling day, or another person nominated by the party, may ask the director-general to cost a publicly announced election commitment of the party.
- (3) A costing request must—
 - (a) be in writing; and
 - (b) include—
 - (i) a detailed explanation of the election commitment, including its purpose; and
 - (ii) any other information relevant to costing the election commitment.

Example—par (ii)

assumptions to be used when costing the election commitment

 - (a) as soon as practicable after receiving the costing request; and
 - (b) before the end of the costing period.
- (3) However, before making a costing publicly available, the director-general must give a copy of the costing to the person who made the costing request.

- (4) Also, if the director-general does not have adequate information or enough time to cost an election commitment and make the costing publicly available before the end of the costing period, the director-general must, before the end of the costing period, make publicly available a notice stating—
 - (a) that the election commitment cannot be costed before the end of the costing period; and
 - (b) the reason why.
- (5) A costing request made on or after polling day that has not been costed and made publicly available before the end of the costing period is taken to be withdrawn at the end of the costing period.
