9                                    **of Access Canberra**

10 **37A**                    **Exercise of certain functions by head of Access Canberra**

- 11            (1) The Chief Minister may declare that a function given to a  
12            director-general under a territory law dealing with a relevant matter  
13            may be exercised by the head of Access Canberra (a *declared*  
14            *function*).

15            *Note 1*    *Function* includes authority, duty and power (see [Legislation Act](#), dict,  
16            pt 1).

17            *Note 2*    A provision of a law that gives an entity (including a person) a function  
18            also gives the entity powers necessary and convenient to exercise the  
19            function (see [Legislation Act](#), s 196 and dict, pt 1, def *entity*).

- 20            (2) A declaration is a notifiable instrument.

21            *Note*        A notifiable instrument must be notified under the [Legislation Act](#).

- 22            (3) The head of Access Canberra may exercise a declared function.

- 23            (4) The head of Access Canberra may delegate a declared function to an  
24            employee or another person.

25            *Note*        For the making of delegations and the exercise of delegated functions,  
26            see the [Legislation Act](#), pt 19.4.

1 (5) However, the head of Access Canberra may only delegate a declared  
2 function to the extent permitted by other territory laws.

3 **Example—extent permitted**

4 A declaration is made in relation to a function given to the director-general under  
5 the XYZ Act. That Act states that the director-general may only delegate the  
6 function to an employee. The head of Access Canberra may also only delegate the  
7 function to an employee.

8 *Note* An example is part of the Act, is not exhaustive and may extend, but  
9 does not limit, the meaning of the provision in which it appears (see  
10 [Legislation Act](#), s 126 and s 132).

11 (6) Nothing in this section limits the exercise of a declared function by  
12 the director-general given the function.

13 (7) Anything done in the exercise of a declared function is not invalid  
14 only because of a defect or irregularity in or in relation to a  
15 declaration.

16 (8) In this section:

17 *Access Canberra* means the business unit in the directorate  
18 administered by the Chief Minister known as Access Canberra.

20 (however described) of head of Access Canberra.

21 *relevant matter* means a matter mentioned in an administrative  
22 arrangement under the [Self-Government Act](#), section 43 (1)—
