About this republication

The republished law

This is a republication of the *Tobacco Act 1927* (including any amendment made under the *Legislation Act 2001*, part 11.3 (Editorial changes)) as in force on 27 October 2008. It also includes any amendment, repeal or expiry affecting the republished law to 27 October 2008.

The legislation history and amendment history of the republished law are set out in endnotes 3 and 4.

Kinds of republications

The Parliamentary Counsel's Office prepares 2 kinds of republications of ACT laws (see the ACT legislation register at www.legislation.act.gov.au):

- authorised republications to which the *Legislation Act 2001* applies
- unauthorised republications.

The status of this republication appears on the bottom of each page.

Editorial changes

The *Legislation Act 2001*, part 11.3 authorises the Parliamentary Counsel to make editorial amendments and other changes of a formal nature when preparing a law for republication. Editorial changes do not change the effect of the law, but have effect as if they had been made by an Act commencing on the republication date (see *Legislation Act 2001*, s 115 and s 117). The changes are made if the Parliamentary Counsel considers they are desirable to bring the law into line, or more closely into line, with current legislative drafting practice.

This republication does not include amendments made under part 11.3 (see endnote 1).

Uncommenced provisions and amendments

If a provision of the republished law has not commenced or is affected by an uncommenced amendment, the symbol **U** appears immediately before the provision heading. The text of the uncommenced provision or amendment appears only in the last endnote.

Modifications

If a provision of the republished law is affected by a current modification, the symbol **M** appears immediately before the provision heading. The text of the modifying provision appears in the endnotes. For the legal status of modifications, see *Legislation Act 2001*, section 95.

Penalties

The value of a penalty unit for an offence against this republished law at the republication date is—

- (a) if the person charged is an individual—\$100; or
- (b) if the person charged is a corporation—\$500.

Tobacco Act 1927

An Act about tobacco and smoking products

Part 1 Preliminary

1 Name of Act

This Act is the *Tobacco Act 1927*.

U 2 Dictionary

The dictionary at the end of this Act is part of this Act.

Note 1 The dictionary at the end of this Act defines certain words and expressions used in this Act, and includes references (*signpost definitions*) to other words and expressions defined elsewhere in this Act.

For example, the signpost definition '*price ticket*—see section 3.' means that the expression 'price ticket' is defined in that section.

Note 2 A definition in the dictionary (including a signpost definition) applies to the entire Act unless the definition, or another provision of the Act, provides otherwise or the contrary intention otherwise appears (see *Legislation Act 2001*, s 155 and s 156 (1)).

2A Notes

A note included in this Act is explanatory and is not part of this Act.

Note See *Legislation Act 2001*, s 127 (1), (4) and (5) for the legal status of notes.

U 2B Offences against Act—application of Criminal Code etc

Other legislation applies in relation to offences against this Act.

Note 1 Criminal Code

The Criminal Code, ch 2 applies to an offence committed by a person against s 16 (Prohibition on sale of smoking products by vending machine) of this Act (see Code, pt 2.1).

The chapter sets out the general principles of criminal responsibility (including burdens of proof and general defences), and defines terms used for offences to which the Code applies (eg *conduct*, *intention*, *recklessness* and *strict liability*).

Note 2 Penalty units

The Legislation Act, s 133 deals with the meaning of offence penalties that are expressed in penalty units.

U 3 Meaning of *price tickets*

In this Act:

price ticket, for a product line, means a label that—

- (a) includes no information other than any or all of the following:
 - (i) the name of the product line;
 - (ii) a bar code or similar identifying code;
 - (iii) the price of an item of the product line;
 - (iv) the price of a carton of the product line;
 - (v) a symbol indicating the country of origin of the product line; and
- (b) consists of lettering and any graphics in a single colour (including black or white) on another single-coloured (including black or white) background; and
- (c) is no larger than 35cm²; and

- (d) otherwise complies with the regulations, and is displayed in accordance with the regulations.

U 4 Meaning of *product information notices*

In this Act:

product information notice means a notice—

- (a) located at or adjacent to a point of sale; and
- (b) having an unbroken surface (whether or not the surface is flat) with an area of not more than 1m²; and
- (c) with nothing attached to it (unless necessary for its support); and
- (d) listing the product lines usually available for sale at the point of sale (with or without information about the prices of items or cartons of the product lines, or boxes of cigars); and
- (e) containing only text; and
- (f) in sans serif type no character of which exceeds 72 points in size (that is, 2cm in height and 1.5cm in width); and
- (g) in black lettering on a white background, or white lettering on a black background, but not both.

5 Meaning of *sell*

In this Act:

- (a) offer for sale; and
- (b) expose for sale; and
- (c) barter (or offer or expose for barter); and
- (d) exchange (or offer or expose for exchange); and

- (e) supply for value (or offer or expose for supply for value); and
- (f) supply for free (or offer or expose for supply for free), to gain or maintain custom, or otherwise for commercial gain.

6 Meaning of *smoking advertisement*

- (1) In this Act:

smoking advertisement means writing, sound or a picture, symbol, light or other visible device, object or sign (or a combination of 2 or more of these) that a reasonable person would consider publicises, or otherwise promotes—

- (a) the purchase or use of a smoking product; or
 - (b) a trademark or brand name, or part of a trademark or brand name, of a smoking product.
- (2) A *smoking advertisement* may be constituted by an incidental or accidental accompaniment to any other written, aural, pictorial, symbolic or visible matter.

U 7 Publication of name of manufacturer etc

- (1) For this Act, the publication of the name of a manufacturer, distributor or retailer of smoking products—
- (a) is not, of itself, a smoking advertisement; and
 - (b) is not taken, of itself, to publicise or promote—
 - (i) a smoking product, or the purchase or use of a smoking product; or
 - (ii) a trademark or brand name of a smoking product; or
 - (iii) the name or interests of a manufacturer or distributor of a smoking product in association with a smoking product.

- (2) However, the publication of the name of a manufacturer, distributor or retailer of smoking products in association with the publication of other material may be a smoking advertisement, and may be taken to be publicity or promotion as mentioned in subsection (1).

U Part 2 Point of sale displays

U 8 Restrictions on point of sale displays

At a point of sale display of smoking products—

- (a) the products may only be advertised or displayed in accordance with this part; and
- (b) no smoking advertisement for the products may be displayed (or broadcast) other than as permitted by this part.

Note Par (b) is inserted to emphasise the effect of the prohibition of smoking advertising under s 23 other than at a point of sale. A display of a smoking product in a shop is likely to be a **smoking advertisement** within the meaning of the definition in s 6. This is due to the text and graphics on the package of the product, or on cartons of the product.

U 9 Availability for sale of displayed products

- (1) At a point of sale display, the only smoking products that may be displayed are those available for sale, or usually available for sale, at the point of sale.
- (2) If immediate packages of a smoking product are not available for sale at a point of sale, subsection (1) does not prevent the display of an immediate package of a product line if a carton of the product line is available for sale (or usually available for sale) at the point of sale.

U 10 Manner of display

- (1) A point of sale display of a product line of a smoking product (other than cigars) at a retail outlet may consist of the advertisement or display of the product line at the point of sale in 1 only of the following ways:

- (a) by a single representation of an immediate package of the product line in the form in which the package is available, or usually available, for sale (including the representation of an immediate package if only cartons are available for sale)—
 - (i) no larger than the actual size of the package, with the same appearance as the package; and
 - (ii) for a tobacco product—including a representation of the health warning (if any) with which the package is required to be labelled under the *Trade Practices (Consumer Product Information Standards) (Tobacco) Regulations 1994* (Cwlth); and
 - (iii) for a herbal product—including a health warning prescribed under the regulations;
 - (b) by the display of a single immediate package of the product line in the form in which the package is available, or usually available, for sale (including the display of an immediate package if only cartons are available for sale);
 - (c) by a stack dispenser for immediate packages of the product line that complies with subsection (3).
- (2) A point of sale display of a product line of cigars at a retail outlet may consist of the advertisement or display of the product line at the point of sale in 1 only of the following ways:
- (a) by a single representation of an immediate package of the cigars in the form in which the package is available, or usually available, for sale (including the representation of an immediate package if only cartons are available for sale)—
 - (i) no larger than the actual size of the package, with the same appearance as the package; and
 - (ii) for a tobacco product—including a representation of the health warning (if any) with which the package is required to be labelled under the *Trade Practices*

(Consumer Product Information Standards) (Tobacco) Regulations 1994 (Cwlth); and

- (iii) for a herbal product—including a health warning prescribed under the regulations;
 - (b) by the display of a single immediate package of the cigars in the form in which the package is available, or usually available, for sale (including the display of an immediate package if only cartons are available for sale);
 - (c) by a stack dispenser for immediate packages of the cigars that complies with subsection (3);
 - (d) by a single representation of 1 of the cigars in the form in which the cigar is available, or usually available, for sale (including the representation of a cigar if only packages of the cigars are available for sale), no larger than the actual size of the cigar, with the same appearance as the cigar;

 - (i) up to 13 of the cigars in an open box, or in any other manner;
 - (ii) a single closed box full of the cigars in the form in which the box is available for sale.
- (3) The display of a product line by a stack dispenser for immediate packages of the product line is permitted at a point of sale if—
- (a) in the case of packages stacked directly behind each other (from the point of view of the customer's side of the customer service area) (an *angled stack*)—the most that is displayed at the front of the stack is the face, or any part, of a single package; and
 - (b) in the case of an angled stack—only the following parts (if any) of the other packages in the stack are displayed:
 - (i) the tops;

- (ii) the sides;
 - (iii) the bottoms; and
 - (c) in the case of packages stacked on top of each other—no part of more than a single package in the stack is displayed.
- (4) A point of sale display of smoking products may not consist of the display of the products, packages of the products, or representations of the products or packages, so as to constitute a smoking advertisement itself as distinct from the display of each product, package or representation.

 - (b) for a display of cigars mentioned in section 10 (2) (e), or for any other display of cigars mentioned in section 10 (2)—
 - (i) at a point of sale; and
 - (ii) on the seller’s side of the point of sale, not less than 1m away from any part of the customer service area in relation to the point of sale.

U 50 Refusal to grant or renew tobacco licence

- (1) The registrar must not grant or renew a tobacco licence if the registrar is satisfied, on reasonable grounds, that—

- (3) For subsection (2) (b), it is immaterial that a conviction was not recorded against the applicant in respect of any offence mentioned in the paragraph.

3 Legislation history

This Act was originally a Commonwealth ordinance—the *Tobacco Ordinance 1927* No 14 (Cwlth).

The *Australian Capital Territory (Self-Government) Act 1988* (Cwlth), s 34 (4) converted most former Commonwealth ordinances in force in the ACT into ACT enactments. This allowed the ACT Legislative Assembly to amend and repeal the laws. This Act was converted into an ACT enactment on 11 May 1989 (self-government day).

As with most ordinances in force in the ACT, the name was changed from *Ordinance* to *Act* by the *Self-Government (Citation of Laws) Act 1989* No 21, s 5 on 11 May 1989 (self-government day).

Before 11 May 1989, ordinances commenced on their notification day unless otherwise stated (see *Seat of Government (Administration) Act 1910* (Cwlth), s 12).

After 11 May 1989 and before 10 November 1999, Acts commenced on their notification day unless otherwise stated (see *Australian Capital Territory (Self-Government) Act 1988* (Cwlth) s 25).
