Pharmacy Act 1931

A1931-10

Republication No 3A

Effective: 9 December 1998 – 11 September 2001

Republication date: 20 April 2009

Last amendment made by A1998-54

Authorised by the ACT Parliamentary Counsel

About this republication

The republished law

This is a republication of the *Pharmacy Act 1931* effective 9 December 1998 to 11 September 2001.

Kinds of republications

The Parliamentary Counsel's Office prepares 2 kinds of republications of ACT laws (see the ACT legislation register at www.legislation.act.gov.au):

- authorised republications to which the *Legislation Act 2001* applies
- unauthorised republications.

The status of this republication appears on the bottom of each page.

Editorial changes

The *Legislation (Republication) Act 1996*, part 3, division 2 authorised the Parliamentary Counsel to make editorial amendments and other changes of a formal nature when preparing a law for republication. Editorial changes do not change the effect of the law, but have effect as if they had been made by an Act commencing on the republication date (see *Legislation (Republication) Act 1996*, s 14 and s 16). The changes are made if the Parliamentary Counsel considers they are desirable to bring the law into line, or more closely into line, with current legislative drafting practice.
