“permit” means a permit under subsection 6B (2);

“Registrar” means the Registrar of Hawkers’ Licences appointed in pursuance of this Act, and includes a Deputy Registrar;

(2) A reference in a provision of this Act to a determined fee shall be read as a reference to the fee determined under section 27B for the purposes of that provision.

Meaning of carrying on business of hawker

5. (1) Any person who carries any goods on his person or on any animal or in or on any vehicle for the purpose of selling or offering for sale those goods, or who sells or offers for sale any goods carried on his person or on any animal or in or on any vehicle, shall, unless he is the holder of an assistant hawker’s licence, be deemed to be carrying on the business of a hawker within the meaning of this Act.

(2) Nothing in this Act applies to, or shall be deemed to affect in any way, the sale, delivery or distribution of newspapers by a child in accordance with Part VIII of the *Children’s Services Act 1986*.

Business of hawker not to be carried on without licence

6. (1) A person shall not carry on the business of a hawker unless he is the holder of a licence so to do.

Penalty: Forty dollars.

(1A) A licensed hawker shall not, in the carrying on of the business of a hawker—

- (a) use (either by himself or by an assistant hawker) more than one vehicle at any one time;
- (b) if his licence does not authorize him to sell food or food and other goods—use a vehicle that is not included in the class of vehicles specified in his licence; or

- (c) if his licence authorizes him to sell food or food and other goods—use a vehicle other than the vehicle specified in his licence.

Penalty: Forty dollars.

(2) In any prosecution under this section the burden of proving that he is the holder of a licence shall be on the person accused.

(3) This section shall not apply to the sale or carrying or offering for sale of any goods in any market or fair established in the Territory, or in any shop occupied by the person so selling or carrying or offering for sale or in any premises approved by the Minister.

Hawkers not to carry on business within certain areas

6A. (1) A person shall not, without the consent in writing of the Minister or a person authorized in writing by the Minister to give consents for the purposes of this subsection, carry on the business of a hawker within a distance of 180 metres of a shop.

Penalty: Forty dollars.

(2) The provisions of subsection (1) do not apply where the business of hawker is carried on with a *bona fide* resident or occupier of any premises at those premises.

(3) Subject to section 6B, where a vehicle on which goods are being carried in the course of the carrying on by a licensed hawker of his business of a hawker has been standing at a particular place (hereinafter referred to as “the specified place”) for the purpose of permitting the sale of those goods or the exposing of those goods for sale and—

- (a) the vehicle remains standing at the specified place for a continuous period in excess of half an hour; or

 - (ii) the vehicle is standing, for such a purpose, at another place less than 180 metres distant from the specified place,

the holder of a licence who is in actual charge of the vehicle commits an offence, and, if that holder is not the licensed hawker who is using the vehicle

(4) Where, in proceedings for an offence against subsection (3), a person gives evidence that goods that were being carried on the vehicle to which the proceedings relate were sold to a person while the vehicle was standing at a place, the vehicle shall, in the absence of proof to the contrary, be deemed to have been standing at that particular place for the purpose of permitting the sale of goods that were being carried on it during the whole of the period during which the vehicle was, on that occasion, standing at that particular place.

(5) In proceedings for an offence against subsection (3), it is a defence if the accused proves that the person in actual charge of the vehicle during the period or at the time when it was standing at a particular place in contravention of that subsection was prevented from moving the vehicle from that place at any time during that period or at that time, as the case may be, by reason of a mechanical defect in the vehicle or by reason of other facts beyond the control of that person.

Hawkers may sell goods at authorised places

6B. (1) The Minister may, by notice published in the *Gazette*, specify a place at which licensed hawkers may permit the vehicles on which they are carrying on the business of a hawker to stand, without limit as to time, for the purpose of carrying on their businesses.

(2) The Registrar may grant to a licensed hawker a permit for such period as is specified in the permit, being a period not exceeding 6 months, authorizing the hawker to carry on the business of a hawker at a place specified in the permit during the hours and on a day specified in the permit.

(3) Where a vehicle that is being used by a licensed hawker in the course of the carrying on by him of his business of a hawker stands—

- (a) at a place specified in a notice, being a notice that has not been revoked, under subsection (1); or
- (b) at a place as authorized by a permit, being a permit that is in force, granted to the hawker under subsection (2),

subsection (3) of section 6A does not apply to or in relation to the standing of the vehicle at that place.

 - (ii)** in any other case—particulars of the class of vehicles (being a class of vehicles specified in Part II of Schedule 2) in which the vehicle is included.

(1B) Where the Registrar grants an application for a hawker's licence, he shall specify in the licence—

- (a)** whether the licence authorizes the licensed hawker to sell food, goods other than food or food and other goods; and

(2) An application for a hawker's licence shall include such information as the Registrar requires.

Applications for hawkers' licences to sell food or food and other goods

8A. An application for a hawker's licence authorizing the use of a vehicle for the sale of food or food and other goods shall be deemed not to have been duly made unless it is accompanied by a certificate issued by the Medical Officer of Health, or a person authorised in writing by the Medical Officer of Health to issue certificates for the purposes of this section, certifying that the vehicle has been inspected and that the Medical Officer of Health is satisfied that the vehicle is suitable for the carriage of food.

Application for assistant hawker's licence

9. (1) A child or an employee of a licensed hawker may apply to the Registrar for an assistant hawker's licence and the Registrar may grant or refuse the application as he thinks fit.

(2) An application for an assistant hawker's licence shall include such information as the Registrar requires.

(3) An applicant for an assistant hawker's licence shall be required to produce to the Registrar a certificate, signed by the Commissioner of Police or a member of the Police Force of the Territory thereto authorized in writing by the Commissioner of Police, that the applicant—

- (a) if a child of a licensed hawker—is above the age of sixteen years; or
- (b) if an employee of a licensed hawker, not being a child of the hawker—is above the age of eighteen years; and
- (c) is a person of good character; and
- (d) is a fit and proper person to be licensed as an assistant hawker.

(5) An assistant hawker's licence shall authorize the person to whom it is granted to assist in carrying on the business of the hawker named in the licence and shall be granted only in respect of the business of a hawker whose licence relates to the carriage of goods in or on a vehicle.

Limitation on number of assistant hawkers

9A. The Registrar shall not grant more than two assistant hawker's licences to be in force at any one time in respect of the business of any licensed hawker.

Security to be given

10. (1) A licence shall not be issued to any applicant until he has entered into a security in accordance with Form E, in Schedule 1, with two sureties approved by the Registrar, each in the sum of Forty dollars.

(2) A security in accordance with Form E shall, without sealing, bind its subscribers as if sealed, and jointly and severally, and for the full amount.

(3) Whenever a security is put in suit by the Registrar the production thereof without further proof shall entitle him to judgment for their stated liability against the persons appearing to have executed the security unless the defendants prove compliance with the condition of the security or that the security was not executed by them or release or satisfaction.

(4) If it appears to the Court that a non-compliance with the condition of a security has occurred, the security shall not be deemed to have been invalidated or discharged and the subscribers shall not be deemed to have been released or discharged from liability by reason of the Registrar having failed to bring suit against the subscribers upon the occurrence of any previous non-compliance.

Fees for permit

10A. (1) A person to whom a permit is granted for a period of 6 months shall pay to the Registrar a fee according to the scale of fees determined under section 27B for the purposes of this subsection.

(2) A person to whom a permit is granted for a period of less than 6 months shall pay to the Registrar a fee that, subject to subsection (3), bears the same proportion to the fee payable under subsection (1) as the period for which the permit is granted bears to the period of 6 months.

(3) Where a permit is granted for a period of less than 6 months, the fee payable shall not be less than the amount of the fee determined under section 27B for the purposes of this subsection.

Fees and term of licence

11. Every person to whom a licence under this Act other than an assistant hawker's licence is granted shall pay to the Registrar a fee according to the scale of determined fees, and the licence, unless sooner suspended, cancelled or forfeited, shall remain in force for the full period of twelve months from and including the date of issue.

Power to grant hawkers' licences for period of less than 12 months

12. Notwithstanding anything contained in this Act, but without prejudice to any other powers conferred on him by this Act, the Registrar may grant a hawker's licence for any period less than twelve months, but not less than one month, and, where the Registrar does so, the fee payable in respect of the grant of the licence shall bear the same proportion to the fee payable in respect of the grant of a hawker's licence for a period of twelve months, as the period for which the licence is granted bears to the period of twelve months:

Provided that where a licence is granted under this section the fee payable shall not be less than the amount of the determined fee.

Registrar may vary licences

12A. (1) The Registrar may, upon the application of a licensed hawker, vary the licence in respect of—

- (a) the vehicle or the class of vehicles specified in the licence; and
- (b) the goods which the licensed hawker is authorized to sell.

(2) Where a licensed hawker who is authorized to sell goods other than food desires to sell food or food and other goods or where a licensed hawker desires to use a vehicle in carrying on the business of a hawker other than the vehicle specified in his licence, the Registrar shall not vary the licence unless the application is accompanied by a certificate issued by the Medical Officer of Health, or a person authorised in writing by the Medical Officer of Health to issue certificates for the purposes of this subsection, certifying that the vehicle to which the application relates has been inspected and that the Medical Officer of Health is satisfied that the vehicle is suitable for the carriage of food.

(3) Where the Registrar varies a licence and the fee that would be payable in respect of the grant of the licence as varied exceeds the fee paid in respect of the grant of the licence, the licensee is liable to pay to the Registrar, in respect of the variation, a fee that bears to an amount equal to the amount of that excess the same proportion as the number of months (treating a part of a month as a month) in the unexpired period of the licence bears to the number of months in the period for which a licence was granted.

Hawker's licence or permit of no effect until fee paid

13. A hawker's licence or permit shall not be of any effect until the fee payable for the grant of the licence or permit has been paid to the Registrar.
