Republication date: 2 February 2009

Last amendment made by A2008-37

Authorised by the ACT Parliamentary Counsel

About this republication

The republished law

This is a republication of the *Common Boundaries Act 1981* (including any amendment made under the *Legislation Act 2001*, part 11.3 (Editorial changes)) as in force on 2 February 2009. It also includes any amendment, repeal or expiry affecting the republished law to 2 February 2009.

The legislation history and amendment history of the republished law are set out in endnotes 3 and 4.

Kinds of republications

The Parliamentary Counsel's Office prepares 2 kinds of republications of ACT laws (see the ACT legislation register at www.legislation.act.gov.au):

- authorised republications to which the *Legislation Act 2001* applies
- unauthorised republications.

The status of this republication appears on the bottom of each page.

Editorial changes

The *Legislation Act 2001*, part 11.3 authorises the Parliamentary Counsel to make editorial amendments and other changes of a formal nature when preparing a law for republication. Editorial changes do not change the effect of the law, but have effect as if they had been made by an Act commencing on the republication date (see *Legislation Act 2001*, s 115 and s 117). The changes are made if the Parliamentary Counsel considers they are desirable to bring the law into line, or more closely into line, with current legislative drafting practice.

This republication does not include amendments made under part 11.3 (see endnote 1).

Uncommenced provisions and amendments

If a provision of the republished law has not commenced or is affected by an uncommenced amendment, the symbol **U** appears immediately before the provision heading. The text of the uncommenced provision or amendment appears only in the last endnote.

Modifications

If a provision of the republished law is affected by a current modification, the symbol **M** appears immediately before the provision heading. The text of the modifying provision appears in the endnotes. For the legal status of modifications, see *Legislation Act 2001*, section 95.

Penalties

The value of a penalty unit for an offence against this republished law at the republication date is—

- (a) if the person charged is an individual—\$100; or
- (b) if the person charged is a corporation—\$500.

4 Application to ACAT—new fence determination

- (1) This section applies if—
- (a) adjoining parcels of land are not separated by a fence; and
 - (b) the occupier of 1 of the parcels has asked the occupier of the adjoining parcel to join in erecting a fence between the parcels; and
 - (c) either—

Note If a form is approved under the *ACT Civil and Administrative Tribunal Act 2008* for the application, the form must be used.

- (3) However, an occupier must not apply to the ACAT unless—
- (a) the occupier has given the occupier of the adjoining parcel (the *other occupier*) a notice asking the other occupier to discuss erecting, and paying for, the fencing of the boundary between the parcels; and
 - (b) 1 month has passed since the day the occupier gave the notice to the other occupier.

Note If a form is approved under the *ACT Civil and Administrative Tribunal Act 2008* for the notice, the form must be used.

- (4) For subsection (1), an occupier who does not join in erecting a fence within 14 days after the day the occupier is asked to join is taken to have refused to join in erecting the fence.

5 Application to ACAT—repair determination

- (1) This section applies if—
- (a) adjoining parcels of land are separated by a fence; and
 - (b) the occupier of 1 of the parcels of land has asked the occupier of the adjoining parcel to join in repairing or replacing the fence; and
 - (c) either—
 - (i) the occupier of the adjoining parcel has refused to join in repairing or replacing the fence; or
 - (ii) the occupiers of the parcels of land are unable to agree about a matter relating to the repair or replacement of the fence.

- (2) Either occupier may apply to the ACAT for a repair determination.

Note If a form is approved under the *ACT Civil and Administrative Tribunal Act 2008* for the application, the form must be used.

- (3) However, the occupier of a parcel must not apply to the ACAT unless—

- (a) the occupier has given the occupier of the adjoining parcel (the *other occupier*) a notice asking the other occupier to discuss the repair or replacement of the fence between the parcels; and
- (b) 1 month has passed since the day the occupier gave the notice to the other occupier.

Note If a form is approved under the *ACT Civil and Administrative Tribunal Act 2008* for the notice, the form must be used.

6 Application to ACAT—repair cost determination

- (1) This section applies if—
 - (a) a fence between adjoining parcels of land has been damaged or destroyed; and
 - (b) the fence needs to be repaired or replaced without delay to protect people living in premises on 1 of the parcels or to prevent the escape of animals
- (2) The occupier of either parcel may, without giving notice to the occupier of the adjoining parcel, repair or replace the fence.
- (3) The occupier who repairs or replaces a fence under subsection (2) may apply to the ACAT for a repair cost determination.

Note If a form is approved under the *ACT Civil and Administrative Tribunal Act 2008* for the application, the form must be used.

- (4) However, the occupier must not apply to the ACAT unless—
 - (a) the occupier has given the occupier of the adjoining parcel (the *other occupier*) a notice asking the other occupier to discuss contributing to the cost of repairing or replacing the fence; and
 - (b) 14 days has passed since the day the occupier gave the notice to the other occupier.

Note If a form is approved under the *ACT Civil and Administrative Tribunal Act 2008* for the notice, the form must be used.

7 Application to ACAT—unleased land determination

- (1) This section applies if—
 - (a) the occupier of a parcel of land has begun erecting a fence between the parcel and adjoining land that is not a parcel of land for this division; and

- (b) after the erecting began, the adjoining land becomes a parcel of land for this division.
- (3) The occupier may apply to the ACAT for an unleased land determination.

Note If a form is approved under the *ACT Civil and Administrative Tribunal Act 2008*, s 117 for this provision, the form must be used.

8 Parties to applications

The parties to an application are—

- (a) for a new fence determination—the applicant and the person to whom the applicant gives a notice under section 4 (3) (a); and
- (b) for a repair determination—the applicant and the occupier to whom the applicant gives notice under section 5 (3) (a); and
- (c) for a repair cost determination—the applicant and the person to whom the applicant gives the notice under section 6 (4) (a); and
- (d) for an unleased land determination—the applicant and the owner or occupier of the adjoining parcel of land.

9 Dealing with applications

- (1) This section applies if the ACAT is considering an application for a determination under this division.
- (2) On receiving the application, the ACAT must—
 - (a) decide that a conference may be held between the parties; or
 - (b) if satisfied that there is no reasonable possibility of the parties settling the issues in dispute at a conference—decide to hold a hearing on the application.

- (3) If the ACAT decides that a conference may be held, the ACAT must—
- (a) fix a day for the conference; and
 - (b) not later than 10 days before the day fixed for the conference—
 - (i) serve a copy of the application on the respondent; and
 - (ii) serve notice of the conference on the parties.
- Note* For how documents may be served, see s 18.
- (4) If the ACAT decides to hold a hearing, the ACAT must—
- (a) fix a day for the hearing; and
 - (b) not later than 10 days before the day fixed for the hearing—
 - (i) serve a copy of the application on the respondent; and
 - (ii) serve notice of the hearing on the parties.

10 ACAT powers—new fence determination

- (1) This section applies if the ACAT holds a hearing on an application for a new fence determination.
- (2) The ACAT may determine—
- (a) the nature of the fence that should be erected between the parcels of land occupied by the parties; and
 - (b) the line where the fence should be erected; and
 - (c) the party who should be responsible for erecting the fence; and
 - (d) the amount that should be contributed by the other party to the cost of erecting the fence; and
 - (e) how, and by when, the amount should be paid to the party responsible for erecting the fence.

- (3) If a party asks the ACAT to determine that a basic fence is to be erected between the parcels of land to which the application relates, the ACAT must not require the party to contribute more than $\frac{1}{2}$ the cost of erecting a basic fence between the parcels.
- (4) Subsection (3) does not apply in relation to parcels of land if the ACAT is satisfied that—
 - (a) it is not practicable for a basic fence to be erected between the parcels of land; or
 - (b) there are special circumstances that require a fence, other than a basic fence, to be erected.

11 ACAT powers—repair determination

- (1) This section applies if the ACAT holds a hearing on an application for a repair determination.
- (2) The ACAT must determine if the fence to which the application relates is in need of repair or replacement.
- (3) If the ACAT determines that the fence is in need of repair or replacement, the ACAT may determine—

 - (e) how, and by when, the amount should be paid to the party responsible for the repair or replacement.

- (4) For the purpose of determining the amount that should be contributed under subsection (3) (d), the ACAT must apply the principle that the cost should be borne by the parties in equal proportions unless there are circumstances that make it just that 1 party bears a greater proportion of the cost than the other party.

12 ACAT powers—repair cost determination

- (1) This section applies if the ACAT holds a hearing on an application for a repair cost determination.
- (2) The ACAT must determine whether it is reasonable for the party other than the applicant to be required to contribute to the cost of the repair or replacement by the applicant.
- (3) If the ACAT determines that it is reasonable for the party to be required to contribute to the cost of the repair or replacement, the ACAT must also determine—
 - (a) the amount that should be contributed; and
 - (b) how, and by when, the amount should be paid to the applicant.
- (4) For the purpose of determining the amount that should be contributed under subsection (3) (a), the ACAT must apply the principle that the cost should be borne by the parties in equal proportions unless there are circumstances that make it just that 1 party bears a greater proportion of the cost than the other party.

13 ACAT powers—unleased land determination

- (1) This section applies if the ACAT holds a hearing on an application for an unleased land determination.
- (2) The ACAT must determine whether it is reasonable for the party other than the applicant to be required to contribute to the cost of the applicant erecting the fence.

- (3) If the ACAT determines that it is reasonable for the party to contribute to the cost, the ACAT must also determine—
- (a) the amount that should be contributed; and
 - (b) how, and by when, the amount should be paid to the applicant.
- (4) For subsection (3) (a), the amount must be—
- (a) if the adjoining land became a parcel of land for this division less than 6 months after the applicant began erecting the fence—the lesser of the following:
 - (i) $\frac{1}{2}$ the cost of erecting the fence;
 - (ii) $\frac{1}{2}$ of what it would have cost to erect a basic fence; and
 - (b) if the adjoining land became a parcel of land for this division 6 months or more after the applicant began erecting the fence—a reasonable amount that is not more than the lesser of the following:
 - (i) $\frac{1}{2}$ the cost of erecting the fence;
 - (ii) $\frac{1}{2}$ of what it would have cost to erect a basic fence.

14 Applications for variation of certain determinations

- (1) A person who was a party to an application for a determination under this division (other than under section 13) may apply to the ACAT for a variation of the determination.

Note If a form is approved under the *ACT Civil and Administrative Tribunal Act 2008* for the application, the form must be used.

- (2) The parties to the application are the applicant and the other party to the application on which the determination was made.

15 Dealing with variations

- (1) This section applies if the ACAT is considering an application for the variation of a determination under section 14.

- (2) On receiving the application, the ACAT must—

 - (a) fix a day for the conference; and
 - (b) not later than 10 days before the day fixed for the conference—
 - (i) serve a copy of the application on the respondent; and
 - (ii) serve notice of the conference on the parties.
- Note* For how documents may be served, see s 18.
- (4) If the ACAT decides to hold a hearing, the ACAT must—

 - (b) not later than 10 days before the day fixed for the hearing—
 - (i) serve a copy of the application on the respondent; and
 - (ii) serve notice of the hearing on the parties.
 - (5) The ACAT must not vary the determination so that the determination as varied could not have been made on the original application.

18 Service of documents

- (1) A document that is required by this division to be served on the occupier of a parcel of land may be served—
 - (a) if the occupier is the Territory—by sending the notice by post to the chief executive; and

- order* means—
- (a) a determination of the ACAT under this division; or
 - (b) an order (however described) under the rules in relation to the enforcement of a determination mentioned in paragraph (a).
- (2) If 2 or more persons occupy a parcel of land as joint tenants, tenants in common or joint lessees and an order requires those persons to make a payment—
- (a) those persons are jointly and severally liable for the payment of the amount payable under the order; and
 - (b) as between themselves, the liability to pay the amount shall, in the absence of agreement to the contrary, be borne in equal proportions; and

- (c) one of those persons who pays more than his or her proportionate amount may recover the excess as a debt due by the other person or persons.

21 Div 2.3 not affected

This division does not affect the operation of division 2.3 (Damage by fire to fences).

22 Directions about entry by people on land

- (1) This section applies if the ACAT makes a determination under this division in relation to erecting, repairing or replacing a fence.
- (2) The ACAT may give the directions that it considers necessary in relation to the entry of people on land to erect, repair or replace the fence.
- (3) However, the ACAT must not give directions under this section in relation to the entry of people on land, other than land occupied by—
 - (a) a party to the application; or
 - (b) a sublessee, tenant, licensee or other person in possession from a party to the application.
- (4) If a person is given a direction under this section, the person may enter on land to undertake work necessary to erect, repair or replace the fence stated in the direction—
 - (a) at any reasonable time; and
 - (b) in accordance with the direction.

Division 2.2 Fences required by authority

23 Boundary between leased and unleased land

If there is a common boundary between a parcel of leased Territory land and an area of unleased Territory land, the planning and land authority may, by written notice to the lessee of the parcel of leased land, require the lessee to erect a fence on that boundary or any part of it.

24 Boundary between 2 parcels of leased land

If there is a common boundary between 2 parcels of leased Territory land included in different leases, the planning and land authority may, by written notice to each lessee, require them jointly to erect a fence on that boundary or any part of it.

25 Notice under div 2.2

A notice under section 23 or 24 shall specify the fence to be erected and the part of the boundary where it is to be erected.

26 Noncompliance with notice under div 2.2

If a fence in compliance with a notice is not erected within 1 month after the date of the notice—

- (a) the planning and land authority may, at the cost of the lessee, cause the fence to be erected; and
- (b) the lessee shall pay to the authority, on demand, the amount fixed by the authority as the cost of erecting the fence or as the proportion payable by the lessee of that cost.

Division 2.3 Damage by fire to fences

26A Damage by fire to dividing fence

- (1) This section applies if—
 - (a) the occupier of land (the *clearing occupier*) clears the land of flammable materials for the space of 6m from a fence (a *dividing fence*) dividing the land from the land of another owner or occupier; and
 - (b) the other owner or occupier (the *non-clearer*) neglects or omits to clear the owner or occupier's land; and
 - (c) damage from fire happens to the dividing fence because of the neglect or omission.
- (2) The non-clearer must, at the non-clearer's expense, arrange for the dividing fence to be repaired or replaced within—
 - (a) 1 month after the day it is damaged; or
 - (b) if the ACAT extends the time to repair or replace the fence—the extended time.
- (3) If the non-clearer applies for an extension of time to repair or replace the dividing fence, the non-clearer must give the clearing occupier reasonable notice of the application.
- (4) If the non-clearer refuses or omits to repair or replace the dividing fence within the time required under subsection (2), the clearing occupier may repair or replace the fence.
- (5) An amount incurred by the clearing occupier repairing or replacing the dividing fence is taken to be an amount owing to the clearing occupier by the non-clearer.

Part 3 Party walls

27 Meaning of *party wall* in pt 3

In this part:

party wall—

- (a) means a wall or structure designed for the common use of 2 or more buildings and erected, or to be erected, on a common boundary, or part of such a boundary, between 2 parcels of land, and extending laterally into each of those parcels of land; and
- (b) includes any wall that is completely or partly used to support 2 or more buildings, if the wall was erected in connection with a building for which there is a certificate of occupancy under the *Building Act 2004*.

28 Erection of party walls

If, in a building approval under the *Building Act 2004* for a building to be erected on land that is leased Territory land, a party wall is shown or provided for on the common boundary, or part of that boundary, between 2 parcels of land that are leased Territory land—

- (a) the lessee of each parcel of land may, during the continuance of his or her lease—
 - (i) erect, maintain and use a party wall in the position shown on the building plan or design; and
 - (ii) use for the support of the building or buildings provided for in, or shown on, the building plan or design and erected on the parcel of land of which he or she is lessee any party wall so erected; and

- (b) the lessees of the 2 parcels of land may agree about the lessee by whom the party wall shall be erected and in what proportions the cost of erection shall be borne by them; and
- (c) if the lessee of 1 parcel of land has at his or her own expense erected a party wall—the lessee of the other parcel of land shall forthwith after beginning the erection of a building on the other parcel of land pay to the firstmentioned lessee a proportion of the cost of the erection of the party wall; and
- (d) in default of agreement between the lessees about the apportionment of the cost of erecting a party wall—the planning and land authority may, at the request of either lessee, determine the cost of erecting the party wall and the proportion of the cost to be borne by each lessee; and
- (e) if any period has elapsed between the date of the completion of a party wall by the lessee of 1 parcel of land and the date of the beginning of the erection of a building on the other parcel of land—a reasonable allowance shall be made for depreciation of the party wall in determining the proportion payable by the other lessee of the cost of erection of the party wall; and
- (f) the amount agreed on, or determined by the planning and land authority, as payable by 1 lessee to another lessee under this section shall be a debt due and recoverable by the other lessee in any court of competent jurisdiction.

1 About the endnotes

Amending and modifying laws are annotated in the legislation history and the amendment history. Current modifications are not included in the republished law but are set out in the endnotes.

Not all editorial amendments made under the *Legislation Act 2001*, part 11.3 are annotated in the amendment history. Full details of any amendments can be obtained from the Parliamentary Counsel's Office.

Uncommenced amending laws and expiries are listed in the legislation history and the amendment history. These details are underlined. Uncommenced provisions and amendments are not included in the republished law but are set out in the last endnote.

If all the provisions of the law have been renumbered, a table of renumbered provisions gives details of previous and current numbering.

The endnotes also include a table of earlier republications.

3 Legislation history

This Act was originally a Commonwealth ordinance—the *Dividing Fences Ordinance 1981* No 39 (Cwlth).

The *Australian Capital Territory (Self-Government) Act 1988* (Cwlth), s 34 (4) converted most former Commonwealth ordinances in force in the ACT into ACT enactments. This allowed the ACT Legislative Assembly to amend and repeal the laws. This Act was converted into an ACT enactment on 11 May 1989 (self-government day).

As with most ordinances in force in the ACT, the name was changed from *Ordinance* to *Act* by the *Self-Government (Citation of Laws) Act 1989* No 21, s 5 on 11 May 1989 (self-government day). It was later renamed by the *Land (Planning and Environment) (Consequential Provisions) Act 1991* (see s 20).

Before 11 May 1989, ordinances commenced on notification day unless otherwise stated (see *Seat of Government (Administration) Act 1910* (Cwlth), s 12).

After 11 May 1989 and before 10 November 1999, Acts commenced on their notification day unless otherwise stated (see *Australian Capital Territory (Self-Government) Act 1988* (Cwlth) s 25).
