Stamp Duties and Taxes Act 1987 (repealed)

A1987-39

Republication No 7

Effective: 2 March 1999

Republication date: 7 February 2008

As repealed by A1999-8 sch

Authorised by the ACT Parliamentary Counsel

About this republication

The republished law

This is a republication of the *Stamp Duties and Taxes Act 1987* (repealed) effective 2 March 1999.

Kinds of republications

The Parliamentary Counsel's Office prepares 2 kinds of republications of ACT laws (see the ACT legislation register at www.legislation.act.gov.au):

- authorised republications to which the *Legislation Act 2001* applies
- unauthorised republications.

The status of this republication appears on the bottom of each page.

Editorial changes

The *Legislation (Republication) Act 1996*, part 3, division 2 authorised the Parliamentary Counsel to make editorial amendments and other changes of a formal nature when preparing a law for republication. Editorial changes do not change the effect of the law, but have effect as if they had been made by an Act commencing on the republication date (see *Legislation (Republication) Act 1996*, s 14 and s 16). The changes are made if the Parliamentary Counsel considers they are desirable to bring the law into line, or more closely into line, with current legislative drafting practice.

- (a) that part of any associated payment, such as for installation or maintenance, that the Commissioner is satisfied is unreasonably high; and
- (b) any payments that would be hiring charges except for the fact that they are paid to a person other than the person who hires out the goods.

64N. What form may a hire of goods take?

- (1) A hire of goods may take any form.
- (2) It is immaterial whether or not a hire of goods is effected or evidenced by a written instrument.

Division 2—What arrangements apply to persons in business hiring out goods (commercial hirers)?

64P. Application

This Division applies to commercial hirers.

64Q. Registration of commercial hirers

- (1) Where—
 - (a) a commercial hirer enters into an equipment financing arrangement; or

- (b) in any month, the total amount of hiring charges received or receivable by a commercial hirer in respect of that month otherwise than in relation to an equipment financing arrangement exceeds the duty-free threshold;

the commercial hirer shall apply for registration under this Division.

(2) A person who is not already registered shall make an application for registration in accordance with section 64R within 21 days after—

- (a) entering into an equipment financing arrangement; or
- (b) the end of the month in which the hiring charges to which paragraph (1) (b) applies first exceed the duty-free threshold;

whichever first occurs.

Penalty:

- (a) if the offender is a natural person—50 penalty units;
- (b) if the offender is a body corporate—250 penalty units.

64R. Application for registration

The Commissioner shall register a commercial hirer who applies in the approved form for registration under this Division.

64S. Registration without application

(1) The Commissioner may register a commercial hirer who has not applied for registration.

(2) The Commissioner shall give written notice to the commercial hirer of the hirer's registration.

64T. Cessation of business and cancellation of registration by commercial hirer

(1) A registered commercial hirer who ceases to hire out goods as a business shall—

- (a) give notice of that fact to the Commissioner;
- (b) lodge the return required to be lodged under this Division; and
- (c) pay the duty payable in connection with the return on or before the twenty-first day of the month after which the notice is given.

Penalty:

- (a) if the offender is a natural person—50 penalty units;
 - (b) if the offender is a body corporate—250 penalty units.
- (2) The notice cancels the commercial hirer's registration under this Division on the day on which it is received by the Commissioner but does not affect any accrued liability of the hirer.

64U. Duty base

- (1) Subject to subsection (2), duty payable by a commercial hirer under this Part shall be assessed on the total amount of hiring charges received in a month by the hirer.
- (2) A registered commercial hirer may, with the approval in writing of the Commissioner, choose to have duty assessed on the total amount of hiring charges receivable by the hirer in a month.
- (3) A registered commercial hirer may, with the approval in writing of the Commissioner, change the basis (as between a receipts basis and an accruals basis) from month to month but shall not change the basis within a month.
- (4) If approval is given, the Commissioner may make any consequential adjustment and for that purpose may issue an assessment for duty or make a refund of duty.
- (5) The first return lodged by the registered commercial hirer after the basis is changed shall include any hiring charges that would not otherwise be accounted for because of the change of basis.
- (6) If a commercial hirer incurs a bad debt in relation to a hiring charge included in an invoice on which duty has been assessed and paid, the bad debt may be deducted from the amount of the hiring charges for the month in which the bad debt is written off.

64V. Monthly returns and payment of duty

Where in respect of a month hiring charges are received or receivable by a commercial hirer (whether or not the hirer is registered under this Division) in relation to—

- (a) an equipment financing arrangement;

- (b) a hiring (not being an equipment financing arrangement) where the amount of the charges for that hiring exceeds the duty-free threshold; or
- (c) an equipment financing arrangement and a hiring (not being an equipment financing arrangement) whether or not the amount of the charges for that hiring exceeds the duty-free threshold;

the hirer shall, on or before the twenty-first day of the following month—

- (d) lodge a return in the approved form showing the total amount of those charges distinguishing between charges in relation to equipment financing arrangements and any charges in respect of any other type of hiring; and
- (e) pay to the Commissioner as duty—
 - (i) an amount equal to the determined amount (if any) that is applicable to the charges referred to in the return; or
 - (ii) if the return distinguishes between different types of hiring charges—an amount equal to the total of each determined amount (if any) that is applicable to the amount of each type of hiring charges referred to in the return.

64W. Returns of related bodies corporate

- (1) A single return may be lodged on behalf of 2 or more commercial hirers that are related bodies corporate.
- (2) The duty-free threshold applies to the aggregated hiring charges required to be included in such a single return.
- (3) The duty-free threshold does not apply individually to the hiring charges of each commercial hirer included in the return.
- (4) If 2 or more commercial hirers that are related bodies corporate lodge individual returns for the same month, the duty-free threshold applies to the hiring charges of only 1 of them.
- (5) The commercial hirers referred to in subsection (3) may in writing nominate to the Commissioner which of them is to be subject to the duty-free threshold.

64X. Refunds—error as to place of use of goods

If, when duty under this Part is paid on the hire of goods, the Territory is not or has ceased to be the place of use of the goods, the Commissioner may refund the duty paid in error on evidence that the equivalent amount of duty has been paid under a corresponding law.

Division 3—What arrangements apply to other persons?

64Y. Statement of transaction

(1) Where hiring charges are paid or payable to a person who is not a commercial hirer in relation to a transaction that is—

- (a) an equipment financing arrangement; or
- (b) a hiring (not being an equipment financing arrangement) where the amount of the charges for that hiring exceed the duty-free threshold;

the person shall, subject to subsection (3), make out a written statement relating to that transaction that specifies—

- (c) the name and address of each party;
- (d) a description of the goods;
- (e) the commencement date and the term of the hire;
- (f) the hiring charges (including any residual payment) paid or payable over the term of the hire; and
- (g) the intervals at which the hiring charges are paid or payable.

(2) The written statement shall be made out—

- (a) when the person hiring out the goods receives the first (or only) payment of hiring charges; or
- (b) when the hiring charges become payable;

whichever first occurs.

(3) The person hiring out the goods is not required to make out a statement if he or she retains a copy of a written agreement which incorporates the terms of a transaction referred to in subsection (1) and specifies the matters referred to in paragraphs (1) (c) to (g) (inclusive).

Penalty:

- (a) if the offender is a natural person—10 penalty units;
- (b) if the offender is a body corporate—50 penalty units.

64Z. Lodgment of statement and payment of duty

(1) Within 30 days after the written statement is required to be made out, the person hiring out the goods shall—

- (a) subject to subsection (2), lodge the statement; and
- (b) pay to the Commissioner as duty an amount equal to the determined amount that is applicable to the charges specified in the statement.

Penalty:

- (a) if the offender is a natural person—50 penalty units;
- (b) if the offender is a body corporate—250 penalty units.

(2) Where the terms of a transaction referred to in subsection 64Y (1) are incorporated in a written agreement which specifies the matters referred to in paragraphs 64Y (1) (c) to (g) (inclusive), the person hiring out the goods may lodge a copy of the agreement instead of a statement.

(3) The person hiring out the goods and the person to whom the goods are hired are jointly and severally liable to pay duty in accordance with this section.

(4) The person to whom the goods are hired may, at any time, make out and lodge a statement and pay duty in accordance with this section.

64ZA. Apportionment of duty

(1) Where goods are used, or will be used, under a single hiring arrangement in more than 1 State or Territory, the person who hires out the goods shall apportion the hiring charges between each State or Territory according to the proportion of use in each State or Territory.

(2) Where hiring charges are to be apportioned in accordance with subsection (1), particulars of that apportionment shall be recorded—

- (a) in any document which sets out the terms of the hiring arrangement between the parties; or
- (b) by the person who hires out the goods in a form which enables those particulars to be readily identified with the parties to the arrangement and the date the arrangement was entered into.

(3) The Commissioner, if satisfied that goods described in a written statement may be used in more than 1 State or Territory during the term of the hire, may assess duty on an estimate of that part of the term in which the goods are likely to be used in the Territory.
