- (g) the lessee pays the determined fee;

the Executive shall grant the lessee a further lease of the land to commence on the day of the grant.

Lessee's rights in respect of improvements

173. (1) In this section—

“improvement” means a building or a structure but does not include a building or structure, or a part of a building or structure—

- (a) that has been constructed, erected or installed without an approval or authorisation required under a law of the Territory;
or
- (b) that has been constructed, erected or installed at the cost of the Territory or the Commonwealth unless the Territory or the

Commonwealth has received, or is entitled to receive, payment for the building, structure or part;

“lessee”, in relation to a lease which has been terminated or surrendered or in relation to a lease the term of which has expired, means the person who was the lessee under the lease at the time of the termination or surrender or at the time of the expiration of the term, as the case may be.

(2) Where, upon the expiration of the term of a lease of Territory Land upon which there are improvements, the lessee is granted a further lease of that land or any part of it, he or she shall not be liable to make any payment to the Executive for the improvements on the land or part of the land, as the case may be.

(3) Subject to subsections (4) and (8), where, upon the expiration of the term of a lease of Territory Land upon which there are improvements, the lessee is not granted a further lease of the land, or is granted a lease of part only of the land, the Executive shall be liable to pay the lessee—

- (a) where no further lease of the land is granted to the lessee—the amount determined by the Minister to be the value of the improvements on the land; or
- (b) where a further lease of part only of the land is granted to the lessee—the amount determined by the Minister to be the value of the improvements on the part of the land not so leased.

(4) If, prior to the expiration of the term of a lease of Territory Land, the Executive declares the land comprised in the lease, or any part of it, to be available for lease and the lessee does not, before the expiration of 6 months after the expiration of the term, elect to take a further lease of the land or part, there shall be deducted from the amount payable to the lessee under this section the amount of such expenditure as the Executive reasonably incurs in connection with the grant to any other person of a lease of that land or part.

(5) Subject to subsections (6), (7) and (8), where a lease is terminated or surrendered the provisions of this section relating to the payment to the lessee of the value of the improvements on the land comprised in the lease upon the expiration of the term shall (so far as applicable) apply as if the term of the lease had expired on the day of the termination or surrender.

(6) Subsection (5) applies in respect of a lease only if the lessee has fully complied with the provisions (if any) of the lease relating to the erection of a building on the land comprised in the lease.

(7) There shall be deducted from any sum payable pursuant to subsection (5) in respect of the value of improvements on the land comprised in a lease which has been terminated or surrendered the amount of such expenditure as the Minister determines has been incurred by the Territory in connection with the termination or surrender of the lease and the grant (if any) of a further lease of the land or any part of it.

(8) Subsections (3) and (5) apply in respect of a lease subject to any provisions of the lease that preclude or limit the right of the lessee to payment in respect of improvements on the land comprised in the lease.

Determination of value of improvements

174. (1) In this section—

“lessee” has the same meaning as in section 173;

“market value”, in relation to improvements on land, means the amount by which the improvements increase the value of the lease of the land, assuming that the lease, together with the improvements, were offered for sale on the open market on the day immediately before the prescribed day on such reasonable terms and conditions as a *bona fide* seller might require;

“prescribed day”, in relation to land a lease of which has expired, or has been terminated or surrendered, means the day of expiry, determination or surrender, as the case may be.

(2) Where compensation is payable under section 173 in respect of improvements, the Minister shall, as soon as practicable after the day that is the prescribed day in relation to the land on which the improvements are situated, by instrument determine, in accordance with this section, the market value of the improvements on the land as at the prescribed day.

(3) Where compensation is payable under subsection 173 (3), the Minister shall, in valuing the improvements, assume that the lease of the land had been renewed subject to the same provisions, and for the same term, as the lease which has expired.

(4) Where compensation is payable under subsection 173 (5), the Minister shall, in valuing the improvements, assume that the lease of the land had not been terminated or surrendered.

the lessee may, within 28 days after receiving the notice under subsection 176 (1) relating to the variation, serve on the Minister a request in writing that he or she review the variation.

(2) The making of a request under subsection (1) does not affect the operation of the variation to which the request relates or prevent the taking of action to implement the variation.

(3) Where a request is made under subsection (1), the Minister shall review the variation to which the request relates and may confirm the variation or set it aside and substitute such other variation as the Minister considers appropriate.

- (b) that the occupier of the unit that is held under the lease will not, as occupier, be substantially inconvenienced by works being carried out, or that are to be carried out, in compliance with a building and development provision to which the lease of the common property or another unit contained in the same subdivision under the *Unit Titles Act 1970* is subject.
