Republication No 33

Effective: 22 February 2023 – 14 May 2025

Republication date: 22 February 2023

Last amendment made by [A2023-1](#)

About this republication

The republished law

This is a republication of the *Animal Welfare Act 1992* (including any amendment made under the [Legislation Act 2001](#), part 11.3 (Editorial changes)) as in force on 22 February 2023. It also includes any commencement, amendment, repeal or expiry affecting this republished law to 22 February 2023.

The legislation history and amendment history of the republished law are set out in endnotes 3 and 4.

Kinds of republications

The Parliamentary Counsel's Office prepares 2 kinds of republications of ACT laws (see the ACT legislation register at www.legislation.act.gov.au):

- authorised republications to which the [Legislation Act 2001](#) applies
- unauthorised republications.

The status of this republication appears on the bottom of each page.

Editorial changes

The [Legislation Act 2001](#), part 11.3 authorises the Parliamentary Counsel to make editorial amendments and other changes of a formal nature when preparing a law for republication. Editorial changes do not change the effect of the law, but have effect as if they had been made by an Act commencing on the republication date (see [Legislation Act 2001](#), s 115 and s 117). The changes are made if the Parliamentary Counsel considers they are desirable to bring the law into line, or more closely into line, with current legislative drafting practice.

This republication does not include amendments made under part 11.3 (see endnote 1).

Uncommenced provisions and amendments

If a provision of the republished law has not commenced, the symbol **U** appears immediately before the provision heading. Any uncommenced amendments that affect this republished law are accessible on the ACT legislation register (www.legislation.act.gov.au). For more information, see the home page for this law on the register.

Modifications

If a provision of the republished law is affected by a current modification, the symbol **M** appears immediately before the provision heading. The text of the modifying provision appears in the endnotes. For the legal status of modifications, see the [Legislation Act 2001](#), section 95.

Penalties

At the republication date, the value of a penalty unit for an offence against this law is \$160 for an individual and \$810 for a corporation (see [Legislation Act 2001](#), s 133).

Animal Welfare Act 1992

An Act for the promotion of animal welfare, and for related purposes

Part 1 Preliminary

1 Name of Act

This Act is the *Animal Welfare Act 1992*.

2 Dictionary

The dictionary at the end of this Act is part of this Act.

Note 1 The dictionary at the end of this Act defines certain terms used in this Act, and includes references (*signpost definitions*) to other terms defined elsewhere.

For example, the signpost definition ‘*native animal*—see the [Nature Conservation Act 2014](#), section 12.’ means that the term ‘native animal’ is defined in that section and the definition applies to this Act.

Note 2 A definition in the dictionary (including a signpost definition) applies to the entire Act unless the definition, or another provision of the Act, provides otherwise or the contrary intention otherwise appears (see [Legislation Act](#), s 155 and s 156 (1)).

3 Notes

A note included in this Act is explanatory and is not part of this Act.

Note See the [Legislation Act](#), s 127 (1), (4) and (5) for the legal status of notes.

4 Offences against Act—application of Criminal Code etc

Other legislation applies in relation to offences against this Act.

Note 1 Criminal Code

The [Criminal Code](#), ch 2 applies to all offences against this Act (see Code, pt 2.1).

The chapter sets out the general principles of criminal responsibility (including burdens of proof and general defences), and defines terms used for offences to which the Code applies (eg *conduct*, *intention*, *recklessness* and *strict liability*).

Note 2 Penalty units

The [Legislation Act](#), s 133 deals with the meaning of offence penalties that are expressed in penalty units.

4A Objects of Act

- (1) The main objects of this Act are to recognise that—
 - (a) animals are sentient beings that are able to subjectively feel and perceive the world around them; and
 - (b) animals have intrinsic value and deserve to be treated with compassion and have a quality of life that reflects their intrinsic value; and
 - (c) people have a duty to care for the physical and mental welfare of animals.
- (2) This is to be achieved particularly by—
 - (a) promoting and protecting the welfare of animals; and
 - (b) providing for the proper and humane care, management and treatment of animals; and
 - (c) deterring and preventing animal cruelty and the abuse and neglect of animals; and
 - (d) enforcing laws about the matters mentioned in paragraphs (a), (b) and (c).

5 Animal Welfare Authority

The director-general must appoint a public servant as the Animal Welfare Authority.

Note 1 For the making of appointments (including acting appointments), see the [Legislation Act](#), pt 19.3.

Note 2 In particular, an appointment may be made by naming a person or nominating the occupant of a position (see [Legislation Act](#), s 207).

6 Delegation by authority

- (1) The authority may delegate to a public servant or another person a function given to the authority under this Act.

Note For the making of delegations and the exercise of a delegated function, see the [Legislation Act](#), pt 19.4.

- (2) However, the authority must not delegate a function to a person who is not a public servant without first being satisfied that the function needs to be exercised by a person who is not a public servant.
