About this republication

The republished law

This is a republication of the *Electoral Act 1992* (including any amendment made under the *Legislation Act 2001*, part 11.3 (Editorial changes)) as in force on 17 September 2002. It also includes any amendment, repeal or expiry affecting the republished law to 17 September 2002.

The legislation history and amendment history of the republished law are set out in endnotes 3 and 4.

Kinds of republications

The Parliamentary Counsel's Office prepares 2 kinds of republications of ACT laws (see the ACT legislation register at www.legislation.act.gov.au):

- authorised republications to which the *Legislation Act 2001* applies
- unauthorised republications.

The status of this republication appears on the bottom of each page.

Editorial changes

The *Legislation Act 2001*, part 11.3 authorises the Parliamentary Counsel to make editorial amendments and other changes of a formal nature when preparing a law for republication. Editorial changes do not change the effect of the law, but have effect as if they had been made by an Act commencing on the republication date (see *Legislation Act 2001*, s 115 and s 117). The changes are made if the Parliamentary Counsel considers they are desirable to bring the law into line, or more closely into line, with current legislative drafting practice.

This republication includes amendments made under part 11.3 (see endnote 1).

Uncommenced provisions and amendments

If a provision of the republished law has not commenced or is affected by an uncommenced amendment, the symbol **U** appears immediately before the provision heading. The text of the uncommenced provision or amendment appears only in the last endnote.

Modifications

If a provision of the republished law is affected by a current modification, the symbol **M** appears immediately before the provision heading. The text of the modifying provision appears in the endnotes. For the legal status of modifications, see *Legislation Act 2001*, section 95.

Penalties

The value of a penalty unit for an offence against this republished law at the republication date is—

- (a) if the person charged is an individual—\$100; or
- (b) if the person charged is a corporation—\$500.

Australian Capital Territory

Electoral Act 1992

An Act to provide for elections of members of the Legislative Assembly
and related matters

Preamble

- 1 On 15 February 1992 a referendum was held to enable the electors of the Territory to choose which of 2 voting systems is to be used at future elections for the Legislative Assembly.
- 2 The electors chose the proportional representation (Hare-Clark) system as outlined in the Referendum Options Description Sheet set out in the *Australian Capital Territory (Electoral) Act 1988* (Cwlth), schedule 3.
- 3 The electoral system chosen by the electors includes the system of rotation of the positions of candidates' names on ballot papers known as the Robson Rotation.
- 4 The Legislative Assembly wishes to enact legislation to implement the electoral system chosen by the electors as soon as it is convenient to do so.

The Legislative Assembly for the Australian Capital Territory therefore enacts as follows:

Part 1 Preliminary

1 Name of Act

This Act is the *Electoral Act 1992*.

3 Dictionary

The dictionary at the end of this Act is part of this Act.

Note 1 The dictionary at the end of this Act defines certain words and expressions used in this Act, and includes references (*signpost definitions*) to other words and expressions defined elsewhere in this Act or in other legislation.

For example, the signpost definition '*electoral matter*—see section 4 (Meaning of *electoral matter*).' means that the expression 'electoral matter' is defined in that section and the definition applies to the entire Act.

Note 2 A definition in the dictionary (including a signpost definition) applies to the entire Act unless the definition, or another provision of the Act, provides otherwise or the contrary intention otherwise appears (see *Legislation Act 2001*, s 155 and s 156 (1)).

4 Meaning of *electoral matter*

- (1) In this Act, *electoral matter* is matter, in printed or electronic form, that is intended or likely to affect voting at an election.
- (2) Without limiting subsection (1), matter is taken to be intended or likely to affect voting at an election if it contains an express or implicit reference to, or comment on—
 - (a) the election; or
 - (b) the performance of the Government or Opposition, or a previous Government or Opposition; or
 - (c) the performance of an MLA or former MLA; or

- (d) the performance of a political party, ballot group, candidate or group of candidates in the election; or
- (e) an issue submitted to, or otherwise before, the electors in relation to the election.

4A Meaning of *available for public inspection*

If a provision of this Act requires the commissioner to make a document, a copy of a document or a register available for public inspection, the commissioner must make the document, a copy or register available for inspection by members of the public at the commissioner's office during ordinary business hours.

Schedule 3 Preliminary scrutiny of declaration voting papers

(see s 179)

1 In this schedule:

envelope means an envelope on which appears a declaration, in the form approved under section 340A (Approved forms) for the declaration, made by an elector for the purpose of casting a declaration vote.

2 The OIC of a scrutiny centre shall arrange for a preliminary scrutiny at the centre to be conducted in accordance with this schedule.

4 An officer shall produce—

- (a) each set of declaration voting papers at the centre; and
- (b) each written application for a postal vote to which any of those papers relate;

that has not been dealt with at an earlier preliminary scrutiny.

5 An officer shall sort the declaration voting papers to which the preliminary scrutiny relates into the following groups:

- (a) 1 group containing papers to which clause 6 applies;
- (b) 1 group containing the remainder.

6 (1) In this clause:

relevant provision means—

- (a) for a vote under section 135—section 135 (4); or
- (b) for a vote under section 136A—section 136A (8); or

-
- (c) for a vote under section 136B—section 135 (4) as applied by section 136B (18); or
- (d) for a vote under section 136C—section 135 (4) as applied by section 136C (8).
- (2) This clause applies to a set of declaration voting papers if the officer is satisfied that—
- (a) the signature on the declaration is that of the elector; and
- (b) the certificate by the witness is in accordance with the relevant provision; and
- (c) for a postal vote if the papers were posted to the commissioner—the papers were so posted before the close of the poll; and
- (d) for the vote of an Antarctic elector—the envelope referred to in section 176 (1) (c) is endorsed and signed by an authorised officer in accordance with that paragraph.
- (3) For subclause (2) (b), if an officer referred to in section 135 (4) omits to sign the certificate, the certificate shall nevertheless be taken to be in accordance with the relevant provision, if—
- (a) the issue of the relevant declaration voting papers was recorded under division 10.3 or 10.4; and
- (b) the OIC is satisfied the papers were properly issued to the elector.
- 7 An officer shall sort the declaration voting papers to which clause 6 applies into the following groups:
- (a) 1 group containing envelopes on which appear declarations by electors enrolled for the electorate indicated in the declaration;
- (b) 1 group containing the remainder.
- 8 An officer shall sort the remaining declaration voting papers referred to in clause 7 (b) into the following groups:

- (a) 1 group containing papers to which clause 9 applies;
 - (b) 1 group containing the remainder.
- 9 This clause applies to a set of declaration voting papers if the OIC is satisfied that—
- (a) the elector who signed the declaration was, when the roll closed for the election, entitled to be enrolled; and
 - (b) the omission of the elector's name from the roll resulted from an official error.
- 10 (1) An officer shall withdraw the ballot papers from the envelopes in the groups of declaration voting papers to which clause 7 (a) or 9 applies and, without unfolding or inspecting the ballot papers or allowing any other person to do so, admit them to scrutiny under section 183.
- (2) If 2 or more sets of papers to which clause 7 (a) or 9 applies are in the name of a particular elector—
- (a) the OIC shall determine which set shall be dealt with in accordance with subclause (1); and
 - (b) the remaining set shall be set aside.
- (3) The OIC shall ensure that ballot papers referred to in subclause (1) are kept in a separate sealed ballot box until they are dealt with under section 183.
- 11 The OIC shall, in accordance with clauses 4 to 10, conduct a further scrutiny of the groups of remaining declaration voting papers to which clause 5 (b) or 8 (b) apply and, if there are any papers to which either paragraph applies after the further scrutiny, the OIC shall—
- (a) reject them from further scrutiny; and
 - (b) seal them, together with any papers to which clause 10 (2) (b) applies, in a parcel endorsed with a description of the contents, the name of the electorate and the date.

Schedule 4 Ascertaining result of poll

(see s 185)

Part 4.1 Preliminary

1 Interpretation for sch 4

(1) In this schedule:

ballot paper means a ballot paper that is formal under part 12.

continuing candidate means a candidate, other than a successful candidate, an excluded candidate or a candidate who died before polling day.

count means an allotment of votes under clause 3 (1), 6 (3), 9 (2) (c) or 14 (2).

count votes, in relation to a candidate, is the number of votes calculated as follows (any fraction being disregarded):

$$BP \times TV$$

where:

BP means the number of ballot papers to be dealt with at a count that record the next available preference for the candidate.

TV means the transfer value of those ballot papers.

excluded candidate means a candidate excluded under clause 8.

next available preference means the next highest preference recorded for a continuing candidate on a ballot paper.

quota means the quota of an electorate for an election and is calculated as follows (any fraction being disregarded):

$$\frac{BP}{N+1} + 1$$

where:

BP means the number of ballot papers for the election.

N means the number of positions to be filled at the election.

successful candidate means a candidate who is successful under clause 3, 4, 6, 9 or 14.

surplus, in relation to a successful candidate, means the candidate's total votes less the quota, if the resulting number of votes is 1 or greater.

total votes, in relation to a candidate, means the sum of all votes allotted to the candidate.

transfer value, in relation to a ballot paper, is—

- (a) in relation to the allotment of votes from the surplus of a successful candidate—for ballot papers that specify a next available preference, subject to subclause (2), the value calculated as follows:

$$\frac{S}{CP}$$

where:

S means the surplus.

CP means the number of ballot papers counted for the candidate at the count at which he or she became successful and that specify a next available preference; or

- (b) in relation to the allotment of votes under clause 9 (2) (c)—
- (i) for ballot papers in relation to which votes were allotted to the excluded candidate under clause 3—1; or

- (ii) for ballot papers in relation to which count votes were allotted to the excluded candidate under clause 6 (3) or 9 (2) (c)—the transfer value of the ballot papers when counted for the purpose of that allotment.
- (2) If, but for this subclause, the transfer value of a ballot paper calculated in accordance with subsection (1), definition of *transfer value*, paragraph (a) would be greater than the transfer value of the ballot paper when counted for the successful candidate, the transfer value of that ballot paper is the lastmentioned transfer value.

2 Disregarding preferences

- (1) This clause applies if effect is to be given to preferences indicated in candidate squares on a ballot paper under section 180.
- (2) If the same number is marked in 2 or more candidate squares on a ballot paper, those numbers and any greater number shall be disregarded in determining the elector's preferences.
- (3) If a number is missing from the series of consecutive whole numbers marked in the candidate squares on a ballot paper, the missing number and any greater number shall be disregarded in determining the elector's preferences.

Part 4.2 General

3 **First preferences**

- (1) For each ballot paper recording a first preference for a continuing candidate, 1 vote shall be allotted to the candidate.
- (2) For subclause (1), a ballot paper on which a first preference for a candidate who died before polling day is recorded shall be taken to record a first preference for the candidate for whom the next available preference is recorded.
- (3) After the allotment of votes under subclause (1), each continuing candidate's total votes shall be calculated and, if the votes equal or exceed the quota, the candidate is successful.

4 **Scrutiny to cease**

- (1) If, after a calculation under clause 3 (3), 6 (4) or 9 (2) (d), the number of successful candidates is equal to the number of positions to be filled, the scrutiny shall cease.
- (2) If, after a calculation under clause 3 (3) or 6 (4) or after all the ballot papers counted for an excluded candidate have been dealt with under clause 9—
 - (a) the number of continuing candidates is equal to the number of positions remaining to be filled; and
 - (b) no successful candidate has a surplus not already dealt with under clause 6;

each of those continuing candidates is successful and the scrutiny shall cease.

5 **Scrutiny to continue**

If the scrutiny has not ceased in accordance with clause 4 and—

- (a) 1 or more successful candidates have a surplus not already dealt with under clause 6—subject to clause 4, each surplus shall be dealt with in accordance with clause 6; or
- (b) there are no successful candidates with such a surplus—1 continuing candidate shall be excluded in accordance with clause 8 and the ballot papers counted for him or her shall be dealt with in accordance with clause 9.

6 Surplus votes

- (1) Subject to clause 7, this clause applies in relation to the surplus of a successful candidate.
- (2) Each ballot paper counted for the purpose of allotting votes to the successful candidate at the count at which the candidate became successful shall be dealt with as follows:
 - (a) if it does not specify a next available preference—it shall be set aside as finally dealt with for this part;
 - (b) if it specifies a next available preference—it shall be grouped according to the candidate for whom that preference is recorded.
- (3) The count votes for each continuing candidate shall be determined and allotted to him or her.
- (4) After the allotment under subclause (3), the continuing candidates' total votes shall be calculated and, if the total votes of a candidate equal or exceed the quota, the candidate is successful.

7 More than 1 surplus

- (1) In this clause—
 - (a) a reference to a successful candidate is a reference to a successful candidate with a surplus not already dealt with under clause 6; and

- (b) a reference to the earliest count is a reference to the earliest count at which a successful candidate obtained a quota.
- (2) If there are 2 or more successful candidates, the surplus of the relevant candidate shall be dealt with in accordance with clause 6.
- (3) For subclause (2)—
- (a) if only 1 successful candidate obtained a quota at the earliest count—that candidate is the relevant candidate;
 - (b) if 2 or more successful candidates obtained a quota at the earliest count—the candidate who, of those candidates, has the largest surplus is the relevant candidate; or
 - (c) if 2 or more successful candidates (*contemporary candidates*) who obtained a quota at the earliest count have the same surplus, being a surplus larger than that of any other candidate who obtained a quota at that count and—
 - (i) 1 of the contemporary candidates had more total votes than any other contemporary candidate at the last count at which all the contemporary candidates had unequal total votes—that candidate; or
 - (ii) there is no count at which all the contemporary candidates had unequal total votes—the contemporary candidate who is determined by the commissioner by lot to be the relevant candidate;
- is the relevant candidate.
- (4) If—
- (a) a person becomes the relevant candidate under subclause (3) (c) (ii); and
 - (b) the ballot papers are recounted in accordance with section 187; and

- (c) the same candidates would, apart from this subclause, become the contemporary candidates once again under that subparagraph;

the person shall be taken to be the relevant candidate for subclause (2) in the recounting of those ballot papers.

8 Exclusion of candidates

- (1) If clause 5 or 15 requires a candidate to be excluded, the candidate with the least total votes shall be excluded.
- (2) If 2 or more candidates each have the same total votes, being fewer total votes than any other candidate and—

- (a) 1 of those candidates had fewer total votes than any other of those candidates at the last count at which all those candidates had unequal votes—that candidate; or
- (b) there is no count at which all those candidates had unequal total votes—the candidate who, of those candidates, is determined by the commissioner by lot to be the candidate to be excluded;

shall be excluded.

- (3) If—
- (a) a person is excluded under subclause (2) (b); and
- (b) the ballot papers are recounted in accordance with section 187; and
- (c) that paragraph would, apart from this subclause, be applicable once again to the same candidates;

the person shall be taken to be excluded in the recounting of those ballot papers.

9 Votes of excluded candidates

- (1) If a candidate is excluded in accordance with clause 8, the ballot papers counted for the candidate shall be sorted into groups according to their transfer values when counted for him or her.
- (2) Subject to subclause (3), each group under subclause (1) shall be dealt with as follows:
 - (a) if a ballot paper in the group does not specify a next available preference—it shall be set aside as finally dealt with for this part;
 - (b) if a ballot paper in the group specifies a next available preference—it shall be grouped according to the candidate for whom that preference is recorded;
 - (c) each continuing candidate's count votes shall be determined and allotted to him or her;
 - (d) continuing candidates' total votes shall be calculated and, if the votes of any of those candidates equal or exceed the quota, the candidate is successful.
- (3) The groups referred to in subclause (1) shall be dealt with under subclause (2) starting with the group with the highest transfer value and, subject to subclause 4 (1) or 15 (2), continuing in descending order until all the groups have been dealt with.

10 Setting aside ballot papers

If, after a calculation under clause 3 (3), 6 (4) or 9 (2) (d), the total votes of a candidate who became successful on that calculation equal the quota, the ballot papers counted for that candidate shall be set aside for this part.

Part 4.3 **Casual vacancies**

11 **Application**

- (1) This part applies in relation to the vacancy in the seat of a former MLA that is to be filled by recount under section 194.
- (2) For this part—
 - (a) *continuing candidate* means a candidate within the meaning of part 13, but does not include a candidate who died before the recount for the purposes of this part began; and
 - (b) the quota is calculated under clause 12; and
 - (c) the transfer value is determined under clause 13.

12 **Quota**

- (1) For this part, the quota, in relation to a count, is calculated as follows:
