About this republication

The republished law

This is a republication of the *Fair Trading (Fuel Prices) Act 1993* (including any amendment made under the *Legislation Act 2001*, part 11.3 (Editorial changes)) as in force on 12 April 2007. It also includes any amendment, repeal or expiry affecting the republished law to 12 April 2007.

The legislation history and amendment history of the republished law are set out in endnotes 3 and 4.

Kinds of republications

The Parliamentary Counsel's Office prepares 2 kinds of republications of ACT laws (see the ACT legislation register at www.legislation.act.gov.au):

- authorised republications to which the *Legislation Act 2001* applies
- unauthorised republications.

The status of this republication appears on the bottom of each page.

Editorial changes

The *Legislation Act 2001*, part 11.3 authorises the Parliamentary Counsel to make editorial amendments and other changes of a formal nature when preparing a law for republication. Editorial changes do not change the effect of the law, but have effect as if they had been made by an Act commencing on the republication date (see *Legislation Act 2001*, s 115 and s 117). The changes are made if the Parliamentary Counsel considers they are desirable to bring the law into line, or more closely into line, with current legislative drafting practice.

This republication does not include amendments made under part 11.3 (see endnote 1).

Uncommenced provisions and amendments

If a provision of the republished law has not commenced or is affected by an uncommenced amendment, the symbol **U** appears immediately before the provision heading. The text of the uncommenced provision or amendment appears only in the last endnote.

Modifications

If a provision of the republished law is affected by a current modification, the symbol **M** appears immediately before the provision heading. The text of the modifying provision appears in the endnotes. For the legal status of modifications, see *Legislation Act 2001*, section 95.

Penalties

The value of a penalty unit for an offence against this republished law at the republication date is—

- (a) if the person charged is an individual—\$100; or
- (b) if the person charged is a corporation—\$500.

- (4) The Minister must also publish the determination in a newspaper circulating generally in the ACT.

5 Price offences

Maximum penalty: 50 penalty units, imprisonment for 6 months or both.

6 Power to obtain information

- (1) Where the commissioner believes, on reasonable grounds, that—
- (a) a person is a prescribed person; and
 - (b) that person is capable of furnishing information that the commissioner considers to be necessary in connection with making a recommendation in relation to a particular fuel;

the commissioner may by notice served on that person, require the person to furnish to the commissioner, within the time and in the

manner specified in the notice, such information as is specified in the notice.

- (2) A person shall not—
- (a) without reasonable excuse, fail to comply with a notice under subsection (1); or
 - (b) in purported compliance with such a notice, knowingly furnish information that is false or misleading.

- (a) a person, whether within or outside the Territory, who supplies fuel in the Territory; or
- (b) a person, whether within or outside the Territory, who is a party to an agreement, arrangement or understanding that may affect or be connected with the price, or supply, of fuel in the Territory.

supply means to supply (including resupply), or to offer to supply, by way of sale (whether by wholesale or by retail) or exchange.

7 Use of information

- (1) Information furnished to the commissioner by a person in accordance with a requirement under section 6 (1) shall not, without reasonable excuse, be used otherwise than in connection with a recommendation or a determination under this Act.

- (2) A person who contravenes subsection (1) commits an offence.
Maximum penalty: 50 penalty units, imprisonment for 6 months or both.
- (3) Subsection (1) does not apply to the communication of information, or the production of a document, to a court for the purposes of proceedings for an alleged offence against section 6 (2) (a) or (b).

8 When a volume of fuel must be temperature converted

- (1) The volume of a fuel in a regulated transfer must be measured or calculated as if the fuel were at the temperature of 15°C.
- (2) A person must not, without reasonable excuse, authorise a regulated transfer in which—
- (a) the volume of the fuel is measured or calculated contrary to subsection (1); or
 - (b) the price or value of the fuel transferred is fixed by reference to a volume measured or calculated contrary to subsection (1).

Maximum penalty (subsection (2)): 50 penalty units, imprisonment for 6 months or both.

9 Section 8 must not be circumvented

- (1) Section 8 applies even if there is an agreement or understanding to the contrary.
- (2) A provision in an agreement is void so far as it is inconsistent with section 8 or a right or remedy arising from the section.
- (3) Section 8 applies even if the proper law of the agreement is that of another jurisdiction.
- (4) Nothing in section 8 affects the operation of an agreement so far as it can operate consistently with that section.

10 Record of temperature converted volume

- (1) This section applies to a person (the *supplier*) who authorises the delivery of a regulated transfer of a fuel to another person (the *recipient*).
- (2) The supplier must ensure that at the time of the delivery, or as soon as practicable after the delivery, the recipient is given a statement that includes the following information:
 - (a) the kind of the fuel;
 - (b) the volume of the fuel loaded into a container (including, for example, a petrol tanker) for consignment to the recipient;
 - (c) the temperature of the fuel at the time it is loaded for consignment;
 - (d) the volume of the fuel loaded for consignment measured or calculated as if the fuel were at the temperature of 15°C;
 - (e) whether, after the fuel has been loaded for consignment, a quantity of fuel has been added to or removed from the consignment;
 - (f) any other information prescribed under the regulations for this paragraph.
- (3) A person must not, without reasonable excuse, contravene subsection (2).

Maximum penalty: 50 penalty units, imprisonment for 6 months or both.

- (4) This section does not prevent the volume of the fuel being measured or calculated as if the fuel were at the temperature of 15°C at the time of its delivery to the recipient.

Example

If only part of a single consignment of a fuel is delivered to the recipient, the volume supplied may be measured through or by a device that measures or calculates the volume of fuel delivered as if it were at the temperature of 15°C.

11 Charging for temperature conversion of fuel prohibited

A person must not authorise the delivery of a regulated transfer of a fuel to another person if a charge or some other form of consideration is either directly or indirectly made or otherwise required for complying with—

- (a) section 8 (1) (When a volume of fuel must be temperature converted); or
- (b) section 10 (2) (Record of temperature converted volume).
