## About this republication

### The republished law

This is a republication of the *Financial Management Act 1996* (including any amendment made under the *Legislation Act 2001*, part 11.3 (Editorial changes)) as in force on 1 July 2012. It also includes any commencement, amendment, repeal or expiry affecting this republished law to 1 July 2012.

The legislation history and amendment history of the republished law are set out in endnotes 3 and 4.

### Kinds of republications

The Parliamentary Counsel's Office prepares 2 kinds of republications of ACT laws (see the ACT legislation register at [www.legislation.act.gov.au](http://www.legislation.act.gov.au)):

- authorised republications to which the *Legislation Act 2001* applies
- unauthorised republications.

The status of this republication appears on the bottom of each page.

### Editorial changes

The *Legislation Act 2001*, part 11.3 authorises the Parliamentary Counsel to make editorial amendments and other changes of a formal nature when preparing a law for republication. Editorial changes do not change the effect of the law, but have effect as if they had been made by an Act commencing on the republication date (see *Legislation Act 2001*, s 115 and s 117). The changes are made if the Parliamentary Counsel considers they are desirable to bring the law into line, or more closely into line, with current legislative drafting practice.

This republication includes amendments made under part 11.3 (see endnote 1).

### Uncommenced provisions and amendments

If a provision of the republished law has not commenced, the symbol **U** appears immediately before the provision heading. Any uncommenced amendments that affect this republished law are accessible on the ACT legislation register ([www.legislation.act.gov.au](http://www.legislation.act.gov.au)). For more information, see the home page for this law on the register.

### Modifications

If a provision of the republished law is affected by a current modification, the symbol **M** appears immediately before the provision heading. The text of the modifying provision appears in the endnotes. For the legal status of modifications, see the *Legislation Act 2001*, section 95.

### Penalties

At the republication date, the value of a penalty unit for an offence against this law is \$110 for an individual and \$550 for a corporation (see *Legislation Act 2001*, s 133).

## Financial Management Act 1996

---

An Act to provide for the financial management of the government of the Territory, to provide for the scrutiny of that management by the Legislative Assembly, to specify financial reporting requirements for the government of the Territory, and for related purposes

---

## Part 1 Preliminary

### 1 Name of Act

This Act is the *Financial Management Act 1996*.

### 2 Act subject to Territory Superannuation Provision Protection Act

This Act is subject to the *Territory Superannuation Provision Protection Act 2000*.

### 3 Dictionary

The dictionary at the end of this Act is part of this Act.

*Note 1* The dictionary at the end of this Act defines certain terms used in the Act, and includes references (*signpost definitions*) to other terms defined elsewhere in this Act or in other legislation.

For example, the signpost definition '*superannuation appropriation*—see the *Territory Superannuation Provision Protection Act 2000*, dictionary.' means that the term 'superannuation appropriation' is defined in that dictionary and the definition applies to this Act.

*Note 2* A definition in the dictionary (including a signpost definition) applies to the entire Act unless the definition, or another provision of the Act, provides otherwise or the contrary intention otherwise appears (see Legislation Act, s 155 and s 156).

### 3A Notes

A note included in this Act is explanatory and is not part of the Act.

*Note* See the Legislation Act, s 127 (1), (4) and (5) for the legal status of notes.

### 3B Declaration that certain bodies are not territory authorities for Act

- (1) The Treasurer may declare that a stated body is not a territory authority for this Act or a stated provision of this Act.

- (2) A declaration is a notifiable instrument.

*Note* A notifiable instrument must be notified under the Legislation Act.

**4 Application of pts 2 to 5 to Office of the Legislative Assembly**

Unless the contrary intention appears, the provisions of parts 2 to 5 apply to the Office of the Legislative Assembly as if—

- (a) a reference in those provisions to a directorate included a reference to the office; and
- (b) a reference in those provisions to the responsible Minister of a directorate were a reference to the Speaker; and
- (c) a reference in those provisions to the responsible director-general of a directorate included a reference to the clerk of the Legislative Assembly.

## **Part 2 Budget management**

### **Division 2.1 Appropriations and budgets**

#### **5 Timing of first Appropriation Bill for financial year**

Except as otherwise provided by a resolution of the Legislative Assembly, the first Appropriation Bill relating to a financial year must be introduced into the Legislative Assembly not later than 3 months after the beginning of the financial year.

#### **6 Necessity for appropriation**

No payment of public money must be made otherwise than in accordance with an appropriation.

#### **7 Payments authorised on lapse of appropriation**

If, before the end of a financial year, no Act other than this Act has been passed appropriating public money to meet the requirements of the next financial year, the Treasurer may pay the amounts necessary to meet those requirements subject to the following provisions:

- (a) the authority of the Treasurer under this section ceases on the commencement of the first Appropriation Act for the next financial year;
- (b) on that commencement all payments made under this section for the next financial year are taken for all purposes to have been paid out of money appropriated by that Act;
- (c) the payments made under this section for any purpose must not exceed, in total,  $\frac{1}{2}$  of the amount appropriated by Appropriation Acts for the immediately previous financial year for that purpose.

## **8 Form of appropriations**

- (1) An Appropriation Act may make separate appropriations in relation to each directorate for—
  - (a) the provision of outputs by the directorate; and
  - (b) any capital injection to be provided to the directorate; and
  - (c) any payments to be made by the directorate on behalf of the Territory.
- (2) An Appropriation Act may make separate appropriations in relation to a territory authority or territory-owned corporation for—
  - (a) the provision of outputs by the authority or corporation; and
  - (b) any capital injection to be provided to the authority or corporation.
- (3) There must be a separate Appropriation Act for an appropriation for the Office of the Legislative Assembly.

## **9 Net appropriations for outputs**

- (1) An appropriation for the provision of outputs may be expressed to be made for the net cost of providing the outputs.
- (2) Despite section 6, if an appropriation for a directorate is stated to be made for the net cost of providing outputs, the directorate may apply the following in paying the expenses and liabilities of the directorate in providing the outputs:
  - (a) the payments it is entitled to receive otherwise than under an Appropriation Act for providing the outputs;
  - (b) the value of the input tax credits to which it is entitled for taxable supplies in relation to providing the outputs.
- (3) To remove any doubt, it is declared that, if the appropriations made by an Appropriation Act for a directorate do not state an amount, or state an '0' appropriation, for the provision of outputs by the

directorate, the appropriations have effect as if they included an appropriation stated to be made for the provision of outputs by the directorate at no net cost to the Territory.

### **9A Net appropriations for capital injections**

- (1) An appropriation for a capital injection may be stated to be made for, or partly for, the net cost of purchasing or developing assets.
- (2) Despite section 6, if an appropriation is stated to be made for, or partly for, the net cost of purchasing or developing assets, the value of the input tax credits to which the relevant entity is entitled for taxable supplies in relation to purchasing or developing the assets may be applied by the entity in paying the expenses and liabilities of the entity in purchasing or developing the assets.
- (3) In this section:

*relevant entity*, in relation to an appropriation for a capital injection, means the directorate, authority or corporation that is to undertake the purchasing or developing of assets for which the appropriation is made.

### **9B Appropriations for payments on behalf of Territory to be net appropriations**

Despite section 6 (Necessity for appropriations), if an appropriation for a directorate is made for payments to be made on behalf of the Territory, the directorate may apply input tax credits to which the Territory is entitled for taxable supplies for which the payments are made towards the payments under the appropriation.

## **10 Budget papers**

The Treasurer must, for each financial year, immediately after the presentation of the bill for the first Appropriation Act relating to the year, present to the Legislative Assembly—

- (a) the proposed budget for the Territory for the year; and

- (b) the proposed budget for each directorate for the year; and
- (c) the proposed budget for each territory authority and territory-owned corporation for the year; and
- (d) a consolidated financial management statement in relation to—
  - (i) the general government sector; and
  - (ii) the public trading enterprise sector.

## **11 Territory budgets**

- (1) The proposed budget for the Territory for a financial year presented to the Legislative Assembly under section 10 (a) must include—
  - (a) a financial policy objectives and strategies statement under section 11A for the financial year; and

  - (c) a statement about the sensitivity of the budget estimates to changes in the economic or other assumptions; and
  - (d) a statement of the risks, quantified if possible, that may affect the budget estimates, including contingent liabilities; and
  - (e) the financial statements required under the financial management guidelines; and
  - (f) a statement about the effect of the following on an ACT household for the financial year:
    - (i) Territory taxes and fees that have a direct effect on the household;
    - (ii) Territory concessions that offset the taxes and fees mentioned in subparagraph (i).

- (2) The proposed budget must be prepared in a form that assists a comparison, for each appropriation unit, between the budget for the Territory for the previous financial year and the proposed budget.
- (3) The financial statements included in the proposed budget under subsection (1) (e) must include budget estimates, for each appropriation unit, for each of the next 3 financial years.
- (4) The proposed budget must be prepared taking into account—
  - (a) the principles of responsible fiscal management;
  - (b) the object of providing a basis for sustainable social and economic services and infrastructure fairly to all ACT residents; and
  - (c) the object of ecologically sustainable development.
- (5) The proposed budget may depart from the principles of responsible fiscal management, but if it does depart—
  - (a) any departure must be temporary; and
  - (b) the Treasurer must present to the Legislative Assembly, when the first Appropriation Bill for the financial year is presented to the Legislative Assembly, a statement setting out—
    - (i) the reasons for the departure; and
    - (ii) the approach intended to be taken to return to the principles; and
    - (iii) when the principles are expected to be returned to.
- (6) In this section:

*ecologically sustainable development* means the effective integration of economic and environmental considerations in decision-making processes achievable through implementation of the following principles:

  - (a) the precautionary principle;

*inter-generational equity principle* means that the present generation should ensure that the health, diversity and productivity of the environment is maintained or enhanced for the benefit of future generations.

*precautionary principle* means that, if there is a threat of serious or irreversible environmental damage, a lack of full scientific certainty should not be used as a reason for postponing measures to prevent environmental degradation.

*principles of responsible fiscal management* means the following principles:

- (a) ensuring that the total liabilities of the Territory are at prudent levels to provide a buffer against factors that may impact adversely on the level of total Territory liabilities in the future, and ensuring that, until prudent levels have been achieved, the total operating expenses of the Territory in each financial year are less than its operating income levels in the same financial year;
- (b) when prudent levels of total Territory liabilities have been achieved, maintaining the levels by ensuring that, on average,

over a reasonable period of time, the total operating expenses of the Territory do not exceed its operating income levels;

- (c) achieving and maintaining levels of Territory net worth to provide a buffer against factors that may impact adversely on levels of Territory net worth in the future;
- (d) managing prudently the fiscal risks of the Territory;
- (e) pursuing spending and taxing policies that are consistent with a reasonable degree of stability and predictability in the level of the tax burden;
- (f) giving full, accurate and timely disclosure of financial information about the activities of the government and its agencies.

#### **11A Financial policy objectives and strategies statement**

- (1) The purposes of a financial policy objectives and strategies statement included in a proposed budget under section 11 (1) (a) are—
  - (a) to make transparent the government’s financial strategies; and
  - (b) to establish a benchmark for evaluating the government’s conduct of financial policy.
- (2) The statement must be based on the principles of responsible fiscal management.
- (3) The statement must—
  - (a) state the government’s long-term financial objectives within which financial policy for the financial year and the next 3 financial years will be framed; and
  - (b) explain the broad strategic priorities on which the budget is based; and

- (c) state the key financial measures that the government has identified as being important and against which financial policy will be set and assessed; and
  - (d) state, for the financial year and the next 3 financial years—
    - (i) the government's short-term financial objectives; and
    - (ii) the targets for each stated key financial measure; and
  - (e) explain how the financial objectives and strategic priorities mentioned in paragraphs (a), (b) and (d) relate to the principles of responsible fiscal management; and
  - (f) state the reasons for any changes from the previous financial policy objectives and strategies statement.
- (4) In this section:  
*principles of responsible fiscal management*—see section 11 (6).

## **12 Directorate budgets**

- (1) A proposed budget for a directorate for a financial year presented to the Legislative Assembly under section 10 (b) must include—
- (a) the financial statements required under the financial management guidelines; and
  - (b) a statement that sets out the outputs and classes of outputs it is proposed the directorate should provide during the year and the performance criteria to be met by the directorate in providing the outputs; and
  - (c) if, during the year, the directorate is to be given a capital injection that must be repaid—a statement that—
    - (i) states that the capital injection is a capital injection; and
    - (ii) sets out the conditions under which the injection is to be given, including the requirements about the time within which it must be repaid.

- (2) Subsection (1) (b) does not apply to the Office of the Legislative Assembly.
- (3) A proposed budget must be in a form that facilitates a comparison between—
  - (a) the proposed budget for the directorate; and
  - (b) the budget for the directorate for the previous financial year; and
  - (c) the estimated results for the directorate for the previous financial year.
- (4) A proposed budget must also include, for the financial statements mentioned in subsection (1) (a), budget estimates for each of the next 3 financial years.

**12A Territory authority and territory-owned corporation budgets**

  - (b) the budget for the authority or corporation for the previous financial year; and
  - (c) the estimated results for the authority or corporation for the previous financial year.
- (3) A proposed budget must also include, for the financial statements mentioned in subsection (1) (a), budget estimates for each of the next 3 financial years.

### **13 Supplementary budget papers**

- (b) may show the impact of variations other than variations resulting from additional appropriations.

**Example for par (b)**

the impact of revised economic forecasts

*Note* An example is part of the Act, is not exhaustive and may extend, but does not limit, the meaning of the provision in which it appears (see Legislation Act, s 126 and s 132).

### **13A Amendment of budgets for supplementary appropriation**

- (1) If an appropriation is made for a directorate, territory authority or territory-owned corporation by an Appropriation Act other than the first Appropriation Act for it for a financial year, the budget for the directorate, authority or corporation is amended in accordance with—

- (1) Despite section 6, the Executive may, in writing, direct that appropriations made by an Appropriation Act be varied by transfers of funds between the appropriations.

- (3) A transfer of funds between appropriations under this section must not cause an appropriation from which funds are transferred to be reduced by more than 3%.

## Division 9.1 Definitions and important concepts

### 72 Definitions—pt 9

In this part:

*applicable governmental policies*, for a territory authority—see section 103.

*establishing Act*, for a territory authority, governing board or governing board member, means the Act that establishes the authority or governing board.

*financial year*, for a territory authority, means—

- (a) a period of 12 months beginning on 1 July; or

- (b) if the territory authority has, in writing, fixed another 12-month period as its financial year—the period fixed.

*governing board member*, for a territory authority with a governing board, includes the CEO.

*material interest*—see section 88 (4).

*relevant territory authority*—a territory authority to which part 8 applies is a *relevant territory authority*, unless the establishing Act for the authority provides otherwise.

### **73 Nature of relevant territory authorities**

- (1) A relevant territory authority—
  - (a) is a corporation; and
  - (b) may sue and be sued in its corporate name; and
  - (c) may have a seal.
- (2) A relevant territory authority represents the Territory when exercising its functions, unless the establishing Act for the authority or another territory law otherwise provides.
- (3) A relevant territory authority has the same status, privileges and immunities as the Territory so far as it represents the Territory.

## **74 Powers of territory authorities generally**

- (1) A relevant territory authority has the legal capacity and powers of an individual both in and outside the ACT (including outside Australia).

### **Examples**

- 1 to enter into a contract
- 2 to own, deal with and dispose of property
- 3 to act as trustee

*Note* An example is part of the Act, is not exhaustive and may extend, but does not limit, the meaning of the provision in which it appears (see Legislation Act, s 126 and s 132).

- (2) Without limiting subsection (1), a relevant territory authority—
- (a) has the powers given to it under this Act or another territory law; and
  - (b) may do anything that it is authorised to do by a territory law or a law of another jurisdiction; and
  - (c) may exercise its powers in and outside the ACT (including outside Australia).

### **Example for par (b)**

A territory authority may arrange for the authority to be registered or recognised under a law of another jurisdiction.

- (3) A relevant territory authority's legal capacity to do something is not affected by the fact that the authority's interests are not, or would not be, served by doing it.
- (4) To remove any doubt, this section does not—
- (a) authorise a relevant territory authority to do anything that is prohibited by a territory law or a law of another jurisdiction; and
  - (b) give a relevant territory authority a right that a territory law or a law of another jurisdiction denies to the authority.

(5) In this section:

*another jurisdiction* means the Commonwealth, a State, another Territory or a foreign country.

**75 Execution of documents and assumptions people dealing with relevant territory authority may make**

(1) In this section:

*applied Corporations Act provisions* means the following provisions of the Corporations Act:

- (a) section 127 (which is about the execution of documents by a company);
- (b) section 128 (which is about a person's entitlement to make certain assumptions in dealing with a company);
- (c) section 129 (which is about the assumptions that may be made).

(2) The applied Corporations Act provisions apply to a relevant territory authority as if—

- (a) a reference to a *company* were a reference to the authority; and
- (b) a reference to a *common seal* were a reference to any seal of the authority; and
- (c) a reference to a *director* were a reference to a board member; and
- (d) a reference to a company's *constitution* were a reference to this Act and the establishing Act; and
- (e) a reference to an *officer* of a company were a reference to the chief executive officer and any member of staff of the authority; and

- (f) a reference to *information available to the public from ASIC* were a reference to information available to the public from the Territory; and
- (g) any other necessary changes, and any change prescribed by regulation, were made.

## **76 Governing board of territory authority**

A territory authority has a governing board if the establishing Act for the authority establishes a governing board for the authority.

## **77 Role of governing board**

- (1) If a territory authority has a governing board, the governing board has the following functions:
  - (a) setting the authority's policies and strategies;
  - (b) governing the authority consistently with the authority's establishing Act and other relevant legislation;
  - (c) ensuring, as far as practicable, that the authority operates in a proper, effective and efficient way;
  - (d) ensuring, as far as practicable, that the authority complies with applicable governmental policies (if any).

### **Examples of policies for par (a)**

- 1 risk management
- 2 communication with government
- 3 corporate planning

*Note* An example is part of the Act, is not exhaustive and may extend, but does not limit, the meaning of the provision in which it appears (see Legislation Act, s 126 and s 132).

- (2) This section does not limit the functions of a governing board.

## Division 9.2 Governing board member appointments

### 78 Appointment of governing board members generally

- (1) This section applies to the appointment of the members of the governing board of a territory authority, other than the CEO.
- (2) The responsible Minister for the territory authority may appoint the members.

*Note 1* For the making of appointments (including acting appointments), see the Legislation Act, pt 19.3.

*Note 2* In particular, an appointment may be made by naming a person or nominating the occupant of a position (see s 207).

*Note 3* Certain Ministerial appointments require consultation with an Assembly committee and are disallowable (see Legislation Act, div 19.3.3).

- (3) The only criteria for deciding whether to appoint a person as a member are—
  - (a) the contribution the person can make to the goals and objectives of the governing board; and
  - (b) the criteria stated in applicable governmental policies (if any) relating to appointments.
- (4) However, the establishing Act may prescribe other criteria for deciding whether to appoint a person as a member.
- (5) Also, unless the establishing Act otherwise provides, a person must not be appointed as a member if—
  - (a) the person is a public servant; and
  - (b) if the governing board has a maximum of 6 members or less—the appointment would result in more than 1 public servant being a member of the board; and

- (c) if the governing board has a maximum of more than 6 members—the appointment would result in more than 2 public servants being members of the board.
- (6) Subsection (5) does not apply if—
- (a) the Minister is satisfied that there are special circumstances justifying the appointment; and
  - (b) the Legislative Assembly approves, by resolution, the appointment.
- (7) An appointment of a member—
- (a) must not be for longer than 3 years, unless the establishing Act allows a longer period; and
  - (b) is an appointment under the provision of the establishing Act that establishes the governing board.
- (8) The conditions of appointment of a member (other than a member required under the establishing Act to be a public servant or statutory office holder) are the conditions agreed between the Minister and the member, subject to any determination under the *Remuneration Tribunal Act 1995*.

*Note* The terms *public servant* and *statutory office holder* are defined in the Legislation Act, dict, pt 1.

## **79 Appointment of chair and deputy chair**

- (1) The responsible Minister for a territory authority with a governing board may appoint a chair for the board and, unless the establishing Act otherwise provides, a deputy chair for the board.

*Note 1* For the making of appointments (including acting appointments), see the Legislation Act, pt 19.3.

*Note 2* In particular, an appointment may be made by naming a person or nominating the occupant of a position (see s 207).

*Note 3* Certain Ministerial appointments require consultation with an Assembly committee and are disallowable (see Legislation Act, div 19.3.3).

- (2) However, the responsible Minister must not appoint the CEO of the territory authority as chair or deputy chair.
- (3) Also, the responsible Minister must not appoint a public servant as chair or deputy chair unless—
  - (a) there is no member of the board who—
    - (i) is not a public servant; and
    - (ii) is available to be appointed; and
  - (b) the Legislative Assembly approves, by resolution, the appointment.
- (4) The responsible Minister must try to ensure that the governing board of a territory authority always has a chair and, unless the establishing Act otherwise provides, deputy chair.

## **80 Appointment of CEO of authority with governing board**

- (1) This section applies to a territory authority with a governing board.
- (2) The governing board of the territory authority must, after consulting the responsible Minister, appoint a CEO for the authority.

*Note 1* For the making of appointments (including acting appointments), see the Legislation Act, pt 19.3.

*Note 2* In particular, an appointment may be made by naming a person or nominating the occupant of a position (see s 207).

- (3) However, if the CEO is required under the establishing Act to be a public servant, the director-general of the administrative unit responsible for the establishing Act must, after consulting the governing board and the responsible Minister, appoint a CEO for the authority.
- (4) The CEO is a member of the governing board.
- (5) However, the CEO is not a member of the governing board if it is considering or deciding—

- (a) the appointment, or the ending of the appointment, of the CEO;  
or
  - (b) the CEO's conditions of appointment.
- (6) The conditions of appointment of a CEO (other than a CEO required under the establishing Act to be a public servant) are the conditions agreed between the governing board and the CEO, subject to any determination under the *Remuneration Tribunal Act 1995*.

## **81 Ending board member appointments**

- (1) This section applies to a governing board member other than the CEO.
- (2) The responsible Minister may end the member's appointment—
  - (a) if the member contravenes a territory law; or
  - (b) for misbehaviour; or
  - (c) if the member becomes bankrupt or personally insolvent; or

*Note* **Bankrupt or personally insolvent**—see the Legislation Act, dictionary, pt 1.

  - (d) if the member is convicted, or found guilty, in Australia of an offence punishable by imprisonment for at least 1 year; or
  - (e) if the member is convicted, or found guilty, outside Australia of an offence that, if it had been committed in the ACT, would be punishable by imprisonment for at least 1 year; or
  - (f) if the member exercises the member's functions other than in accordance with section 85 (Honesty, care and diligence of governing board members); or
  - (g) if the member fails to take all reasonable steps to avoid being placed in a position where a conflict of interest arises during the exercise of the member's functions; or

- (h) if the member contravenes section 88 (Disclosure of interests by governing board members); or
- (i) if the member is absent from 3 consecutive meetings of the board, otherwise than on approved leave; or
- (j) for physical or mental incapacity, if the incapacity substantially affects the exercise of the member's functions.

*Note* A person's appointment also ends if the person resigns (see Legislation Act, s 210).

- (3) The Minister may also end the appointment of the member (the ***member concerned***) if the board tells the Minister in writing that it has resolved, by a majority of at least  $\frac{2}{3}$  of the members, to recommend to the Minister that the member's appointment be ended.
- (4) The governing board may pass a resolution mentioned in subsection (3) only if—
  - (a) at least 3 weeks written notice of the intention to consider the proposed resolution has been given to the member concerned; and
  - (b) the member concerned has been given an opportunity to make submissions and present documents to a meeting of the board; and
  - (c) if the member concerned has used the opportunity mentioned in paragraph (b)—a summary of the member's submissions is recorded in the minutes of the board and a copy of any documents presented is included in the minutes.

## **Division 9.3                      Functions of governing board members**

### **82                      Chair's functions**

The chair of the governing board of a territory authority has the following functions:

- (a) managing the affairs of the governing board;
- (b) ensuring, as far as practicable, that there is a good working relationship between the governing board and management of the authority;
- (c) ensuring the responsible Minister is kept informed about the operations of the authority.

### **83                      Deputy chair's functions**

- (1) If the chair of the governing board of a territory authority is absent or cannot for any reason exercise the functions of the chair, the deputy chair of the governing board must exercise the functions of the chair.
- (2) However, this section does not apply to a territory authority if the establishing Act for the authority provides that it need not have a deputy chair.

*Note*        The Legislation Act, s 209 deals with acting appointments.

### **84                      CEO's functions**

- (1) The CEO of a territory authority with a governing board has the following functions:
  - (a) ensuring, as far as practicable, that the authority's statement of intent is implemented effectively and efficiently;

**Example of implementation of statement of intent**

achieving objectives in statement of intent

- (b) managing the day-to-day operations of the authority in accordance with—
  - (i) applicable governmental policies (if any); and
  - (ii) the policies of the authority set by the board; and

a direction by the independent competition and regulatory commission that relates to the authority

- (c) regularly advising the board about the operation and financial performance of the authority;
- (d) immediately advising the board about significant events.

*Note* An example is part of the Act, is not exhaustive and may extend, but does not limit, the meaning of the provision in which it appears (see Legislation Act, s 126 and s 132).

- (2) In this section:

***significant event***, for a territory authority, means an event that the authority is required to tell the responsible Minister about under section 101.

**85 Honesty, care and diligence of governing board members**

In exercising the functions of a governing board member, a member must exercise the degree of honesty, care and diligence required to be exercised by a director of a corporation in relation to the affairs of the corporation.

**86 Conflicts of interest by governing board members**

A governing board member must take all reasonable steps to avoid being placed in a position where a conflict of interest arises during the exercise of the member's functions.

**87 Agenda to require disclosure of interest item**

The agenda for each meeting of a territory authority governing board must include an item requiring any material interest in an issue to be considered at the meeting to be disclosed to the meeting.

**88 Disclosure of interests by governing board members**

- (1) If a governing board member has a material interest in an issue being considered, or about to be considered, by the governing board, the member must disclose the nature of the interest at a board meeting as soon as practicable after the relevant facts come to the member's knowledge.

*Note* **Material interest** is defined in s (4). The definition of *indirect interest* in s (4) applies to the definition of **material interest**.

- (2) The disclosure must be recorded in the governing board's minutes and, unless the board otherwise decides, the member must not—
- (a) be present when the board considers the issue; or
  - (b) take part in a decision of the board on the issue.

**Example**

Albert, Boris and Chloe are members of a governing board. They have an interest in an issue being considered at a governing board meeting and they disclose the interest as soon as they become aware of it. Albert's and Boris's interests are minor but Chloe has a direct financial interest in the issue.

The governing board considers the disclosures and decides that because of the nature of the interests:

- Albert may be present when the board considers the issue but not take part in the decision
- Boris may be present for the consideration and take part in the decision.

The board does not make a decision allowing Chloe to be present or take part in the board's decision. Accordingly, since Chloe has a material interest she cannot be present for the consideration of the issue or take part in the decision.

*Note* An example is part of the Act, is not exhaustive and may extend, but does not limit, the meaning of the provision in which it appears (see Legislation Act, s 126 and s 132).

- (c) a family member of the person.

**executive officer**, of a corporation, means a person (however described) who is concerned with, or takes part in, the corporation's management, whether or not the person is a director of the corporation.

**indirect interest**—without limiting the kinds of indirect interests a person may have, a person has an **indirect interest** in an issue if any of the following has an interest in the issue:

- (a) an associate of the person;
- (b) a corporation if the corporation has not more than 100 members and the person, or an associate of the person, is a member of the corporation;
- (c) a subsidiary of a corporation mentioned in paragraph (b);
- (d) a corporation if the person, or an associate of the person, is an executive officer of the corporation;
- (e) the trustee of a trust if the person, or an associate of the person, is a beneficiary of the trust;
- (f) a member of a firm or partnership if the person, or an associate of the person, is a member of the firm or partnership;

- (g) someone else carrying on a business if the person, or an associate of the person, has a direct or indirect right to participate in the profits of the business.

***material interest***—a governing board member has a ***material interest*** in an issue if the member has—

- (a) a direct or indirect financial interest in the issue; or  
(b) a direct or indirect interest of any other kind if the interest could conflict with the proper exercise of the member's functions in relation to the board's consideration of the issue.

## **89 Reporting of disclosed governing board interests to Minister**

- (1) Within 3 months after the day a material interest is disclosed under section 88 (1), the chair of the governing board must report to the responsible Minister in writing about—

(b) the nature of the interest disclosed; and  
(c) any decision by the board under section 88 (2).

**90 Protection of governing board members from liability**

- (1) A governing board member is not civilly liable for anything done or omitted to be done honestly and without recklessness—
  - (a) in the exercise of a function under a territory law; or
  - (b) in the reasonable belief that the act or omission was in the exercise of a function under a territory law.
- (2) Any liability that would, apart from this section, attach to a governing board member of a territory authority attaches instead to the authority.

- (2) Compensation may be claimed and ordered in a proceeding for compensation brought in a court of competent jurisdiction.
- (3) A court may order the payment of reasonable compensation for the loss or expense only if it is satisfied it is just to make the order in the circumstances of the particular case.
- (4) A regulation may prescribe matters that may, must or must not be taken into account by the court in considering whether it is just to make the order.

## **Division 9.4 Governing board meetings**

### **93 Time and place of governing board meetings**

- (1) Meetings of the governing board of a territory authority are to be held when and where it decides.

- (1) At a meeting of the governing board each member has a vote on each question to be decided, unless the establishing Act for the board otherwise provides.
- (2) A question is decided by a majority of the votes of the members present and voting but, if the votes are equal, the member presiding has a deciding vote.

**97 Conduct of governing board meetings etc**

- (1) The governing board may conduct its proceedings (including its meetings) as it considers appropriate.
- (2) A meeting may be held using a method of communication, or a combination of methods of communication, that allows a board member taking part to hear what each other member taking part says without the members being in each other's presence.

**Examples**

a phone link, a satellite link, an internet or intranet link

*Note* An example is part of the Act, is not exhaustive and may extend, but does not limit, the meaning of the provision in which it appears (see Legislation Act, s 126 and s 132).
