Republication date: 13 November 2015

Last amendment made by [A2015-42](#)

About this republication

The republished law

This is a republication of the *Building and Construction Industry Training Levy Act 1999* (including any amendment made under the *Legislation Act 2001*, part 11.3 (Editorial changes)) as in force on 13 November 2015. It also includes any commencement, amendment, repeal or expiry affecting this republished law to 13 November 2015.

The legislation history and amendment history of the republished law are set out in endnotes 3 and 4.

Kinds of republications

The Parliamentary Counsel's Office prepares 2 kinds of republications of ACT laws (see the ACT legislation register at www.legislation.act.gov.au):

- authorised republications to which the *Legislation Act 2001* applies
- unauthorised republications.

The status of this republication appears on the bottom of each page.

Editorial changes

The *Legislation Act 2001*, part 11.3 authorises the Parliamentary Counsel to make editorial amendments and other changes of a formal nature when preparing a law for republication. Editorial changes do not change the effect of the law, but have effect as if they had been made by an Act commencing on the republication date (see *Legislation Act 2001*, s 115 and s 117). The changes are made if the Parliamentary Counsel considers they are desirable to bring the law into line, or more closely into line, with current legislative drafting practice.

This republication includes amendments made under part 11.3 (see endnote 1).

Uncommenced provisions and amendments

If a provision of the republished law has not commenced, the symbol **U** appears immediately before the provision heading. Any uncommenced amendments that affect this republished law are accessible on the ACT legislation register (www.legislation.act.gov.au). For more information, see the home page for this law on the register.

Modifications

If a provision of the republished law is affected by a current modification, the symbol **M** appears immediately before the provision heading. The text of the modifying provision appears in the endnotes. For the legal status of modifications, see the *Legislation Act 2001*, section 95.

Penalties

At the republication date, the value of a penalty unit for an offence against this law is \$150 for an individual and \$750 for a corporation (see *Legislation Act 2001*, s 133).

Australian Capital Territory

Building and Construction Industry Training Levy Act 1999

An Act to impose a levy for improving training in the building and construction industry, and for other purposes

Part 1 Preliminary

1 Name of Act

This Act is the *Building and Construction Industry Training Levy Act 1999*.

2 Dictionary

The dictionary at the end of this Act is part of this Act.

Note 1 The dictionary at the end of this Act defines certain terms used in this Act, and includes references (*signpost definitions*) to other terms defined elsewhere in this Act.

For example, the signpost definition '*project owner*, for part 3—see section 15.' means that the expression 'project owner' is defined in that section and the definition applies to part 3.

Note 2 A definition in the dictionary (including a signpost definition) applies to the entire Act unless the definition, or another provision of the Act, provides otherwise or the contrary intention otherwise appears (see [Legislation Act](#), s 155 and s 156 (1)).

3 Notes

A note included in this Act is explanatory and is not part of this Act.

Note See the [Legislation Act](#), s 127 (1), (4) and (5) for the legal status of notes.

3A Offences against Act—application of Criminal Code etc

Other legislation applies in relation to offences against this Act.

Note 1 Criminal Code

The [Criminal Code](#), ch 2 applies to all offences against this Act (see Code, pt 2.1).

The chapter sets out the general principles of criminal responsibility (including burdens of proof and general defences), and defines terms used for offences to which the Code applies (eg *conduct*, *intention*, *recklessness* and *strict liability*).

Note 2 Penalty units

The [Legislation Act](#), s 133 deals with the meaning of offence penalties that are expressed in penalty units.

Part 2 The authority

Note for pt 2

The governance of territory authorities, including the Building and Construction Industry Training Fund Authority, is regulated by the [Financial Management Act 1996](#) (the *FMA*), pt 9 as well as the Act that establishes them.

The *FMA*, pt 9 deals, for example, with the corporate status of territory authorities and their powers, the make-up of governing boards, the responsibilities of the governing board and board members, how governing board positions can be ended, meetings of governing boards and conflicts of interest.

Division 2.1 Establishment and functions of authority

4 Establishment of authority

The Building and Construction Industry Training Fund Authority (the *authority*) is established.

Note If a law changes a name of an entity (like the Building and Construction Industry Training Fund Board), the entity continues in existence under the new name (the Building and Construction Industry Training Fund Authority) and its identity is not affected by the change (see [Legislation Act](#), s 183).

5 Functions of authority

The authority has the following functions:

- (a) administering the fund;
- (b) making payments, or directing that payments be made, from the fund in accordance with training plans;

- (c) exercising any other function given to the authority under this Act or any other territory law.

Note The [Legislation Act](#), s 196 (1) provides that a provision of an Act that gives an entity (including the board) a function also gives the entity the powers necessary and convenient to exercise the function.

Division 2.2 Governing board

6 Establishment of governing board

The authority has a governing board.

Note An appointment of a governing board member is an appointment under this section (see [Financial Management Act 1996](#), s 78 (7) (b)).

7 Governing board members

- (1) The governing board has 6 members.

Note A chair of the governing board must be appointed under the [Financial Management Act 1996](#), s 79.

- (2) Two of the governing board members must be appointed to represent the interests of employers in the building and construction industry.
- (3) Two of the governing board members must be appointed to represent the interests of employees in the building and construction industry.
- (4) The chair must not be a representative mentioned in subsection (2) or (3).
- (5) The chief executive officer is a non-voting member of the governing board.

Note The [Financial Management Act 1996](#), s 95 (2) and s 96 (1) deal with non-voting members of governing boards.

7A Term of chief executive officer of authority

The chief executive officer of the authority must not be appointed for a term of longer than 5 years.

7B No deputy chair

The Minister must not appoint a deputy chair for the governing board.

Note 1 This section ensures that a deputy chair cannot be appointed for the governing board under the *Financial Management Act 1996*, s 79 (1).

Note 2 The Minister may appoint an acting chair (see [Legislation Act](#), s 209).

8 Administration of authority

The governing board may make arrangements with the council, or anyone else, for the provision of—

- (a) administrative or secretarial services to the authority (including the governing board); or
- (b) the administration of the fund in accordance with the directions of the governing board.

 - (a) at the completion of the work; or
 - (b) if the work is abandoned before completion—when the work is abandoned;differs from the value on which the training levy was based.

- (2) The authority or the project owner may tell the other in writing that the amount of the training levy should be recalculated on the basis of the value of the work at its completion or abandonment.

Note For how documents may be given, see the [Legislation Act](#), pt 19.5.

- (3) If a notice under subsection (2) is given, the value of the work at its completion or abandonment must be assessed in accordance with section 19.

Maximum penalty: 1 penalty unit.

- (4) An offence against this section is a strict liability offence.

31 Powers of entry

- (1) If an inspector believes, on reasonable grounds, that—
 - (a) work is being carried out on any land; or

- (b) work has been carried out on any land and the training levy in relation to that work has not been paid or has not been paid in full;

the inspector may, in accordance with this section and with the assistance that is reasonably necessary for the exercise of the inspector's functions under this part, enter during normal business hours the land and any premises, whether on the land or not, where the inspector believes on reasonable grounds that documents or records relating to the work are kept.

- (2) An inspector may enter any land or premises and exercise any power specified in section 34—
- (a) with the consent of the occupier of the land or premises; or
- (b) under a warrant issued under section 33 (2).

32 Consent to entry and inspection

- (1) Before seeking the consent of the occupier of premises for section 31 (2) (a), an inspector must inform the occupier that the occupier may refuse to consent.
- (2) If the inspector obtains the occupier's consent for those purposes, the inspector must ask the occupier to sign a written acknowledgment—
- (a) that the occupier has been informed that the occupier may refuse to give consent, for section 31 (2) (a), for the inspector

to enter the occupier's premises and to exercise any power under section 34; and

- (b) that the occupier has given the inspector the consent; and
 - (c) of the day and time when the consent was given.
- (3) If it is material, in any proceeding, for a court to be satisfied that an occupier has consented for section 31 (2) (a), and an acknowledgment, in accordance with subsection (2), signed by the occupier, is not produced in evidence, it must be presumed that the occupier did not consent, but the presumption is rebuttable.

33 Search warrants

- (1) This section applies if information is laid before a magistrate alleging that an inspector has reasonable grounds for suspecting that there may be—
- (a) on any land—work in relation to which payment of training levy has not been made, or made fully, in accordance with this Act; or
 - (b) on any premises—
 - (i) a thing of a particular kind connected with a particular offence against this part; or
 - (ii) a document or record relating to work mentioned in paragraph (a);

and the information sets out those grounds.

- (2) If this section applies, the magistrate may, subject to this section, issue a search warrant authorising the inspector named in the warrant, with the assistance and by the force that is necessary and reasonable—
- (a) to enter any land or premises described in the warrant; and

- (b) to search the premises for things of the kind mentioned in subsection (1) (b) (i) or a document or record mentioned in subsection (1) (b) (ii); and
 - (c) to exercise any of the powers listed in section 34 in relation to a thing, document or record to which the warrant refers.
- (3) A magistrate must not issue a warrant unless—
 - (a) the informant or another person has given the magistrate, either orally or by affidavit, any further information that the magistrate requires about the grounds on which the issue of the warrant is being sought; and
 - (b) the magistrate is satisfied that there are reasonable grounds for issuing the warrant.
- (4) The warrant must—
 - (a) state the purpose for which it is issued; and
 - (b) specify the nature of the offence, or the lack of compliance, in relation to which the entry and search are authorised; and
 - (c) specify particular hours when the entry is authorised or state that the entry is authorised at any time of the day or night; and
 - (d) specify the date (not later than 1 month after the date when the warrant is issued) when the warrant ceases to have effect.

34 Powers of inspectors

- (1) An inspector who enters land or premises in accordance with this part may—
 - (a) inspect or examine any work on the land and take measurements relating to it; and
 - (b) require any person apparently in charge of the land or premises to make available to the inspector any document or record or provide information, including information stored in a

- computer, that appears to be relevant to the calculation of training levy; and
- (c) inspect, make copies of and take extracts from any document or record or any information made available to the inspector; and
 - (d) require any person apparently in charge of the land or premises to answer questions related to the calculation of training levy; and
 - (e) require any person apparently in charge of the land or premises to render the assistance that is necessary and reasonable to enable the inspector to exercise the inspector's powers under this section.
- (2) A person is not excused from providing information or from producing a document or other record when requested to do so under subsection (1) on the ground that providing the information or producing the document or record may tend to incriminate the person or expose the person to a civil penalty, but the information or the production of the document is not admissible in evidence against the person in any proceeding, other than a proceeding for an offence against the [Criminal Code](#), part 3.4 (False or misleading statements, information and documents).

35 **Contravention of requirement by inspector**

A person must take all reasonable steps to comply with a requirement made of the person under section 34 (1) (b), (d) or (e).

Maximum penalty: 50 penalty units.

Note The [Legislation Act](#), s 170 and s 171 deal with the application of the privilege against self-incrimination and client legal privilege.
