Duties Act 1999

A1999-7

Republication No 44

Effective: 3 June 2010 – 30 June 2010

Republication date: 3 June 2010

Last amendment made by A2010-18

Authorised by the ACT Parliamentary Counsel

About this republication

The republished law

This is a republication of the *Duties Act 1999* (including any amendment made under the *Legislation Act 2001*, part 11.3 (Editorial changes)) as in force on 3 June 2010. It also includes any amendment, repeal or expiry affecting the republished law to 3 June 2010.

The legislation history and amendment history of the republished law are set out in endnotes 3 and 4.

Kinds of republications

The Parliamentary Counsel's Office prepares 2 kinds of republications of ACT laws (see the ACT legislation register at www.legislation.act.gov.au):

- authorised republications to which the *Legislation Act 2001* applies
- unauthorised republications.

The status of this republication appears on the bottom of each page.

Editorial changes

The *Legislation Act 2001*, part 11.3 authorises the Parliamentary Counsel to make editorial amendments and other changes of a formal nature when preparing a law for republication. Editorial changes do not change the effect of the law, but have effect as if they had been made by an Act commencing on the republication date (see *Legislation Act 2001*, s 115 and s 117). The changes are made if the Parliamentary Counsel considers they are desirable to bring the law into line, or more closely into line, with current legislative drafting practice.

This republication does not include amendments made under part 11.3 (see endnote 1).

Uncommenced provisions and amendments

If a provision of the republished law has not commenced or is affected by an uncommenced amendment, the symbol **U** appears immediately before the provision heading. The text of the uncommenced provision or amendment appears only in the last endnote.

Modifications

If a provision of the republished law is affected by a current modification, the symbol **M** appears immediately before the provision heading. The text of the modifying provision appears in the endnotes. For the legal status of modifications, see *Legislation Act 2001*, section 95.

Penalties

At the republication date, the value of a penalty unit for an offence against this law is \$110 for an individual and \$550 for a corporation (see *Legislation Act 2001*, s 133).

Duties Act 1999

An Act to create and charge various duties

Chapter 1 Preliminary

1 Name of Act

This Act is the *Duties Act 1999*.

2A Dictionary

The dictionary at the end of this Act is part of this Act.

Note 1 The dictionary at the end of this Act defines certain terms used in this Act, and includes references (*signpost definitions*) to other terms defined elsewhere in this Act or other legislation.

For example, the signpost definition ‘*related body corporate*—see the Corporations Act, section 9.’ means that the term ‘related body corporate’ is defined in that section and that the definition applies to this Act.

Note 2 A definition in the dictionary applies to the entire Act unless the definition, or another provision of the Act, provides otherwise or the contrary intention otherwise appears (see Legislation Act, s 155 and s 156 (1)).

2B Notes

A note included in this Act is explanatory and is not part of this Act.

Note See the Legislation Act, s 127 (1), (4) and (5) for the legal status of notes.

2C Offences against Act—application of Criminal Code etc

Other legislation applies in relation to offences against this Act.

Note 1 Criminal Code

The Criminal Code, ch 2 applies to all offences against this Act (see Code, pt 2.1).

The chapter sets out the general principles of criminal responsibility (including burdens of proof and general defences), and defines terms used for offences to which the Code applies (eg *conduct*, *intention*, *recklessness* and *strict liability*).

Note 2 Penalty units

The Legislation Act, s 133 deals with the meaning of offence penalties that are expressed in penalty units.

3 Incorporation of Taxation Administration Act

The Taxation Administration Act is incorporated and is to be read as one with this Act.

4 Territory not liable for payment of duty

The Territory is not liable to pay duty under this Act.

Note Prescribed territory entities are not exempt from paying duty (see *Taxation (Government Business Enterprises) Act 2003*, s 9).

5 Duty a debt payable to Territory

A duty charged by this Act is, when a liability to pay the duty is created, a debt due to the Territory.

Chapter 2 Transactions concerning dutiable property

Part 2.1 Introduction and overview

6 Definitions—ch 2

In this chapter:

declaration of trust means any declaration (other than by a will or testamentary instrument) that any identified property vested or to be vested in the person making the declaration is or is to be held in trust for the person or people, or the purpose or purposes, mentioned in the declaration although the beneficial owner of the property, or the person entitled to appoint the property, may not have joined in or assented to the declaration.

transfer includes an assignment, an exchange and a buyback of shares in accordance with the Corporations Act, division 2J.1.2.

7 Imposition of duty on certain transactions concerning dutiable property

- (1) This chapter charges duty on—
 - (a) a transfer of dutiable property; and
 - (b) the following transactions:
 - (i) an agreement for the sale or transfer of dutiable property;
 - (ii) a declaration of trust over dutiable property;
 - (iii) a grant of a Crown lease;
 - (iv) a grant of a long-term lease;
 - (v) a grant of a franchise arrangement.

(2) A transfer or transaction mentioned in subsection (1) is a ***dutiable transaction*** for this Act.

(3) In this section:

grant, of a Crown lease over land, includes the grant of a new lease following the surrender or determination of a Crown lease over land that includes part or all of the land over which the new lease is granted.

transfer does not include a transaction treated as a transfer by chapter 3.

Note Ch 3 treats certain transactions as transfers (eg, acquiring an interest in a landholder—see s 85 and s 86). Duty may be charged under ch 3 on those transfers. These may involve the vesting of property under a court order, which would otherwise be a transfer for s (1) (a) or (b) (i) (see dict, def ***transfer***, par (a) (v)).

8 Imposition of duty on dutiable transactions that are not transfers

- (1) The duty charged by this chapter on a dutiable transaction mentioned in section 7 (1) (b) is to be charged as if each such dutiable transaction were a transfer of dutiable property.
- (2) For the purpose of charging duty under this chapter, in relation to a dutiable transaction mentioned in column 2 of an item in table 8:
 - (a) the property mentioned in the item, column 3 is taken to be the property transferred (and a reference in this Act to ***property transferred*** includes a reference to such property);
 - (b) a person mentioned in the item, column 4 is taken to be the transferee of the dutiable property (and a reference in this Act to a ***transferee*** includes a reference to such a person);
 - (c) the transfer of the dutiable property is taken to have happened at the time mentioned in the item, column 5 (and a reference in this Act to the ***time*** when a transfer occurs includes a reference to such a time).

9 Form of a dutiable transaction

It is immaterial whether or not a dutiable transaction is effected by an instrument or by any other means, including electronic means.

10 Dutiable property

- (1) *Dutiable property* is any of the following:
- (a) land in the ACT;
 - (b) a Crown lease;
 - (c) a land use entitlement;
 - (d) a lease (a *long-term lease*) that is granted for—
 - (i) a term longer than 30 years; or
 - (ii) an initial term of 30 years or less, but with an option for renewal for 1 or more terms that would, taken together with the initial term, result in a term of longer than 30 years;
 - (e) a lease (also a *long-term lease*) of land that is granted to a person for a term of 30 years or less if—
 - (i) the lease is granted on the surrender of a previous lease of the land granted to the person; and

- (ii) the term of the lease, taken together with—
 - (A) the term for which the person held the previous lease; and
 - (B) the term (if any) for which the person held a lease of the land under any earlier surrendered lease;
would result in the person holding a lease of the land for a continuous period of longer than 30 years;
- (f) a lease (also a *long-term lease*) that is granted for an initial term of 30 years or less if—
 - (i) the lease is subsequently extended, or further extended; and
 - (ii) the term as extended, or further extended, is longer than 30 years;
- (g) a franchise arrangement held in relation to a place or area located in the ACT that is granted for—
 - (i) a term of longer than 30 years; or
 - (ii) an initial term of 30 years or less, but with an option for renewal for 1 or more terms that would, taken together with the initial term, result in a term of longer than 30 years;

Note Paragraph (g) was inserted into the definition of *dutiable property* by the *Duties Amendment Act 2006 (No 2)*. It was formerly s 133, def *lease*, par (c). For transitional provisions applying in relation to that paragraph as in force on 30 June 2006, see s 401.

- (h) shares—
 - (i) in a territory company; or

Note *Territory company*—see the dictionary.

- (ii) in a corporation incorporated outside Australia, if the shares are kept on the Australian register kept in the ACT;

Note 1 After 30 June 2010, shares mentioned in this paragraph will no longer be dutiable property (see s 75A (Expiry—provisions relating to unquoted marketable securities)). For the relevant transitional provisions, see pt 15.3.

Note 2 Shares quoted on a recognised stock exchange (and related rights and interests) are not dutiable property (see s 10 (2)).

- (i) units in a unit trust scheme that are units—

- (i) registered on a register kept in the ACT; or

- (ii) that are not registered on a register kept in Australia, but in respect of which the manager (or, if there is no manager, the trustee) of the unit trust scheme is a territory company or is an individual resident in the ACT;

Note 1 After 30 June 2010, units mentioned in this paragraph will no longer be dutiable property (see s 75A (Expiry—provisions relating to unquoted marketable securities)). For the relevant transitional provisions, see pt 15.3.

Note 2 Units quoted on a recognised stock exchange (and related rights and interests) are not dutiable property (see s 10 (2)).

- (j) an interest in a partnership that holds dutiable property mentioned elsewhere in this section (a *partnership interest*);

Note Former paragraphs (i) and (j) (covering certain business assets and statutory licences and permissions) were removed from the definition of *dutiable property* by the *Duties Amendment Act 2006*. For transitional provisions applying to these paragraphs, see s 400.

- (k) goods in the ACT, if the subject of an arrangement that includes a dutiable transaction over any dutiable property (other than intellectual property) elsewhere mentioned in this section, not including the following:

- (i) goods that are stock-in-trade;

- (ii) material held for use in manufacture;
- (iii) goods under manufacture;
- (iv) goods held or used in connection with land used for primary production;
- (v) livestock;
- (vi) a registered motor vehicle;
- (vii) a ship or vessel;
- (l) an option to purchase land in the ACT or a Crown lease over land in the ACT;
- (m) an interest in any dutiable property mentioned in paragraphs (a) to (l), except to the extent that—
 - (i) it arises as a consequence of the ownership of a unit in a unit trust scheme and is not a land use entitlement; or
 - (ii) it is, or is attributable to, an option over dutiable property; or
 - (iii) it is an interest in a marketable security, if the interest is traded on the Sydney Futures Exchange.
- (2) Despite subsection (1), the following marketable securities are not *dutiable property*:
 - (a) shares, or units in a unit trust scheme, that are quoted on a recognised stock exchange;
 - (b) an interest in shares, or an interest in units in a unit trust scheme, if—
 - (i) the shares or units are quoted on a recognised stock exchange; or

(ii) the interest is quoted on a recognised stock exchange.

Note **Marketable securities** are shares and units mentioned in s(1) (h) and (i), and related rights and interests (see dict, defs of **marketable securities, shares** and **units**).

(3) For subsection (1) (e), a lease is granted to, or held or surrendered by, a person if it is granted to, or held or surrendered by, the person or an associated person.

(4) In this section:

holds—a partnership **holds** dutiable property if (but not only if)—

- (a) the partners hold the property for the partnership; or
- (b) the partnership has an indirect interest in the property.

indirect interest—a partnership has an **indirect interest** in dutiable property if—

- (a) through a partnership interest or trust interest there is a connection between the partnership and dutiable property of the other partnership or trust; or
- (b) through a series of partnership interests or trust interests, or a combination of any of them, there is a connection between the partnership and dutiable property of a partnership in the series.

11 When does a liability for duty arise?

- (1) A liability for duty charged by this chapter arises when a transfer of dutiable property occurs.
- (2) However, if a transfer of dutiable property is effected by an instrument, liability for duty charged by this chapter arises when the instrument is first executed.

12 Who is liable to pay the duty?

Duty charged by this chapter is payable by the transferee, unless this chapter requires another person to pay the duty.

13 Liability of joint tenants

For the purpose of assessing duty charged by this chapter, joint tenants of dutiable property are taken to hold the dutiable property as tenants in common in equal shares.

14 Necessity for written instrument or written statement

- (1) If a dutiable transaction that is liable to ad valorem duty under this chapter is not effected by an instrument, the transferee must make a written statement.

Note If a form is approved under the Taxation Administration Act, s 139C for a statement, the form must be used.

- (2) The statement must be made within 90 days after the liability arises.
- (3) If a dutiable transaction is completed or evidenced by an instrument within 90 days after the day when the dutiable transaction happens, the requirement to lodge a statement and pay duty in respect of the statement may be satisfied by the lodgment of and payment of duty on the instrument within 90 days after the day when the dutiable transaction happens.

15 Lodging instrument etc with commissioner

- (1) A transferee who is liable to pay duty in relation to a dutiable transaction must, within 90 days after the day the liability arises lodge with the commissioner—
 - (a) the instrument that effects the dutiable transaction or, if there is more than 1 instrument that effects the transaction, each of them; or
 - (b) the written statement made in accordance with section 14.
- (2) This section does not apply in relation to a dutiable transaction if, within the 90-day period, an electronic application for assessment of duty in relation to the transaction is lodged with the commissioner by a person approved under section 239.

16 When must duty be paid?

A tax default does not happen for the Taxation Administration Act if duty is paid within 90 days after the liability to pay it arises.

16A Payment of duty—‘off the plan’ purchase agreements

- (1) For section 16, liability for duty on an ‘off the plan’ purchase agreement is taken to arise if at least 1 of the following events happens:
 - (a) the agreement is completed;
 - (b) the whole, or any part, of the purchaser’s interest under the agreement is assigned;
 - (c) the following period, beginning on the date of the agreement, ends:
 - (i) for a purchase agreement for a declared affordable house and land package—2 years;
 - (ii) for any other ‘off the plan’ purchase agreement—1 year;
 - (d) a certificate of occupancy has been issued under the *Building Act 2004* for the building to which the agreement relates.
- (2) The duty payable on an ‘off the plan’ purchase agreement—
 - (a) is payable within 14 days after 1 of those events happens; and
 - (b) may be paid before any of those events happens.
- (3) Despite section 16, a tax default happens for the Taxation Administration Act if the duty payable on an ‘off the plan’ purchase agreement is not paid within the 14 day period under subsection (2)
 - (a).

- (4) In this section:

declared affordable house and land package means a house and land package declared under section 16B.

‘off the plan’ purchase agreement means—

- (a) an agreement for the sale or transfer of dutiable property that is, or includes, land where a residence is to be erected or developed before completion of the sale or transfer; or
- (b) a purchase agreement for a declared affordable house and land package.

16B Declaration of affordable house and land packages

- (1) The Minister may declare a house and land package that is, or is to be, offered for purchase to be an affordable house and land package.
- (2) A declaration is a disallowable instrument.

Note A disallowable instrument must be notified, and presented to the Legislative Assembly, under the Legislation Act.

17 No double duty

- (1) If a dutiable transaction is effected by more than 1 instrument, 1 instrument is to be stamped with the duty payable on the transaction and in respect of the other instruments—
 - (a) no duty is chargeable on an instrument that is lodged with the commissioner for stamping at the same time as the instrument to be stamped with the duty payable on the transaction; and
 - (b) duty of \$20 is chargeable on an instrument lodged with the commissioner for stamping at any other time.

- (2) If a transfer of dutiable property is made in conformity with an agreement for the sale or transfer of the property—
 - (a) no duty is chargeable in respect of the transfer if it is lodged with the commissioner for stamping at the same time as the agreement for sale or transfer; and
 - (b) duty of \$20 is chargeable in respect of the transfer if it is lodged for stamping at any other time.
- (3) The duty chargeable in respect of a transfer of dutiable property that is not made in conformity with an agreement for the sale or transfer of the dutiable property is \$20 if—
 - (a) the duty chargeable in respect of the agreement has been paid; and
 - (b) the transfer would be in conformity with the agreement if the transferee was the purchaser under the agreement; and
 - (c) the purchaser under the agreement and the transferee under the transfer were related people at the time the agreement was entered into.
- (4) The duty chargeable on a transfer to a trustee of dutiable property subject to a declaration of trust is \$20 if ad valorem duty has been paid on the declaration of trust in respect of the same dutiable property.
- (5) The duty chargeable on a declaration of trust that declares the same trusts as those on and subject to which the same dutiable property was transferred to the person declaring the trust is \$20 if ad valorem duty has been paid on the transfer.
- (6) A dutiable transaction in respect of marketable securities that confer a land use entitlement is taken to be a dutiable transaction in respect of the land use entitlement only and, if duty has been paid on the dutiable transaction in accordance with a law of another Australian jurisdiction, the duty charged by this chapter on the dutiable transaction is to be reduced by the amount of the duty so paid.

- (7) The duty charged by this chapter on the grant of a long-term lease mentioned in section 10 (1) (e) must be reduced by the amount (if any) of duty paid under chapter 5 on the lease instrument that evidenced or effected the previous surrendered lease or any earlier surrendered lease mentioned in that section.
- (8) The duty charged by this chapter on the grant of a long-term lease mentioned in section 10 (1) (f) must be reduced by the amount (if any) of duty paid under chapter 5 on the lease instrument that evidenced or effected the lease that was extended or further extended as mentioned in that section.
- (9) This section does not apply to a personal relationship financial agreement if—
- (a) the agreement provides for a transfer of dutiable property; and
 - (b) the transfer is not exempt from duty under section 74B (Transfers relating to certain personal relationships).
- (10) In this section:
- personal relationship financial agreement*** means—
- (a) a financial agreement made under the *Family Law Act 1975* (Cwlth), section 90B, section 90C or section 90D that is binding on the parties under that Act; or
 - (b) a part VIIIAB financial agreement made under the *Family Law Act 1975* (Cwlth), section 90UB, section 90UC or section 90UD that is binding on the parties under that Act; or
 - (c) a domestic relationship agreement or termination agreement under the *Domestic Relationships Act 1994*.

18 Rate of duty

Duty is charged on the dutiable value of the dutiable property subject to the dutiable transaction at the relevant rate set out in part 2.3.

19 Concessions and exemptions from duty

Concessions and exemptions from duty charged by this chapter are dealt with in part 2.5 and part 2.6.

Part 2.2 Dutiable value

20 What is the *dutiable value* of dutiable property?

- (1) The *dutiable value* of dutiable property that is subject to a dutiable transaction is the greater of—
 - (a) the consideration (if any) for the dutiable transaction (being the amount of a monetary consideration or the value of a non-monetary consideration); and
 - (b) whichever of the following applies:
 - (i) for a long-term lease or franchise arrangement—the unencumbered value of the Crown lease of the land in relation to which the long-term lease or franchise arrangement is granted;
 - (ii) for any other dutiable property—the unencumbered value of the dutiable property.
- (2) However, the *dutiable value* of a dutiable transaction that is a purchase agreement for a declared affordable house and land package, is the lesser of—
 - (a) the value of the land component of the package on the date of the agreement; and
 - (b) the value of the land component of the package on the date the liability for duty arises under section 16A (1).
- (3) However, if the land the subject of a long-term lease mentioned in section 10 (1) (e) is not identical to the land the subject of the previous lease and any earlier surrendered lease, *land* in subsection (1) (b) (i) means the part of the land the person would hold continuously for longer than 30 years.
- (4) The dutiable value of a partnership interest mentioned in section 28 is to be determined in accordance with that section.

- (5) In this section:

declared affordable house and land package means a house and land package declared under section 16B.

21 What is the consideration for the transfer of dutiable property?

- (1) The consideration for the transfer of dutiable property is taken to include the amount or value of all encumbrances, whether certain or contingent, subject to which the dutiable property is transferred.
- (2) The consideration for the transfer of the interest of a transferee under an uncompleted agreement for the sale or transfer of dutiable property is taken to include the balance of the amount or value of the consideration that would be required from the transferee under the agreement to complete it in accordance with its terms.
- (3) If a Crown lease is granted subject to a requirement that the lessee carry out, or cause to be carried out, works on land other than the land the subject of the lease, the cost of carrying out those works is taken to form part of the consideration for the lease.
- (4) If a Crown lease is granted—
- (a) for an initial term; and
 - (b) subject to a right provided by the lease for the lessee to be granted a further term (whether or not the exercise of that right is subject to conditions);

the lease is taken to be granted for a term equal to the aggregate of the initial term and the further term, up to a maximum of 99 years, and the consideration for the lease is taken to be the aggregate of—

- (c) any lump sum paid for the grant of the lease; and
- (d) any lump sum payable for renewal of the lease; and
- (e) the rent payable under the lease during the term for which it is taken to have been granted; and

- (f) any costs that are taken to form part of the consideration under subsection (3).

22 What is the *unencumbered value* of dutiable property?

- (1) The *unencumbered value* of dutiable property is the value of the property determined without regard to any encumbrance to which the property is subject.
- (2) If, before land is transferred to a transferee, the transferee has made improvements to the land, the unencumbered value of the land is to be determined as if those improvements had not been made.
- (3) The *unencumbered value* of a Crown lease at the time it is granted is, for this chapter, taken to be the amount determined by the granting body to be that value.
- (4) However, if the commissioner is not satisfied with the amount determined by the granting body of a Crown lease to be the unencumbered value of the lease, the commissioner may—
 - (a) have the Crown lease valued as at the time it was granted; and
 - (b) determine the unencumbered value of the lease in accordance with the valuation.
- (5) If the granting body of a Crown lease did not determine the value of the lease at the time it was granted, the commissioner may—
 - (a) have the Crown lease valued as at the time it was granted; and
 - (b) determine the unencumbered value of the lease in accordance with the valuation.
- (6) In determining the unencumbered value of a Crown lease at the time it is or was granted, the granting body or a person making a valuation of the lease under subsection (4) (a) or (5) (a) must assume—
 - (a) that the consideration for the lease is or was to be paid as a lump sum; and

- (b) that the lessee is not obliged by the lease to carry out any works, or to cause any works to be carried out, on the land leased or elsewhere.
- (7) The commissioner may recover from the lessee under a Crown lease—
 - (a) the cost of getting a valuation under subsection (4) if the value of the Crown lease shown by the valuation was more than the value of the lease determined by the granting authority; or
 - (b) the cost of getting a valuation under subsection (5).

- (8) In this section:

grant, of a Crown lease over a parcel of land, includes the grant of a second or subsequent lease over the same parcel.

granting body, in relation to a Crown lease, means the administrative unit or other entity responsible for arranging the grant.

23 Arrangements that reduce dutiable value

If any arrangement affecting the dutiable value of dutiable property that was entered into within 12 months before a dutiable transaction was brought about by any person with the intention of reducing the dutiable value of the dutiable property, the commissioner may—

- (a) cause a valuation of the dutiable property to be made; and
- (b) direct the valuer to disregard the arrangement for the purposes of the valuation; and
- (c) assess duty on the basis of the valuation carried out in accordance with the direction.

24 Aggregation of dutiable transactions

- (1) Dutiable transactions relating to separate items of dutiable property, or separate parts of, or interests in, dutiable property are to be aggregated and treated as a single dutiable transaction if—
 - (a) they occur within 12 months; and
 - (b) the transferee is the same or the transferees are associated people; and
 - (c) the dutiable transactions together form, evidence, give effect to or arise from what is, substantially, 1 arrangement relating to all of the items or parts of, or interests in, the dutiable property.
- (2) Dutiable transactions are not to be aggregated under this section if the commissioner is satisfied—
 - (a) that the transactions are for the purpose of acquiring 2 or more blocks of land in the same subdivision for the purpose of developing the blocks for resale; or
 - (b) that the transactions are for the purpose of purchasing 2 or more units in the same units plan under the *Unit Titles Act 2001* for the purpose of investment; or
 - (c) that the transactions are for the purpose of acquiring 2 or more parcels of shares in a company or 2 or more parcels of units in a units trust scheme which parcels either alone or together with a lease or licence give an entitlement to occupy 2 or more areas that are on a single parcel of land; or
 - (d) that it would not be just and reasonable for the transactions to be so aggregated.
- (3) The dutiable value of aggregated dutiable property is the sum of the dutiable values of the items or parts of, or the interests in, the dutiable property as at the time when each dutiable transaction occurs.

- (4) The amount of duty payable in accordance with this section is to be reduced by the amount of any ad valorem duty paid on a prior dutiable transaction that is, or prior dutiable transactions that are, aggregated in accordance with this section.
- (5) Duty may be apportioned to the instruments effecting or evidencing the dutiable transactions, or may be charged in accordance with section 17 (1), as determined by the commissioner.
- (6) A person commits an offence if the person—
 - (a) is a transferee in relation to dutiable transactions aggregated under this section; and
 - (b) fails to give the commissioner, in writing, no later than the time when an instrument or statement relating to the transactions is lodged for stamping, details known to the person of—
 - (i) each item or part of, or interest in, the dutiable property included or to be included in the arrangement mentioned in subsection (1); and
 - (ii) the consideration for each item or part of, or interest in, the dutiable property.

Maximum penalty: 50 penalty units.

- (7) An offence against this section is a strict liability offence.
- (8) In this section:

dutiable property does not include marketable securities.

25 Value of goods in certain transactions also involving other property

The commissioner, if satisfied that it would not be just and reasonable in the circumstances to charge duty on the dutiable value of all the dutiable property in a dutiable transaction involving goods and other property, may disregard the value of the goods, or any of them, in determining the dutiable value of the property involved.

26 Apportionment—dutiable property and other property

- (1) If a dutiable transaction relates to dutiable property and property that is not dutiable property, it is chargeable with duty under this chapter only to the extent that it relates to dutiable property.
- (2) If a dutiable transaction relates to different types of dutiable property for which different rates of duty are chargeable under this chapter, the dutiable transaction is chargeable with duty under this chapter as if a separate dutiable transaction had occurred in relation to each such type of dutiable property.

28 Partnership interests

The dutiable value of a partnership interest (*DV*) is to be determined in accordance with the following formula:

$$DV = A \times \frac{X}{Y}$$

where:

A means the value of the partnership interest, or so much of the consideration for the dutiable transaction as relates to the partnership interest, whichever is the greater.

X means the unencumbered value of all dutiable property of the partnership.

Y means the unencumbered value of all assets of the partnership.

29 Partitions

- (1) For this section, a partition occurs when property (some or all of which is dutiable property) that is held by people jointly (as joint tenants or tenants in common) and beneficially is transferred or agreed to be transferred to 1 or more of those people.
- (2) For this section, section 15 and section 17, a partition is taken to be a single dutiable transaction.
- (3) The dutiable value of a partition (**DV**) is to be determined in accordance with the following formula:

$$DV = A \times \frac{X}{Y}$$

where:

A means the sum of the amounts by which the unencumbered value of the property transferred or agreed to be transferred to a person exceeds the unencumbered value of the interest held by the person in that property immediately before the partition, or the sum of any consideration for the partition paid by any of the parties, whichever is the greater.

X means the unencumbered value of all dutiable property the subject of the partition.

Y means the unencumbered value of all property the subject of the partition.

- (4) The minimum duty chargeable on a transaction that effects a partition is \$20.
- (5) Duty charged by this section is payable by the people making the partition or any 1 or more of them.

30 Effect of alteration in purchase price

- (1) If after an agreement for the sale or transfer of dutiable property is entered into and before the property is transferred—
- (a) the consideration under the agreement is reduced and the reduced consideration is not less than the unencumbered value of the dutiable property when the consideration was reduced; or
 - (b) the consideration under the agreement is reduced because the parties have agreed not to transfer some of the dutiable property previously agreed to be transferred and the reduced consideration is not less than the unencumbered value of the dutiable property that remained to be transferred when the consideration was reduced; or
 - (c) the consideration under the agreement is increased and the dutiable value when the consideration was increased is greater than the dutiable value when the agreement was entered into;
- the commissioner must assess or reassess the liability to duty of the agreement in accordance with the change in the consideration.
- (2) The liability to pay additional duty arising from an increase in the consideration occurs on the day when the consideration is agreed to be increased.

Part 2.3 Rates of duty

31 General rate

Except as provided by this chapter, duty at the determined rate is chargeable on a dutiable transaction.

32 Shares, units and interests—marketable securities

- (1) Duty is chargeable on a dutiable transaction in respect of marketable securities at the determined rate.
- (2) A minimum rate of duty of \$20 is chargeable under this section on dutiable transactions in respect of marketable securities.
- (3) A rate of duty chargeable under this section does not apply to a dutiable transaction that confers a land use entitlement.

Note 1 No duty is chargeable on transactions relating to marketable securities that are shares or units quoted on a recognised stock exchange, or related rights or interests (see s 10 (2)).

Note 2 After 30 June 2010, no duty will be chargeable on transactions relating to unquoted marketable securities (see s 75A (Expiry—provisions relating to unquoted marketable securities)). For the relevant transitional provisions, see pt 15.3.

33 Certain business assets

- (1) Duty is chargeable at the determined rate on a dutiable transaction so far as it is in relation to—
 - (a) a partnership interest so far as it is not—
 - (i) an interest in property mentioned in section 10 (1) (a), (b) or (c); or
 - (ii) an interest in property mentioned in section 10 (1) (m) that is dutiable property mentioned in section 10 (1) (a), (b) or (c); or

- (b) an interest in property mentioned in section 10 (1) (m), other than an interest in dutiable property mentioned in section 10 (1) (a), (b), or (c).
- (2) The proportion of the dutiable value of a partnership interest that is chargeable with duty under subsection (1) (a) is—
 - (a) if no interest in property of a kind mentioned in subsection (1) (a) (i) or (ii) is transferred as a result of the transfer of the partnership interest—the whole of the value of the partnership interest; or
 - (b) if an interest in property of a kind mentioned in either of those subparagraphs is transferred as a result of the transfer of the partnership interest—the proportion of the value of the partnership interest that is equal to the proportion of so much of the unencumbered value of all the dutiable assets of the partnership as is not constituted by the unencumbered value of the dutiable assets of the partnership that are property of a kind mentioned in either of those subparagraphs.

Part 2.4 Special provisions

49 Interim payment of duty

- (1) If the full dutiable value of dutiable property subject to an agreement for sale or transfer cannot, in the commissioner's opinion, be immediately ascertained, the commissioner may make an assessment by way of estimate under the Taxation Administration Act, section 11 (2).
- (2) The instrument or written statement required by section 14 may be stamped 'Interim stamp only'.
- (3) When the full dutiable value has been ascertained, the commissioner must reassess the duty payable on the agreement.
- (4) If no further duty is payable, the interim stamp is to be cancelled and any amount paid in excess of the amount assessed is to be refunded.
- (5) If further duty is payable, liability for the further duty arises when the notice of assessment issues, despite section 11.
- (6) On payment of the balance of the duty (and any interest or penalty tax), the instrument or the written statement required by section 14 is to be stamped with the amount of the balance and marked to indicate that duty has been duly paid.

50 Cancelled agreements

- (1) An agreement for the sale or transfer of dutiable property that is cancelled is not liable to duty under this chapter if the commissioner is satisfied—
 - (a) that the agreement was not cancelled to give effect to a subsale; or

- (b) that the purchaser or transferee under the agreement is a promoter of a named company proposed to be incorporated and that the company is the purchaser or transferee of the dutiable property under a subsequent agreement; or
 - (c) that the purchaser or transferee under the agreement and the purchaser or transferee under a subsequent agreement relating to the same dutiable property were related people when the agreement that is cancelled was entered into.
- (2) The commissioner must reassess and refund duty paid on an agreement if—
- (a) the agreement is not liable to duty under this chapter because of this section; and
 - (b) an application for a refund is made within the later of—
 - (i) 5 years after the initial assessment; or
 - (ii) 1 year after the agreement is cancelled.

- (3) In this section:

cancelled means rescinded, annulled or otherwise terminated without completion.

50A Cancelled transfer of dutiable property

- (1) A transfer of dutiable property by instrument is not liable to duty under this chapter if the commissioner is satisfied that—
- (a) the transfer instrument is cancelled and the dutiable property is not transferred to the transferee; and
 - (b) the transfer was not cancelled to give effect to a subsale.
- (2) The commissioner must reassess and refund duty paid on a transfer of dutiable property if—
- (a) the transfer is not liable to duty under this chapter because of this section; and

- (b) an application for a refund is made within 5 years after the initial assessment.
- (3) The transfer instrument must be surrendered to the commissioner unless the commissioner dispenses with that requirement.
- (4) In this section:
 - cancelled*—
 - (a) means rescinded, annulled or otherwise terminated without completion; and
 - (b) includes abandoned.

51 Grant of certain Crown leases on surrender of development leases

- (1) Duty of \$20 is chargeable on the grant of a Crown lease (the *new lease*) on the surrender of a development lease if—
 - (a) the new lease is granted to the person who was the lessee under the development lease at the time of its surrender; and
 - (b) the whole of the land comprised in the new lease is land that was comprised in the development lease.
- (2) If—
 - (a) a Crown lease (the *new lease*) is granted on the surrender of a development lease; and
 - (b) the new lease is granted to the person who was the lessee under the development lease at the time of its surrender; and

- (c) only part of the land comprised in the new lease is land that was comprised in the development lease;

the duty chargeable on the new lease is the amount of duty that would have been chargeable on the new lease under part 2.3 less the amount of duty that would have been chargeable under part 2.3 on the grant of a Crown lease over the land that was comprised in the development lease, if the Crown lease had been granted on the same terms as the new lease.

- (3) In this section:

development lease means a Crown lease that is expressed to be granted for the purpose of developing the land comprised in the lease for subdivision and resale.

52 Refund if Crown lease surrendered

- (1) This section applies if—
- (a) an amount of duty has been paid on a grant of a Crown lease; and
 - (b) the lease is surrendered or terminated; and
 - (c) part or all of the amount paid in relation to the grant of the lease is refunded under the *Planning and Development Act 2007*, section 300 (Refund on lease surrender or termination).
- (2) An amount calculated in accordance with the following formula must be refunded to the person who paid the duty:

$$\frac{D \times R}{P}$$

- (3) In subsection (2):

D means the amount of duty.

R means the amount that would be refundable under the *Planning and Development Act 2007*, section 300 if no deduction were made for administrative expenses.

P means the amount paid for the grant of the lease.

- (4) However, a refund of duty is payable to a person only if the person applies to the commissioner for the refund.
- (5) An application for a refund of duty must—
- (a) be in writing; and
 - (b) be made not later than 1 year after the refund mentioned in subsection (1) (c) is made; and
 - (c) contain the information the commissioner requires to allow the amount of the refund to be worked out.

53 Transfers arising from mortgages of land

- (1) The mortgagor and the mortgagee are jointly and severally liable to pay the duty chargeable on a transfer by way of mortgage of dutiable property that is territory land.
- (2) If the commissioner is satisfied that—
- (a) duty has been paid in accordance with this section on a transfer of dutiable property to which this section applies; and
 - (b) the dutiable property has been re-transferred to the mortgagor (or a person to whom the land has been transmitted by death or bankruptcy) and the mortgagor (or person) is the registered proprietor of the land;

the commissioner must refund the ad valorem duty paid on the transfer less an amount of \$20.

Part 2.5 Concessional rates of duty

Division 2.5.1 Trusts

54 Change in trustees

- (1) In this section:

new trustee means a trustee appointed in substitution for a trustee or a trustee appointed in addition to a trustee or trustees.

- (2) Duty of \$20 is chargeable in respect of a transfer of dutiable property to a person as a consequence of the retirement of a trustee or the appointment of a new trustee, if the commissioner is satisfied that, as the case may be—
- (a) except for a responsible entity of a managed investment scheme—none of the continuing trustees remaining after the retirement of a trustee is or can become a beneficiary under the trust; and

- (a) the 3-year period before the relevant acquisition; or
- (b) if a person makes a relevant acquisition because the person acquires an interest by exercising a right to acquire the interest—the 3-year period before the person or an associated person acquired the right to acquire the interest and ending on the date of the relevant acquisition.

significant interest, in a landholder—see section 83.

Division 3.2.2 Landholding entities

78A Meaning of *entity*—pt 3.2

In this part:

entity means—

- (a) a private company; or
- (b) a private unit trust scheme; or
- (c) a wholesale unit trust scheme.

Note *Private company, private unit trust scheme* and *wholesale unit trust scheme*—see the dictionary.

79 Meaning of *landholder*—pt 3.2

For this part, a *landholder* is an entity that has a landholding in the ACT.

80 Meaning of *landholding*—pt 3.2

- (1) For this part, a *landholding* is any interest in land, other than the interest of a mortgagee, chargee or other secured creditor or a *profit à prendre*.

Note *Interest*—see the dictionary.

- (2) However, an interest in land is not a *landholding* of—
 - (a) a private company unless the interest of the company is a beneficial interest; or
 - (b) a unit trust scheme unless the interest is held by the trustees in their capacity as trustees of the scheme.
- (3) This section is in aid of, but does not limit, the operation of any provision of this part providing for constructive ownership of interests.

- (4) For this part, the vendor and the purchaser under an uncompleted agreement for the sale of land are taken to be separately entitled to the whole of the land.

81 Constructive ownership of landholdings and other property—linked entities

- (1) In addition to any interest in land or other property that it may hold in its own right, an entity (the *principal entity*) is taken, for this part, to hold an interest in land or other property held by a linked entity of the principal entity.
- (2) For this section, a *linked entity* of a principal entity means a person (other than an individual)—
- (a) who is part of a chain of people—
 - (i) which includes the principal entity; and
 - (ii) which is comprised of 1 or more links; and
 - (iii) in which a link exists if a person would be entitled to receive at least 20% of the unencumbered value of the property of another person if the other person were to be wound up; and
 - (iv) which does not include in any of the links between the person and the principal entity, a public unit trust scheme, a wholesale unit trust scheme or a company whose shares are listed on the Australian Stock Exchange or any other exchange of the World Federation of Exchanges; and
 - (b) who is not a public unit trust scheme, a wholesale unit trust scheme or a company whose shares are listed on the Australian Stock Exchange or any other exchange of the World Federation of Exchanges.

(3) The value, for duty purposes, of the interest in land or other property that a principal entity is taken, by subsection (1), to hold because of a holding by a linked entity is that part of the interest's unencumbered value to which the principal entity would be entitled (without regard to any liabilities of the linked entity or any other person in the ownership chain) if each entity in the chain of entities were to be wound up.

(4) In this section:

person includes an entity.

Note *Entity*—see s 78A.

82 Constructive ownership of landholdings and other property—discretionary trusts

(1) For this section, a person is a *beneficiary* of a discretionary trust if the person is a person, or a member of a class of people, in whose favour, by the terms of the trust, capital the subject of the trust may be applied in the event—

(a) of the exercise of a power or discretion in favour of the person or class; or

(b) that a discretion conferred under the trust is not exercised.

Note *Discretionary trust*—see the dictionary.

(2) A beneficiary of a discretionary trust is taken to own or to be otherwise entitled to the property the subject of the trust.

(3) For this part, any property that is the subject of a discretionary trust (the *primary trust*) is taken to be the subject of any other discretionary trust—

(a) that is a beneficiary of the primary trust; or

(b) any trustee of which (in the capacity of trustee) is a beneficiary of the primary trust.

- (4) Subsection (3) extends to apply to property that is the subject of a discretionary trust only by the operation of that subsection.
- (5) However, subsection (2) or (3) does not apply in a particular case if the commissioner—
- (a) is satisfied that the application of the subsection would be inequitable; and
 - (b) determines, in writing, that the subsection does not apply.
- (6) In this section:

person includes an entity.

Note *Entity*—see s 78A.

83 Interest and significant interest in landholders—pt 3.2

- (1) For this part, a person has an *interest* in a landholder if the person has an entitlement (otherwise than as a creditor or other person to whom the landholder is liable) to a distribution of property from the landholder on a winding up of the landholder or otherwise.
- (2) A person who, under subsection (1), has an interest in a landholder has a *significant interest* in the landholder if the person, in the event of a distribution of all the property of the landholder immediately after the interest was acquired, would be entitled to—
- (a) if the landholder is a private unit trust scheme—at least 20% of the property distributed; or
 - (b) if the landholder is a private company or wholesale unit trust scheme—at least 50% of the property distributed.
- (3) In this section:

person includes an entity.

Note *Entity*—see s 78A.

83A Meaning of *associated person*—pt 3.2

- (1) Without limiting the meaning of the dictionary, definition of *associated person*, paragraph (a), a public company and a subsidiary of a public company are taken to be associated people for this part.
- (2) However, the responsible entity of a managed investment scheme (the *first scheme*), and the responsible entity of another managed investment scheme (the *other scheme*), are associated people for this part only if a person who is a member of the first scheme and is beneficially entitled to more than 20% of the property to which the scheme relates is also a member of the other scheme and is beneficially entitled to more than 20% of the property to which the other scheme relates.

Note For another exception to *associated person*—see s 86 (2).

- (3) In this section:
subsidiary—see the Corporations Act, section 9.

84 How person *acquires* an interest in a landholder—pt 3.2

- (1) For this part, a person *acquires* an interest in a landholder if the person obtains an interest, or the person's interest increases, in the landholder regardless of how it is obtained or increased.
- (2) Without limiting subsection (1), a person may acquire an interest in a landholder—
 - (a) by any of the following:
 - (i) purchase, gift, allotment, issue or transfer of a share or unit in the landholder;
 - (ii) variation, abrogation or alteration of a right attaching to any such share or unit;
 - (iii) cancellation, redemption or surrender of any such share or unit;

- (iv) variation, abrogation or alteration of a right of a holder of any such share or unit;
- (v) payment of an amount owing for any such share or unit;
or
- (b) by any combination of the means mentioned in paragraph (a);
or
- (c) if the person holds an interest in the landholder (whether or not as trustee) and the capacity in which the person holds the interest changes (including if there is a change in the beneficial ownership of an interest held by a person as trustee).

Example—par (c)

a person who holds a unit in the landholder declares a trust in relation to the unit

Note An example is part of the Act, is not exhaustive and may extend, but does not limit, the meaning of the provision in which it appears (see Legislation Act, s 126 and s 132).

- (3) If the acquisition arises from an agreement to purchase, allot or issue a unit or share, the acquisition is made, for this part, when the agreement is completed.
- (4) For subsection (3)—
 - (a) it does not matter whether or not the acquisition or interest acquired is registered; and
 - (b) an agreement is taken to be completed when the necessary transfer or title documents are delivered to the person acquiring the interest and the purchase price is paid in full.
- (5) To remove any doubt, a person may acquire an interest in a landholder without acquiring shares or units in the landholder.

Division 3.2.3 Charging of duty

85 When does liability for duty arise?

A liability for duty charged by this part arises when a relevant acquisition is made.

86 What is a *relevant acquisition*?—pt 3.2

- (1) For this part, a person is taken to have made a *relevant acquisition* if the person—
 - (a) acquires an interest in a landholder—
 - (i) that is of itself a significant interest in the landholder; or
 - (ii) that, when aggregated with other interests in the landholder held by the person or an associated person, results in an aggregation that amounts to a significant interest in the landholder; or
 - (iii) that, when aggregated with other interests in the landholder acquired by the person or other people in an associated transaction, results in an aggregation that amounts to a significant interest in the landholder; or
 - (b) having an interest described in paragraph (a) in a landholder, acquires a further interest in the landholder.
- (2) For this part, a person in their capacity as a qualifying investor of a wholesale unit trust scheme is taken not to be an *associated person* of other qualifying investors in relation to the scheme.

Note *Associated person*—see s 83A.

- (3) In this section:

associated transaction, in relation to the acquisition of an interest in a landholder by a person, means an acquisition of an interest in the landholder by another person in circumstances in which—

- (a) those people are acting in concert; or
- (b) the acquisitions form, are evidence of, give effect to or arise from substantially 1 arrangement, 1 transaction or 1 series of transactions.

qualifying investor—see section 95D.

87 Acquisition statements

- (1) A person who has made a relevant acquisition must prepare a statement and lodge it with the commissioner.
- (2) The statement must be lodged not later than 90 days after the day the relevant acquisition is made.
- (3) The acquisition statement must contain the following information:
 - (a) the name and address of the person who has acquired the interest;
 - (b) the date of the relevant acquisition;
 - (c) particulars of the interest acquired;
 - (d) particulars of the total interest of the person and any associated person in the landholder at that date;
 - (e) the unencumbered value of all landholdings in the ACT of the landholder as at the date of the relevant acquisition and as at the date of acquisition of each interest acquired in the landholder during the relevant period for the relevant acquisition;

Note **Relevant period**—see s 78.

- (f) the unencumbered value of the property of the landholder at the date of the relevant acquisition;
- (g) the amount of duty paid under this Act or under a law of another Australian jurisdiction in respect of each earlier acquisition of an interest mentioned in paragraph (e);
- (h) the other information that the commissioner may require.

Note If a form is approved under the Taxation Administration Act, s 139C for an acquisition statement, the form must be used.

88 When must duty be paid?

A tax default does not happen for the Taxation Administration Act if duty is paid within 90 days after the liability to pay it arises.

89 Who is liable to pay duty?

- (1) Subject to subsection (2), duty chargeable under this part is payable by the person who makes the relevant acquisition.
- (2) If a relevant acquisition results from an aggregation of the interests of associated people, the person who made the relevant acquisition and the associated person or people are jointly and severally liable for payment of the duty.

90 How duty is charged on relevant acquisitions

- (1) If an acquisition statement does not disclose any acquisitions during the relevant period for the relevant acquisition, duty is chargeable, at the rate specified under this Act for a transfer of dutiable property, on the amount calculated by multiplying the unencumbered value of all landholdings of the landholder in the ACT (calculated at the date of acquisition of the interest acquired) by the proportion of that value represented by the interest acquired in the relevant acquisition.

Note **Relevant period**—see s 78.

- (2) If an acquisition statement discloses 1 or more acquisitions during the relevant period for the relevant acquisition, duty is chargeable, at the rate specified under this Act for a transfer of dutiable property, on the aggregate of amounts severally calculated, in the way provided by subsection (1), in respect of each interest required to be disclosed in the statement.
- (3) Duty payable under this section is to be reduced by the sum of the duty paid or payable under this Act in respect of the acquisition, during the relevant period for the relevant acquisition, by the person or any associated person of an interest in the same landholder, but only in proportion to the extent to which the duty paid or payable is attributable to the amount of the duty payable under this section.
- (4) Duty payable under this section is to be reduced by an amount (if any) calculated in accordance with the following formula:

$$\frac{A}{B} \times C$$

where:

A means the unencumbered value of the landholdings in the ACT of the landholder at the time the dutiable acquisition was made.

B means the unencumbered value of all property of the landholder at that time.

C means the sum of—

- (a) the duty under this Act paid or payable in respect of—
- (i) a dutiable transaction in relation to the shares or units; or
 - (ii) a capital reduction or a rights alteration under part 3.3 by which an interest in the landholder was acquired; or

- (iii) an allotment under part 3.5 by which an interest in the landholder was acquired; and
 - (b) any duty of a like nature so paid or payable under a law of another Australian jurisdiction.
- (5) If a relevant acquisition is made owing to the aggregation of the interests of associated people, but the commissioner is satisfied that the associated people acquired their respective interests independently and for no common purpose, the commissioner may assess and charge duty on the relevant acquisition without aggregating the interests of the person who made it with the interests of associated people.
- (6) This section is subject to division 3.2.4.

Division 3.2.4 General and supplemental

91 Ch 3 transactions—concessional duty

- (1) Duty of \$20 is chargeable in respect of a chapter 3 transaction—
- (a) in which the transferee is a hospital, school or charitable organisation or a trustee who is to hold the property transferred in trust for a hospital, school or charitable organisation; or
 - (b) made consequent on the death of a person if the transferor is the executor of the will of the deceased person, the administrator of the estate of the deceased person or a beneficiary of the will or estate of the deceased person; or
 - (c) made by operation of law on the bankruptcy of a person or the winding-up of a company.
- (2) Duty of \$20 is chargeable in respect of a chapter 3 transaction if the land that is the subject of the interest concerned could have been acquired by the person in a way that results in a liability to pay \$20 duty under any of the following provisions:
- (a) section 54 (Change in trustees);

- (b) section 55 (Transfer to custodian of managed investment scheme);
 - (c) section 55A (Transfers in relation to managed investment schemes);
 - (d) section 55B (Transfers in relation to registered schemes);
 - (e) section 56 (Property vested in an apparent purchaser);
 - (f) section 57 (1) (Transfers back from a nominee), if the initial transfer from the transferor to the trustee was a chapter 3 transaction;
 - Note* The initial transfer is also chargeable with \$20 duty (see s (3)).
 - (g) section 58 (Property passing to beneficiaries);
 - (h) section 60A (Nominee transactions—unquoted marketable securities);
 - (i) section 62 (Transfer of property from one superannuation fund to another);
 - (j) section 63 (2) (b) (Transfers to trustees or custodians of superannuation funds or trusts);
 - (k) section 63 (3).
- (3) If duty of \$20 has been paid under subsection (2) (f) for a chapter 3 transaction consisting of a transfer back from a trustee to a transferor—
- (a) the initial transfer from the transferor to the trustee is chargeable with a duty of \$20; and
 - (b) the commissioner must reassess the initial transfer and refund any duty paid in excess of \$20 on application for a refund made within 5 years after the initial assessment, or 12 months after the transfer back to the transferor, whichever is later.

- (4) Maximum duty of \$200 is chargeable in respect of a chapter 3 transaction if the land that is the subject of the interest concerned could have been acquired by the person in a way that results in a liability to pay a maximum of \$200 duty under section 63 (2) (a).

91A Corporate reconstructions—concessional duty for relevant acquisitions

- (1) This section applies to the making of a relevant acquisition (the *transaction*) if—
- (a) by the transaction, property is—
 - (i) transferred (or agreed to be transferred) by a member of a group of corporations to another member of the same group; or
 - (ii) vested in a member of the group, if the property was owned immediately before the vesting by another member of the same group; and
 - (b) the transaction is approved by the commissioner in accordance with any guidelines determined under subsection (4).
- (2) Duty for the transaction is payable at 5% of the amount that would, apart from this section, be payable for the transaction.
- (3) An approval for subsection (1) (b) may be given subject to conditions.
- (4) The Minister may determine guidelines for approvals.
- (5) A determination is a disallowable instrument.
- Note* A disallowable instrument must be notified, and presented to the Legislative Assembly, under the Legislation Act.
- (6) In this section:

92 Maximisation of entitlements on distribution of property

- (1) This section applies to any calculation, for this part, of the entitlement of a person (the *interested person*) to participate in a distribution of the property of a landholder, whether on a winding-up of the landholder or otherwise.
- (2) A calculation is to be made based, firstly, on a distribution carried out in accordance with the constitution of the landholder, and with any law relevant to the distribution, as in force at the time of distribution, and the entitlement of the interested person is to be evaluated accordingly.
- (3) Next, a calculation is to be made based on a distribution carried out after the interested person, and any other person whom the interested person has power to direct for such a distribution or who is, in relation to the interested person, an associated person, had exercised all powers and discretions exercisable by them because of having acquired an interest in the landholder concerned—
 - (a) to effect or compel an alteration to the constitution of the landholder; and
 - (b) to vary the rights conferred by shares or units in the landholder; and
 - (c) to effect or compel the substitution or replacement of shares or units in the landholder with other shares or units in it;in such a way as would maximise the value of the entitlement, and the entitlement of the interested person is to be evaluated accordingly.
- (4) The results obtained by an evaluation of the interested person's entitlement in accordance with subsections (2) and (3) are then to be compared, and whichever evaluation results in a greater entitlement is the correct evaluation, for this part, of the entitlement.

- (5) However, subsection (4) does not apply in a particular case if the commissioner—
- (a) is satisfied that the application of the subsection would be inequitable; and
 - (b) determines, in writing, that the subsection does not apply.

93 Valuation of property

- (1) The provisions of this Act that apply to the ascertainment of the value of transfers chargeable with ad valorem duty apply in the same way to an acquisition statement under this part and the value of landholdings mentioned in it.
- (2) If any arrangement affecting the dutiable value of dutiable landholdings that was entered into within 12 months before a relevant acquisition was brought about by any person with the intention of reducing the dutiable value of the landholdings, the commissioner may—
- (a) cause a valuation of the landholding to be made; and
 - (b) direct the valuer to disregard the arrangement for the purposes of the valuation; and
 - (c) assess duty on the basis of the valuation carried out in accordance with the direction.

94 Agreements for sale or conveyance of land

- (1) If—
- (a) at the time of acquisition of an interest by any person in a landholder that requires the lodgment of an acquisition statement under division 3.2.3 (Charging of duty), the landholder was the vendor under an uncompleted agreement for the sale or conveyance of land; and

(b) the agreement is subsequently completed;

the commissioner must assess or reassess the statement as though the land the subject of the agreement was not, at the time of the acquisition concerned, a landholding of the landholder.

Note For pt 3.2, the vendor and the purchaser under an uncompleted agreement for the sale of land are taken to be separately entitled to the whole of the land (see s 80 (4)).

(2) If—

(a) at the time of acquisition of an interest by any person in a landholder that requires the lodgment by any person of an acquisition statement under division 3.2.3, the landholder was the purchaser under an uncompleted agreement for the sale or conveyance of land; and

(b) the agreement is subsequently rescinded, annulled or otherwise terminated without completion;

the commissioner must assess or reassess the statement as though the land the subject of the agreement was not, at the time of the acquisition concerned, a landholding of the landholder.

(3) In this section:

landholder includes a linked entity of the landholder.

linked entity—see section 81 (2) (Constructive ownership of landholdings and other property—linked entities).

95 Duty concession—acquisitions securing financial accommodation

(1) If the person lodging an acquisition statement under this part in relation to the acquisition of an interest in a landholder—

(a) informs the commissioner at the time the statement is lodged that the acquisition is effected for the purpose of securing financial accommodation; and

(b) the commissioner is satisfied that the acquisition is effected for that purpose;

the statement, so far as it relates to that acquisition, is not chargeable with duty, except as provided by subsection (2).

(2) The statement is chargeable with duty at the end of the period of 5 years after the date of the acquisition (or the longer period that may be determined by the commissioner in the particular case) if the interest concerned is not—

(a) reacquired by the person from whom it was acquired; or

(b) for an acquisition by way of mortgage—conveyed by the mortgagee to a third person in exercise of the mortgagee's power of sale;

(3) In this section:

historic vehicle—see the *Road Transport (Vehicle Registration) Regulation 2000*, dictionary.

218 Avoidance of double duty—duty paid in corresponding Australian jurisdiction

Duty is not chargeable on an application to register a motor vehicle in the ACT if—

Example

Emmy applies to register her car in the ACT. The car is registered in Emmy's name in Queensland. Under Queensland law, registration of Emmy's car is exempt from duty. However, under this Act, registration of Emmy's car is not exempt from duty. Section 218 does not apply, as Emmy has not paid duty in Queensland.

Note An example is part of the Act, is not exhaustive and may extend, but does not limit, the meaning of the provision in which it appears (see Legislation Act, s 126 and s 132).

219 Reassessment of duty—repossession of stolen motor vehicle

- (1) Duty is not chargeable on an application for registration of a motor vehicle that has been repossessed from a person because, before the person acquired it, it had been stolen.

410 **Application of ch 6 to hiring charges received by commercial hire business before 1 July 2007**

- (1) The repeal of chapter 6 (Hire of goods) by section 173A (Expiry—ch 6) does not affect any obligation to pay duty under part 6.3 (Arrangements applying to people engaged in business of hiring out goods) in relation to hiring charges received by a commercial hire business before 1 July 2007 and, for that purpose, that part continues to apply as if it had not been repealed.
- (2) In particular, section 169 (Lodgment of returns and payment of duty) continues to apply so that a commercial hire business—
 - (a) is required to lodge a return in accordance with that section in relation to each month before July 2007; and
 - (b) may request a reassessment of duty under section 169 (6).
- (3) This section applies whether or not the hire to which the charges relate is for a period after 30 June 2007.

411 Application of ch 6 to hire of goods entered into before 1 July 2007

- (2) For that purpose—
 - (a) part 6.4 continues to apply to a hire of goods entered into before 1 July 2007 but only if the first or only payment of hiring charges is paid or becomes payable before that date; and
 - (b) no refund of duty is payable in relation to any part of the hiring charges that is paid or becomes payable after 30 June 2007.

 - (a) the hire of goods replaces a hire of goods that was entered into before 1 July 2007; or
 - (b) another arrangement was made before 1 July 2007 the only or main purpose of which was to defer the hire of goods until 1 July 2007 or later so that chapter 6 would not apply to it.

- (3) Without limiting subsection (2), the commissioner must not refund duty under section 148 (Reassessment of duty—early termination) on a lease instrument evidencing or effecting a lease of property if satisfied that the lessee or any associated person will continue to lease the property, or substantially the same property, under a new arrangement.
