About this republication

The republished law

This is a republication of the *Road Transport (Safety and Traffic Management) Act 1999* as in force on 27 September 2001. It includes any amendment, repeal or expiry affecting the republished law to 27 September 2001 and any amendment made under the *Legislation Act 2001*, part 11.3 (Editorial changes).

The legislation history and amendment history of the republished law are set out in endnotes 3 and 4.

Kinds of republications

The Parliamentary Counsel's Office prepares 2 kinds of republications of ACT laws (see the ACT legislation register at www.legislation.act.gov.au):

- authorised republications to which the Legislation Act 2001 applies
- unauthorised republications.

The status of this republication appears on the bottom of each page.

Editorial changes

The Legislation Act 2001, part 11.3 authorises the Parliamentary Counsel to make editorial amendments and other changes of a formal nature when preparing a law for republication. Editorial changes do not change the effect of the law, but have effect as if they had been made by an Act commencing on the republication date (see Legislation Act 2001, s 115 and s 117). The changes are made if the Parliamentary Counsel considers they are desirable to bring the law into line, or more closely into line, with current legislative drafting practice.

This republication includes amendments made under part 11.3 (see endnote 1).

Uncommenced provisions and amendments

If a provision of the republished law has not commenced or is affected by an uncommenced amendment, the symbol $\boxed{\textbf{U}}$ appears immediately before the provision heading. The text of the uncommenced provision or amendment appears only in the last endnote

Modifications

If a provision of the republished law is affected by a current modification, the symbol **M** appears immediately before the provision heading. The text of the modifying provision appears in the endnotes. For the legal status of modifications, see *Legislation Act 2001*, section 95.

Penalties

The value of a penalty unit for an offence against this republished law at the republication date—

- (a) if the person charged is an individual—\$100; or

Road Transport (Safety and Traffic Management) Act 1999

An Act to facilitate the adoption of nationally consistent road rules in the Territory, to make provision about other matters concerning safety and traffic management on roads and road related areas, and for other purposes

U Part 1 **Preliminary**

Note This Act (including the regulations) forms part of the road transport legislation. Other road transport legislation includes the Road Transport (Alcohol and Drugs) Act 1977, the Road Transport (Dimensions and Mass) Act 1990, the Road Transport (Driver Licensing) Act 1999, the Road Transport (General) Act 1999, the Road Transport (Vehicle Registration) Act 1999 and the regulations made under those Acts. As part of the road transport legislation, this Act is subject to various provisions of the Road Transport (General) Act 1999 about the administration and enforcement of the road transport legislation generally.

1 Name of Act

This Act is the Road Transport (Safety and Traffic Management) Act 1999.

3 Objects of Act (NSW s 3)

The objects of this Act are—

- (a) to provide for a safety and traffic management system in the ACT that is-
 - (i) consistent with the agreements scheduled to the *National* Road Transport Commission Act 1991 (Cwlth); and
 - (ii) part of the uniform national road transport legislation envisaged by that Act; and
- (b) to re-enact with some changes certain provisions of the *Motor* Traffic Act 1936 about safety and traffic management; and
- (c) to improve road safety and transport efficiency, and reduce the costs of administering road transport.

4 Definitions—the dictionary (Cwth s 4, NSW s 4)

The dictionary at the end of this Act is part of this Act.

Note 1 The dictionary defines certain words and expressions, and includes references (*signpost definitions*) to other words and expressions defined elsewhere in this Act or elsewhere in the road transport legislation.

For example, the signpost definition 'driver licence—see the Road Transport (Driver Licensing) Act 1999, dictionary' means the expression 'driver licence' is defined in the dictionary to that Act and the definition applies to this Act.

Note 2 A definition in the dictionary (including a signpost definition) applies to the entire Act unless the definition, or another provision of the Act, provides otherwise or the contrary intention otherwise appears (see Legislation Act 2001, s 155 and s 156 (1)).

5 Notes (NSW s 7)

(1) A note included in this Act is explanatory and is not part of this Act.

Note See Legislation Act 2001, s 127 (1), (4) and (5) for the legal status of notes.

(2) In this section:

note includes material enclosed in brackets in section headings.

Note For comparison, a number of sections of this Act contain bracketed notes in their headings drawing attention to equivalent or comparable (though not necessarily identical) provisions of other Acts. Abbreviations in the notes include the following:

- Cwth: Road Transport Reform (Vehicles and Traffic) Act 1993 (Cwlth)
- MTA: Motor Traffic Act 1936, as in force immediately before the commencement of this Act
- NSW: Road Transport (Safety and Traffic Management) Act 1999 (NSW)
