About this republication

The republished law

This is a republication of the *First Home Owner Grant Act 2000* (including any amendment made under the *Legislation Act 2001*, part 11.3 (Editorial changes)) as in force on 1 July 2009. It also includes any amendment, repeal or expiry affecting the republished law to 1 July 2009.

The legislation history and amendment history of the republished law are set out in endnotes 3 and 4.

Kinds of republications

The Parliamentary Counsel's Office prepares 2 kinds of republications of ACT laws (see the ACT legislation register at www.legislation.act.gov.au):

- authorised republications to which the *Legislation Act 2001* applies
- unauthorised republications.

The status of this republication appears on the bottom of each page.

Editorial changes

The *Legislation Act 2001*, part 11.3 authorises the Parliamentary Counsel to make editorial amendments and other changes of a formal nature when preparing a law for republication. Editorial changes do not change the effect of the law, but have effect as if they had been made by an Act commencing on the republication date (see *Legislation Act 2001*, s 115 and s 117). The changes are made if the Parliamentary Counsel considers they are desirable to bring the law into line, or more closely into line, with current legislative drafting practice.

This republication does not include amendments made under part 11.3 (see endnote 1).

Uncommenced provisions and amendments

If a provision of the republished law has not commenced or is affected by an uncommenced amendment, the symbol **U** appears immediately before the provision heading. The text of the uncommenced provision or amendment appears only in the last endnote.

Modifications

If a provision of the republished law is affected by a current modification, the symbol **M** appears immediately before the provision heading. The text of the modifying provision appears in the endnotes. For the legal status of modifications, see *Legislation Act 2001*, section 95.

Penalties

The value of a penalty unit for an offence against this republished law at the republication date is—

- (a) if the person charged is an individual—\$100; or
- (b) if the person charged is a corporation—\$500.

First Home Owner Grant Act 2000

An Act to encourage and assist home ownership, and to offset the effect of the GST on the acquisition of a first home, by establishing a scheme for the payment of grants to first home owners

Part 1 Preliminary

1 Name of Act

This Act is the *First Home Owner Grant Act 2000*.

2 Dictionary

The dictionary at the end of this Act is part of this Act.

Note 1 The dictionary at the end of this Act defines certain words and expressions used in this Act, and includes references (*signpost definitions*) to other words and expressions defined elsewhere in this Act.

For example, the signpost definition '*identity card*—see the *Taxation Administration Act 1999*, dictionary.' means that the term 'identity card' is defined in that dictionary and the definition applies to this Act.

Note 2 A definition in the dictionary (including a signpost definition) applies to the entire Act unless the definition, or another provision of the Act, provides otherwise or the contrary intention otherwise appears (see Legislation Act, s 155 and s 156 (1)).

3 Notes

A note included in this Act is explanatory and is not part of this Act.

Note See Legislation Act, s 127 (1), (4) and (5) for the legal status of notes.

3A Offences against Act—application of Criminal Code etc

Other legislation applies in relation to offences against this Act.

Note 1 Criminal Code

The Criminal Code, ch 2 applies to all offences against this Act (see Code, pt 2.1).

The chapter sets out the general principles of criminal responsibility (including burdens of proof and general defences), and defines terms used for offences to which the Code applies (eg *conduct*, *intention*, *recklessness* and *strict liability*).

Note 2 Penalty units

The Legislation Act, s 133 deals with the meaning of offence penalties that are expressed in penalty units.

4 Homes

A *home* is a building (affixed to land) that—

- (a) may lawfully be used as a place of residence; and
- (b) is, in the commissioner's opinion, a suitable building for use as a place of residence.

5 Ownership of land and homes

- (1) A person is an *owner* of a home or a *home owner* if the person has a relevant interest in land on which a home is built.
- (2) Each of the following is a *relevant interest* in land:
 - (a) a leasehold interest in the land granted by the Commonwealth;
 - (b) a life estate in the land approved by the commissioner;
 - (c) a licence or right of occupancy granted by the Commonwealth that gives, in the commissioner's opinion, the licensee or the holder of the right reasonable security of tenure;

- (d) an interest in a company's shares if the commissioner is satisfied that—
 - (i) the interest entitles the holder of the interest to exclusive occupation of a particular home owned by the company; and
 - (ii) the value of the shares is not less than the value of the company's interest in the home.
- (3) However—
 - (a) an interest is not a *relevant interest* in land at a particular time unless the holder of the interest has, or will have within 12 months after that time (or a longer time allowed by the commissioner), a right to immediate occupation of the land; and
 - (b) an interest is not a *relevant interest* in land in the hands of a person who holds it subject to a trust; and
 - (c) an equitable interest is not a *relevant interest* in land unless it is the interest of a person under a legal disability for whom a guardian holds the interest on trust.
- (4) Despite subsections (2) and (3), the regulations may provide for recognition of an interest (a *noncomplying interest*) as a *relevant interest* in land—
 - (a) even though the interest may not comply with the subsections; and
 - (b) even though the interest may not be recognised at law or in equity as an interest in land.
- (5) If a first home owner grant is to be paid because of the recognition of a noncomplying interest as a relevant interest in land, the commissioner may impose appropriate conditions on the payment of the grant to ensure its recovery if criteria prescribed under the regulations about future conduct or events are not satisfied.

6 Partner of applicant

- (1) A person is the *partner* of the applicant if the person is the applicant's domestic partner.

Note For the meaning of *domestic partner*, see Legislation Act, s 169.

- (2) However, if the applicant is married or in a civil partnership, the applicant's spouse or civil partner is not to be regarded as the applicant's partner if the commissioner is satisfied that, at the time of deciding the application for a first home owner grant, the applicant—
- (a) is not living with the person; and
 - (b) has no intention of resuming living with the person.

Part 2 First home owner grant

Division 2.1 Entitlement to grant

7 Entitlement to grant

- (1) A first home owner grant is payable on an application under this Act if—
 - (a) the applicant or, if there are 2 or more of them, each of the applicants complies with the eligibility criteria; and
 - (b) the transaction for which the grant is sought—
 - (i) is an eligible transaction; and
 - (ii) has been completed.
- (2) Despite subsection (1) (a), an applicant need not comply with the eligibility criteria to the extent the applicant is exempted from compliance under this Act.
- (3) Only 1 first home owner grant is payable for the same eligible transaction.

Division 2.2 Eligibility criteria for applicants

8 Criterion 1—Applicant to be an individual

An applicant for a first home owner grant must be an individual.

8A Criterion 1A—Applicant to be at least 18 years old

- (1) An applicant for a first home owner grant must be at least 18 years old.
- (2) However, if the commissioner is satisfied there are good reasons to do so, the commissioner may exempt the applicant from the requirement to be at least 18 years old.

9 Criterion 2—Applicant to be Australian citizen or permanent resident

- (1) An applicant for a first home owner grant must be an Australian citizen or permanent resident.
- (2) However, if an application is made by joint applicants and 1 of the applicants is an Australian citizen or permanent resident, it is not necessary for the other or others to be Australian citizens or permanent residents.

10 Criterion 3—Applicant (or applicant’s partner) must not have received an earlier grant

- (1) An applicant is ineligible if—
 - (a) the applicant or the applicant’s partner has been a party to an earlier application under this Act or a corresponding law; and
 - (b) a grant was paid on the application.
- (2) However, the applicant is not ineligible if the grant was paid but later paid back under the conditions on which the grant was made.
- (3) An applicant is also ineligible if the applicant or the applicant’s partner—
 - (a) could have successfully applied for a first home owner grant under this Act or a corresponding law in relation to an earlier transaction to which he or she was a party but did not do so; or
 - (b) could, assuming that he or she had then been an Australian citizen or permanent resident, have successfully applied for a first home owner grant under this Act or a corresponding law in relation to an earlier transaction to which he or she was a party.

11 Criterion 4—Applicant (or applicant’s partner) must not have had relevant interest in residential property

- (1) An applicant is ineligible if the applicant or the applicant’s partner has, before 1 July 2000, held—
 - (a) a relevant interest in residential property in the ACT; or
 - (b) an interest in residential property in a State that is a relevant interest under the corresponding law of the State.
- (2) In working out for section (1) whether an applicant held a relevant interest (within the meaning of this Act or a corresponding law) in residential property at a particular time, any deferment of the applicant’s right of occupation (because the property was subject to a lease) is to be disregarded.
- (3) An applicant is also ineligible if, before the commencement date of the eligible transaction to which the application relates, the applicant or the applicant’s partner—
 - (a) held a relevant interest in residential property in the ACT or an interest in residential property in a State that is a relevant interest under the corresponding law of the State; and
 - (b) occupied the property as a place of residence.
- (4) However, for subsection (3), the applicant or the applicant’s partner is taken not to have used the property as the residence of the applicant or the applicant’s partner if—
 - (a) the property was the subject of an earlier application under this Act by the applicant; and
 - (b) a first home owner grant was paid under the earlier application; and
 - (c) the applicant repaid the grant because of a failure to comply with section 12 in relation to the earlier application.

- (5) In this section:

residential property—land in Australia is *residential property* at a particular time if there is, at that time, a building on the land lawfully occupied as a place of residence or suitable for occupation as a place of residence.

12 Criterion 5—Residence requirements

- (1) An applicant for a first home owner grant must occupy the home to which the application relates as the applicant's principal place of residence for a continuous period of at least 6 months.
- (2) However, if the commissioner is satisfied there are good reasons to do so, the commissioner may—
- (a) approve a shorter period; or
 - (b) exempt the applicant from the requirement to comply with subsection (1).
- (3) The period of occupation required under subsection (1), or the shorter period approved under subsection (2) (a), must start within 1 year after completion of the eligible transaction to which the application relates or a longer period approved by the commissioner.
- (4) The commissioner may exempt the applicant (the *noncomplying applicant*) from the requirement to comply with subsection (3) if—
- (a) the applicant is 1 of 2 or more joint applicants for a first home owner grant; and
 - (b) at least 1 of the applicants complies with the requirement; and
 - (c) there are, in the commissioner's opinion, good reasons to exempt the noncomplying applicant from the requirement.

Division 2.3 Eligible transactions

13 Meaning of *eligible transaction* etc

- (1) An *eligible transaction* is—
 - (a) a contract for the purchase of a home in the ACT made on or after 1 July 2000; or
 - (b) a comprehensive home building contract made on or after 1 July 2000 by the owner of land in the ACT, or a person who will on completion of the contract be the owner of land in the ACT, to have a home built on the land; or
 - (c) the building of a home in the ACT by an owner-builder if the building work begins on or after 1 July 2000.
- (2) However, a contract is not an *eligible transaction* if the commissioner is of the opinion that it forms part of a scheme to circumvent limitations on, or requirements affecting, eligibility or entitlement to a first home owner grant and the commissioner will, unless satisfied to the contrary, presume the existence of such a scheme, if—
 - (a) for a contract to purchase a home—the purchaser had an option to purchase the home granted before 1 July 2000 or the vendor had an option to require the purchaser to purchase the home granted before that date; or
 - (b) for a comprehensive building contract—either party had a right or option granted before 1 July 2000 to require the other to enter into the contract.
- (3) The *commencement date* of an eligible transaction is—
 - (a) for a contract—the date when the contract is made; or
 - (b) for the building of a home by an owner-builder—
 - (i) the date when laying the foundations for the home begins;
or

- (ii) another date the commissioner considers appropriate in the circumstances of the case.
 - (4) Subject to any qualifications prescribed under the regulations, an eligible transaction is **completed** when—
 - (a) for a contract for the purchase of a home—
 - (i) the purchaser becomes entitled to possession of the home under the contract; and
 - (ii) if the purchaser is to obtain a registered title to the land on which the home is situated—the necessary steps to obtain registration of the purchaser’s title have been taken; or
 - (b) for a contract to have a home built—the building is ready for occupation as a place of residence; or
 - (c) for the building of a home by an owner-builder—the building is ready for occupation as a place of residence.
- Note* For when certain transactions related to moveable buildings are completed, see s (5).
- (5) If a person purchases a moveable building and intends to use it as a place of residence on land in which the person has a relevant interest but on which it is not situated at the time of purchase—
 - (a) this Act applies as if the person were an owner-builder building a home on the land; and
 - (b) the commencement date of the transaction is taken to be the date of the contract to purchase the moveable building; and
 - (c) the transaction is taken to be completed when the moveable building is ready for occupation as a place of residence on land in which the purchaser has a relevant interest.
 - (6) The **consideration** for an eligible transaction is—
 - (a) for a contract for the purchase of a home—the consideration for the purchase; or

- (b) for a comprehensive home building contract—the total consideration payable for the building work; or
 - (c) for the building of a home by an owner-builder—the actual costs to the owner of carrying out the work (excluding any allowance for the owner-builder's own labour).
- (7) In this section:

comprehensive home building contract means a contract under which a builder undertakes to build a home on land from the inception of the building work to the point where the home is ready for occupation and if, for any reason, the work to be carried out under such a contract is not completed, includes any further contract under which the work is to be completed.

contract for the purchase of a home means a contract for the acquisition of a relevant interest in land on which a home is built.

option to purchase includes a right of pre-emption or a right of first refusal.

owner-builder means an owner of land who builds a home, or has a home built, on the land without entering into a comprehensive home building contract.

Note For when a person is taken to be an owner-builder in relation to a moveable building, see s (5).

Division 2.4 Application for grant

14 Application for grant

- (1) An application for a first home owner grant is to be made to the commissioner.

Note 1 If a form is approved under s 55 (Approved forms) for an application, the form must be used.

Note 2 For how documents may be given, see Legislation Act, pt 19.5.

- (2) An applicant must provide the commissioner with any information the commissioner requires to decide the application.
- (3) Information provided by an applicant in or in relation to an application must, if the commissioner so requires, be verified by statutory declaration or supported by other evidence required by the commissioner.
- (4) An application may only be made within a period (the *application period*)—
 - (a) beginning on the commencement date of the eligible transaction to which the application relates; and
 - (b) ending 1 year after the completion of the eligible transaction to which the application relates.
- (5) However, the commissioner has a discretion to allow an application before or after the application period.
- (6) An applicant may, with the commissioner's consent, amend an application.

15 All interested persons to join in application

- (1) All interested persons must be applicants.
- (2) An *interested person* is a person who is, or will be on completion of the eligible transaction to which the application relates, an owner of the relevant home except such a person who is excluded from the application of this section under the regulations.

16 Application on behalf of person under legal disability

- (1) An application may be made on behalf of a person under a legal disability by a guardian.
- (2) For the purpose of deciding eligibility, the person under the legal disability is to be regarded as the applicant.

Division 2.5 Decision on application

17 Commissioner to decide applications

- (1) If the commissioner is satisfied that a first home owner grant is payable on an application, the commissioner must authorise the payment of the grant.
- (2) The commissioner may authorise the payment of a first home owner grant before completion of the eligible transaction if satisfied that—
 - (a) there are good reasons for doing so; and
 - (b) the interests of the Territory can be adequately protected by conditions requiring repayment of the grant if the transaction is not completed within a reasonable time.

18 Amount of grant

- (1) The amount of a first home owner grant is the lesser of the following:
 - (a) the consideration for the eligible transaction;
 - (b) \$7 000.
- (2) However, this section does not apply if section 24B (Amount of grant—certain eligible transactions) applies.
- (3) Subsection (2) is a law to which the Legislation Act, section 88 (Repeal does not end effect of transitional laws etc) applies.
- (4) Subsections (2) and (3) and this subsection expire on 1 July 2013.

19 Payment of grant

- (1) A first home owner grant is to be paid by electronic funds transfer, by cheque or in any other way the commissioner considers appropriate.

- (2) A first home owner grant is to be paid—
- (a) to the applicant; or
 - (b) to someone else to whom the applicant directs in writing that the grant be paid.

20 Payment in anticipation of compliance with residence requirements

- (1) The commissioner may authorise payment of a first home owner grant in anticipation of compliance with the residence requirements if the commissioner is satisfied that each applicant intends to comply with the residence requirements.
- (2) If a first home owner grant is paid in anticipation of compliance with the residence requirements, the payment is made on condition that, if the residence requirements are not complied with, the applicant must within 14 days after the relevant date—
- (a) give written notice of that fact to the commissioner; and
 - (b) repay the amount of the grant.
- (3) The *relevant date* is the earlier of the following:
- (a) the end of the period allowed for compliance with the residence requirements;
 - (b) the date it first becomes apparent that the residence requirements will not be complied with during the period allowed for compliance.
- (4) If a first home owner grant is paid to a person on the condition mentioned in subsection (2), the person must comply with the condition.

Maximum penalty: 50 penalty units.

- (5) An offence against this section is a strict liability offence.

21 Conditions generally

- (1) The commissioner may authorise the payment of a first home owner grant on conditions the commissioner considers appropriate.
- (2) A condition imposed by the commissioner (under this section or any other provision of this Act) may require a person on whose application the first home owner grant is paid—
 - (a) to give notice of noncompliance with the condition within a period stated in the condition; and
 - (b) to repay the grant or part of the grant within a period stated in the condition.
- (3) For a joint application, each applicant is individually liable to comply with a requirement under subsection (2) but compliance by any of them is to be regarded as compliance by all.
- (4) If a first home owner grant is paid to a person on a condition imposed by the commissioner under this section or another provision of this Act, the person must comply with the condition.

Maximum penalty: 50 penalty units.

- (5) An offence against this section is a strict liability offence.

22 Death of applicant

- (1) An application for a first home owner grant does not lapse because an applicant dies before the application is decided.
- (2) If an applicant dies before the application is decided, the following provisions apply:
 - (a) if the deceased applicant was one of 2 or more applicants and 1 or more applicants survive—the application is to be dealt with as if the surviving applicants were the sole applicants;
 - (b) in any other case—a first home owner grant, if payable on the application, is to be paid to the estate of the deceased applicant.

- (3) A deceased applicant for a first home owner grant is taken to have complied with section 12 (Criterion 5—Residence requirements) if—
- (a) the applicant had not, when the applicant died, complied with that section; and
 - (b) the commissioner is satisfied the applicant intended to comply with that section.

23 Power to correct decision

- (1) If the commissioner decides an application, and is later satisfied (independently of an objection under this Act) that the decision is incorrect, the commissioner may vary or reverse the decision.
- (2) A decision cannot be varied or reversed under this section more than 5 years after it was made.

24 Notification of decision

- (1) If the commissioner decides an application (or decides to vary or reverse an earlier decision on an application), the commissioner must give the applicant notice of the decision.
- (2) If the decision is to authorise the payment of a first home owner grant without conditions, the payment of the grant is sufficient notice of the decision.
- (3) If the decision is to refuse an application, or to vary or reverse an earlier decision on an application, the commissioner must state in the notice the reasons for the decision.

Division 2.5A Amount of grant—certain eligible transactions

24A Definitions—div 2.5A

- (1) In this division:

comprehensive home building contract—see section 13 (7).

contract for an ‘off-the-plan’ purchase, of a new home, means a contract for the purchase of the home on a proposed lot in an unregistered plan of a subdivision of land.

contract for the purchase of a home—see section 13 (7).

GST Act means the *A New Tax System (Goods and Services Tax) Act 1999* (Cwlth).

new home means a home that has not been previously occupied or sold as a place of residence, and includes a substantially renovated home and a home built to replace demolished premises.

owner-builder—see section 13 (7).

- (2) For this division, a home is a *substantially renovated home* if—
- (a) the sale of the home is, under the GST Act, a taxable supply as a sale of new residential premises within the meaning of that Act, section 40-75 (1) (b) (Meaning of *new residential premises*); and
 - (b) the home, as renovated, has not previously been occupied or sold as a place of residence.
- (3) For this division, a home is a *home built to replace demolished premises* if—
- (a) for an eligible transaction that is a contract for the purchase of a home—the sale of the home is, under the GST Act, a taxable supply as a sale of new residential premises within the meaning of that Act, section 40-75 (1) (c); and

- (b) for an eligible transaction that is a comprehensive home building contract for a home or the building of a home by an owner-builder—the home is, under the GST Act, new residential premises within the meaning of that Act, section 40-75 (1) (c); and
- (c) the home, as built to replace the demolished premises, has not previously been occupied or sold as a place of residence; and
- (d) the owner of the home did not occupy the demolished premises as a place of residence before they were demolished.

24B Amount of grant—certain eligible transactions

- (1) The amount of the first home owner grant in relation to an eligible transaction is \$7 000 plus—
 - (a) if the eligible transaction qualifies for the first home owner boost for new homes under section 24C—\$14 000; or
 - (b) if the eligible transaction qualifies for the first home owner boost for established homes under section 24D—\$7 000.
- (2) However, if the consideration for the eligible transaction is less than or equal to the amount of the first home owner grant in relation to the transaction, the maximum amount of the first home owner grant is the consideration for the transaction.

Example

Sarah's parents sold a home they owned in the ACT to her for \$10 000. The contract for the purchase is an eligible transaction, and the transaction qualifies for the first home owner boost for established homes. Instead of being paid a grant of \$14 000, Sarah is paid a grant of \$10 000.

Note An example is part of the Act, is not exhaustive and may extend, but does not limit, the meaning of the provision in which it appears (see Legislation Act, s 126 and s 132).

M 24C First home owner boost for new homes
